Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of **RHC Operations, Inc. 401(k) Retirement Plan (the Plan)**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of November 30, 2021, and the related statement of changes in net assets available for benefits for the period January 1, 2021 to November 30, 2021, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of November 30, 2021, and for the period January 1, 2021 to November 30, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Plan Merger

As further discussed in Note 1, the plan was merged with and into the AON Pooled Employer Plan effective December 1, 2021. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements (*Continued*)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstance, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of delinquent participant contributions for the period from January 1, 2021 to November 30, 2021, is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used

Other Matters (*Continued*)

2021 Supplemental Schedule Required by ERISA (Continued)

to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 13, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

RHC Operations, Inc. 401(k) Retirement Plan

Notes to Financial Statements November 30, 2021 and December 31, 2020

NOTE 1: DESCRIPTION OF PLAN

The following description of the RHC Operations, Inc. 401(k) Retirement Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan, which was established January 1, 1996 and restated January 1, 2015, is a defined contribution plan maintained for the benefit of eligible employees, as defined in the Plan, of RHC Operations, Inc. (the Employer, Plan Sponsor and Plan Administrator) and certain other affiliated companies. Collectively, RHC Operations, Inc. and its affiliated companies are hereinafter referred to as "the Employers." Generally, an employee is eligible to participate in the Plan at the next entry date upon attaining age eighteen and completing one year's service. Entry dates are January 1 and July 1.

On November 4, 2021, the Employer adopted the Aon Pooled Employer Plan (Aon PEP) as a participating employer and on behalf of the affiliates of the Employer. Effective December 1, 2021, the Plan merged with and into the AON Pooled Employer Plan (the AON PEP). As of that date, all participants in the Plan immediately prior to that date became participants in the Aon PEP and the account balances of the Plan's participants were transferred into the Aon PEP. In addition, the Plan was amended so that all Aon PEP eligible employees would no longer be eligible to participate in the Plan effective as of close of business on November 30, 2021.

The Plan is subject to the provisions of the Employee Retirement Income Security Act (ERISA).

Prior to December 1, 2021, the Employer utilized the services of John Hancock, a third-party administrator, to process investment transactions and maintain participant account balances. John Hancock was also the Plan's asset custodian and investment manager. John Hancock received fees for performing investment management, recordkeeping, compliance and other administrative services related to the Plan, a portion of which were paid by the Plan and a portion of which were paid by the Plan Sponsor. Also, the Employer had an agreement with Pension Plan Administration, LLC to assist them with compliance monitoring, regulatory filing, participant recordkeeping and Plan reporting. Fees paid by the Plan to John Hancock and Pension Plan Administration, LLC for administrative services totaled approximately \$40,000 for the period ended November 30, 2021, and are reported as administrative expenses on the statement of changes in net assets available for benefits.

Certain duties related to the administration of the Plan are performed by employees of the Plan Sponsor; however, the Plan Sponsor does not charge the Plan for the estimated cost of such services.

The Plan is administered by the Plan Sponsor's owners. They have overall responsibility for the operations and administration of the Plan. The owners determine the appropriateness of the Plan's investment offerings and monitor investment performance.

NOTE 1: DESCRIPTION OF PLAN (Continued)

Contributions

Participants may contribute any amount of annual compensation, as specified in the Plan, not to exceed limitations imposed by the Internal Revenue Service (IRS). Participants may also make rollovers into the Plan, consisting of amounts distributed from other qualified defined benefit or defined contribution plans. The Employers will make an annual safe harbor contribution to eligible participants of the Plan equal to 100% of elective deferrals that do not exceed 3% of the employee's compensation plus 50% of elective deferrals between 3% and 5% of the employee's compensation. In addition, the Employers may make a discretionary matching contribution equal to a uniform percentage or dollar amount of employee elective deferrals. Employer contributions are also subject to limitations imposed by the IRS.

Participant Accounts

Each participant's account is credited with the participant's contributions, Employer contributions as well as allocations of Plan earnings, net of certain administrative expenses. Allocations are generally based on participant account balances, as specified in the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are fully vested at all times in their own contributions, employer safe harbor matching contributions and earnings thereon. A participant is fully vested in discretionary matching contributions made by the Employer, plus earnings thereon, when the participant attains retirement age, becomes disabled or dies. If a participant terminates employment for any other reason, he or she will vest in contributions made by the Employer, plus earnings thereon, according to the following schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2 years	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Investment Options

Participants may direct the investment of their contributions in one or more investment options offered under the Plan's group annuity contract with John Hancock, including a variety of pooled separate accounts structured for different levels of risk tolerance and time horizons and a guaranteed interest account. Participants may change their investment options at any time.

Forfeitures

The nonvested portion of a participant's account to which the participant is not entitled upon termination is deemed a forfeiture. As allowed under the Plan agreement, forfeitures are used to reduce future Employer contributions. There were no forfeitures available for future allocation at November 30, 2021 and December 31, 2020.

Notes to Financial Statements November 30, 2021 and December 31, 2020

NOTE 1: DESCRIPTION OF PLAN (Continued)

Hardship Withdrawals

In case of immediate and heavy financial hardship, a participant may withdraw all or a portion of the value of his or her account. A withdrawal shall be deemed for purposes of an immediate and heavy financial hardship if the withdrawal is necessary for certain eligible expenses, such as medical care, cost related to the purchase of a principal residence for the participant, payment of tuition and related education fees for the next twelve months of post-secondary education, payments necessary to prevent eviction of the participant from his or her principal residence or to avoid foreclosure on said residence, payments for funeral or burial expenses or expenses to repair damage to the participant's principal residence.

Payment of Benefits

Upon termination of service due to death, disability or retirement, a participant (or his or her designated beneficiary) may elect to receive the participant's vested account balance in a lump-sum distribution or as a direct rollover to another plan. For terminations of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. In-service distributions after a participant's attainment of age 59-1/2 are permitted as specified in the Plan agreement.

Termination of the Plan

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly fashion between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the custodian. See Note 4 for a discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade date basis. Interest income is recorded on the accrual basis. Net appreciation or depreciation includes realized and unrealized gains and losses on investments bought and sold, as well as those held during the year.

Payment of Benefits

Benefits are recorded when paid. There are no amounts allocated to withdrawing participants that have not been paid at November 30, 2021 and December 31, 2020.

Notes to Financial Statements November 30, 2021 and December 31, 2020

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

NOTE 3: INFORMATION CERTIFIED BY PLAN CUSTODIAN

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, all information pertaining to the Plan's investments and the related investment activity reflected in the financial statements and supplemental schedule was certified by the Plan's custodian, John Hancock Life Insurance Company, as of November 30, 2021 and December 31, 2020, and for the period January 1, 2021 to November 30, 2021. This information was not subject to audit procedures except for comparing it to the related information included in the financial statements and supplemental schedule.

The following information included in the accompanying financial statements, related notes and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by the Plan's custodian.

NOTE 4: FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access at the measurement date.

Level 2 Inputs to the valuation methodology include the following:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2020:

Guaranteed Interest Accounts

The guaranteed interest accounts cannot be sold to a third-party; thus, the only option to exit the guaranteed interest accounts is to withdraw the funds prior to maturity. Therefore, the fair value of the guaranteed interest accounts is determined using a market approach and is the amount Plan participants would receive currently if they were to withdraw or transfer funds within the Plan prior to their maturity for an event other than death, disability, termination or retirement.

Pooled Separate Accounts

The fair values of the pooled separate accounts are based on the net asset value (NAV) per unit of each pooled separate account in which the Plan invests multiplied by the number of units held by the Plan at the financial reporting date. The NAV is determined based on the market values of the underlying assets comprising the pooled separate accounts. Underlying investments in mutual funds or equity securities are measured using quoted market prices in active markets for identical assets. Underlying investments in fixed income

Notes to Financial Statements November 30, 2021 and December 31, 2020

NOTE 4: FAIR VALUE MEASUREMENTS (Continued)

Pooled Separate Accounts (Continued)

securities are measured based on the pricing data provided by outside valuation service providers who generally use the mean of bid and ask prices, but may also use alternative observable pricing inputs for certain securities. The fair value of all of these investments are used in determining the NAV of the pooled separate accounts, which are not publicly quoted. This is used as a practical expedient to estimate fair value. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 30, 2020. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement:

	<u>Fair Value</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Guaranteed Interest Accounts	\$ 19,955	\$ -	\$ 19,955	\$ -

	<u>\$ 6,432,849</u>	<u>\$ -</u>	<u>\$ 19,955</u>	<u>\$ -</u>

^(a) In accordance with ASC Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Fair Value of Investments that Calculate Net Asset Value

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2020. There are no participant redemption restrictions for these investments, the redemption notice period is applicable only to the Plan.

NOTE 5: TAX STATUS

Effective January 1, 2015, the Plan executed an adoption agreement for the Hyden, Miron & Foster, PLLC Defined Contribution Prototype Plan (the Prototype). As an adopter of the Prototype, the Plan is not subject to tax under present income tax law.

The Prototype obtained its latest opinion letter on March 31, 2014, in which the IRS stated that the Prototype, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since the date of the opinion letter; however, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with applicable requirements of the Internal Revenue Code.

RHC Operations, Inc. 401(k) Retirement Plan

Notes to Financial Statements November 30, 2021 and December 31, 2020

NOTE 5: TAX STATUS (Continued)

Accounting standards require the Plan Sponsor to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Sponsor has analyzed the tax positions taken by the Plan and has concluded that as of November 30, 2021 and December 31, 2020, there are no uncertain positions taken or expected to be taken that would require the recognition of a liability or disclosure in the financial statements. The Plan may be subject to audit by the IRS; however, there are currently no audits for any tax periods in progress.

NOTE 6: RISKS AND UNCERTAINTIES

Investment securities underlying the pooled separate accounts are exposed to various risks such as interest rate, market and credit risks. In addition, some of the pooled separate accounts may invest in international securities. There are certain inherent risks involved when investing in international securities that are not present with investments in domestic securities, such as foreign currency exchange rate fluctuations, adverse political and economic developments and the possible prevention or delay of currency exchange due to foreign governmental laws or restrictions. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the net asset values of the pooled separate accounts could occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Plan's financial statements.

NOTE 7: SUBSEQUENT EVENTS

Management has evaluated subsequent events through October 14, 2022, the date that the financial statements were available to be issued.
