Independent Auditors' and Accountants' Report

To the Plan Administrator
Archwell Solutions, LLC

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Archwell Solutions, LLC (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits, as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Archwell Solutions, LLC's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution, as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section -

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

To the Plan Administrator
Archwell Solutions, LLC

- The information in the financial statements referred to above related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of Archwell Solutions, LLC and to meet our ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibility of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's electing of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Archwell Solutions, LLC's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for

To the Plan Administrator
Archwell Solutions, LLC

one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that individually, or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Archwell Solutions, LLC's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about Archwell Solutions, LLC's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

To the Plan Administrator
Archwell Solutions, LLC

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Report on Compiled 2020 Financial Statement

Management is responsible for the accompanying financial statement of Archwell Solutions, LLC, which comprises the statement of net assets available for benefits, as of December 31, 2020. We have performed a compilation engagement in accordance with *Statements on Standards for Accounting and Review Services* promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statements, nor were we required to perform any procedures to verify the accuracy or completeness of that information provided by plan management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on the financial statement.

ARCHWELL SOLUTIONS, LLC
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021

NOTE 1: DESCRIPTION OF PLAN

The following description of the Archwell Solutions, LLC (“Plan” and “Company”) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan’s provisions.

General - The Plan is a defined contribution plan established and effective October 1, 2015, to provide employees of Archwell Solutions, LLC the opportunity to accumulate savings that provide benefits in the event of retirement, disability, or death. The Plan is structured to comply with the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. Participation in the Plan is voluntary.

Eligibility - An employee becomes eligible to participate in the Plan after completing three months of service and can enter the Plan on the first day of each month coinciding with, or following, the date of eligibility.

Contributions - Each year, participants are eligible to contribute up to 90 percent of annual compensation up to the maximum permitted by law on a pretax basis, a Roth after-tax basis, or a combination of both. Participants who are at least age 50 before the end of a plan year are eligible to make catch-up contributions during the plan year. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into a diversified menu of investment options offered by the Plan. The Company contributes a 100% safe harbor matching contribution limited to 3% of a participant’s compensation and a 50% safe harbor matching contribution on the next 2%. The Company may also elect to make discretionary contributions each year. There were no discretionary profit-sharing contributions made for the plan-year ended December 31, 2021. Contributions are subject to certain statutory limitation.

Participant Accounts - Each participant’s account is credited with the participant’s contributions and Company matching contributions, as well as an allocation of plan earnings, and charged with an allocation of any administrative expenses paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting - Participants are immediately vested in their contributions and the safe harbor matching contribution plus actual earnings thereon. Vesting in the Company’s discretionary profit-sharing contribution portion of their accounts is based on years of continuous service after the effective date of the Plan. A participant is 20% vested after two years of service. The vesting percentage increases 20% each subsequent year until a participant becomes 100% vested after six years of credited service. Participants become 100% vested upon death or disability while employed by the Company.

ARCHWELL SOLUTIONS, LLC
NOTES TO FINANCIAL STATEMENTS - CONTINUED
DECEMBER 31, 2021

NOTE 1: DESCRIPTION OF PLAN - CONTINUED

Notes Receivable from Participants - Participants may borrow from their accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000, reduced by the highest outstanding loan balance during the prior 12-month period, or 50% of their account balance. Participants may only have one outstanding loan at one time. The notes are secured by the balance in the participant's account. All loans pay a rate of interest based on the prime rate on the date the loan is requested plus 2%. All loans are repaid through payroll deductions within a five-year period, unless used for the purchase of a primary residence. The plan administrator shall treat a loan as being in default upon termination of employment or upon the failure to make any payment when due. Upon termination, the entire outstanding principal and accrued interest shall be immediately due and payable and the participant will be deemed to have received a taxable distribution from the Plan. The loan offset occurs no later than the first date the participant may receive a distribution under the terms of the Plan.

Payment of Benefits - Upon termination of service due to death, disability, retirement (normal age 65), or separation from service, or attainment of age 59½ without terminating employment, a participant may elect to receive a lump-sum amount, substantially equal payments, or partial withdrawals equal to the value of the participant's vested interest in certain accounts. Balances of terminated participants that do not exceed \$5,000 will be automatically distributed in a direct rollover to an individual retirement account designated by the Company. Upon the death of a participant, the participant's beneficiary is entitled to the balance of the participant's account.

As required under Section 401(a)(9) of the IRC, a participant who is not a five percent or more owner of the Company must begin receiving required minimum distributions from the Plan by April 1 of the calendar year following the later of (i) the calendar year following the year in which the participant reaches 70½, or 72 if the participant is not 70½ on or before January 1, 2020, or (ii) the calendar year in which the participant retires. Each year the minimum is recomputed based on the participant's and spouse's, if married, current life expectancies and the value of the then-remaining account. The participant may elect a larger payment.

Hardship Withdrawals - Participants can withdraw their employee pretax and/or Roth contributions in the form of a hardship withdrawal to satisfy an immediate and heavy financial need as defined by the Plan.

Forfeitures - As of December 31, 2021 and 2020, forfeited nonvested accounts totaled \$0. Forfeited amounts, to the extent they are not used to pay plan expenses, are to be used to reduce any employer contributions or to pay for Plan expenses. During 2021, \$0 of forfeitures were used to reduce employer contributions.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The financial statements of the Plan are prepared on the accrual basis of accounting, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

ARCHWELL SOLUTIONS, LLC
NOTES TO FINANCIAL STATEMENTS - CONTINUED
DECEMBER 31, 2021

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition - Investments are reported at fair value. Fair value is the price that would be received for the sale of an asset or paid for the transfer of a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is accrued when earned. Dividend income is recorded on the ex-dividend date. Net appreciation/depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2021 and 2020, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the plan document.

Payment of Benefits - Benefits are recorded when paid.

Administrative Expenses - Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses paid by the Company are excluded from these financial statements. Costs associated with participant-initiated transactions are paid by the respective participants' accounts. Some administrative expenses are paid from the annual operating expenses of the Plan's designated investment alternatives, which are netted against the investment earnings for the relevant participant-directed investments.

Subsequent Events - The Plan's policy is to evaluate events and transactions subsequent to its year end for potential recognition in the financial statements or disclosure in the notes to the financial statements. Management has evaluated events and transactions through the date of the independent auditors' and accountants' report, which is the date the financial statements were available to be issued.

NOTE 3: FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2021 and 2020.

Registered Investment Companies (Mutual Funds) - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective Trust - Valued at the NAV of units of the trust. The NAV, as provided by the trust, is used as a practical expedient to estimate fair value. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions may occur daily. Were the plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to

NOTE 3: FAIR VALUE MEASUREMENTS - CONTINUED

Collective Trust - Continued - temporarily delay withdrawal from the trust in order to ensure that securities liquidation will be carried out in an orderly business manner.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31:

	2021			
	Level 1	Level 2	Level 3	Total
Registered Investment Companies	\$ 591,406	\$ -	\$ -	\$ 591,406

(a) In accordance with *Subtopic 820-10*, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Investments Measured Using the Net Asset Value per Share Practical Expedient - The table on the following page summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2021 and 2020. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

NOTE 4: INFORMATION CERTIFIED BY THE TRUSTEE

The Plan's investments as of December 31, 2021 and 2020, were held by Reliance Trust Company (Trustee). The Company elected the method of annual reporting compliance permitted by the Department of Labor (DOL) Regulations Section 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Trustee has certified the following data included in the accompanying financial statements and supplemental schedule as complete and accurate.

NOTE 5: RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Plan has not considered normal plan operations such as participant and employer contributions or benefits accrued or paid by the Plan for participants as party-in-interest transactions that require separate disclosure. Participant loan origination fees and distribution fees are paid out of the relevant participants' accounts. The Company pays directly any other fees related to plan operations. These transactions qualify as party-in-interest transactions that are exempt from the prohibited transaction rule.

NOTE 6: PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100 percent vested in their employer contributions.

NOTE 7: TAX STATUS

The underlying prototype standardized profit-sharing plan with Cash or Deferred Arrangement (CODA) has received an opinion letter from the Internal Revenue Service (IRS) dated October 6, 2020, stating that the form of the Plan is qualified under the Internal Revenue Code (IRC) and, therefore, the related trust is tax exempt. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. The Plan has been amended since receiving the opinion letter; however, the plan administrator believes the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the IRS or DOL. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021 and 2020, there are no uncertain

ARCHWELL SOLUTIONS, LLC
NOTES TO FINANCIAL STATEMENTS - CONTINUED
DECEMBER 31, 2021

NOTE 7: TAX STATUS - CONTINUED

positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in process. The Plan's federal Form 5500 is subject to examination from regulatory authorities generally for the three years after it was filed.

NOTE 8: RISKS AND UNCERTAINTIES

The Plan invests in various registered investment companies and collective trusts, which are exposed to various risks such as interest rate, market, and credit risk. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 9: COMMITMENTS AND CONTINGENCIES

In the normal course of business, there may be various commitments and contingencies outstanding which are not reflected in these financial statements. In the opinion of plan management, the outcome of such events, if any, would not have a material effect on the Plan's financial position or operations.

NOTE 10: SECURE ACT

On December 20, 2019, the Further Consolidated Appropriations Act was passed. Within this act is the Setting Every Community Up for Retirement Enhancement Act of 2019 (SECURE). Most provisions of the act are effective for plan years beginning after December 31, 2019. Some of the provisions relevant to the plan include:

1. A requirement for plans to allow certain long-term part-time employees (has at least 500 hours of service a year in at least three consecutive years) to defer. The change applies to plan years that begin on or after January 1, 2021. For eligibility determinations, years of service prior to January 1, 2021, may be disregarded. For long-term part-time employees, all years of service with a minimum of 500 hours must be counted for vesting purposes.
2. A change in the required minimum distribution age from 70½ to 72. This change is effective for persons born after June 30, 1949. The changes apply to distributions required to be made after December 31, 2019, with respect to individuals who attain age 70½ after December 31, 2019.

NOTES TO FINANCIAL STATEMENTS - CONTINUED
DECEMBER 31, 2021

NOTE 10: SECURE ACT - CONTINUED

3. The option for plans to permit participants to take early withdrawals of up to \$5,000 within one year of a child's birth or adoption, which is exempt from the IRS early withdrawal penalty.

The Plan will be amended as required to reflect the relevant provisions.

NOTE 11: CORONAVIRUS AID, RELIEF, AND ECONOMIC SECURITY ACT

On March 27, 2020, the president signed the Coronavirus Aid, Relief, and Economic Security (CARES) Act into law. The Company adopted provisions of the CARES Act to allow qualified individuals, as defined in the Plan, to withdraw Coronavirus-related distributions and request Coronavirus-related loans, subject to the terms of the Plan. For qualified individuals, loan payments due from March 27, 2020, through December 31, 2020, may be delayed for one year. Additionally, the CARES Act suspended required minimum distributions for 2020. The Plan has adopted the CARES Act provisions. The Plan will be amended as required.
