INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
CAL-AM Properties, Inc. 401(k) Profit Sharing Plan & Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of the CAL-AM Properties, Inc. 401(k) Profit Sharing Plan & Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the CAL-AM Properties, Inc. 401(k) Profit Sharing Plan & Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the CAL-AM Properties, Inc. 401(k) Profit Sharing Plan & Trust, and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the CAL-AM Properties, Inc. 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the CAL-AM Properties, Inc. 401(k) Profit Sharing Plan & Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the CAL-AM Properties, Inc. 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule, Schedule H, Line 4i, Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. DESCRIPTION OF PLAN

CAL-AM Properties, Inc. 401(k) Profit Sharing Plan & Trust (the Plan) is a defined contribution plan to which CAL-AM Properties, Inc. (the Company) contributes such amounts annually as determined by the Board of Directors. The Plan also provides for voluntary contributions by employees. The Plan was amended effective March 1, 2018. Participants should refer to the Plan agreement for more complete information.

Major provisions of the Plan are as follows:

Eligibility and Participation

All employees age 21 and over are eligible to participate in the Plan. The entry date is the first day of the month following the date eligibility requirements are satisfied.
Exclusions include:

- Union employees whose employment is governed by a collective bargaining agreement under which retirement benefits were the subject of good faith bargaining, unless the collective bargaining agreement requires the employee to be included within the plan.
- Certain nonresident aliens who have no earned income from sources within the United States.
- Temporary and Seasonal Employees. A temporary or seasonal employee is an employee whose regularly scheduled service is less than 1,000 hours of service in the relevant eligibility computation period.

Contributions

The Plan allows for pre-tax elective deferrals and 401(k) Roth elective deferrals. Employee salary deferrals cannot exceed a maximum dollar amount determined by the federal government each year.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of Plan earnings or losses. Earnings or losses are allocated on the basis of the ratio each account balance bears to the total account balances of all participants in the same investment. The benefit, to which a participant is entitled, is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon.

1. DESCRIPTION OF PLAN (Continued)

Investment Options

Upon enrollment in the Plan, a participant may direct employee contributions to any of the investment options through Reliance Trust Company, the trustee of the Plan.

If participants choose not to select an investment option, the administrator will select investment options through the trustee of the Plan.

Participant Loans

New loans are not permitted by the Plan.

Payment of Benefits

Participants may withdraw all or a portion of the vested interest in their account upon retirement, termination of employment, or financial hardship.

Administrative Costs

Administrative costs of the Plan are generally paid from participant accounts, unless the employer elects to pay.

Forfeitures

Forfeitures will be used to reduce future employer contributions.

Forfeitures which were directly attributable to employer contributions will be used to first pay administrative expenses and then to reduce future employer contributions.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of the Employee Retirement Income Security Act (ERISA).

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are valued at quoted market prices which represent the fair value of shares held by the Plan at year end.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Risk and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Recently Issued Accounting Pronouncements

In August 2018, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2018-13, *Fair Value Measurement – Disclosure Framework* (Topic 820). The updated guidance improves the disclosure requirements on fair value measurements. The updated guidance is effective for fiscal years, and interim periods within those fiscal years, beginning after December 15, 2019. Management has adopted the updated provisions which did not have a material impact on the fair value measurement disclosures.

In July 2019, the Accounting Standards Board (ASB) issued SAS 136 (AU-C Sec. 703) that changes reporting and performance requirements for audits of ERISA plan financial statements. The standard is effective for periods ending on or after December 15, 2021; early adoption is not permitted. Management has adopted the new standard and its requirements and updated the 2021 report accordingly.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Subsequent Events

The Plan has evaluated subsequent events through October 14, 2022, which was the date the financial statements were available to be issued. Management determined no other material events have occurred subsequent to December 31, 2021 events that would require disclosure or recognition in the accompanying financial statements.

3. TAX STATUS

The Internal Revenue Service has determined and informed the Organization by a letter dated July 16, 2014 that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the plan administrator believes that the Plan is designed and continues to operate in compliance with the applicable requirements of the IRC.

4. INFORMATION CERTIFIED BY TRUSTEE

The following is a summary of the unaudited information regarding the Plan, included in the Plan's financial statements and supplemental schedule, which was prepared by the trustee of the Plan and furnished to the plan administrator. The plan administrator has obtained certifications from the trustee that such information is complete and accurate:

	2021	2020
a. Fair Value of Investments at December 31:		
Registered investment companies	$ 3,053,699	$ 2,484,024
Interest in common/collective trusts	14,383	8,963
	$ 3,068,082	$ 2,492,987

	2021
b. Investment Activity for the Year Ended December 31:	
Unrealized loss on investments	$ (56,555)
Dividends	393,883
Interest income	142
	$ 337,470

c. Schedule H, Line 4i, Schedule of Assets (Held at End of Year) as of December 31, 2021.

5. FAIR VALUE ACCOUNTING

With respect to its financial and non-financial assets and liabilities, the Plan adopted a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy are described below:

Level 1 Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;

Level 2 quoted prices in markets that are not active, or inputs that are observable, either directly or indirectly for substantially the full term of the asset or liability;

Level 3 prices or valuation techniques that require inputs that are both significant to the fair value measurement and unobservable (supported by little or no market activity).

The following is a description of the valuation methodologies used for assets measured at fair value.

Registered Investment Companies: Valued at the daily closing price as reported by the fund.

Common/Collective Trusts: Valued at the Net Asset Value (NAV) of units held by the Plan at year end. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the trust, less its liabilities.

The following table sets forth the Plan's assets measured at fair value by level within the fair value hierarchy. As required, assets are classified in their entirety based on the lowest level of output that is significant to the fair value measurement.

	Fair Value at December 31, 2021			
	Total	**Level 1**	**Level 2**	**Level 3**
Assets:				
Registered investment companies	$ 3,053,699	$ 3,053,699	$ -	$ -
Total Assets in the Fair Value Hierarchy	3,053,699	3,053,699	-	-
Common/Collective trusts [(a)]	14,383	-	-	-
Investments at Fair Value	$ 3,068,082	$ 3,053,699	$ -	$ -

5. FAIR VALUE ACCOUNTING (Continued)

	Fair Value at December 31, 2020			
	Total	Level 1	Level 2	Level 3
Assets:				
Registered investment companies	$ 2,484,024	$ 2,484,024	$ -	$ -
Total Assets in the Fair Value Hierarchy	2,484,024	2,484,024	-	-
Common/Collective trusts [(a)]	8,963	-	-	-
Investments at Fair Value	$ 2,492,987	$ 2,484,024	$ -	$ -

(a) In accordance with ASU 2015-07, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

6. CORRECTIVE DISTRIBUTIONS

The Plan failed the non-discrimination test for 2021, thereby requiring certain highly compensated employees to get a portion of their 401(k) deferrals returned and a liability of $63,736 was recorded as of December 31, 2021. The corrective distribution was paid by the March 15, 2022 deadline.
