INDEPENDENT AUDITOR'S REPORT

To the Participants and Administrative Committee of
Natgasoline, LLC 401(k)
Beaumont, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Natgasoline, LLC 401(k), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for plan benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for plan benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Natgasoline, LLC 401(k)'s (the Plan) financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2021 and 2020, and for the year ended December 31, 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE A BASIS OF PRESENTATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

General - The Natgasoline, LLC 401(k) (the Plan) was adopted effective January 1, 2017 (restated January 1, 2018) to establish a savings and investment plan for the exclusive benefit of the employees of Natgasoline LLC (the Company and Plan Administrator) and their beneficiaries. The Plan is a defined contribution plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Basis of Presentation - The financial statements of the Plan are prepared on the accrual basis of accounting. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recognized when earned. Dividends are recognized on the ex-dividend date.

Estimates - The preparation of financial statements in conformity with generally accepted accounting principles in the United States (GAAP) requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Risks and Uncertainties - The Plan provides for several investment options which are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term could materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits and the statement of changes in net assets available for plan benefits.

Valuation of Investments - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. In accordance with the policy of stating investments at fair value, net investment gain or loss is included in the carrying value of related investments in the statements of net assets available for plan benefits and the changes in the net investment gain or loss are reflected in the statement of changes in net assets available for plan benefits.

Participant Loans Receivable - Loans to participants are reported as notes receivable from participants at the unpaid principal balance plus any accrued but unpaid interest.

Federal Income Tax - The Plan adopted a non-standardized prototype profit sharing plan with CODA (Prototype Plan). The Prototype Plan received a favorable opinion letter from the Internal Revenue Service (IRS) on July 8, 2014, which declared that the Prototype Plan qualifies under section 401(a) of the Internal Revenue Code (IRC) as being exempt from income taxes. The Plan Administrator believes that the Plan is currently being operated in compliance with the applicable requirements of the IRC and believes that the Plan was qualified and was tax exempt as of the financial statement date.

The Plan believes that all significant tax positions utilized by the Plan will more likely than not be sustained upon examination. As of December 31, 2021, the tax years that remain subject to examination by the major tax jurisdictions under the statute of limitations are from the year 2018 forward (with limited exceptions). Tax penalties and interest, if any, would be accrued as incurred and would be classified as tax expense in the statement of changes in net assets available for plan benefits.

NOTE A BASIS OF PRESENTATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
(CONTINUED)

Subsequent Events - The Plan has evaluated subsequent events through October 11, 2022, the date the financial statements were available to be issued. On December 31, 2021, the Plan changed the asset custodian from Reliance Trust Company to Fidelity Management Trust Company. The transfer from Reliance Trust Company to Fidelity Management Trust Company was completed on January 3, 2022. No other subsequent events occurred which require adjustment or disclosure to the financial statements at December 31, 2021.

NOTE B PLAN DESCRIPTION

The following description of the Plan provides only general information about the Plan. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

Participation - The Plan is a defined contribution plan covering employees of the Company who have attained age twenty-one or older. There is no minimum service requirement.

Contributions - Participants may elect to make contributions to the Plan in an annual amount ranging from 1% to 90% of their eligible compensation. Eligible compensation in 2021 is limited to \$290,000. Contributions are made through authorized payroll reductions. These contributions by individual employees were limited to \$19,500 (participants under 50 years of age) and \$26,000 (participants 50 years of age or older) in 2021. This limitation is adjusted periodically to reflect cost-of-living increases.

Participants may elect to have any portion of their contributions designated Roth contributions, subject to the same restrictions and limitations under the Plan as pre-tax contributions.

The Company elected to make a safe harbor matching contribution equal to 100% of each eligible employee's compensation up to 5%.

The Company also elected to make a Safe Harbor nonelective contribution equal to 3% of eligible employee's compensation. An eligible employee is qualified for the nonelective contribution regardless of their participation in the Plan.

Vesting - Participants are immediately vested in all employee and employer contributions plus actual earnings thereon.

Form of Benefits - Benefits are recorded when paid. On termination of service, a participant with a vested benefit greater than \$5,000 may elect to leave the funds in the Plan, or request either a direct rollover into an IRA or other qualified plan which accepts direct rollovers, or receive a lump sum amount. For participants with a vested benefit less than \$5,000, a participant will receive the benefits only in a lump sum as soon as administratively practicable after the time of termination.

NOTE B PLAN DESCRIPTION (CONTINUED)

Participant Loans - Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. Loan transactions are treated as a transfer from the investment fund to participant loans receivable. Loan terms range from 1 to 5 years or longer if the loan qualifies as a home loan. The loans are secured by the balance in the participant's account and bear interest at a rate of prime plus 2%. Interest rates on loans outstanding at December 31, 2021 range from 5.25% to 7.50%. Principal and interest is paid ratably through payroll deductions.

Investments - Each participant directs the investment of their account into any of the investment options designated by the Plan Administrator. Each participant is credited with the participant's contribution, the Company's contribution, and a pro rata share of the earnings of each fund in which the participant has invested.

Administration - Three officers of the Company are Plan Trustees. The Company, as the Plan Administrator, may, at its discretion, pay the Plan's administrative expenses. Any Plan expenses not paid by the Company will be paid by the Plan.

Plan Termination - Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to provisions set forth in ERISA.

NOTE C INVESTMENTS AND CERTIFIED INFORMATION

The following investments are recorded at fair value, as certified by Reliance Trust Company as of December 31, 2021 and 2020:

	<u>2021</u>	<u>2020</u>
Registered Investment Companies	\$ 13,185,543	\$ 11,048,468
Collective Trust Fund	<u>84,336</u>	<u>53,636</u>
	<u>\$ 13,269,879</u>	<u>\$ 11,102,104</u>

Income as certified by Reliance Trust Company for the year ended December 31, 2021 is as follows:

Net investment gain from registered investment companies	\$ 152,625
Net investment gain from collective trust fund	\$ 1,369
Dividend income from registered investment companies	\$ 1,419,383
Other income	\$ 19
Interest income from participant loans	\$ 28,689

NOTE C INVESTMENTS AND CERTIFIED INFORMATION (CONTINUED)

Reliance Trust Company has also certified the information contained in the supplemental schedule of assets (held at end of year) and certified the 2021 and 2020 participant loans receivable.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

NOTE D FAIR VALUE DISCLOSURES

GAAP provides a framework for measuring fair value using a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value based upon whether the inputs to those valuation techniques are observable or unobservable. This hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical financial instruments and the lowest priority to unobservable inputs. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs. The financial instrument's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. These inputs are summarized in the three broad levels listed below:

Level 1 - Unadjusted quoted prices for identical financial instruments in active markets that the Plan has the ability to access.

Level 2 - Other significant observable inputs (including quoted prices in active and inactive markets for similar financial instruments), or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the financial instruments.

Level 3 - Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the financial instruments. The fair value of Level 3 financial instruments is determined using pricing models, discounted cash flow methodologies, or similar techniques, as well as instruments for which the determination of fair value requires significant management judgment or estimation.

Following is a description of the valuation techniques used for investments measured at fair value. There have been no changes in the techniques used during 2021 and 2020.

Registered investment companies are valued at the market value of shares held by the Plan at year end.

Collective trust fund is valued based upon the market value of units held by the Plan at year end. Market value of units is derived from per share value of underlying publicly traded investments.

NOTE D FAIR VALUE DISCLOSURES (CONTINUED)

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation techniques are appropriate and consistent with other market participants, the use of different techniques or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Investments recorded at fair value are categorized as follows at December 31, 2021 and 2020:

	2021			
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 13,185,543	\$ -	\$ -	\$ 13,185,543
Collective trust fund	-	84,336	-	84,336
Total investments at fair value	<u>\$ 13,185,543</u>	<u>\$ 84,336</u>	<u>\$ -</u>	<u>\$ 13,269,879</u>

	2020			
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 11,048,468	\$ -	\$ -	\$ 11,048,468
Collective trust fund	-	53,636	-	53,636
Total investments at fair value	<u>\$ 11,048,468</u>	<u>\$ 53,636</u>	<u>\$ -</u>	<u>\$ 11,102,104</u>

There were no significant transfers in and/or out of the fair value categories during 2021 and 2020.

NOTE E PARTY-IN-INTEREST

The Plan invests in various funds offered by Reliance Trust Company. These investments are considered party-in-interest transactions because Reliance Trust Company serves as trustee of the Plan. The Plan Administrator has approved of these investment options.
