REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

The Plan Administrator and Participants
BCS Financial Corporation Tax-Favored Savings Program

Scope and nature of the ERISA Section 103(a)(3)(C) audit for the 2021 financial statements

We have performed an audit of the financial statements of BCS Financial Corporation Tax-Favored Savings Program (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 financial statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for opinion on the 2021 financial statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of management for the 2021 financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's responsibilities for the audit of the 2021 financial statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures

responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other matters

2021 supplemental schedule required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the 2021 supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures. These additional procedures included comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the 2021 supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the 2021 supplemental schedule, we evaluated whether the 2021 supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the 2021 supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the 2021 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's report on the 2020 financial statements

The financial statements of the Plan as of and for the year ended December 31, 2020 were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report, dated August 25, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion, and accordingly, they did not express an opinion on the financial statements and supplemental schedules, and (b) the form and content of the information included in the financial statements and supplemental schedules, other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

BCS FINANCIAL CORPORATION
TAX-FAVORED SAVINGS PROGRAM

Notes to Financial Statements

December 31, 2021 and 2020

(1) Description of the Plan

The following description of the BCS Financial Corporation Tax-Favored Savings Program (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

(a) General

The Plan is sponsored by BCS Financial Corporation (the “Company”). The Plan was established under the master trust agreement between National Employee Benefits Committee of Blue Cross Blue Shield Association (“Plan Administrator”) and Fidelity Management Trust Company (“Fidelity” or “Trustee”) (“Related Trust”). The Plan is a defined-contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”). Participation in the Plan is limited to employees of the Company on the later of the date of hire or age 21. The Board of Directors is responsible for the oversight of the Plan. Fidelity serves as the Plan’s trustee and custodian. The Plan was restated effective March 9, 2021.

(b) Contributions

Participant contributions are made by means of regular payroll deductions. Participants may elect to make contributions from 1% to 30% of their compensation, as defined by the Plan document. Participant contributions are limited to the maximum amount allowed by the Internal Revenue Code (“IRC”) (the “Code”). Participants age 50 or older could make additional catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into the various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 5% of eligible compensation and their contributions invested in the age appropriate qualified default investment alternative, until changes are made by the participant.

The Company contributes an amount equal to 100% of the participant’s contribution, excluding catch-up contributions, up to the first 6% of eligible compensation for the year beginning on July 1, 2020. Prior to July 1, 2020, the Company matched 4.5%. In addition, the Company may make discretionary contributions to all participants who are employed on the last day of the year. Each year, the Company will announce whether a discretionary contribution will be made for the year and, if a contribution will be made for the year, the Company will indicate the amount it intends to contribute (as a percentage of each participant’s eligible earnings). During 2022, the Company made a discretionary contribution of 5.5% of each participant’s eligible 2021 earnings up to the IRS limit allowed for employer contributions.

(c) Participant Accounts

Each participant’s account is credited with the participant’s contribution and Company matching contributions, as well as an allocation of the Plan’s earnings and losses. Participant accounts may be charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specified participants transactions, as defined.

**BCS FINANCIAL CORPORATION
TAX-FAVORED SAVINGS PROGRAM**

Notes to Financial Statements

December 31, 2021 and 2020

The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

(d) Vesting

Participants are immediately fully vested in their contributions and any employer matching contributions plus actual earnings thereon.

(e) Notes Receivable from Participants

Participants may borrow from their accounts. The loans are secured by the balance in the participant's account. Loan payments (principal and interest) are made by payroll deductions or directly to the Plan's trustee, who records the repayment of outstanding loans.

Loan terms cannot exceed five years except for residential loans, which cannot exceed 30 years. The loan shall not exceed the lesser of \$50,000, reduced by the participant's highest outstanding loan balance in the last twelve months, or 50% of the sum of the participant's total vested balances at the time the loan is made less any outstanding loan balance.

Interest rates on participant loans are determined based on the prime rate published by Reuters on the last business day of the month plus 1% and applied to new loans beginning in the following month.

If a participant ceases to make loan repayments, and the Plan Administrator deems the participant loan to be in default, the participant's loan balance is reduced and a benefit payment is recorded.

(f) Payment of Benefits

No distributions from the Plan will be made until a participant retires, dies (in which case payment shall be made to his or her beneficiary or legal representatives), or otherwise terminates employment with the Company except for financial hardship, total and permanent disability or if a participant reaches the age of 59 ½. Additionally, in 2020, the Coronavirus Aid, Relief, and Economic Security (CARES) Act allowed eligible plan participants to request penalty-free distributions of up to \$100,000 before December 31, 2020 for qualifying reasons associated with the COVID-19 pandemic. Distributions are made only in cash and take the form of a lump-sum cash payment, unless the participant elects to receive payments in a series of semi-monthly, monthly, quarterly, semi-annual or annual installments.

(g) Expenses

The cost of administering the Plan may be paid from participant accounts or by the Company (note 8).

(2) Summary of Accounting Policies

(a) *Basis of Accounting*

The financial statements of the Plan have been prepared under the accrual method of accounting.

(b) *Investment Valuation and Income Recognition*

The Plan's investments are stated at fair value. Fair Value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction with market participants at the measurement date.

Purchases and sales of investments are reflected on a trade-date basis. Interest income is recorded on an accrual basis. Dividend income is recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

(c) *Use of Estimates*

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

(d) *Payment of Benefits*

Benefits are recorded when paid.

(e) *Notes Receivable from Participants*

Notes receivable from participants are measured at their unpaid principal balance and any accrued but unpaid interest. Interest income is accrued. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020.

BCS FINANCIAL CORPORATION
TAX-FAVORED SAVINGS PROGRAM

Notes to Financial Statements

(3) Information Certified by the Plan Trustee

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Trustee has certified that the following information in the accompanying financial statements and supplemental schedule are complete and accurate:

- Investments at fair value, and notes receivable from participants, as shown in the statements of net assets available for benefits as of December 31, 2021 and 2020;
- Investment income and interest from notes receivable from participants, as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2021; and
- Schedule H, line 4i – schedule of assets (held at end of year) as of December 31, 2021.

(4) Fair Value Measurements

FASB ASC 820, *Fair Value Measurement*, established a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

BCS FINANCIAL CORPORATION
TAX-FAVORED SAVINGS PROGRAM

Notes to Financial Statements

December 31, 2021 and 2020

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 or 2020.

- Mutual funds – Valued at the net asset value (NAV) of shares held by the Plan at year-end. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.
- Common collective trusts and collective investment funds – Valued at the NAV of shares held by the Plan at year-end. These trusts and funds are required to publish their daily NAV and to transact at that price. The trusts and funds held by the Plan are deemed to be actively traded.
- Money market funds – Valued at NAV, which is targeted to \$1 and are actively traded.
- Self-directed brokerage accounts – registered investment companies are valued in the open market on a daily basis and interest-bearing cash is valued at the closing price reported on the active market in which the individual securities are traded.

The following tables present the Plan's assets at fair value as of December 31, 2021 and 2020.

		December 31, 2021			
		Level 1	Level 2	Level 3	Total

Total assets at fair value	\$	<u>38,454,886</u>	<u>—</u>	<u>—</u>	<u>38,454,886</u>

(5) Risks and Uncertainties

The Plan invests in various investments. Investments are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could

BCS FINANCIAL CORPORATION
TAX-FAVORED SAVINGS PROGRAM

Notes to Financial Statements

December 31, 2021 and 2020

materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

(6) Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants remain fully vested in their accounts, including employer contributions.

(7) Tax Status

The Plan has received a determination letter from the IRS dated January 15, 2015, stating that the form of the Plan is qualified under Section 401(a) of the Internal Revenue Code, and therefore, the Related Trust is tax exempt. Subsequent to the effective date of the determination letter, the Plan was amended. The Plan Administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan, as amended, is qualified and the Related Trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(8) Related-Party Transactions and Party in Interest Transactions

Certain of the Plan's investments are shares of mutual funds managed by Fidelity. Fidelity is the trustee as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions. There were no fees paid by the Plan for the investment management services for the year ended December 31, 2021.

The agreement with Fidelity provides for a fixed cost model with a per-participant recordkeeping fee, offset by revenue credits.

Revenue credits are generated based on participants' investment choices and the underlying investments and whether the particular investments have a revenue sharing arrangement. The Plan may generate more recordkeeping revenue than their fixed pricing tier for a quarter. The excess amount will be deposited into a suspense account, from which the excess revenue can either be credited to the participants or used to pay ERISA eligible expenses.

The agreement generated fee credits of \$15,052, which were offset against \$1,094 in fees and resulted in a recordkeeping recovery of \$13,958.

(9) Subsequent Events

Subsequent events have been evaluated through October 17, 2022, the date of issuance of the financial statements. Through that date, there were no events that would require adjustment to or disclosure in the financial statements.

Schedule H, Line 4(l) – Has the plan failed to provide any benefit when due under the plan?

No. For administrative purposes, we do not consider delays in payment of a participant's benefit (including administrative mistakes and delayed payments, which happen infrequently) as a failure to pay a benefit when due. Further, in reliance on an IRS clarification of the intent of this question, we do not consider benefits payable to missing participants to be a failure to pay a benefit when due because of the diligence of our efforts to locate missing participants.
