Independent Auditor's Report

To the Trustees of
Sunset RMG 401(k) Plan

Opinion

We have audited the accompanying financial statements of Sunset RMG 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net assets available for benefits as of December 31, 2021 and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Sunset RMG 401(k) Plan as of December 31, 2021, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Sunset RMG 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

SUNSET RMG 401(K) PLAN

Notes to the Financial Statements December 31, 2021

1. Description of Plan

The following description of the Sunset RMG 401(k) Plan (the "Plan") provides only general information. RMG Sunset, Inc. is the Plan Sponsor (the "Plan Sponsor"). Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of the Plan Sponsor who have reached age 21 and who have completed one year of service. The Plan was executed and created in December 2021 with a retroactive effective date of January 1, 2021. The Plan was established by the Plan Sponsor to provide retirement income for its employees and is subject to the provisions of the Employee Retirement Income Security Act of 1974 as amended (ERISA).

Contributions

Participants may make pre-tax and/or Roth 401(k) contributions up to a maximum of 100% of eligible compensation, not to exceed the dollar limit set by law of \$19,500 for 2021. Participants age 50 or older may elect to defer up to an additional \$6,500 of "catch up" contributions to the Plan. In addition, participants may also contribute amounts representing distributions from other qualified plans described in Code section 401(a) or 403(a), excluding after-tax employee contributions. For the year ended December 31, 2021, there were no participant contributions made due to the Plan being created in December 2021 with a retroactive date effective January 1, 2021.

The Plan Sponsor may make discretionary contributions to the Plan on a match basis determined by the Plan Sponsor. For the year ended December 31, 2021, the Plan Sponsor made no matching contributions as there were no contributions made by the participants during the 2021 plan year.

The Plan Sponsor may also make discretionary profit sharing contributions to the Plan in an amount determined by the Plan Sponsor, as defined in the Plan agreement. For the year ended December 31, 2021, the Plan sponsor made profit sharing contributions of \$202,138.

Participant Accounts

Each participant's account is credited with participant contributions, the Plan Sponsor's contributions and Plan investment earnings. Participants may choose to have their account balance deposited in various investment programs. Allocation of Plan investment earnings is based on the participant's account balance, as defined.

Vesting

Participants are immediately vested in their contributions and actual earnings thereon. Vesting on Plan Sponsor matching contributions and profit sharing contributions are based on years of continuous service as follows:

<u>Years of Service</u>	<u>Vested Percentage</u>
2	20
3	40
4	60
5	80
6 or more	100

SUNSET RMG 401(K) PLAN

Notes to the Financial Statements December 31, 2021

1. Description of Plan (Continued)

Participant Accounts

Each participant's account is credited with participant contributions, the Plan Sponsor's contributions and Plan investment earnings. Participants may choose to have their account balance deposited in various investment programs. Allocation of Plan investment earnings is based on the participant's account balance, as defined.

Participant Notes Receivable

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from 1 year to a maximum of 5 years (a maximum of 15 years if used to purchase participant's principal residence). The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan Sponsor. Principal and interest are paid ratably through payroll deductions or participant payments. There were no outstanding loans as of December 31, 2021.

Payments of Benefits

Upon termination of service, a participant is eligible to receive as benefits a lump sum amount equal to the value of his/her account distributed in accordance with the Plan.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America requires the Plan Sponsor to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. The Plan Sponsor believes that the estimates utilized in preparing its financial statements are reasonable and prudent. Actual results could differ from these estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments consists of realized gains and losses and the change in unrealized gains and losses in the Plan's investments. Realized gains and losses from the sale of investments are computed using the participant's cost basis in the investment aggregated at the Plan level. Net changes in unrealized appreciation/depreciation in investments represent the difference between the fair value of investments held at year-end and the cost of investments purchased in the current fiscal year or the fair value of investments held at the end of the preceding year.

SUNSET RMG 401(K) PLAN

Notes to the Financial Statements December 31, 2021

2. Summary of Significant Accounting Policies (Continued)

Participant Notes Receivable

Participant notes receivable are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on participant notes receivable is recorded when earned. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the Plan document. Related fees are recorded as administrative expenses and are expensed when incurred.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Plan administrative expenses are paid by either the Plan Sponsor or the Plan, as provided in the Plan agreement. There were no fees paid by the Plan for administrative fees for the year ended December 31, 2021. Fees paid by the Plan Sponsor are excluded from these financial statements. There were no fees paid by the Plan Sponsor for the year ended December 31, 2021.

Subsequent Event

The Plan evaluated subsequent events through October 17, 2022, the date these financial statements were issued. There were no subsequent events that required recognition or additional disclosure in these financial statements.

3. Fair Value Measurements

Fair value is defined as the price that would be received from selling an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. When determining the fair value measurements for assets and liabilities required to be recorded at fair value, the Plan considers the principal or most advantageous market in which it would transact and considers assumptions that market participants would use when pricing the asset or liability, such as inherent risk, transfer restrictions, and risk of nonperformance.

The Plan maximizes the use of observable inputs and minimizes the use of unobservable inputs when measuring fair value. A financial instrument's categorization within the fair value hierarchy is based upon the lowest level of input that is significant to the following fair value measurement.

- Level 1: quoted prices in active markets for identical assets or liabilities;
- Level 2: inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices in active markets for similar assets or liabilities, quoted prices for identical or similar assets or liabilities in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities; or
- Level 3: unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

As of December 31, 2021, there were no assets held by the Custodian.

SUNSET RMG 401(K) PLAN

Notes to the Financial Statements December 31, 2021

4. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

COVID-19

The Plan may be adversely affected by health epidemics including the recent coronavirus outbreak. On March 11, 2020, the World Health Organization characterized COVID-19 as a pandemic. In addition, several states in the U.S., including California, where the Company is headquartered, have declared a state of emergency. Due to the pandemic, the equity and bond markets, in which Plan assets are invested, are experiencing unusually high volatility and uncertainty. Although the Plan sponsor is continuing to monitor and assess the effects of the pandemic on the Plan and its investments, the ultimate impact of the outbreak or a similar health epidemic is highly uncertain and subject to change.

5. Plan Termination

Although they have not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan at any time by resolution of the Plan Sponsor subject to the provisions of ERISA. In the event of Plan termination, the respective accounts of the participants under the Plan shall become fully vested and non-forfeitable.

6. Prohibited Transactions

There were no prohibited party-in-interest transactions during the year ended December 31, 2021.

7. Tax Status

The Plan is a non-standardized pre-approved profit sharing plan with CODA provided by CCH Incorporated dba: FTWilliam Com ("CCH"). The Internal Revenue Service has determined and informed CCH by a letter dated June 30, 2020, that the Plan is designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since CCH received the determination letter, the Plan Sponsor believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore, believe that the Plan is qualified and the related trust was tax-exempt as of the financial statements date. As such, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan. The financial statement effects are recognized when the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress, as this will be the Plan's first filing.
