INDEPENDENT AUDITOR'S REPORT

Plan Administrator
Good Nite Inn Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements
We have performed an audit of the financial statements of Good Nite Inn Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for plan benefits as of December 31, 2021, and the related statement of changes in net assets available for plan benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements
In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements
We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements
Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor’s Responsibilities for the Audit of the 2021 Financial Statements
Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 12, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Good Nite Inn Retirement Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan that was established in 1995 by Good Nite Inn, Inc. (the "Company" or "Employer") to provide benefits to eligible employees, as defined in the Plan document. The Plan is currently designed to be qualified under the applicable requirements of the Internal Revenue Code (IRC) and the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Administration

The Company has appointed a Plan Administrator to manage the operation and administration of the Plan. The Company has contracted with Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company (Principal Trust), to act as the trustee and custodian of the Plan's assets. The Company has contracted with Actuarial Consultants, Inc. (CBIZ ACI) to serve as the third-party administrator to process and maintain the records of participant data.

Eligibility

Non-excluded employees of the Company who are 21 years old and have completed one year of service (a minimum of 1,000 service hours) are eligible to participate in the Plan.

Participant Contributions

Participants may elect to have the Company contribute their eligible pre-tax or Roth after-tax compensation up to 87% of their compensation allowable under the Plan document and current income tax regulations. Participants who have the Company contribute a portion of their compensation to the Plan agree to accept an equivalent reduction in taxable compensation. Participants who have attained the age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants are also allowed to make rollover contributions of pre-tax amounts received from other tax-qualified employer-sponsored retirement plans.

Employer Contributions

The Plan may make Employer discretionary contributions to eligible employees, who are 21 years of age and have completed one year of service (a minimum of 1,000 hours). During the Plan year ended December 31, 2021, the Employer made discretionary matching contributions equal to 50% of each participant's elective deferrals up to a maximum of 6% of the participant's eligible compensation. The Plan may also make qualified matching contributions which would be calculated as a uniform percentage of eligible compensation, and unless otherwise authorized, will be allocated to only non-highly compensated eligible employees, as defined, without regard to any allocation considerations. During the year ended December 31, 2021, the Plan made of $59,208 qualified matching contributions.

NOTE 1 – DESCRIPTION OF PLAN (Continued)

Employer Contributions (Continued)
The Plan also allows for qualified nonelective contributions which would be calculated as a uniform percentage of eligible compensation, a uniform dollar amount or as a targeted qualified contribution which would be allocated to non-highly compensated eligible participants, with regards to specific allocation requirements, as defined. As of December 31, 2021, the Plan made no qualified nonelective contributions.

Vesting
Participants are immediately vested in their contributions and earnings thereon. Employer contributions become 20% vested after 2 years of service as defined by the Plan, plus an additional 20% for each additional year of service. Participants are fully vested after 6 years of service.

Forfeitures
Forfeitures shall first be used to pay administrative expenses under the Plan, if so directed by the Employer. To the extent that forfeitures are not used to pay Plan administrative expenses, as directed by the Employer, forfeitures shall be applied to reduce the Employer's contributions. During the year ended December 31, 2021, $3,066 were used to pay administrative expenses and reduce Employer matching contributions. As of December 31, 2021, there was $855 of forfeitures related to non-vested accounts. As of December 31, 2020, there were no forfeitures related to non-vested accounts.

Participant Accounts
Individual accounts are maintained for each of the Plan's participants to reflect the participant's and employer contributions, rollovers from qualified plans of the participant's previous employers, and allocations of the Plan's earnings and administrative expenses. Each participant's account is credited with the participant's contribution, Plan earnings or losses and an allocation of the Company's contribution, if any. Plan earnings are allocated based upon participant account balances as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options
Participants must direct their salary deferral contributions to selected investments as made available and determined by the Plan Administrator. Employer contributions are invested in the same manner as participant contributions. Participants may change their investment options any time throughout the year via the Internet website or by using the automated telephone system offered by the trustee.

NOTE 1 – DESCRIPTION OF PLAN (Continued)

Payment of Benefits

The benefit to which a participant is entitled is the benefit that can be provided from the Participant's vested account when one of the following events occurs: (1) the participant reaches normal retirement age as defined by the Plan, (2) the participant terminates employment, and/or (3) the participant reaches age 59 ½ and elects to withdraw part or all of his or her account. In any case, benefits shall be paid at age 70 ½. The Plan allows for automatic distribution of terminated participant account balances that do not exceed $5,000. Special provisions apply in the case of death, disability or severe financial hardships.

Financial Hardship Distributions

The Plan allows hardship withdrawals in accordance with Internal Revenue Service regulations subject to a $500 minimum amount. Among other things, the withdrawal must be necessary in light of immediate and heavy financial needs of the participant and is limited to certain purposes.

Notes Receivable from Participants

The Plan allows participants to borrow a minimum of $1,000 up to the lesser of $50,000 or 50% of their account balance. The notes are secured by the participant's balance. Such notes bear interest at available market financing rates and must be repaid to the Plan within a five-year period, unless the note is used for the purchase of a principal residence, in which case the maximum repayment period may be longer. A participant can only have one outstanding loan at any time. The specific terms and conditions of such notes are established by the Company. Outstanding notes receivable from participants at December 31, 2021 and 2020 carry interest rates ranging from 5.25% to 7.5% and mature through 2025.

Administrative Expenses

The Plan absorbs all significant costs of administering the Plan. Expenses paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participants' accounts and are included in administrative expenses. Investment related expenses are included as a reduction to net appreciation of fair value of investments.

NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP).

Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for plan benefits and changes therein. Actual results could differ from those estimates.

NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition
The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments purchased or sold as well as held during the year.

Management fees charged to the Plan for investments in registered investment companies are based on assets invested and are deducted on a daily basis. Management fees are reflected as a reduction of investment return for such investments.

Notes Receivable from Participants
Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes are reclassified as distributions based upon the terms of the Plan document. There were no delinquent notes as of December 31, 2021 and 2020. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

Benefit Payments
Benefit payments are recorded when paid.

Subsequent Events
The Plan has evaluated subsequent events through October 17, 2022, which is the date the financial statements were available to be issued.

NOTE 3 – CERTIFIED INFORMATION

Plan management has elected the method of compliance permitted by 29 CFR 2520.103 8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Principal Trust Company, the trustee of the Plan, has certified the completeness and accuracy of all investments and notes receivable reflected on the accompanying statements of net assets available for plan benefits as of December 31, 2021 and 2020, the supplemental Schedule H, line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021, and the related investment activity and interest income on notes receivable from participants reflected in the statement of changes in net assets available for plan benefits for the year ended December 31, 2021.

NOTE 4 – FAIR VALUE MEASUREMENT

FASB Accounting Standards Codification Topic 820, Fair Value Measurements and Disclosures (ASC 820) establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy under the standard are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted market prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following are descriptions of the valuation methodologies used for assets measured at fair value:

- *Registered investment companies* (*mutual funds):* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

NOTE 4 – FAIR VALUE MEASUREMENT (Continued)

- *Common collective trusts:* Units held in common collective trusts (CCT) are valued using the net asset value practical expedient (NAV practical expedient) of the CCT, as reported by the CCT managers. The NAV practical expedient is based on the fair value of the underlying assets owned by the CCT, minus its liabilities, and then divided by the number of units outstanding. The NAV of a CCT is calculated based on a compilation of primarily observable market information. The CCTs have daily redemption frequency, no redemption period or restrictions, and no unfunded commitments.

- *Pooled separate accounts:* Units held in pooled separate accounts (PSA) are valued using the NAV practical expedient of the PSA, as reported by the account managers. The NAV practical expedient is based on the fair value of the underlying assets owned by the PSA, minus its liabilities, and then divided by the number of units outstanding. The NAV practical expedient of a PSA is calculated based on a compilation of primarily observable market information. The PSAs have daily redemption frequency, no redemption period or restrictions, and no unfunded commitments.

There have been no changes in the methodologies used at December 31, 2021 and 2020.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020:

	Investments at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Registered investment companies and total assets in the fair value hierarchy	$ 104,871	$ -	$ -	$ 104,871
Common collective trusts, measured at NAV (a)				2,815,645
Pooled separate accounts, measured at NAV (a)				39,322
				$ 2,959,838

NOTE 4 – FAIR VALUE MEASUREMENT (Continued)

	Investments at Fair Value as of December 31, 2020			
	Level 1	Level 2	Level 3	Total
Registered investment companies and total assets in the fair value hierarchy	$ 97,006	$ -	$ -	$ 97,006
Common collective trusts, measured at NAV (a)				2,665,436
Pooled separate accounts, measured at NAV (a)				1,551
				$ 2,763,993

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit the reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for plan benefits.

NOTE 5 – FEDERAL INCOME TAX STATUS

The Company has adopted a non-standardized form of a volume submitter plan sponsored by Actuarial Consultants INC. These volume submitter plans have received opinion letters from the Internal Revenue Service (IRS) as to the volume submitter plan's qualified status. The volume submitter plan opinion letter has been relied upon by this Plan. The Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code. Therefore, no provision for income taxes has been recorded in the Plan's financial statements.

U.S. GAAP requires the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain position that, more likely than not, would not be sustained upon examination by the IRS or the Department of Labor. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability or asset or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in question.

NOTE 6 – RELATED PARTY TRANSACTIONS

Certain Plan investments and notes receivable from participants and the related interest income are managed and held by an affiliate of Principal Trust Company, the trustee of the Plan. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

NOTE 7 – RISKS AND UNCERTAINTIES

The Plan provides for various investment options in any combination of investment securities offered by the Plan. Investment securities are exposed to various risks, such as interest rate, market fluctuations and credit risks. Due to the risk associated with certain investment securities, it is at least reasonably possible that changes in market values, interest rates or other factors in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits and the statement of changes in net assets available for plan benefits.

NOTE 8 – PLAN TERMINATION OR MODIFICATION

The Company intends to continue the Plan indefinitely for the benefit of its participants; however, it reserves the right to terminate or modify the Plan at any time by resolution of its Board of Directors and is subject to the provisions of ERISA. Upon termination of the Plan, further contributions to the Plan shall cease and all participants who are affected by such termination shall become 100% vested. Net assets available for plan benefits would be distributed to the participants based on each participant's interest in the Plan.
