## REPORT OF INDEPENDENT AUDITORS

To the Plan Administrator of the  
WRM Holdings, LLC. 401(k) Plan

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of the WRM Holdings, LLC. 401(k) Plan (the “Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (“ERISA”), as permitted by ERISA Section 103(a)(3)(C) (“ERISA Section 103(a)(3)(C) audit”). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (“2021 Financial Statements”).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s (“DOL”) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (“investment information”) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

### Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor’s Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (“U.S. GAAP”).
- the information in the accompanying 2021 Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion on the 2021 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the 2021 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor’s Responsibilities for the Audit of the 2021 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## **Other Matters**

### **2021 Supplemental Schedules Required by ERISA**

The supplemental schedules of Form 5500, Schedule H, Line 4a – Schedule of Delinquent Participant Contributions and Form 5500, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of or for the year ended December 31, 2021, are presented for the purpose of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

#### **Auditor's Report on the 2020 Financial Statements**

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 11, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

## **WRM HOLDINGS, LLC. 401(k) PLAN**

### **NOTES TO FINANCIAL STATEMENTS**

**December 31, 2021 and 2020**

#### **A. Description of the Plan**

##### **General**

The following brief description of the WRM Holdings, LLC. 401(k) Plan (the “Plan”) is provided for general information purposes only. The Plan is sponsored by WRM Holdings, LLC. (the “Company” or “Plan Sponsor”). Participants should refer to the Plan document for more complete information. The Company’s corporate offices are located in Houston, Texas.

The Plan was effective January 1, 2017, restated most recently effective January 1, 2021, and is a defined contribution plan available to all employees of the Company who have attained age 21 and completed three months of service. All employees of the Company are eligible to participate in the Plan. Employees may enter the Plan on the first day of the month following the participant completing the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

The purpose of the Plan is to encourage the Company’s employees to save and invest, systematically, a portion of their current compensation so that they and their families may have a source of additional income upon their retirement, or in the event of death.

On March 27, 2020, former President Trump signed into law the Coronavirus Aid, Relief, and Economic Security Act (the “CARES Act”) which allowed plan sponsors to immediately adopt certain retirement plan provisions to allow qualified individuals, as defined in the CARES Act, additional access to retirement plan balances. As a result, while the Plan has not been formally amended, the Company determined it was in the best interest of the participants to allow during 2020 a) a Coronavirus related distribution up to \$100,000, b) an increase in the available participant loan amount up to \$100,000, not to exceed 100% of the participant’s account balance, c) deferral of 2020 loan repayments for a year, and d) deferral of 2020 required minimum distribution for a year.

##### **Contributions**

Participants may contribute up to 90% of pre-tax annual compensation, as defined by the Plan. In addition, participants may contribute designated Roth (after tax) contributions. Contributions are subject to limitations on annual additions and other limitations imposed by the Internal Revenue Code (the “Code”) as defined in the Plan document. Eligible participants may make a rollover contribution to the Plan.

The Plan includes an auto-enrollment provision, which became effective January 1, 2019, whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible pre-tax compensation and their contributions invested in a designated balanced fund until changed by the participant.

## **WRM HOLDINGS, LLC. 401(k) PLAN**

### **NOTES TO FINANCIAL STATEMENTS (*continued*)**

#### **A. Description of the Plan – continued**

##### **Contributions – continued**

Participants who are eligible to make salary deferral contributions under the Plan and who have attained age 50 before the close of the year may make catch-up contributions in accordance with, and subject to the limitations imposed by the Code.

Prior to June 1, 2020, the Company made safe harbor matching contributions to the Plan participants as determined on a payroll by payroll basis. The safe harbor matching contributions equaled 100% of participant contributions up to a maximum of 4% of participant's eligible compensation. Effective June 1, 2020, the Plan was amended and restated to no longer be a traditional safe harbor plan. As such, safe harbor matching contributions were no longer allowed under the Plan.

Effective January 1, 2021, the Plan was amended and restated to reinstate the safe harbor matching contribution. The Company will make a safe harbor matching contribution equal to 100% of participant salary deferrals not to exceed 4% of their compensation. For purposes of calculating the safe harbor matching contribution, participant compensation and deferrals will be determined on a payroll period basis.

##### **Participant Accounts**

Each participant's account is credited with the participant's contributions and allocations of: (a) the Company's contribution and (b) Plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

##### **Vesting**

Participants are immediately vested in their voluntary and safe harbor match contributions plus actual earnings thereon.

##### **Participant Loans**

Participants may borrow from their accounts a minimum of \$500 up to a maximum amount equal to the lesser of \$50,000 or 50% of their account balance. Loan terms range up to five years or longer for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Company. Interest rates range from 5.25% to 7.50% as of both December 31, 2021 and 2020. Principal and interest is paid ratably through payroll deductions. Participant loans are classified as notes receivable from participants in the Plan's financial statements.

### **NOTES TO FINANCIAL STATEMENTS (*continued*)**

#### **A. Description of the Plan – continued**

##### **Benefit Payments**

Participants withdrawing during the year for reasons of service or disability, retirement, death, or termination are entitled to their vested account balance. Benefits are distributed in the form of rollovers or lump sum payments. If withdrawing participants are not entitled to their entire account balance, the amounts not received are forfeited.

A participant may receive a hardship distribution from salary reduction contributions if the distribution is: (1) on account of uninsured medical expenses incurred by the participant, their spouse, or dependents; (2) to purchase (excluding mortgage payments) a principal residence of the participant; (3) for the payment of post-secondary tuition expenses; (4) needed to prevent eviction of the participant from their principal residence or foreclosure upon the mortgage of the participant's principal residence; (5) for the payment of funeral or burial expenses for the participant's deceased parent, spouse, child or dependent; or (6) for the payment of expenses to repair damage to the participant's principal residence.

Effective September 1, 2019, the Plan's hardship withdrawal provisions were updated in connection with the Bipartisan Budget Act. Participants will no longer (1) be required to obtain a loan prior to requesting a hardship withdrawal; (2) participant deferral contributions will no longer be suspended after receipt of a hardship withdrawal; and (3) earnings on elective deferral contributions in a participant's account will be included as part of a hardship withdrawal. The reasons for heavy financial need were also expanded to include certain disaster events and casualty losses not associated with disasters.

##### **Investment Options**

Upon enrollment in the Plan, a participant may direct their salary deferrals in 1% increments into any of the Plan's investment options.

##### **Plan Expenses**

Employees of the Company perform certain administrative functions with no compensation from the Plan. In accordance with Plan provisions, the Company pays substantially all costs relating to asset charges and recordkeeping. All significant administrative expenses are paid by the Company and are not reflected in the accompanying financial statements.

#### **B. Summary of Significant Accounting Policies**

##### **Basis of Accounting**

The financial statements of the Plan are presented on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

**WRM HOLDINGS, LLC. 401(k) PLAN**  
**NOTES TO FINANCIAL STATEMENTS (*continued*)**

**B. Summary of Significant Accounting Policies – continued**

**Use of Estimates**

The preparation of the financial statements in conformity with GAAP requires the Plan's administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from these estimates.

**Contributions**

Contributions from the Company and participants are accrued as they become obligations of the Company, as determined by the Plan's administrator, and in the period in which they are deducted, in accordance with salary deferral agreements.

**Investment Valuation and Income**

The investments of the Plan are stated at fair value as of the end of the year and are subject to market or credit risks customarily associated with equity investments. Fair value measurements are determined in accordance with GAAP, which defines fair value, establishes a framework for measuring fair value, and expands disclosures about assets and liabilities measured at fair value. See Note C for information related to the Plan's valuation methodologies.

Investment gains and losses are accounted for using the average cost basis of the securities sold. The net realized and unrealized gains and losses on investments include realized gains and losses on sales of investments during the year and unrealized increases or decreases in the market value of investments held at year end. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

**Notes Receivable from Participants**

Notes receivable from participants are recorded at the unpaid principal balance plus accrued but unpaid interest.

**Excess Contributions Payable**

Amounts payable to participants for contributions in excess of amounts allowed by the Code are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2020 excess contributions to the applicable participants prior to March 15, 2021.

**Payment of Benefits**

Benefits are recorded when paid.

### NOTES TO FINANCIAL STATEMENTS (*continued*)

#### C. Fair Value Measurements

GAAP defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date and establishes a three-tier hierarchy that is used to identify assets and liabilities measured at fair value.

The hierarchy focuses on the inputs used to measure fair value and requires that the lowest level input be used. The three levels defined are as follows:

- Level 1 — observable inputs that are based upon quoted market prices for identical assets or liabilities within active markets.
- Level 2 — observable inputs other than Level 1 that are based upon quoted market prices for similar assets or liabilities, based upon quoted prices within inactive markets, or inputs other than quoted market prices that are observable through market data for substantially the full term of the asset or liability.
- Level 3 — inputs that are unobservable for the particular asset or liability due to little or no market activity and are significant to the fair value of the asset or liability. These inputs reflect assumptions that market participants would use when valuing the particular asset or liability.

GAAP requires that management describe the methodologies used to measure the fair value of assets and liabilities. The methodologies used to measure the fair value of the Plan's investments are as follows:

- Mutual funds are valued at the published per share net asset value of shares held by the Plan and are classified within Level 1 of the valuation hierarchy. There are no significant restrictions on redeeming these investments at net asset value.
- The common collective trust is composed primarily of fully-benefit responsive investment contracts that is valued at the net asset value of units of the bank collective trust and is classified within Level 2 of the valuation hierarchy. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

**NOTES TO FINANCIAL STATEMENTS (continued)**

**C. Fair Value Measurements – continued**

There have been no changes in the methodologies used at December 31, 2021 and 2020. The following table details the Plan's investments at fair value by level, within the fair value hierarchy, as of December 31, 2021 and 2020. The Plan has no assets classified within Level 3 of the valuation hierarchy.

These items are classified in their entirety based on the lowest priority level of input that is significant to the fair value measurement. The assessment of the significance of a particular input to the fair value measurement requires judgment and may affect the placement of assets and liabilities within the levels of the fair value hierarchy.

**D. Certified Investments**

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net realized and unrealized gain (loss) on investments, interest and dividends, and interest income from notes receivable from participants for the year ended December 31, 2021 and 2020, was obtained by management and agreed to or derived from information certified as complete and accurate by Reliance Trust Company (the trustee and custodian of the Plan).

## **WRM HOLDINGS, LLC. 401(k) PLAN**

### **NOTES TO FINANCIAL STATEMENTS *(continued)***

#### **E. Tax Status**

Effective January 1, 2017, the Plan adopted the Automatic Data Processing Prototype 401(k) and Profit Sharing Plan which has a favorable opinion letter from the Internal Revenue Service (“IRS”) dated July 8, 2014. This opinion letter states that the form of the prototype plan is acceptable under Section 401 of the Code. The Company may rely on this letter with respect to the qualification of the Plan under Code Section 401(a) with certain limitations.

Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The Company believes that the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

GAAP requires management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan’s administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

#### **F. Plan Termination**

Although it has not expressed any intention to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions set forth in ERISA.

#### **G. Parties-in-Interest Transactions**

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee organization, or relatives of such persons. Loans made to participants, qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules. The Plan paid certain expenses related to plan operations and investment activity to various service providers. These transactions are party in interest transactions under ERISA which are exempt from the prohibited transaction rules.

## **WRM HOLDINGS, LLC. 401(k) PLAN**

### **NOTES TO FINANCIAL STATEMENTS (*continued*)**

#### **H. Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

#### **I. Subsequent Events**

In preparing the accompanying financial statements, management has evaluated all subsequent events and transactions for potential recognition or disclosure through October 17, 2022, the date the financial statements were available for issuance.
