INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Seabreeze Retirement Savings Plan
Aliso Viejo, CA

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Seabreeze Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution, agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT (Continued)

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

INDEPENDENT AUDITOR'S REPORT (Continued)

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule of Assets (Held at End of Year) as of December 31, 2021 and Schedule of Delinquent Participant Contributions for the Year Ended December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

INDEPENDENT AUDITOR'S REPORT (Continued)

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulation for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for the Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

The 2020 financial statements of the Plan were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report dated August 2, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and supplemental schedule, and (b) the form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the qualified institution, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Seabreeze Retirement Savings Plan Notes to Financial Statements

1. DESCRIPTION OF PLAN

The following description of Seabreeze Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan was established January 1, 1996 by its sponsor company, Seabreeze Management Company, Inc. ("Company"). The Plan is a defined contribution plan covering all the employees of the Company, except unionized, nonresident, and leased employees. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

Eligibility

Employees who are at least 21 years of age and have completed at least one hour of service during the first month of employment, or 1,000 hours of service during the first year of employment are eligible to participate in the Plan. The Plan allows for employees to begin participating on the first day of the month coinciding with or next following satisfaction of the eligibility requirements.

Contributions

The Plan permits eligible participants to contribute up to 100% of compensation, subject to certain Internal Revenue Code limitations. Participants may also contribute (transfer) amounts representing distributions from other qualified plans. All contributions to participants' accounts are participant-directed in the different investment options offered by the Plan. The Company provides matching contributions equal to 100% of the amount a participant contributes to the Plan up to 3% of eligible plan compensation. The Company may also make discretionary contributions at the option of its board of directors.

Participant Accounts

Participants direct the investment of their accounts into various investment funds offered by the Plan. Each participant's account is credited with the participant's contribution and the related Company matching contribution, if any, as well as an allocation of other discretionary Company contributions, if any, and Plan earnings and expenses. Allocations are based on participant compensation, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after five years of credited service.

**Seabreeze Retirement Savings Plan
Notes to Financial Statements (Continued)**

1. DESCRIPTION OF PLAN (Continued)

Participant Loans

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. Loan terms are up to 5 years, except in the case of a purchase of a primary residence, which may have a loan term up to ten years as determined by the Plan administrator. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan administrator. As of December 31, 2021, interest rates on participant loans ranged from 5.25% to 7.25%. Principal and interest are normally paid ratably through semi-monthly payroll deductions.

Payment of Benefits

On termination of employment, participants may elect to receive the value of their vested account in the form of a lump sum payment. Participants may also receive in-service withdrawals under certain conditions. In the event of Plan termination, participants become 100% vested in their accounts.

Forfeited Accounts

Forfeited non-vested accounts may be used to pay administrative expenses of the Plan or reduce future employer contributions. During the year ended December 31, 2021, \$44,311 of forfeited participant accounts were used to pay certain administrative expenses and reduce employer contributions. As of December 31, 2021 and 2020, there were \$15,964 and \$42,484, respectively, of forfeitures that have not yet been applied to plan expenses or allocated to eligible participants.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

2. SUMMARY OF SIGNIFICANT ACCOUNTING PRINCIPLES

Basis of Accounting

The financial statements of the Plan have been prepared using the accrual method of accounting.

Use of Estimates

The preparation of financial statements in accordance with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes in those assets and liabilities, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Seabreeze Retirement Savings Plan
Notes to Financial Statements (Continued)

2. SUMMARY OF SIGNIFICANT ACCOUNTING PRINCIPLES (Continued)

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for disclosures regarding fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis, which approximates when interest is received. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. Management fees and operating expenses charged to the Plan for investments in the group annuity contract accounts are deducted from income earned on a daily basis and are not separately reflected. Consequently, such management fees and operating expenses are reflected as a reduction of investment return for such investments.

Notes Receivable from Participants

Notes receivable from participants are stated at the unpaid principal balance. Interest income associated with the notes receivable is recorded when interest payments are received, usually semi-monthly. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

Benefits and corrective distributions are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Certain transactional fees are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

3. FINANCIAL INFORMATION CERTIFIED BY THE CUSTODIAN

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule, which include investments at December 31, 2021 and 2020, and interest, dividends and net appreciation in fair value of investments for the year ended December 31, 2021, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by John Hancock Life Insurance Company (John Hancock), the custodian of the Plan, in accordance with Section 2520.103-5(c) of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**Seabreeze Retirement Savings Plan
Notes to Financial Statements (Continued)**

4. INVESTMENTS AND FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy with the related inputs to the valuation methodology are described as follows:

- | | |
|---------|--|
| Level 1 | Quoted prices (unadjusted) in active markets for identical assets that the Plan has the ability to access. |
| Level 2 | Significant other observable (directly or indirectly) inputs, including quoted prices for similar assets in active markets or in inactive markets and other market observable inputs such as interest rate, credit risks, etc. |
| Level 3 | Significant unobservable inputs, including the Plan's own assumptions in determining the fair value of investments. |

Following is a description of the valuation methodologies used for the Plan's investment assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Pooled Separate Accounts

Valued at the unit net asset value as reported by the insurance company, based on the market value of the underlying investments of the accounts. The net asset value ("NAV") is used as a practical expedient to estimate fair value. The pooled separate account investments have no unfunded commitments, redemption frequency is daily and there is no required redemption notice period.

Guaranteed Interest Accounts

Valued at estimated fair value by John Hancock by adjusting the account values to reflect the differential in current interest rates and actual composite interest rates adjusted by the number of months to maturity.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

4. INVESTMENTS AND FAIR VALUE MEASUREMENTS (Continued)

The following table sets forth by level within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Guaranteed investment contracts	\$ -	\$ -	\$ 47,773	\$ 47,773
Total investments in the fair value hierarchy	\$ -	\$ -	\$ 47,773	\$ 47,773
Pooled separate accounts at NAV (a)				6,287,713
Total investments, at fair value				\$ 6,335,486

Assets at Fair Value as of December 31, 2020				
	Level 1	Level 2	Level 3	Total
Guaranteed investment contracts	\$ -	\$ -	\$ 39,531	\$ 39,531
Total investments in the fair value hierarchy	\$ -	\$ -	\$ 39,531	\$ 39,531
Pooled separate accounts at NAV (a)				4,531,861
Total investments, at fair value				\$ 4,571,392

- (a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The Plan's investments under the John Hancock group annuity contract for the pooled separate accounts (summarized with the December 31, 2021 dollar value) reflect the following investment strategies.

Asset Allocation-Target Date (\$4,689,852) - invests in asset mix of stocks, bonds and cash equivalents in its portfolio according to a selected time frame that is appropriate for a particular investor based on a future date such as retirement.

Aggressive Growth (\$595,381) - attempts to achieve the highest capital gains. Investments held in these funds are companies that demonstrate high growth potential, usually accompanied by share price volatility.

4. INVESTMENTS AND FAIR VALUE MEASUREMENTS (Continued)

Growth (\$779,781) - has capital appreciation as its primary goal by investing in companies that are positioned for strong earnings growth potential, and normally invest in more well-established companies.

Income (\$191,085) - emphasizes current income as opposed to capital appreciation. Such funds usually hold a variety of government, municipal and corporate debt obligations and money market instruments.

Conservative (\$31,614) - seeks to preserve an investment portfolio's value by investing in lower risk securities such as fixed-income and money market securities.

The following table sets forth a summary of changes in the fair value of guaranteed interest accounts, the Plan's Level 3 assets, for the year ended December 31, 2021:

Balance at beginning of year	\$ 39,531
Contributions	8,420
Interest income	547
Transfers	68
Disbursements	(401)
Net depreciation	<u>(392)</u>
Balance at end of year	<u>\$ 47,773</u>

The following table represents the Plan's level 3 investment at December 31, 2021 and 2020 the valuation technique used to measure the fair value of the investment, and the significant unobservable inputs and the ranges of values for those inputs.

<u>Interest</u>	<u>Fair Value at December 31,</u>		<u>Principal Valuation Technique</u>	<u>Unobservable Inputs</u>	<u>Range of Significant Input Values</u>
	<u>2021</u>	<u>2020</u>			
Guaranteed Interest Accounts	\$47,773	\$39,531	Adjusted to reflect differential in composite and current interest rates adjusted by number of months to maturity	Composite guaranteed rates	0.70% - 1.85% (2021) 0.80% - 1.85% (2020)
				Current rates at 12/31,	0.80% - 0.90% (2021) 0.70% - 0.80% (2020)

5. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Plan investments are units of pooled separate accounts managed by John Hancock and also deposits in the general account of John Hancock. John Hancock is the investment contract issuer and holds the Plan's investments in a group annuity contract. Under this contract there are fees paid to John Hancock related to investment services, including other investment management companies, and also recordkeeping services, which are included in the net appreciation in fair value of the Plan investments.

As mentioned in Note 2, certain expenses are paid by the participants to John Hancock, the third party administrator, and the investment advisor (\$79,491 in 2021), and are included in Plan expenses. The above-mentioned transactions, also including the notes receivable from participants, qualify as allowable party-in-interest transactions for which there are statutory exemptions.

6. RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

7. INCOME TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter dated March 31, 2014 that the plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the taxing authorities. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8. PROHIBITED TRANSACTIONS

During 2021, the Plan Sponsor inadvertently failed to deposit \$658 of participant contributions within the required timeframe as stated by the United States Department of Labor regulations. The Plan Sponsor intends to deposit lost earnings in the amount of approximately \$1 to correct this failure in 2022. The correction, if applicable, will be deposited by the Plan Sponsor, and not from the Plan.

9. SUBSEQUENT EVENTS

In preparing these financial statements, the Plan administrator has evaluated subsequent events and transactions for potential recognition or disclosure through October 17, 2022, the date the financial statements were available to be issued.
