2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates

The preparation of the financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts and disclosures. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments in mutual funds are stated at fair value as determined by quoted market price of the mutual fund shares. Participant loans are stated at cost. purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net realized and unrealized gain (loss) on investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Delinquent loans are treated as distributions based on the terms of the Plan document.

Income Taxes

The Internal Revenue Service has determined and informed the Company that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter. However, the Plan Administrator notes that the Plan is a 'prototype' plan and it is designed and is currently being operated in compliance with the applicable requirements of the IRC.

See accompanying independent auditors' report and notes to financial statements.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2020

2. Summary of Significant Accounting Policies (Continued)

Recent Accounting Developments

Accounting standards that have been issued by the Financial Accounting Standard Board ("FASB") or other standard setting bodies are not expected to have a material impact on the Plan's statements of net assets available for benefits, or the related statement of changes in net assets available for benefits

3. Information Certified by the Plan's Trustee

In accordance with Section 2520.103-5 of DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the following investment information shown in the accompanying financial statements and supplemental schedule as of December 31, 2020 and for the year then ended, has been certified as being complete and accurate by John Hancock, the trustee of the Plan.

- Investments at fair value as of December 31, 2020 as reflected in the Statements of Net Assets Available for Benefits;
- Investment activity as reflected in the Statements of Changes in Net Assets Available for Benefits for the year ended December 31, 2020;
- Investment information disclosed in Note 4 to the Plan's financial statements; and
- Investments, as reflected in schedule H, line 4i – Schedule of Assets (Held at End of Year) – December 31, 2020.

The Plan Administrator instructed the Plan's independent auditors not to perform any audit procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

4. Fair Value Measurements

The Plan has adopted Accounting Standards Codification (ASC) Topic 820, Fair Value Measurements. ASC Topic 820 establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurement). The three levels of the fair value hierarchy under ASC Topic 820 are described below:

Level 1: Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities. An active market for the asset or liability is a market in which the transaction for the asset or liability occurs with sufficient frequency and volume to provide pricing information on an ongoing basis.

Level 2: Observable inputs other than Level 1 measurements such as quoted prices for similar assets or liabilities; quoted market prices in markets that are active; or model-derived valuations or other inputs that are observable or can be corroborated by observable market data for substantially the full terms of the assets or liabilities.

Level 3: Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

The following is a description of the valuation methodologies used for assets measured at fair value:

The fair value of mutual funds are based on quoted market prices of the funds. There have been no changes in the methodologies used at December 31, 2020.

See accompanying independent auditors' report and notes to financial statements.

LIGHTHOUSE HEALTHCARE CENTER, LLC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2020

4. Fair Value Measurements (Continued)

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2020. Investments measured at net asset value per share as practical expedient have not been classified in the fair value hierarchy, but are presented in order to permit reconciliation of the Plan's assets:

<i>Assets at Fair Value as of December 31, 2020</i>					
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Measured NAV</u> <u>at</u>	<u>Total</u>
Mutual funds	<u>\$ 170,385</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 170,385</u>

During the year ended December 31, 2020 the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value by \$21,361.

5. Party-In-interest Transactions

The mutual funds are managed by John Hancock. John Hancock is the trustee as defined by the Plan, and, therefore, these transactions qualify as party-in-interest transactions that are exempt under ERISA prohibited transaction rules.

6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan in whole or in part subject to the provisions of ERISA. In the event of the Plan's termination, the rights of all affected participants to the benefits accrued to the date of such termination, to the extent then funded, are nonforfeitable.

7. Risk and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

8. Delinquent Contributions

For the plan year 2020, the Plan has not remitted certain participant contributions and loan repayments to the Trustee in a timely manner based on when the participant contributions and loan repayments were withheld from participant paychecks as required under the DOL Reg. 2510.3-102.

See accompanying independent auditors' report and notes to financial statements.

LIGHTHOUSE HEALTHCARE CENTER, LLC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2020

8. Delinquent Contributions (Continued)

The Company is in the process of filing IRS Form 5330 to report and pay an excise tax with respect to the late remittances, and participant accounts will be credited with the amount of investment income that would have been earned had the participant contributions been remitted on a timely basis. Such amounts are not material to the Plan's financial statements.

8. Subsequent Events

For the year ended December 31, 2020, the Plan has evaluated subsequent events through January 4, 2022, the date that the financial statements were issued, for potential recognition and disclosure. Management has not identified any subsequent events that required adjustments or disclosure in these financial statements.

See accompanying independent auditors' report and notes to financial statements.
