Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) ☐ Unmodified (2) ☐ Qualified (3) ☒ Disclaimer (4) ☐ Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) ☒ DOL Regulation 2520.103-8 (2) ☐ DOL Regulation 2520.103-12(d) (3) ☐ neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: MITCHELL & TITUS

(2) EIN: 13-2781641

d The opinion of an independent qualified public accountant is **not attached** because:

(1) ☐ This form is filed for a CCT, PSA, or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l.

During the plan year:

a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.).....

	Yes	No	Amount
4a		X	

	Yes	No	Amount
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)			
4b		X	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)			
4c		X	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)			
4d		X	
e Was this plan covered by a fidelity bond?	X		5000000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		X	
4f		X	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?		X	
4g		X	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?		X	
4h		X	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	X		
4i	X		
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)		X	
4j		X	
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?		X	
4k		X	
l Has the plan failed to provide any benefit when due under the plan?		X	
4l		X	
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)		X	
4m		X	
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.			
4n			

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? ☐ Yes ☒ No
If "Yes," enter the amount of any plan assets that reverted to the employer this year _____.

5b If, during this plan year, any assets or liabilities were transferred from this plan to another plan(s), identify the plan(s) to which assets or liabilities were transferred. (See instructions.)

5b(1) Name of plan(s)	5b(2) EIN(s)	5b(3) PN(s)

5c Was the plan a defined benefit plan covered under the PBGC insurance program at any time during this plan year? (See ERISA section 4021 and instructions.) ☐ Yes ☐ No ☐ Not determined
If "Yes" is checked, enter the My PAA confirmation number from the PBGC premium filing for this plan year _____.

SCHEDULE R (Form 5500) Department of the Treasury Internal Revenue Service Department of Labor Employee Benefits Security Administration Pension Benefit Guaranty Corporation	Retirement Plan Information This schedule is required to be filed under sections 104 and 4065 of the Employee Retirement Income Security Act of 1974 (ERISA) and section 6058(a) of the Internal Revenue Code (the Code). ► File as an attachment to Form 5500.	OMB No. 1210-0110 2021 This Form is Open to Public Inspection.

INDEPENDENT AUDITOR'S REPORT

To the Investment Committee
Loop Capital Markets, LLC 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of the Loop Capital Markets, LLC 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from VOYA Retirement Insurance and Annuity Company, the trustee of the Plan and a qualified institution, as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

141 West Jackson Blvd.
Chicago, IL 60604
T: +1 312 332 4964
F: +1 312 332 0181

mitchelltitus.com

- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

Other Matters

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution.

In our report dated October 13, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

LOOP CAPITAL MARKETS, LLC 401(k) PLAN

Notes to Financial Statements

December 31, 2021 and 2020

NOTE 1 DESCRIPTION OF PLAN

The following description of the Loop Capital Markets, LLC 401(k) Plan (the Plan) provides general information about the Plan's provisions. Loop Capital Markets, LLC (the Company) is the Plan sponsor. Participants should refer to the Plan document and summary Plan description for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering full-time employees of the Company who have at least one year of service and are age 21 or older. The Loop Capital Markets, LLC 401(k) Plan Investment Committee (the Investment Committee) is responsible for the general administration of the Plan. VOYA Retirement Insurance and Annuity Company is the trustee and record keeper of the Plan, as described in Note 3. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Contributions

Each year, participants may contribute up to 100% of their pretax annual compensation. Participants may also contribute amounts representing distributions from other qualified plans. Participants who have attained age 50 before the end of the year are eligible to make catch-up contributions. Matching contributions may be contributed at the discretion of the Company. All contributions are subject to certain limitations of the Internal Revenue Code (the Code).

The Plan offers participants various investment options to direct their elective contributions and they can change their investment options on a daily basis. The Company's contributions are invested in the same manner as that of the participant's elective contributions.

Participant Accounts

Each participant's account is credited with his or her contributions; the Company's matching contributions, if any, and an allocation of the investment's earnings, if any. Each participant's account is charged with an allocation of administrative expenses and investment losses, if any. Plan earnings are allocated based on the participant's share of net earnings or losses of their respective elected investment options. Allocations of administrative expenses are based on the participant's account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

LOOP CAPITAL MARKETS, LLC 401(k) PLAN

Notes to Financial Statements

December 31, 2021 and 2020

NOTE 1 DESCRIPTION OF PLAN *(continued)*

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's matching contributions is based on years of continuous service. A participant is 100% vested after six years of credited service.

Forfeitures

Upon termination of employment, participants forfeit their non-vested balances. If a participant is rehired within a five-year period, the forfeited contributions are reinstated. Forfeited balances of terminated participants' non-vested accounts are used to reduce future Company contributions. The unallocated forfeited balances as of December 31, 2021 and 2020 were \$5,673 and \$1,028, respectively.

Participant Loans

Participants may borrow from their accounts in increments of \$1,000, up to a maximum equal to the lesser of \$50,000 reduced by the excess, if any, of their highest outstanding balance of loans from the Plan during the one-year preceding period, or 50% of their vested balance. Loan terms range from one to five years; the Plan administrator may permit a longer repayment term for the purchase of a primary residence. A participant may not have more than two loans outstanding at once. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates at the date of issuance as determined quarterly by the Plan administrator. Principal and interest are paid ratably through monthly payroll deductions. If a participant terminates employment with the Company, the loan is due and payable in its entirety. If the loan is not repaid, it will be automatically treated as a distribution to the participant.

Payment of Benefits

Upon separation from service with the Company because of disability, retirement or termination, a participant whose vested account balance exceeds \$5,000 may receive a lump-sum payment. Upon separation from service because of death, benefit payments are made to the participant's selected beneficiary. A participant whose vested account balance is \$5,000 or less and has not commenced receiving installment payments will automatically receive a lump-sum distribution equal to their vested account balance.

In-service withdrawals are available in certain limited circumstances, as defined by the Plan. Hardship withdrawals are allowed for participants incurring an immediate and heavy financial need, as defined by the Plan. Hardship withdrawals are strictly regulated by the Internal Revenue Service (IRS) and a participant must exhaust all other available loan and distribution options prior to requesting a hardship withdrawal.

LOOP CAPITAL MARKETS, LLC 401(k) PLAN
Notes to Financial Statements
December 31, 2021 and 2020

NOTE 1 DESCRIPTION OF PLAN *(continued)*

Administrative Expenses

The Plan's administrative expenses are paid by either the Plan or the Company, as provided by the Plan's provisions. Administrative expenses paid by the Plan include recordkeeping and trustee fees. Expenses relating to purchases, sales or transfers of the Plan's investments are charged to the particular investment fund related to the expense. All other administrative expenses of the Plan are paid by the Company.

Plan Termination

Although it has not expressed any such intent, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event the Plan terminates, participants will become 100% vested in their accounts for any employer contributions.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Plan's financial statements have been prepared on the accrual basis of accounting.

Payment of Benefits

Benefits are recorded when paid.

Notes Receivable from Participants

Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Related fees are recorded as administrative expenses when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be a distribution, then the participant loan balance is reduced and a benefit payment is recorded.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates that affect the amounts reported in the financial statements and accompanying notes and supplemental schedule. Actual results could differ from those estimates.

LOOP CAPITAL MARKETS, LLC 401(k) PLAN
Notes to Financial Statements
December 31, 2021 and 2020

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(continued)*

Investment Valuation and Income Recognition

Investments held by the Plan are stated at fair value (except for the non-benefit-responsive investment contract, which is reported at contract value; see Note 5).

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (*i.e.*, an exit price). See Note 4 for further discussion and disclosures related to fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned and dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought, sold, and held during the year.

The Investment Committee is responsible for determining the Plan's valuation policies and analyzing information provided by the investment custodians and issuers that is used to determine the fair value of the Plan's investments.

NOTE 3 INVESTMENTS

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of ERISA. The following investment information was obtained or derived from information provided to the Plan administrator and certified as complete and accurate by VOYA Retirement Insurance and Annuity Company, the trustee of the Plan. The investments held by Northwestern Mutual Investment Services, LLC were not certified.

		\$ 34,216

NOTE 4 FAIR VALUE MEASUREMENTS

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (*i.e.*, an exit price). The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described below:

Level 1: Unadjusted quoted prices in active markets that are accessible to the reporting entity at the measurement date for identical assets and liabilities.

Level 2: Inputs other than quoted prices in active markets for identical assets and liabilities that are observable either directly or indirectly for substantially the full term of the asset or liability. Level 2 inputs include the following:

- Quoted prices for similar assets and liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in markets that are not active
- Observable inputs other than quoted prices that are used in the valuation of the asset or liabilities (*e.g.*, interest rate and yield curve quotes at commonly quoted intervals)
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

LOOP CAPITAL MARKETS, LLC 401(k) PLAN
Notes to Financial Statements
December 31, 2021 and 2020

NOTE 4 FAIR VALUE MEASUREMENTS *(continued)*

Level 3: Unobservable inputs for the asset or liability (*i.e.*, supported by little or no market activity). Level 3 inputs include management's own assumption about the assumptions that market participants would use in pricing the asset or liability (including assumptions about risk).

The level in the fair value hierarchy within which the fair value measurement is classified is determined based on the lowest level input that is significant to the fair value measure in its entirety.

The following is a description of the valuation techniques and inputs used for each major class of assets measured at fair value by the Plan.

Common stock: Valued at the closing price per share as reported on the New York Stock Exchange.

Pooled separate accounts: Valued at the accumulation unit value (AUV), which uses the underlying net asset value of the mutual funds that the separate accounts invest in as a basis for calculation. The AUV for each investment option is determined once each business day.

Money market funds: Valued at the reported closing market price.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets carried at fair value at December 31, 2021 and 2020:

Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Total
<i>Investments</i>			
Common stock	\$ 113,147	\$ -	\$ 13,324
Money market funds	13,324	-	113,147
Pooled separate accounts	-	34,911,961	34,911,961
Total investments at fair value	\$ 126,471	\$ 34,911,961	\$ 35,038,432
 Assets at Fair Value as of December 31, 2020			
	Level 1	Level 2	Total
<i>Investments</i>			
Common stock	\$ 82,498	\$ -	\$ 82,498
Money market funds	11,930	-	11,930
Pooled separate accounts	-	28,219,384	28,219,384
Total investments at fair value	\$ 94,428	\$ 28,219,384	\$ 28,313,812

As of December 31, 2021 and 2020, the Plan has no investments classified as Level 3 assets.

NOTE 5 INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan invests in a non-benefit-responsive guaranteed interest contract (GIC) with VOYA Retirement Insurance and Annuity Company, which maintains the contributions in a general account. The contract value of this asset was \$1,574,193 and \$1,884,137 at December 31, 2021 and 2020, respectively.

The account is credited with a guaranteed and fixed rate of return. The guaranteed interest contract is contractually obligated to repay the principal and specified interest rate that is guaranteed to the Plan by VOYA Retirement Insurance and Annuity Company. As the GIC is non-benefit responsive, fair value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the GIC. The GIC promises contract value for a benefit event, such as termination, death, disability or retirement. However, there is a market value adjustment, which is also called a surrender charge, when funds are withdrawn prior to their maturity or for a non-benefit event, such as an account withdrawal to change an investment option.

The GIC does not permit VOYA Retirement Insurance and Annuity Company to terminate the agreement prior to the scheduled maturity date. For the year ended December 31, 2021, the interest rate in the guaranteed interest account was 1.00%.

NOTE 6 RISKS AND UNCERTAINTIES

The Plan invests in investment securities that are exposed to various risks, such as interest rate, market volatility and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term. The changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 7 PARTY-IN-INTEREST TRANSACTIONS

The Plan holds units of a guaranteed interest account with VOYA Retirement Insurance and Annuity Company, the trustee of the Plan, as well as invests in certain pooled separate accounts managed by VOYA Retirement Insurance and Annuity Company. These transactions qualify as party-in-interest transactions; however, they are exempt from the prohibited transactions rules under ERISA.

LOOP CAPITAL MARKETS, LLC 401(k) PLAN

Notes to Financial Statements

December 31, 2021 and 2020

NOTE 8 INCOME TAX STATUS

The underlying, non-standardized prototype plan has received an opinion letter from the IRS dated March 31, 2018, stating that the form of the Plan is qualified under Section 401(a) of the Code and, therefore, the related trust is tax exempt. In accordance with Revenue Procedures 2014-6 and 2011-49, the Plan administrator has determined that it is eligible, and it has chosen, to rely on the current IRS prototype plan opinion letter. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualified status. The Plan administrator has indicated that it will take the necessary steps, if any, to ensure the Plan operations comply with the Code.

U.S. GAAP requires Plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more-likely-than-not, based on the technical merits, to be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there were no uncertain tax positions taken or are expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2018.

NOTE 9 RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

There were no reconciling items involving the amounts shown per the financial statements and Form 5500 for the years ended December 31, 2021 and 2020.

NOTE 10 SUBSEQUENT EVENTS

Management evaluated subsequent events for the Plan through _____, 2022, the date the financial statements were available for issuance. During that period, no additional events have taken place that are required to be recorded or disclosed in the financial statements.

INDEPENDENT AUDITOR'S REPORT

To the Investment Committee
Loop Capital Markets, LLC 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of the Loop Capital Markets, LLC 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from VOYA Retirement Insurance and Annuity Company, the trustee of the Plan and a qualified institution, as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

141 West Jackson Blvd.
Chicago, IL 60604
T: +1 312 332 4964
F: +1 312 332 0181

mitchelltitus.com

- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

Other Matters

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution.

In our report dated October 13, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

LOOP CAPITAL MARKETS, LLC 401(k) PLAN

Notes to Financial Statements

December 31, 2021 and 2020

NOTE 1 DESCRIPTION OF PLAN

The following description of the Loop Capital Markets, LLC 401(k) Plan (the Plan) provides general information about the Plan's provisions. Loop Capital Markets, LLC (the Company) is the Plan sponsor. Participants should refer to the Plan document and summary Plan description for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering full-time employees of the Company who have at least one year of service and are age 21 or older. The Loop Capital Markets, LLC 401(k) Plan Investment Committee (the Investment Committee) is responsible for the general administration of the Plan. VOYA Retirement Insurance and Annuity Company is the trustee and record keeper of the Plan, as described in Note 3. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Contributions

Each year, participants may contribute up to 100% of their pretax annual compensation. Participants may also contribute amounts representing distributions from other qualified plans. Participants who have attained age 50 before the end of the year are eligible to make catch-up contributions. Matching contributions may be contributed at the discretion of the Company. All contributions are subject to certain limitations of the Internal Revenue Code (the Code).

The Plan offers participants various investment options to direct their elective contributions and they can change their investment options on a daily basis. The Company's contributions are invested in the same manner as that of the participant's elective contributions.

Participant Accounts

Each participant's account is credited with his or her contributions; the Company's matching contributions, if any, and an allocation of the investment's earnings, if any. Each participant's account is charged with an allocation of administrative expenses and investment losses, if any. Plan earnings are allocated based on the participant's share of net earnings or losses of their respective elected investment options. Allocations of administrative expenses are based on the participant's account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

LOOP CAPITAL MARKETS, LLC 401(k) PLAN

Notes to Financial Statements

December 31, 2021 and 2020

NOTE 1 DESCRIPTION OF PLAN *(continued)*

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's matching contributions is based on years of continuous service. A participant is 100% vested after six years of credited service.

Forfeitures

Upon termination of employment, participants forfeit their non-vested balances. If a participant is rehired within a five-year period, the forfeited contributions are reinstated. Forfeited balances of terminated participants' non-vested accounts are used to reduce future Company contributions. The unallocated forfeited balances as of December 31, 2021 and 2020 were \$5,673 and \$1,028, respectively.

Participant Loans

Participants may borrow from their accounts in increments of \$1,000, up to a maximum equal to the lesser of \$50,000 reduced by the excess, if any, of their highest outstanding balance of loans from the Plan during the one-year preceding period, or 50% of their vested balance. Loan terms range from one to five years; the Plan administrator may permit a longer repayment term for the purchase of a primary residence. A participant may not have more than two loans outstanding at once. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates at the date of issuance as determined quarterly by the Plan administrator. Principal and interest are paid ratably through monthly payroll deductions. If a participant terminates employment with the Company, the loan is due and payable in its entirety. If the loan is not repaid, it will be automatically treated as a distribution to the participant.

Payment of Benefits

Upon separation from service with the Company because of disability, retirement or termination, a participant whose vested account balance exceeds \$5,000 may receive a lump-sum payment. Upon separation from service because of death, benefit payments are made to the participant's selected beneficiary. A participant whose vested account balance is \$5,000 or less and has not commenced receiving installment payments will automatically receive a lump-sum distribution equal to their vested account balance.

In-service withdrawals are available in certain limited circumstances, as defined by the Plan. Hardship withdrawals are allowed for participants incurring an immediate and heavy financial need, as defined by the Plan. Hardship withdrawals are strictly regulated by the Internal Revenue Service (IRS) and a participant must exhaust all other available loan and distribution options prior to requesting a hardship withdrawal.

LOOP CAPITAL MARKETS, LLC 401(k) PLAN
Notes to Financial Statements
December 31, 2021 and 2020

NOTE 1 DESCRIPTION OF PLAN *(continued)*

Administrative Expenses

The Plan's administrative expenses are paid by either the Plan or the Company, as provided by the Plan's provisions. Administrative expenses paid by the Plan include recordkeeping and trustee fees. Expenses relating to purchases, sales or transfers of the Plan's investments are charged to the particular investment fund related to the expense. All other administrative expenses of the Plan are paid by the Company.

Plan Termination

Although it has not expressed any such intent, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event the Plan terminates, participants will become 100% vested in their accounts for any employer contributions.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Plan's financial statements have been prepared on the accrual basis of accounting.

Payment of Benefits

Benefits are recorded when paid.

Notes Receivable from Participants

Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Related fees are recorded as administrative expenses when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be a distribution, then the participant loan balance is reduced and a benefit payment is recorded.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates that affect the amounts reported in the financial statements and accompanying notes and supplemental schedule. Actual results could differ from those estimates.

LOOP CAPITAL MARKETS, LLC 401(k) PLAN

Notes to Financial Statements

December 31, 2021 and 2020

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(continued)*

Investment Valuation and Income Recognition

Investments held by the Plan are stated at fair value (except for the non-benefit-responsive investment contract, which is reported at contract value; see Note 5).

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (*i.e.*, an exit price). See Note 4 for further discussion and disclosures related to fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned and dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought, sold, and held during the year.

The Investment Committee is responsible for determining the Plan's valuation policies and analyzing information provided by the investment custodians and issuers that is used to determine the fair value of the Plan's investments.

NOTE 3 INVESTMENTS

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of ERISA. The following investment information was obtained or derived from information provided to the Plan administrator and certified as complete and accurate by VOYA Retirement Insurance and Annuity Company, the trustee of the Plan. The investments held by Northwestern Mutual Investment Services, LLC were not certified.

<i>Investment income not certified by trustee</i>		
Net appreciation in fair value of investments		\$ 32,043
Interest and dividends		2,173
		\$ 34,216

NOTE 4 FAIR VALUE MEASUREMENTS

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (*i.e.*, an exit price). The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described below:

Level 1: Unadjusted quoted prices in active markets that are accessible to the reporting entity at the measurement date for identical assets and liabilities.

Level 2: Inputs other than quoted prices in active markets for identical assets and liabilities that are observable either directly or indirectly for substantially the full term of the asset or liability. Level 2 inputs include the following:

- Quoted prices for similar assets and liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in markets that are not active
- Observable inputs other than quoted prices that are used in the valuation of the asset or liabilities (*e.g.*, interest rate and yield curve quotes at commonly quoted intervals)
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

LOOP CAPITAL MARKETS, LLC 401(k) PLAN
Notes to Financial Statements
December 31, 2021 and 2020

NOTE 4 FAIR VALUE MEASUREMENTS (*continued*)

Level 3: Unobservable inputs for the asset or liability (*i.e.*, supported by little or no market activity). Level 3 inputs include management's own assumption about the assumptions that market participants would use in pricing the asset or liability (including assumptions about risk).

The level in the fair value hierarchy within which the fair value measurement is classified is determined based on the lowest level input that is significant to the fair value measure in its entirety.

The following is a description of the valuation techniques and inputs used for each major class of assets measured at fair value by the Plan.

Common stock: Valued at the closing price per share as reported on the New York Stock Exchange.

Pooled separate accounts: Valued at the accumulation unit value (AUV), which uses the underlying net asset value of the mutual funds that the separate accounts invest in as a basis for calculation. The AUV for each investment option is determined once each business day.

Money market funds: Valued at the reported closing market price.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets carried at fair value at December 31, 2021 and 2020:

Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Total
<i>Investments</i>			
Common stock	\$ 113,147	\$ -	\$ 13,324
Money market funds	13,324	-	113,147
Pooled separate accounts	-	34,911,961	34,911,961
Total investments at fair value	\$ 126,471	\$ 34,911,961	\$ 35,038,432
 Assets at Fair Value as of December 31, 2020			
	Level 1	Level 2	Total
<i>Investments</i>			
Common stock	\$ 82,498	\$ -	\$ 82,498
Money market funds	11,930	-	11,930
Pooled separate accounts	-	28,219,384	28,219,384
Total investments at fair value	\$ 94,428	\$ 28,219,384	\$ 28,313,812

As of December 31, 2021 and 2020, the Plan has no investments classified as Level 3 assets.

NOTE 5 INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan invests in a non-benefit-responsive guaranteed interest contract (GIC) with VOYA Retirement Insurance and Annuity Company, which maintains the contributions in a general account. The contract value of this asset was \$1,574,193 and \$1,884,137 at December 31, 2021 and 2020, respectively.

The account is credited with a guaranteed and fixed rate of return. The guaranteed interest contract is contractually obligated to repay the principal and specified interest rate that is guaranteed to the Plan by VOYA Retirement Insurance and Annuity Company. As the GIC is non-benefit responsive, fair value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the GIC. The GIC promises contract value for a benefit event, such as termination, death, disability or retirement. However, there is a market value adjustment, which is also called a surrender charge, when funds are withdrawn prior to their maturity or for a non-benefit event, such as an account withdrawal to change an investment option.

The GIC does not permit VOYA Retirement Insurance and Annuity Company to terminate the agreement prior to the scheduled maturity date. For the year ended December 31, 2021, the interest rate in the guaranteed interest account was 1.00%.

NOTE 6 RISKS AND UNCERTAINTIES

The Plan invests in investment securities that are exposed to various risks, such as interest rate, market volatility and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term. The changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 7 PARTY-IN-INTEREST TRANSACTIONS

The Plan holds units of a guaranteed interest account with VOYA Retirement Insurance and Annuity Company, the trustee of the Plan, as well as invests in certain pooled separate accounts managed by VOYA Retirement Insurance and Annuity Company. These transactions qualify as party-in-interest transactions; however, they are exempt from the prohibited transactions rules under ERISA.

LOOP CAPITAL MARKETS, LLC 401(k) PLAN

Notes to Financial Statements

December 31, 2021 and 2020

NOTE 8 INCOME TAX STATUS

The underlying, non-standardized prototype plan has received an opinion letter from the IRS dated March 31, 2018, stating that the form of the Plan is qualified under Section 401(a) of the Code and, therefore, the related trust is tax exempt. In accordance with Revenue Procedures 2014-6 and 2011-49, the Plan administrator has determined that it is eligible, and it has chosen, to rely on the current IRS prototype plan opinion letter. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualified status. The Plan administrator has indicated that it will take the necessary steps, if any, to ensure the Plan operations comply with the Code.

U.S. GAAP requires Plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more-likely-than-not, based on the technical merits, to be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there were no uncertain tax positions taken or are expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2018.

NOTE 9 RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

There were no reconciling items involving the amounts shown per the financial statements and Form 5500 for the years ended December 31, 2021 and 2020.

NOTE 10 SUBSEQUENT EVENTS

Management evaluated subsequent events for the Plan through _____, 2022, the date the financial statements were available for issuance. During that period, no additional events have taken place that are required to be recorded or disclosed in the financial statements.
