Independent Auditor's Report

To the Retirement Planning Committee
ARS Employee 401(k) Plan
Memphis, Tennessee

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of the ARS Employee 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2021, and for the year then ended, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section of our report

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying 2021 financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BDO USA, LLP, a Delaware limited liability partnership, is the U.S. member of BDO International Limited, a UK company limited by guarantee, and forms part of the international BDO network of independent member firms.

BDO is the brand name for the BDO network and for each of the BDO Member Firms.

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — 2021 Supplemental Schedule Required by ERISA

The 2021 supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) -December 31, 2021 is presented for purposes of additional analysis and is not a required part of the 2021 financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter — Report on the 2020 Financial Statements

The 2020 financial statements of the ARS Employee 401(k) Plan were audited by another audit firm. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed this audit firm not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their audit report, dated August 12, 2021 indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements, other than that derived from the information certified by a qualified institution, were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA

ARS EMPLOYEE 401(k) PLAN
Notes to Financial Statements
December 31, 2021 and 2020

(1) Plan Description

The following description of the ARS Employee 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

(a) General

The Plan became effective on November 1, 2006. The Plan Sponsor, ARS Acquisition Holdings, LLC (ARS), was formed in 2006 for the purpose of acquiring certain assets and assuming certain liabilities representing the American Residential Services division of ServiceMaster, Inc. The transaction to acquire ARS was consummated on September 29, 2006. Most Plan participants were previously members of the ServiceMaster, Inc. 401(k) Plan. The employees affected by the purchase and their assets were transferred into the Plan on November 1, 2006.

The Plan document is modeled from a prototype defined contribution plan written and offered by Fidelity Management Trust Company (the Trustee) that covers any employee of ARS Acquisition Holdings, LLC (the Employer or the Company) who has reached the age of 18 and has provided six months of service as an employee. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

(b) Contributions

Each participant may defer up to 75% of his or her annual compensation (not to exceed limits determined under Section 415(c) of the Internal Revenue Code (the Code)) by electing to contribute that amount to the Plan. Participants may make contributions to the plan on a before-tax basis, and effective February 26, 2018, after-tax contributions are also permitted. In accordance with the Plan document, the Plan Sponsor has the option to make discretionary and profit sharing contributions to the Plan as directed by the board of directors.

(c) Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Employer's discretionary and profit sharing contributions and (b) investment earnings or losses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

(d) Investment Options

A participant may direct his or her contributions and any employer contributions into any one of 33 investment options, including mutual funds and a common/collective trust fund representing a stable value portfolio.

(e) Vesting

Participants are immediately vested in their contributions plus actual earnings or losses thereon. Vesting in the Company's contributions to their accounts plus actual earnings or losses thereon is based on years of continuous service as follows: less than two years, 0%; after two years, 25%; after three years, 50%; after four years, 75%; and 100% vested after five years of credited service.

ARS EMPLOYEE 401(k) PLAN

Notes to Financial Statements
December 31, 2021 and 2020

(f) Participant Loans

Participants may borrow from their accounts a minimum of \$1,000, up to a maximum equal to the lesser of 50% of the vested value of a participant's account or \$50,000, minus the highest outstanding balance of any Plan loan during the prior 12 months. Loan amounts must be secured by an equal amount of vested funds in the participant's account. Loan terms range from 1 to 5 years, or up to 10 years for the purchase of a primary residence. The loans bear interest as determined by the Plan Administrator based on the prevailing market interest rate. Principal and interest are paid ratably through monthly payroll deductions. Current loans outstanding bear interest at rates ranging from 5.25% to 9.25%.

(g) Payment of Benefits

Upon attainment of age 59½, retirement, death, disability, or termination of service, a participant may elect to receive either a lump-sum amount or monthly installment payments equal to the value of the participant's vested account balance. Terminated employees with aggregate account balances exceeding \$1,000 may elect to leave their funds in the Plan and continue participation as noncontributory members of the Plan. In addition, hardship distributions of Plan benefits are permitted if certain criteria are met.

(h) Forfeited Accounts

At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$57,129 and \$85,561, respectively. These amounts will be used to pay plan expenses and reduce future employer contributions. Also, in 2021 and 2020, employer contributions were reduced by \$75,000 and \$36,000, respectively, from forfeited nonvested accounts.

(i) Administrative Expenses

Administrative expenses are paid primarily by the Plan. Fees for loan processing and early withdrawals are charged to the account of the participant requesting the loan or withdrawal.

(2) Summary of Significant Accounting Policies

(a) Basis of Accounting

The financial statements of the Plan are prepared under the accrual basis of accounting.

(b) Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions to and deductions from net assets during the reporting period. Actual results could differ from those estimates.

(c) Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Mutual funds are stated at fair value based on quoted market prices on a national securities exchange, which represent the net asset value of shares held by the Plan at year-end. The interest in the common/collective trust fund consists of indirect investments in fully benefit-responsive guaranteed investment contracts (GICs) via the Fidelity Advisor Stable Value Portfolio and is valued at fair value, which is based on its reported net asset value. The net asset value is based on the fair value of the underlying investments held by the fund less its liabilities.

The Plan's investments include funds that invest in various types of investment securities and in various companies within various markets. Investment securities are exposed to several risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is

ARS EMPLOYEE 401(k) PLAN

Notes to Financial Statements
December 31, 2021 and 2020

at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the Plan's financial statements and supplemental schedule.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis and dividends are recorded on the ex-dividend date.

(d) *Payment of Benefits*

Benefits are recorded when paid.

(e) *Notes Receivable from Participants*

Notes receivable from participants, which are subject to various interest rates, are measured at their unpaid principal balance plus any accrued but unpaid interest.

(f) *Subsequent Events*

The Plan Administrator has evaluated subsequent events for potential recognition and/or disclosure through October 17, 2022, the date the financial statements were issued, and determined there were no additional items to disclose, except as noted below.

Effective December 1, 2022, the Plan sponsor is transferring services to a new financial advisor and recordkeeper.

(3) *Related-Party Transactions*

Certain Plan investments are mutual funds and a common/collective trust fund managed by the Trustee; therefore, these transactions qualify as party-in-interest transactions. The total fees paid to Fidelity for the year ended December 31, 2021 is \$ 188,189. Notes receivable from participants are considered party-in-interest transactions.

(4) *Plan Termination*

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, participants will become 100% vested in their accounts.

(5) *Income Tax Status*

The Trustee has been advised by the Internal Revenue Service by letter dated June 30, 2020 that the Fidelity Prototype Plan is designed in accordance with applicable sections of the Code. The Plan has been amended since receiving this determination letter. The Plan Administrator believes that the Plan has been properly designed and is operating in compliance with the applicable requirements of the Code. Prior to the June 30, 2020 opinion letter, an opinion letter dated March 31, 2014 was issued to Fidelity, the Plan's trustee. The opinion letter stated that the Fidelity Prototype Plan is designed in accordance with applicable sections of the Internal Revenue Code.

U.S. generally accepted accounting principles require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has confirmed that there are no uncertain positions taken that would require recognition of a liability (or an asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(6) Information Certified by the Trustee

The Plan Administrator has elected the method of compliance permitted under 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA as of and for the years ended December 31, 2021 and 2020. Accordingly, as permitted under such election, the Plan Administrator accepted the certification of the Trustee with regard to the Plan's investments and related investment transactions as reported in the accompanying financial statements.

The following is a summary of the unaudited information regarding the Plan included in the Plan's financial statements and supplemental schedule that was derived from information prepared by the Trustee and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the Trustee that such information is complete and accurate.

(7) Fair Value Measurements

Financial Accounting Standards Board Accounting Standards Codification Topic 820, *Fair Value Measurement*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. Fair values are determined based on valuation techniques categorized as follows: Level 1 means the use of quoted prices for identical instruments in active markets; Level 2 means the use of quoted prices for similar instruments in active markets or quoted prices for identical or similar instruments in markets that are not active, or are directly or indirectly observable; and Level 3 means the use of unobservable inputs.

Common/collective Trust - As permitted by the accounting principles generally accepted in the United States of America, the Plan uses net asset values as a practical expedient to determine the fair value of the common/collective trust. Net asset value is based on the fair value of the underlying assets held by the fund less its liabilities. Participant transactions (purchases and sales) may occur daily. Redemption for the common/collective trust is permitted daily with no other restrictions or notice periods and there are no unfunded commitments. In accordance with GAAP, the common/collective trust measured at net asset value have not been classified in the fair value hierarchy.

The following tables set forth by level and investment strategy, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020:

ARS EMPLOYEE 401(k) PLAN
Notes to Financial Statements
December 31, 2021 and 2020

See note 2(c) for information regarding the methods used to determine the fair value of the Plan's assets. These methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

(8) Risks and Uncertainties

The plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. The Plan's exposure to a concentration of risk is dependent upon funds selected by participants. The following table shows details on investments that represent a concentration of greater than 10% of the Plan's investments as of December 31, 2021 and 2020:

	2021		2020	
	Balance	% of Investments	Balance	% of Investments
Investments:				
Fidelity Advisor Freedom Fund 2030 - Class 1	\$ 13,401,809	10%	\$ 11,538,530	10%
