## Independent Auditor's Report

To the Plan Administrator  
Georgia Aquarium, Inc. 401(k) Plan  
Atlanta, Georgia

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements**

We have performed an audit of the financial statements of Georgia Aquarium, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Georgia Aquarium, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion on the 2021 Financial Statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion on the 2021 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Georgia Aquarium, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the 2021 Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Georgia Aquarium, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the 2021 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- and perform audit procedures responsive to those risks. Such procedures include examining, on a test Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Georgia Aquarium, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Georgia Aquarium, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter - Supplemental Schedule Required by ERISA**

The supplemental schedule of assets (held at end of year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

#### **Other Matter - Auditor's Report on the 2020 Financial Statements**

We were engaged to audit the financial statements of the Plan as of and for the year ended December 31, 2020. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 15, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on those financial statements, and (b) the form and content of the information included in the financial statements other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

## GEORGIA AQUARIUM, INC. 401(k) PLAN

### NOTES TO FINANCIAL STATEMENTS

#### 1. Description of Plan

The following description of Georgia Aquarium, Inc. 401(k) Plan (the “Plan”), provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

- A. *General.* The Plan is a defined contribution plan covering all employees of Georgia Aquarium, Inc. (the “Company” or “Plan Sponsor”) who attain the age of 21 and complete one year of service. Entry dates into the plan are quarterly. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

*Coronavirus Aid, Relief, and Economic Security (CARES) Act.* The Coronavirus Aid, Relief, and Economic Security Act (“CARES Act”) was signed into law on March 27, 2020. The CARES Act allowed retirement plans to provide participants who were impacted by the coronavirus (as defined in the CARES Act) with greater access to their savings. The ability to utilize the provisions of the CARES Act ceased as of December 31, 2020. The Plan Sponsor is in the processes of amending the plan document accordingly.

- B. *Contributions.* Each year, participants may contribute up to the maximum percentage allowable of pretax annual compensation as defined by the Plan, not to exceed the amount allowable by law for income tax purposes. Participants direct the investment of their contributions into various options offered by the Plan. Participants may also contribute amounts representing distributions from other qualified plans. The Company will also make matching contributions of 50% of salary deferrals up to 6% of compensation to all eligible employees. Additional amounts may be contributed by the Company at the option of the Company’s board of directors. Contributions are subject to certain limitations.
- C. *Participant Accounts.* Each participant's account is credited with the participant's deferral contribution and allocations of the Company’s contribution, plan earnings and administrative expenses, and forfeitures of terminated participants' non-vested accounts. Allocations are based on participant compensation or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.
- D. *Vesting.* Participants are immediately vested in their salary deferral contribution plus actual earnings thereon. The Company’s matching contributions are also fully vested.
- E. *Notes Receivable from Participants.* Participants may borrow from their accounts for up to the lesser of \$50,000 or 50% of the vested amounts credited to their individual accounts. Loans are generally required to be repaid within five to fifteen years from the date on which the loan is made and bear a rate of interest which is commensurate with the prevailing interest charged by professional lenders for similarly secured personal loans. The loans are secured by the balance in the participant’s account.
- F. *Payment of Benefits.* Upon termination of services due to retirement, death, or disability, a participant or beneficiary may elect to receive either a lump sum amount equal to the value of his or her account, or regular periodic installments, as provided for by the Plan.

GEORGIA AQUARIUM, INC. 401(k) PLAN  
Notes to Financial Statements

Upon termination of service for a reason other than normal retirement, death or disability, a participant may elect to receive the value of the vested interest in his or her account as provided for by the Plan. If the vested interest does not exceed \$5,000, a participant automatically receives a lump sum payment.

In the event of a hardship as defined by the Plan, participants may withdraw an amount not to exceed the total of all salary reductions as provided for by the Plan.

2. Summary of Significant Accounting Policies

- A. *Basis of Presentation.* The financial statements of the Plan are prepared under the accrual method of accounting.
- B. *Use of Accounting Estimates.* The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.
- C. *Investment Valuation and Income Recognition.* Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

- D. *Other Income.* A portion of investment fees are returned to the plan as revenue sharing and are presented as other income.
- E. *Notes Receivable from Participants.* Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.
- F. *Payments of Benefits.* Benefits are recorded when paid.
- G. *Expenses.* Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

3. Information Certified by the Plan's Trustee

The plan administrator has elected to have the audit of Georgia Aquarium, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, SunTrust Bank, the trustee of the plan, as of December 31, 2020 and from January 1, 2021 to February 12, 2021, and Great-West Life & Annuity Insurance Company ("GWL&A") and Great West Trust Company, LLC ("GWTC"), the custodian and trustee of the Plan, respectively, as of December 31, 2021, and from February 12, 2021 to December 31, 2021, have

certified to the completeness and accuracy of all investments and the notes receivable from participants reflected on the accompanying statements of net assets available for benefits as of December 31, 2021 and 2020, the related investment activity and interest from notes receivable from participants reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2021, and the investments and notes receivable from participants on the schedule of assets (held at end of year).

#### 4. Fair Value Measurement

FASB ASC 820, *Fair Value Measurements*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Basis of Fair Value Measurement:

- Level 1      Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;
- Level 2      Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly;
- Level 3      Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used on December 31, 2021 and 2020.

*Mutual Funds* – The mutual funds are held as individual plan assets. The mutual funds have publicly available prices that are quoted daily in active markets. Within the realm of mutual funds are lifecycle funds. These funds are managed based on one's age and risk level and become more conservative as they approach the target date. Due to similar valuation techniques with mutual funds, they have been classified as mutual funds.

*Money Market Account* – The money market account is a cash equivalent and is valued at \$1 per unit. It is an interest bearing deposit account with SunTrust Bank. Each individual participant's money market account is insured, subject to the applicable rules and regulations of the Federal Deposit Insurance Corporation ("FDIC"), up to \$250,000.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

GEORGIA AQUARIUM, INC. 401(k) PLAN  
Notes to Financial Statements

The following table sets forth by level, within the fair value hierarchy, the plan's assets at fair value as of December 31, 2021 and 2020:

| Description                     | Assets at Fair Value |                      |                   |             |

5. Guaranteed Investment Contract with Insurance Company

The Plan has entered into a guaranteed investment contract with GWL&A. Participant principal and interest are backed by the entire general account assets of GWL&A. The contract is credited with actual earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

The guaranteed investment contract is fully benefit-responsive and is presented on the statements of net assets available for benefits at contract value. Contract value, as reported to the Plan by GWL&A, represents contributions made under the contract, plus earnings, less withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The insurance company is contractually obligated to pay the principal and specified interest rate that is guaranteed to the Plan. The crediting interest rate is based on a formula agreed upon with the insurance company. Such interest rates are reviewed on a quarterly basis for resetting. The crediting rate of the product will be established based on the earnings of the underlying assets in the entire medium-long term portfolio compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions. The average yield earned by the Plan for the group annuity contract is derived by averaging the quarterly gross interest rates for the fund over the year. Such interest rates are reviewed on a quarterly basis for resetting. The average for 2021 was 1.15%. The actual average yield earned by the Plan for the group annuity contract is derived by averaging the Plan's quarterly interest rates. The average for 2021 was 1.15%.

Certain events limit the Plan's ability to transact at contract value with GWL&A. Such events include the following: (a) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (b) changes to plan's prohibition on competing investment options or

deletion of equity wash provisions, (c) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. Furthermore, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include (a) an uncured breach of the Plan's investment guidelines, (b) a material amendment to the contract without the issuer's consent, (c) a violation of a material obligation under the contract, or (d) a material misrepresentation. The Plan administrator does not believe that the occurrence of any such value event, which would limit the Plan's ability to transact at contract value with Plan participants or the issuer, is probable.

6. Related-Party Transactions and Party in Interest Transactions

Plan investments include mutual funds, which are managed by an affiliate of GWTC, and a guaranteed investment contract, which is an insurance contract provided by GWL&A. These transactions qualify as exempt party in interest transactions.

Investment related expenses are included in the net appreciation in fair value of the investments. A portion of these fees is returned to the Plan and can be used to pay plan administrative expenses. Recordkeeping fees, custodial and trustee fees, and investment advisory fees were paid by the Plan.

Certain administrative expenses are absorbed by the Plan Sponsor and are not included in these financial statements.

7. Plan Termination

Although it has not expressed intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

8. Income Tax Status

The Plan has adopted the Great-West Trust Company, LLC Defined Contribution Pre-Approved Plan, which obtained its latest opinion letter on June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. Although the Plan has been amended since receiving the determination letter, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and therefore believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

The 2019 novel coronavirus ("COVID-19") has adversely affected, and may continue to adversely affect economic activity globally, nationally, and locally. Since the COVID-19 outbreak, the values of investment securities have been volatile. Economic and market conditions and other effects of the COVID-19 outbreak may adversely affect the Plan. The extent of the adverse impact of the COVID-19 outbreak on the amounts reported in the Statement of Net Assets Available for Benefits as of December 31, 2021, cannot be predicted at this time. The financial statements do not include any adjustments that might result from the outcome of this uncertainty.

10. Reconciliation of Financial Statements to Schedule H of Form 5500
