Report of Independent Auditor

To the Plan Trustees and Management
Optomi, LLC 401(k) Plan
Atlanta, Georgia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Optomi, LLC 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

2021 Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule of Assets (Held at End of Year) – Form 5500, Schedule H, Part IV, Line 4i as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Optomi, LLC 401(k) Plan. As permitted by 29 CFR 2520.103-8 of DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 7, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and, accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

OPTOMI, LLC 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

Note 1—Description of the Plan

The following description of Optomi, LLC 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General – The Plan, as amended, is a defined contribution plan adopted by Optomi, LLC (the “Sponsor” or “Company”) in January 2013 and was most recently restated effective January 1, 2021. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Employees are eligible for participation once they have completed three months of service. Employees meeting this criteria are eligible for participation as of the next election date. Election dates are on the first day of the Plan year quarter coinciding with or next following the date in which the Plan’s eligibility requirements are satisfied.

On March 27, 2020, Congress signed the Coronavirus Aid, Relief, and Economic Security Act (“CARES Act”). The CARES Act took immediate effect and contained several provisions that temporarily impacted qualified plans, including a new hardship withdrawal option and a loan payment pause option. The Company incorporated these provisions into the Plan effective March 27, 2020.

Administration – The Plan is administered by the Company, which serves without compensation. The Plan administrator has the overall responsibility and authority as the named fiduciary to manage and control the operations and administration of the Plan and may designate one or more individuals to perform those responsibilities. Nationwide Trust Company, FSB (“Nationwide”), served as the “Custodian” of the Plan’s assets through June 30, 2021. The Sponsor has outsourced the recordkeeping function of the Plan to Nationwide through June 30, 2021. Fidelity Management Trust Company became the “Trustee” of the Plan effective July 1, 2021 through December 31, 2021.

Contributions – Each year, participants may contribute up to the maximum dollar limit of pretax annual compensation allowable by the Internal Revenue Code (“IRC”). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions up to \$6,500. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investments of their contributions into various investment options offered by the Plan.

The Sponsor may make discretionary match and/or nonelective profit sharing contributions to participants’ accounts. The Sponsor did not make any discretionary matching or profit sharing contributions for the year ended December 31, 2021. The Employer contribution recorded for 2021 was to correct lost earnings identified in relation to the 2020 Plan year.

Participant Accounts – Each participant’s account is credited with the participant’s contribution, related Sponsor discretionary matching contribution and/or nonelective profit sharing contribution, if any, and an allocation of Plan earnings and is charged with benefits paid to participants and an allocation of Plan losses and administrative expenses. Allocations are based on the participant earnings or account balances, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Benefits Paid to Participants – Upon termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount or a partial withdrawal or installment, equal to the value of the participant’s vested interest in his or her account. For termination of service for other reasons, distribution of the value of the participant’s vested interest in his or her account will begin as soon as possible after the participant’s request. Withdrawals prior to attaining age 59½ are not permitted, except in the event of death, disability, or as a hardship distribution. Upon proof, to the satisfaction of the Plan administrator, of an immediate and heavy financial need, amounts contributed may be withdrawn for a hardship purpose. Certain income tax penalties may apply to withdrawals or disbursements prior to age 59½.

OPTOMI, LLC 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

Note 1—Description of Plan (continued)

Vesting Requirements – All participant contributions and actual earnings thereon are fully vested at all times.

Vesting in Sponsor discretionary matching contributions and discretionary nonelective profit sharing contributions, plus actual earnings thereon, are subject to the following vesting schedule:

<u>Years of Service Completed</u>	<u>Percentage</u>
Less than 1 year	0%
1 year	20%
2 years	40%
3 years	60%
4 years	80%
5 or more years	100%

Forfeitures – As provided by the Plan document, forfeited nonvested discretionary matching or discretionary nonelective profit sharing accounts may be used to offset future Sponsor contributions or to pay administrative expenses. No forfeitures were used to reduce Sponsor contributions or pay administrative expenses for the year ended December 31, 2021. There were no forfeited nonvested accounts at December 31, 2021 or 2020.

Note Receivable from Participant – Participants may borrow up to the lesser of \$50,000 or 50% of their vested account balance. Participants are allowed a maximum of one outstanding note and the minimum amount of any note is \$1,000. The note is secured by the balance in the participant's account and bears interest at a rate commensurate with local prevailing rates as determined by the Plan administrator. Participant notes have a repayment term of no more than five years, unless for the purchase of a principal residence, which term is to be determined by the Plan administrator at the time of the loan. Principal and interest are paid ratably through payroll deductions or check repayments.

Administrative Expenses – It is at the discretion of the Company to pay administrative expenses related to certain recordkeeping services or have these expenses paid by the Plan and allocated proportionately based on participant's account balance. Certain expenses specifically incurred by a participant, such as taking a withdrawal from the Plan, are paid directly by that participant.

Note 2—Summary of accounting policies

Basis of Accounting – The accompanying financial statements have been prepared on the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates – The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets for benefits and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates. Significant estimates of the Plan include the estimate of the fair value of investments.

Risks and Uncertainties – The Plan provides for investment options in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and supplemental schedule.

OPTOMI, LLC 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

Note 2—Summary of accounting policies (continued)

Investment Valuation and Income Recognition – The Plan's investments are stated at fair value. The net appreciation in the fair value of investments, as reflected in the statement of changes in net assets available for benefits, consists of the realized gains or losses and the unrealized appreciation and depreciation of those investments. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned. Dividend income is recorded on the ex-dividend date, if any.

Management fees and operating expenses charged to the Plan for investments are deducted from income earned and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

Benefits Paid to Participants – Benefits paid to participants are recorded when paid.

Administrative Expenses – Administrative fees paid by the Plan amounted to \$11,824 for the year ended December 31, 2021. Expenses paid by the Company are excluded from the accompanying financial statements.

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest and to be classified as notes receivable from participants. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant does not make loan repayments and the Plan administrator considered the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Contributions Receivable – The amount of participant-related contributions that have been deducted from the participant's payroll as of the end of the year but have not been deposited with the Plan until after the end of the year is reflected as participant contributions receivable in the Plan's financial statements. In addition, any contributions due and payable by the Company are reflected as Company contributions receivable in the Plan's financial statements.

Recently Issued Accounting Pronouncements – Plan management is not aware of any recently issued accounting pronouncements that would have a material impact on the Plan's financial statements.

Note 3—Fair value measurements

U.S. GAAP defines fair value as the exchange price that would be received for an asset or paid to transfer a liability in the principal or most advantageous market for the asset or liability in an orderly transaction. U.S. GAAP provides a fair value hierarchy which requires an entity to maximize the use of observable inputs when measuring fair value.

The standard describes three levels of inputs that may be used to measure fair value:

Level 1 – Inputs to the valuation methodology are quoted prices available in active markets for identical investments as of the reporting date;

Level 2 – Inputs to the valuation methodology are other than quoted prices in active markets, which are either directly or indirectly observable as of the reporting date, and fair value can be determined through the use of models or other valuation methodologies; and

Level 3 – Inputs to the valuation methodology are unobservable inputs in situations where there is little or no market activity for the asset or liability and the reporting entity makes estimates and assumptions related to the pricing of the asset or liability including assumptions regarding risk.

OPTOMI, LLC 401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

Note 3—Fair value measurements (continued)

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The following is a description of the valuation methodologies used for instruments measured at fair value, including the general classification of such instruments pursuant to the valuation hierarchy.

Mutual Funds – These investments are public investment vehicles valued using the net asset value (“NAV”) provided by the administrator of the fund. NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. NAV is a quoted price in an active market and classified within Level 1 of the valuation hierarchy.

Money Market Fund – This investment is a cash equivalent and is valued using amortized cost to the extent that periodic fair value approximates market value. The amortized cost is provided by the administrator of the fund. The amortized cost is classified within Level 1 of the valuation hierarchy because unit prices are quoted on an active market and are made up of mostly cash or high-quality money market funds.

Self-Directed Brokerage Accounts – These investments are valued at the last reported sales price of the underlying investments on the last business day of the Plan year reported by the active markets in which the individual underlying investments are traded, excluding investments in money market funds which are described above. The investments are classified within Level 1 of the valuation hierarchy.

Below are the Plan's financial instruments carried at fair value on a recurring basis, by the fair value hierarchy levels described above, as of December 31, 2021 and 2020:

December 31, 2021				
	Quotes Prices in Active Markets for Identical Assets (Level 1)	Significant Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total Fair Value
Mutual funds	\$ 3,871,786	\$ -	\$ -	\$ 3,871,786
Investments, at fair value	\$ 3,871,786	\$ -	\$ -	\$ 3,871,786
December 31, 2020				
	Quotes Prices in Active Markets for Identical Assets (Level 1)	Significant Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total Fair Value
Mutual funds	\$ 2,426,104	\$ -	\$ -	\$ 2,426,104
Money market funds	40,345	-	-	40,345
Self-directed brokerage accounts	68,858	-	-	68,858
Investments, at fair value	\$ 2,535,307	\$ -	\$ -	\$ 2,535,307

The Plan believes its valuation methodologies are appropriate and consistent with other market participants; however, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. There have been no changes in the methodology used at December 31, 2021 and 2020.

OPTOMI, LLC 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

Note 4 – Stable value fund

The Plan invests in the Stable Value Fund with Fidelity. The Stable Value Fund is considered to be fully benefit-responsive. Deposits are guaranteed in both principal and interest by Fidelity. The fund is included in the financial statements at contract value as reported to the Plan by Fidelity. Contract value represents contributions made to the fund, plus earnings, less participant withdrawals, and administrative expenses.

Note 5—Information prepared and certified by the Custodian and the Trustee (unaudited)

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of Department of Labor's and Regulations for Reporting and Disclosure under ERISA. Accordingly, Nationwide the Custodian of the Plan has certified that the following data included in the accompanying financial statements is complete and accurate as of December 31, 2020 and for the period January 1, 2021 through June 30, 2021 and Fidelity Management Trust Company, the Trustee of the Plan effective July 1, 2021, has certified the following data included in the accompanying financial statements and supplemental schedule is complete and accurate for the period July 1, 2021 through December 31, 2021 and as of ended December 31, 2021:

- Investments, at fair value, and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2021 and 2020.
- Net appreciation in fair value of investments, interest and dividend income on investments, and interest income on notes receivable from participants as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2021.
- Schedule of Assets (Held at End of Year) — Schedule H, Part IV, Line 4i, as of December 31, 2021.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

Note 6—Tax status

The Company adopted a volume submitter profit sharing plan with a cash or deferral arrangement which received a favorable opinion letter from the Internal Revenue Service ("IRS") on March 31, 2014, which stated that the volume submitter profit sharing plan is designed in accordance with applicable sections of the IRC. The Plan has not received a determination letter specific to the Plan itself, and the Plan has been amended since receiving the opinion letter. However, the Company believes the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, the Plan qualifies under Section 401(a) and the related trust is tax-exempt as of December 31, 2021. The Company believes the Plan has no income subject to unrelated business income tax and therefore continues to be tax exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Plan management has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to audit by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

OPTOMI, LLC 401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

Note 7—Reconciliation to Form 5500

The following is a reconciliation of net assets available for Plan benefits per the financial statements to Form 5500 as of December 31:

	2021	2020
Net assets available for benefits per the financial statements	\$ 3,940,866	\$ 2,597,870

Change in participant contributions receivable	10,156
Net increase in net assets available for benefits per Form 5500	<u>\$ 1,353,152</u>

Note 8 —Party-in-interest transactions

The Plan invests in various investments managed by Nationwide Financial Services and Fidelity Management and Research Company, the Custodian and Trustee, respectively, of the Plan. Therefore, these transactions qualify as party-in-interest transactions as defined by ERISA.

Substantially all administrative expenses, other than Custodian and Trustee expenses and investment management and accounting fees, are paid by the Company and are excluded from these financial statements.

Notes receivable from participants qualifies as party-in-interest transactions.

Note 9—Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become fully vested in their account balances.

Note 10—Subsequent events

In accordance with U.S. GAAP related to subsequent events, the Plan has evaluated all events subsequent through October 17, 2022, the date these financial statements were available to be issued.
