INDEPENDENT AUDITORS' REPORT

To the Board of Trustees
GPS Hospitality 401(k) Plan
Atlanta, Georgia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of GPS Hospitality 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of GPS Hospitality 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about GPS Hospitality 401(k) Plan's ability to continue as a going concern for December 31, 2021.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not

detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of GPS Hospitality 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about GPS Hospitality 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, line 4i – Schedule of Assets (Held at End of Year) for the year ended December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of GPS Hospitality 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated December 31, 2020, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements

other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

GPS HOSPITALITY 401(K) PLAN

STATEMENT OF NET ASSETS AVAILABLE FOR BENEFITS

December 31, 2021 and 2020

Note 1. Description of the Plan

The following description of the GPS Hospitality 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General:

The Plan (the Company), established January 1, 2014 is a defined contribution plan, subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Plan provides retirement benefits to all qualifying employees of GPS Hospitality, LLC (the Sponsor), GPS Hospitality Acquisition Company, LLC, GPS Hospitality Partners, LLC, GPS Hospitality Partners II, LLC, GPS Hospitality Partners III, LLC, GPS Hospitality Partners IV, LLC, and GPS Hospitality Ventures, LLC and GPS Hospitality Huts, LLC (the Companies).

The Plan sponsor is GPS Hospitality, LLC. Full-time employees who have a minimum of one year of service and are age twenty-one or older are eligible to participate in the Plan. Participants may make voluntary contributions in the Plan as they become eligible to participate. The Board of Trustees is responsible for the oversight of the Plan. The Board determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Contributions:

Participants may elect to contribute up to the maximum percentage of compensation, as defined by the Plan, subject to certain dollar limitations under the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Companies may make a discretionary profit-sharing contribution on behalf of participants in an amount to be determined by the Companies for all eligible participants. The Companies made contributions in the amount of \$85,670 and \$74,193 for the years ending December 31, 2021 and 2020 respectively.

Participant Accounts:

Each participant's account is credited with the participant's contributions and allocations of Companies discretionary contributions and the Plan earnings (losses). Participant accounts are charged with allocations of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

GPS HOSPITALITY 401(K) PLAN

STATEMENT OF NET ASSETS AVAILABLE FOR BENEFITS

December 31, 2021 and 2020

Note 1. Description of the Plan (continued)

Investments:

Upon enrollment in the Plan, participants direct the investment of their contributions and Company contributions into various investment options offered by the Plan.

Vesting:

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Companies' contribution portion of their accounts is based on years of continuous service. A participant is vested 20% for each year of service with 100% vesting upon the completion of five years of credited service.

Notes Receivable from Participants:

The Plan contains a loan provision that allows participants to borrow funds against their account balance subject to certain terms.

Participants may borrow a minimum of \$1,000 from their accumulated contributions. The participant may borrow up to 50% of their vested balance, not to exceed a maximum loan amount of \$50,000. Participants may only have one loan outstanding at any time. As stated by the Plan, all outstanding loan balances will become due and payable in their entirety upon termination of employment. Loans are generally for a period not exceeding five years and bear an interest rate commensurate with local prevailing rates ranging from 4.25 to 6.50 percent. Participants are required to make at least quarterly loan payments throughout the loan period. The loans are secured by the balances in the participants' respective accounts. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits:

In accordance with Plan agreements, distribution of benefits upon the retirement, death, disability or termination of a participant when requested, shall be made in the form of a lump-sum cash payment. In addition, hardship distributions and in-service distributions are permitted if certain criteria are met.

Forfeited Accounts:

Separated participants who are not 100% vested forfeit the non-vested portion of their accounts arising from Sponsor contributions at the time that they withdraw their funds from the Plan. These forfeitures are first applied to payment of Plan administrative expenses. Any remaining forfeitures will be used towards Sponsor contributions. At December 31, 2021, forfeited non-vested accounts totaled \$ - - and are available for future use.

STATEMENT OF NET ASSETS AVAILABLE FOR BENEFITS

December 31, 2021 and 2020

Note 1. Description of the Plan (continued)

Administrative expenses:

Certain administrative expenses of the Plan, which consist primarily of investment fees and record keeping fees are paid from the assets of the Plan and are charged to the individual participant accounts in accordance with the Plan documents. Administrative expenses were \$7,521 and \$7,781 for plan years 2021 and 2020, respectively.

Note 2. Summary of Significant Accounting Policies

Basis of accounting:

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America, except that benefits paid to Plan participants are recorded on cash basis.

Use of Estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Investment Valuation and Income Recognition:

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians and insurance company. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as unrealized appreciation and depreciation of investments held during the year

GPS HOSPITALITY 401(K) PLAN

STATEMENT OF NET ASSETS AVAILABLE FOR BENEFITS

December 31, 2021 and 2020

Note 2. Summary of Significant Accounting Policies (continued)

Notes Receivable from Participants:

Notes receivable from participants are measured at their unpaid principal balance plus accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Contributions:

Contributions from employees are recorded as they are withheld from the participant's wages.

Excess Contributions Payable:

Excess contributions represent ineligible contributions received by the Plan during the plan year. As of December 31, 2021 and 2020, \$ - - and \$ 9,356 respectively, are included in liabilities on the statement of net assets available for benefits.

Payment of Benefits:

Benefit payments to participants are recorded when paid.

Expenses:

Certain expenses of maintaining the Plan are paid directly by the Employer and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Note 3: Subsequent events:

The plan has evaluated subsequent events through October 14, 2022, the date the financial statements were available to be issued.

GPS HOSPITALITY 401(K) PLAN

STATEMENT OF NET ASSETS AVAILABLE FOR BENEFITS

December 31, 2021 and 2020

Note 4. Certified Investments

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends for the year ended December 31, 2021, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Lincoln Financial Life Insurance Company. See Note 6 for certification by the custodian.

Note 5. Fair Value Measurements

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2 Inputs to the valuation methodology include

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

GPS HOSPITALITY 401(K) PLAN

STATEMENT OF NET ASSETS AVAILABLE FOR BENEFITS

December 31, 2021 and 2020

Note 5. Fair Value Measurements (continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair values. There have been no changes in the methodologies used at December 31, 2021.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020.

Assets at Fair Value as of December 31, 2021

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

Note 6. Information Certified by the Custodian

The Administrative Committee has elected the method of annual reporting compliance permitted by CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Accordingly, the Custodian has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

GPS HOSPITALITY 401(K) PLAN

Note 6. Information Certified by the Custodian (continued)

- Investments, as shown in the statement of net assets available for benefits, as of December 31, 2021 and 2020.
- Investment activity, as shown in the statement of changes in net assets available for benefits, for the year ended December 31, 2021.
- Assets held at end of the year as of December 31, 2021, as shown on Schedule H, line 4(i).

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

Note 7. Guaranteed Investment Contract Fund with National Insurance Company

As part of the investment options made available to the Plan participants, the Plan offers a fully benefit-responsive guaranteed investment contract fund administered by Lincoln Financial Life Insurance Company, who maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The investment objective of the fund is to maximize current income, while maintaining principle and to provide for withdrawals for participant-initiated transactions without penalty or adjustments.

Because the guaranteed investment contract fund is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract fund. The guaranteed investment contract fund is presented on the face of the statement of net assets available for benefits at fair value with an adjustment to contract value in arriving at net assets available for benefits. Contract value, as reported to the Plan by Lincoln Financial Life Insurance Company, represents contributions made under the contract fund, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

GPS HOSPITALITY 401(K) PLAN

STATEMENT OF NET ASSETS AVAILABLE FOR BENEFITS

Note 7. Guaranteed Investment Contract Fund with National Insurance Company (continued)

Guaranteed Interest Accounts guarantee the return of the principal plus compound interest earned over a defined term – 3, 5 or 10 years – provided all contributions remain in the account until the end of the guarantee period. Guaranteed interest rates are based upon the claims paying ability of the issuing company, Lincoln Financial Life Insurance Company. The composite interest rate is a dollar-weighted average rate of all contributions to that Guaranteed Interest Account during that reporting year. After the end of each reporting year, contributions made will continue to earn that reporting year's composite interest rate until the end of the guaranteed term.

The contract market value of the investment contract fund at December 31, 2021 and 2020 was \$660,102 and \$ - -, respectively.

Note 8. Change in Plan Custodian

On December 28, 2021, the Trustees of the Plan initiated a change in the Plan Custodian. All Plan investments were transferred from Massachusetts Mutual Life Insurance Company to The Lincoln Financial Life Insurance Company, a subsidiary of Lincoln National Corporation. The Plan's investments were received and recognized by The Lincoln Financial Life Insurance Company on December 28, 2021. All Plan investment balances, other assets and liabilities, payroll information and participant information and individual participant accounts were transferred between the service providers.

Note 9. Related-Party Transactions

Certain plan investments are shares of mutual funds managed by Lincoln Financial Life Insurance Company. Lincoln Financial Life Insurance Company is the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-transactions. Fees paid by the Plan for the investment management services are included in net appreciation in fair value of investments.

Note 10. Plan Termination

Although it has not expressed any intent to do so, the Companies have the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed in such a manner as the Companies may determine.

GPS HOSPITALITY 401(K) PLAN

STATEMENT OF NET ASSETS AVAILABLE FOR BENEFITS

December 31, 2021 and 2020

Note 11. Federal Income Tax Status

The Internal Revenue Service has determined and informed the Sponsor by letter dated March 31, 2017, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the plan is qualified and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan to recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the plan, and has concluded that as of December 31, 2018, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 12. Risks and Uncertainties
