Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audit of the financial statements of the People Against Dirty 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021 and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2021, and for the year then ended, stating the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).

60 South Market Street, Suite 500 San Jose, California 95113 t 408.279.5566 www.frankrimerman.com

- the information in the accompanying financial statements related to assets held by and certified to by the qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental schedules included in the accompanying table of contents are presented for purposes of additional analysis and are not a required part of the financial statements, but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by the qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Report on the Financial Statement

We were engaged to audit the accompanying financial statement of the People Against Dirty 401(k) Plan 401(k) Plan (the Plan), which comprises the statement of net assets available for benefits as of December 31, 2020 and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of the financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statement that is free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on the financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the *Basis for Disclaimer of Opinion* paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Great-West Trust Company, LLC (Great-West), the Plan's trustee, except for comparing such information with the related information included in the financial statement. We have been informed by the Plan administrator that Great-West holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from Great-West as of December 31, 2020, and for the year then ended, that the information provided to the Plan administrator by Great-West is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on the financial statement.

Report on Form and Content in Compliance with DOL Rules and Regulations.

The form and content of the information included in the financial statement, other than that derived from the information certified by Great-West, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

People Against Dirty 401(k) Plan Notes to the Financial Statements

1. Description of the Plan

Method Products, PBC (the Company) established the People Against Dirty 401(k) Plan (the Plan), effective September 30, 2005, to provide participants with a means to fund their retirement on a tax-deferred basis. The Plan was amended and restated in July 2020.

The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General:

The Plan is a defined contribution plan under Sections 401(a) and 401(k) and related provisions of the Internal Revenue Code (the Code) and applicable state laws. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Company is the Plan sponsor and Plan administrator. The Plan is administered by a Plan Investment Committee, which consists of Company employees. Great-West Trust Company, LLC (Great-West), serves as the Plan's trustee, and Great-West Retirement Services is the Plan's record keeper. Great-West holds, invests and reinvests the Plan assets in the interest and direction of the participants and their beneficiaries. The Company has engaged LPL Financial LLC (LPL) as an investment advisor. LPL assists the Plan Investment Committee in selecting the investment options offered under the Plan and monitoring investment performance.

Eligible Participants:

Employees, as defined by the Plan agreement, may participate in the Plan on the first day of the month coinciding with or following their first day of employment.

People Against Dirty 401(k) Plan

Notes to the Financial Statements

1. Description of the Plan (continued)

Contributions:

Participants may contribute a percentage of their pre-tax and after-tax annual compensation, as defined, to the Plan agreement. Participants who have reached the age of 50 may also elect to withhold additional catch-up contributions under the Code. Participants may also contribute amounts representing distributions from other qualified defined contribution or defined benefit plans (rollovers), subject to Code regulations.

The Plan has an automatic enrollment feature under which all eligible employees hired or rehired are automatically enrolled in the Plan and have 3% of their compensation deferred and contributed to the Plan unless they request a different amount to be contributed or formally decline participation. After two years of participation in the Plan, the automatic deferral automatically increases 1% in each subsequent year of participation, to a maximum of 10%. Participants may adjust their deferral rate or discontinue their contributions at any time.

The Company and related entities may make discretionary matching contributions to the Plan, as determined by the entities' Boards of Directors. For discretionary matching contributions made, the Plan requires an annual true-up so the aggregate matching contributions made during any given Plan year reflects an amount equal to the matching contributions had they been computed based on participants' year-to-date eligible compensation contributed to the Plan. The Company and related entities made discretionary matching contributions of \$1,915,339 in 2021, of which \$194,952 was receivable at December 31, 2021.

Contributions are subject to certain limitations under the Code.

Participant Accounts:

Participant accounts are credited with participant pre-tax salary deferral and post-tax contributions, discretionary employer matching contributions, rollovers and an allocation of the Plan's net earnings or losses. Allocations are based on participant earnings or account balances, in accordance with Plan provisions. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participants may elect to invest their accounts in a variety of participant-directed investment options offered by the Plan that are designed to provide the participants with a wide range of investment options. Participants may authorize transfers among investment options at any time.

People Against Dirty 401(k) Plan

Notes to the Financial Statements

1. Description of the Plan (continued)

Vesting:

Participants are immediately fully (100%) vested in their contributions and all discretionary employer matching contributions made on the participant's behalf, plus actual earnings thereon (less any losses), except as noted below.

In connection with a November 2019 Plan amendment, vesting in any nonelective contributions transferred to the Plan from an affiliated employer employee benefit plan, plus any allocated earnings (less any losses) are subject to a six-year graded vesting schedule under which participants vest at a rate of 20% after two years of service which increases 20% each year until participants become fully vested after six years of service.

Forfeitures:

The non-vested portion of a terminated participant's account balance is forfeited upon distribution of the vested account balance. Forfeitures are retained in the Plan and may be used to reduce employer matching contributions and/or pay Plan administrative and advisory expenses. No forfeitures were used in 2021 to reduce employer matching contributions and \$4,884 of forfeitures were available at December 31, 2021 (\$3,072 at December 31, 2020).

Notes Receivable from Participants:

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant notes are reclassified as distributions based upon the terms of the Plan agreement.

Participants may borrow up to one-half of their vested account balance up to \$50,000 for a period not to exceed five years, except for notes used to purchase a primary residence for which terms of up to fifteen years are permitted. Participant notes are evidenced by a written note, secured by the balance in the participant's vested account, and bear interest at the prime rate, as published by The Wall Street Journal, plus 1.00%, on the day the note is granted. Interest rates on notes outstanding at December 31, 2021 ranged from 4.25% to 6.50%. Repayment of principal and interest is generally made through payroll deductions.

People Against Dirty 401(k) Plan

Notes to the Financial Statements

1. Description of the Plan (continued)

Payment of Benefits:

On termination of service, benefits are paid in a lump-sum cash distribution equal to the value of the participant's vested account balance or in regular cash installment payments of the participant's choice. The Plan may elect to distribute a terminated participant's account balance without the participant's consent if the balance is \$5,000 or less. Any account balance greater than \$1,000 distributed without participant consent and before the participant's normal retirement age, as defined by the Plan, is automatically rolled over to an individual retirement account on behalf of the participant. Benefits are recorded when paid.

Plan Expenses:

Several of the investment fund options are subject to investment fees based on a percentage of invested assets, as disclosed in the fund's prospectus. These fees are charged directly against the fund's investment performance and, thus, are not separately disclosed in the financial statements. The fees related to certain advisory services as well as certain investment, account maintenance and note fees are charged to the Plan and allocated to participant accounts. All other administrative expenses related to the Plan are paid by the Company and are not reflected in the Plan's financial statements.

Risks and Uncertainties:

Participants may invest their account balances in a variety of investment options offered by the Plan. Investments are exposed to various risks, such as interest rate, market fluctuation and credit risks. Due to the level of risk associated with certain investment options offered by the Plan, it is at least reasonably possible changes in risk in the near term could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

The outbreak of the novel coronavirus continues to materially and adversely impact global commercial activity and contribute to volatility in financial markets. The outbreak is having, and will likely continue to have, a material adverse impact on economic and market conditions for the foreseeable future. This presents uncertainty and risk with respect to the Plan, its future performance, and its future financial results.

People Against Dirty 401(k) Plan Notes to the Financial Statements

1. Description of the Plan (continued)

Plan Termination:

Although it has not expressed any intent to do so, the Company and related entities have the right under the Plan to discontinue their contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of a Plan termination, participants would become fully vested in their accounts and distributions would be made to participants as described in the Plan agreement.

2. Summary of Significant Accounting Policies

Basis of Accounting:

The financial statements of the Plan are prepared on the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates:

The preparation of financial statements in conformity with GAAP requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investments:

Investments consist of mutual funds and common/collective trusts. These investments are reported at fair value and accounted for as follows:

Mutual Funds: These funds are valued at the net asset value (NAV) of shares held by the Plan at year end based on quoted prices in active markets. It is not probable the funds will be sold at amounts that differ materially from the NAV of the shares held.

People Against Dirty 401(k) Plan

Notes to the Financial Statements

2. Summary of Significant Accounting Policies (continued)

Investments: (continued)

Common/Collective Trusts: The Plan's investments include nine common/collective trust funds (the Funds) and a stable value fund (the SVF) (collectively, the CCTs), for which there are no readily available market quotations. The CCTs are valued based on the net asset value (NAV) of each CCT's portfolio investments as provided by Great-West. The NAV is used as a practical expedient to estimate fair value and is based upon the units of the CCTs held by the Plan at year end multiplied by the respective unit value. The unit value is based on the fair value of the underlying investments, including direct and indirect interests in fully benefit-responsive contracts. The Funds may invest in mutual funds, domestic and international stocks, fixed interest insurance investment contracts, money market funds, corporate and government bonds, mortgage-backed securities, bond funds, and other fixed income securities.

Common/Collective Trusts: (continued) The SVF invests in high-quality guaranteed investment contracts and similar contracts issued by insurance companies, banks, and other financial institutions. The SVF also invests up to 75% of its assets in security-backed investment contracts, including separate account products of insurance companies. The SVF generally permits redemptions daily. If the SVF experiences periods of insufficient liquidity then the SVF may defer honoring any payment request until liquidity is sufficient. The Plan is permitted to redeem investment units at NAV on the measurement date.

Fair Value Measurement:

The Plan uses a three-level hierarchy for fair value measurement based on the nature of inputs used in the valuation of an asset or liability as of the measurement date. The three-level hierarchy prioritizes, within the measurement of fair value, the use of market-based information over entity-specific information. Fair value focuses on an exit price and is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The inputs or methodology used for valuing financial instruments are not necessarily an indication of the risk associated with those instruments.

The three levels of the fair value hierarchy are as follows:

Level I: Inputs to the valuation methodology are quoted prices (unadjusted) for identical assets or liabilities in active markets.

Level II: Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets, and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the financial instrument.

See Independent Auditors' Reports

People Against Dirty 401(k) Plan Notes to the Financial Statements

2. Summary of Significant Accounting Policies (continued)

Fair Value Measurement: (continued)

Level III: Inputs to the valuation methodology, which are significant to the fair value measurement, are unobservable.

A financial instrument's categorization within the fair value hierarchy is based on the lowest level of input that is significant to the fair value measurement.

The Plan's mutual funds valued at fair value are classified as Level I and the Plan's CCTs valued at fair value are classified as Level II within the fair value hierarchy at December 31, 2021 and 2020.

Income Recognition:

Purchases and sales of investments are recorded on a trade date basis. Interest income is recorded on an accrual method of accounting. Dividends are recorded on the ex-dividend date. Net appreciation includes the gains and losses on the Plan's investments bought, sold or held during the year.

3. Information Prepared and Certified by Great-West

Great-West, as the Plan's trustee, has certified the fair value of the following assets held at December 31, 2021 and 2020, and the net income for the year ended December 31, 2021 that were used in the preparation of the financial statements and supplemental schedules, as follows:

	December 31,	
	2021	2020
Investments, at fair value	\$ 40,903,029	\$ 33,925,966
Notes receivable from participants	273,401	308,994
Total certified assets	<u>\$ 41,176,430</u>	<u>\$ 34,234,960</u>
Certified net income for the year ended December 31, 2021	<u>\$ 5,944,297</u>	

People Against Dirty 401(k) Plan Notes to the Financial Statements

4. Party-In-Interest Transactions

The CCTs are managed by Putnam Fidelity Trust Company, which is a subsidiary of Great-West. As Great-West is the Plan's trustee, purchases and sales of these investments by the Plan qualify as party-in-interest transactions. Note receivable transactions with participants also qualify as party-in-interest transactions. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

5. Nonexempt Prohibited Transactions

In 2021, the Company did not remit participant contributions totaling \$83,619 timely, as required by the Department of Labor.

This late remittance is considered nonexempt prohibited party-in-interest transactions with the Plan sponsor that could jeopardize the Plan's tax-exempt status. In 2022, the Plan sponsor contributed lost earnings to the Plan for all late contributions, which is the estimated amount of investment income that would have been earned had the contributions been remitted timely.

6. Income Tax Status

The Plan is a prototype plan offered by Great-West Retirement Services. The Internal Revenue Service (IRS) has determined and informed Great-West Retirement Services by a letter dated June 30, 2020, that the plan submitted for review was qualified under applicable provisions of the Code. The Plan has been amended since receipt of the letter. However, the Plan and the Plan sponsor believe the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code and related state statutes and is, therefore, qualified and the trust, which forms a part of the Plan, is exempt from federal and state income taxes.

GAAP requires Plan management to evaluate income tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain income tax position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the income tax positions taken by the Plan, and has concluded, at December 31, 2021, there are no uncertain income tax positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2018.
