RSM US LLP

Benefits Committee and Plan Participants
Maurices Incorporated 401(k) Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Maurices Incorporated 401(k) Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, line 4i—schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements, or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 15, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Maurices Incorporated 401(k) Savings Plan

Notes to Financial Statements

Note 1. Plan Description

The following description of Maurices Incorporated 401(k) Savings Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan covering substantially all nonunion employees of Maurices Incorporated (the Plan Sponsor or Employer) who have completed one year of service (1,000 hours) and who have attained age 21. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan's Benefits Committee is responsible for oversight of the Plan, determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Contributions: Each year, participants may contribute a percentage of annual eligible compensation, as defined, up to the maximum amount allowed by law. Participants who have attained age 50 before the end of the year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover). The Plan Sponsor makes safe harbor matching contributions equal to 100% of the first 3% of eligible compensation, plus 50% of the next 2% of eligible compensation that a participant contributes to the Plan, for a maximum matching contribution of 4%. The Plan Sponsor may also make discretionary matching or nonelective contributions to the Plan. Participants who are employed on the last day of the Plan year are eligible to receive discretionary nonelective contributions. For the year ended December 31, 2021, there were no discretionary Plan Sponsor matching or nonelective contributions made to the Plan. Participants direct the investment of their contributions and Plan Sponsor contributions into various investment options offered by the Plan. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant accounts: Each participant's account is credited with the participant's contributions, Plan Sponsor safe harbor matching contributions, Plan Sponsor discretionary matching contributions, if any, as well as allocations of Plan Sponsor discretionary nonelective contributions, if any, and Plan investment results. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on compensation, participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Participants are immediately vested in their contributions and Plan Sponsor safe harbor matching contributions plus actual earnings thereon. Vesting in the Plan Sponsor discretionary matching and nonelective contribution portions of their account plus actual earnings thereon is based on years of continuous service. A participant vests 20% for each year of credited service and is 100% vested in Plan Sponsor discretionary contributions plus actual earnings thereon after five years of credited service; upon attainment of retirement age, total disability or death during the term of employment; or termination of the Plan.

Notes receivable from participants: Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account. The loan interest rates are equal to the prime rate plus 1%. Principal and interest are paid ratably through biweekly payroll deductions.

Maurices Incorporated 401(k) Savings Plan

Notes to Financial Statements

Note 1. Plan Description (Continued)

Payment of benefits: On termination of service due to death, disability, retirement or any other reason a participant may elect to receive either a lump-sum amount equal to the vested interest in his or her account, partial payments or installment payments over a specified period of time in accordance with Plan provisions. Upon termination, participants may elect to hold their investments in the Plan, unless their account balance is less than \$5,000, in which case the account balance is automatically distributed. In addition, hardship distributions are permitted if certain criteria are met. A participant may elect to receive an in-service distribution upon attainment of age 59½.

Forfeited accounts: At December 31, 2021 and 2020, there were no unused forfeited nonvested accounts. Forfeited nonvested accounts are used to pay Plan administrative expenses or to fund Plan Sponsor contributions. In 2021, there was no forfeited nonvested accounts used to offset Plan administrative expenses or to fund Plan Sponsor contributions.

Note 2. Summary of Accounting Policies

Basis of accounting: The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of estimates: The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition: The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Benefits Committee determines the Plan's valuation policies utilizing information provided by the Plan's investment advisor and custodian. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Notes receivable from participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. Delinquent notes receivable from participants are reclassified as benefit payments based upon the terms of the Plan document.

Notes receivable from participants have been classified as an investment asset for Form 5500 reporting purposes and, accordingly, have been included as an investment in the supplemental schedule, Schedule H, line 4i—schedule of assets (held at end of year).

Payment of benefits: Benefit payments are recorded when paid.

Maurices Incorporated 401(k) Savings Plan

Notes to Financial Statements

Note 2. Summary of Accounting Policies (Continued)

Administrative expenses: Certain expenses of maintaining the Plan are paid directly by the Plan Sponsor and are excluded from these financial statements. Fees related to administration of benefit payments and notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are offset against net appreciation in fair value of investments.

Subsequent events: The Plan has evaluated subsequent events through October 17, 2022, the date the financial statements were available to be issued.

Note 3. Information Certified or Provided by Minnesota Life Insurance Company

The following is a summary of the Plan's asset information as of December 31, 2021 and 2020, and for the year ended December 31, 2021, included throughout the Plan's financial statements and ERISA-required supplemental schedule, obtained by management and agreed to or derived from information certified by Minnesota Life Insurance Company, the custodian of the Plan. The Plan Administrator has obtained certifications from the custodian that information provided to the Plan Administrator by the custodian related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the United States Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information that appears throughout the financial statements and ERISA-required supplemental schedule related to the following assets:

	2021	2020
Investments, at fair value:		
Pooled separate accounts	\$ 33,841,968	\$ 24,336,092
Notes receivable from participants*	399,268	439,639
	<u>\$ 34,241,236</u>	<u>\$ 24,775,731</u>

*Notes receivable from participants are certified by the custodian net of deemed distributions.

Minnesota Life Insurance Company also certified to the completeness and accuracy of \$3,833,409 of net appreciation in fair value of investments and \$23,595 of interest income on notes receivable from participants for the year ended December 31, 2021.

Note 4. Fair Value Measurement

The following is a description of the valuation methodology used for the Plan's investments measured at fair value.

Pooled separate accounts: Pooled separate accounts are valued at net asset value (NAV) used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying assets owned by the fund, as reported by the Plan's custodian. The practical expedient would not be used when it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV.

In accordance with Accounting Standards Codification 820-10, the pooled separate accounts held by the Plan are not classified in a fair value hierarchy table that prioritizes the inputs to valuation techniques used to measure fair value because they are measured at NAV per share practical expedient.

Maurices Incorporated 401(k) Savings Plan

Notes to Financial Statements

Note 4. Fair Value Measurement (Continued)

The following table sets forth the disclosure of the Plan's investments whose fair value is estimated using NAV per share as a practical expedient as of December 31, 2021 and 2020. There are no participant redemption restrictions for these investments.

	Fair Value Estimated Using NAV		Unfunded Commitment	Redemption Frequency	Redemption Notice Period
	Per Share as of December 31 2021	2020			
Pooled separate accounts	<u>\$33,841,968</u>	<u>\$24,336,092</u>	\$ -	Immediate	None

Note 5. Tax Status

The Plan had adopted a volume submitter plan sponsored by Minnesota Life Insurance Company through June 30, 2021. The volume submitter plan had received an advisory letter from the IRS as to the volume submitter plan's qualified status. The volume submitter plan advisory letter had been relied upon by the Plan through June 30, 2021. Effective July 1, 2021, the Plan has adopted a nonstandardized form of a preapproved plan. The preapproved provider, Minnesota Life Insurance Company, has received on June 30, 2020, an opinion letter from the IRS as to the preapproved plan's qualified status. The preapproved plan opinion letter has been relied upon by the Plan. The Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain income tax position that more likely than not would not be sustained upon examination. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 6. Related-Party Transactions and Party-in-Interest Transactions

The Plan is invested in a Group Annuity contract managed by Minnesota Life Insurance Company, the custodian; therefore, the Plan's investment transactions qualify as party-in-interest transactions. Fees paid by the Plan for investment management services are netted against Plan earnings.

Note 7. Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note 8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the 2021 statement of net assets available for benefits.
