CALIBER
AUDIT & ATTEST, LLP

Independent Auditors' Report

To the Plan Administrator, Trustees, and Participants
of the Jasmine Vineyards, Inc. Profit Sharing Plan
Delano, California

Opinion

We have audited the accompanying financial statements of the Jasmine Vineyards, Inc. Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021 and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Jasmine Vineyards, Inc. Profit Sharing Plan as of December 31, 2021 and 2020, and the changes in its net assets available for benefits for the year ended December 31, 2021, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibility for the Audit of the Financial Statements section of our report. We are required to be independent of Jasmine Vineyards, Inc. Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Jasmine Vineyards, Inc. Profit Sharing Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Independent Auditors' Report - Continued

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Jasmine Vineyards, Inc. Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Concluding whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Jasmine Vineyards, Inc. Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

2021 Supplemental Schedules Required by ERISA

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) and schedule of reportable transactions as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated in all material respects in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

AUDIT & ATTEST, LLP

Independent Auditors' Report

To the Plan Administrator, Trustees, and Participants
of the Jasmine Vineyards, Inc. Profit Sharing Plan
Delano, California

Opinion

We have audited the accompanying financial statements of the Jasmine Vineyards, Inc. Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021 and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Jasmine Vineyards, Inc. Profit Sharing Plan as of December 31, 2021 and 2020, and the changes in its net assets available for benefits for the year ended December 31, 2021, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibility for the Audit of the Financial Statements section of our report. We are required to be independent of Jasmine Vineyards, Inc. Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Jasmine Vineyards, Inc. Profit Sharing Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Independent Auditors' Report - Continued

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Jasmine Vineyards, Inc. Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Concluding whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Jasmine Vineyards, Inc. Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) and schedule of reportable transactions as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated in all material respects in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Note 1. Plan Description

The following description of the Jasmine Vineyards, Inc. Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the plan document, adoption agreement, or summary plan description for a more complete description of the Plan's provisions.

General:

The Plan is a profit sharing plan covering the employees of Jasmine Vineyards, Inc. (the Company) who are age 18 and have completed 1,000 hours of service within a twelve-month period. Employees enter the Plan semiannually, on the first of January or July that occurs after the employee has completed the eligibility service period. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

In March 2020, the Coronavirus Aid, Relief, and Economic Security (CARES) Act was passed by Congress. The CARES Act provided immediate and temporary relief for retirement plan sponsors and their participants with respect to distributions and participant loans. The optional provisions in the CARES Act were available to be effective and operationalized immediately, prior to amending the Plan. These provisions were adopted in part by the Plan during 2020, and available to be used by participants. The Plan suspended the required minimum distribution for the Plan year as part of the CARES Act. The Plan does not allow for loans, and as such, the loan provisions were not adopted by the Plan.

Plan administration:

The Company is the Plan sponsor and Plan administrator. The Plan administrator is responsible for carrying out the duties imposed under ERISA, including oversight of the Plan, appropriateness of investment offerings, and monitoring investment performance.

Contributions:

Company contributions are discretionary and may be made for the Plan year up to a percentage of eligible compensation as defined by the Plan document. Contributions are funded annually and are allocated to participants who worked at least 1,000 hours during the Plan year and are employed on the last day of the Plan year. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Contributions are calculated using cross-testing methods, testing contributions on an equivalent benefit basis using eligible income. The allocation of profit sharing contributions is based on levels of employment, including non-owners and owners.

Participant accounts:

Each participant's account is credited with the allocation of the Company's contribution, if any, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting:

The balance of vesting in the participants' accounts for the payment of benefits is based on years of service as follows:

Years of service	*Years*
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

A year of service is credited when an employee works 1,000 hours within the Plan year. If an active participant dies or is disabled prior to attaining the normal retirement age, the participant becomes 100% vested.

Benefit payments and withdrawals:

On termination of service due to death, disability, or retirement, participants, or their beneficiaries, are entitled to a distribution of their vested account balance. On termination of service before retirement age, if the participant's vested account does not exceed $1,000, a lump sum distribution will be made. On termination of service before retirement age, if the participant's vested account balance exceeds $1,000, the participant may elect to have their vested account balance distributed as soon as administratively feasible.

Forfeited accounts:

Forfeitures result from non-vested benefit payments remaining in the Plan for all terminated employees or adjustments, if any. At December 31, 2021 and 2020, the forfeiture balance was $9,862 and $6,038, respectively. These accounts may be applied to reduce employer contributions. In 2021, no forfeitures were used to pay Plan recordkeeping fees.

Note 2. Significant Accounting Policies

Basis of accounting:

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of estimates:

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition:

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan sponsor's management determines the Plan's valuation policies utilizing information provided by the custodian, investment advisor, and third party administrator. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year. All investments in the Plan are nonparticipant directed.

Benefit payments:

Benefits are recorded when paid.

Administrative fees:

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of benefit payments are charged directly to the participant's account and are included in administrative expenses. Quarterly fees for investment advisor services are paid by the Plan and included in administrative expenses. Other investment related expenses are included in either net appreciation of fair value of investments or administrative fees.

Note 3. Nonparticipant Directed Investments and Fair Value Measurements

All of the assets in the Plan are nonparticipant directed, as such, all of the activity presented and disclosed about the Plan relate to nonparticipant directed net assets.

The *Fair Value Measurements* topic of the Financial Accounting Standards Board (FASB) *Accounting Standards Codification (ASC)* establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or by other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes to the methodologies used at December 31, 2021 and 2020.

Interest-bearing cash: Valued at cost.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Exchange traded funds (ETFs): Valued at the last sales price or official closing price on the exchange or primary market on which they trade. ETFs hold assets such as stock,

commodities, or bonds and are designed to trade close to their net asset value. The fair values of exchange-traded funds are determined by obtaining quoted prices on nationally recognized securities exchanges. The ETFs held by the Plan are deemed to be actively traded.

Common stocks: Valued at the closing price reported on the active market on which the individual securities are traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

	Level 1
Interest-bearing cash	$ 304,308
Mutual funds	4,970,274
Exchange traded funds (ETFs)	2,318,600
Common stock	3,255,278
Total investments at fair value	$ 10,848,460

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2020:

	Level 1
Interest-bearing cash	$ 131,539
Mutual funds	3,021,915
Exchange traded funds (ETFs)	3,311,325
Common stock	4,107,139
Total investments at fair value	$ 10,571,918

As of December 31, 2021 and 2020, the Plan holds $186,443 and $160,455, respectively, of the common stock balance in a separate collateralized account used for securities lending. Charles Schwab deposits cash in that separate account as collateral, and lends out the common stock shares. The Plan is credited with interest from the securities lending activity. The transfer of the asset does not meet the conditions for sale accounting, and therefore, the Plan reports the transferred financial asset (the common stock) at fair value and is subject to market risk.

Note 4. Related Party and Party-in-Interest Transactions

Barbich Hooper King Dill Hoffman Accountancy Corporation is the third-party administrator of the Plan and provides administrative services, which are paid by the Plan sponsor. The Plan's investment advisor is San Luis Wealth Management. The Plan's custodian is Charles Schwab. Transactions with these entities qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules.

Note 5. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested and the assets would be distributed among the participants of the Plan in accordance with the provisions of the Plan.

Note 6. Tax Status

The Company has adopted a standardized volume submitter profit sharing plan. The IRS has opined and informed the volume submitter plan administrator by a letter dated March 31, 2014, that the Plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The Plan administrator has analyzed the tax positions taken by the Plan as of December 31, 2021, and is not aware of any uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 7. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 8. Reconciliation of the Plan Financial Statements to the Form 5500

Certain amounts included on Schedule H Part I and II on the Annual Return/Report of Employee Benefits Plan (Form 5500) have been grouped differently for purposes of presentation in the financial statements.

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 at December 31, 2021.

Net assets available for benefits per the financial statements	$	11,342,432
Forfeitures payable included as a liability for Form 5500, not included as a liability for financial statements		(9,862)
Net assets available for benefits per the Form 5500	$	11,332,570

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 at December 31, 2020.

Net assets available for benefits per the financial statements	$	10,563,154
Forfeitures payable included as a liability for Form 5500, not included as a liability for financial statements		(6,038)
Net assets available for benefits per the Form 5500	$	10,557,116

The following is a reconciliation of the changes in net assets available for benefits per the financial statements to the Form 5500 at December 31, 2021.

Net increase in net assets available for benefits per the financial statements	$	779,278
Net change in forfeitures payable included as a liability for Form 5500, not included as a liability for financial statements		(3,824)
Net increase in net assets available for benefits per the Form 5500	$	775,454

Note 9. Subsequent Events

The Plan has evaluated subsequent events through October 14, 2022, the date the financial statements were available to be issued.
