INDEPENDENT AUDITORS' REPORT

Plan Administrator and Management of
Belnick, Inc. Retirement Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Belnick, Inc. Retirement Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Belnick, Inc. Retirement Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Belnick, Inc. Retirement Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Belnick, Inc. Retirement Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Belnick, Inc. Retirement Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Belnick, Inc. Retirement Trust's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT

Plan Administrator and Management of
Belnick, Inc. Retirement Trust

We were engaged to audit the accompanying financial statements of the Belnick, Inc. Retirement Trust, which comprise the statement of net assets available for benefits as of December 31, 2020, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on the 2020 financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Reliance Trust Company, the Trustee of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the Trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the Trustee as of December 31, 2020, that the information provided to the plan administrator by the Trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statements. Accordingly, we do not express an opinion on the 2020 financial statements.

Report on Form and Content in Compliance With DOL Rules and Regulations for 2020 Financial Statements

The form and content of the information included in the 2020 financial statements, other than that derived from the information certified by the Trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

The Plan is subject to the provisions of the Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA). The following description of the Plan provides only general information.

Some administrative functions are performed by employees of the Company. No compensation is remitted to the Company for these services.

Plan assets are held and managed by Reliance Trust, which invests contributions and Plan earnings, makes investment transactions as directed by the Plan Administrator. ADP Retirement Services acts as the recordkeeper for the Plan, which performs certain recordkeeping services and annual ERISA compliance testing.

The Plan has adopted the Automatic Data Processing (ADP) Defined Contribution Plan Non-Standardized 401(k) Profit Sharing Plan #01-003 as its plan document, and engaged ADP as its third-party administrator and Reliance Trust Company as its Trustee.

Effective June 1, 2020, the Plan was amended to allow for Roth 401(k) deferrals, hardship withdrawals, and in-service distributions (provided a participant has reached the age of 59 ½). The amendment also ceased safe harbor employer matching contributions from being made to the Plan.

Effective January 1, 2021, the plan was amended to reinstate safe harbor matching contributions for plan participants who have completed one year of service.

Coronavirus Aid, Relief, and Economic Security Act of 2020

The Coronavirus Aid Relief and Economic Security Act (the CARES Act) was passed by the U.S. Senate on March 26, 2020. Under certain provisions of the CARES Act, certain requirements for loans and benefit payments to participants were changed in response to the COVID-19 pandemic. The Plan adopted these provisions for the year ended December 31, 2020. The Plan will be amended to reflect these changes prior to the December 31, 2025 deadline.

Eligibility

Employees may become a participant of the Plan when they have reached six months of service and are age 19 or older. An eligible employee may enter the Plan on the next quarterly entry date after all entry requirements have been met.

Note 1: DESCRIPTION OF THE PLAN (Continued)

Contributions

Each year, participants may contribute up to 100 percent (%) of pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. These amounts can be either pre-tax 401(k) contributions or after tax Roth 401(k) deferrals. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (i.e. rollover contributions). Participants direct the investment of their contributions into various investment options offered by the Plan.

The Employer matches a percentage of the participant's pre-tax contributions. The Plan provides for a safe harbor matching contribution of 100% of each participant's contribution not exceeding 3% of the participant's compensation, plus 50% of each participant's contribution in excess of 3% but not to exceed 5% of the participant's compensation. In total, the employer match contribution will not exceed 4% of a participant's compensation. Participants must complete one year of service to be eligible for the match. Effective June 1, 2020, the employer ceased making safe harbor matching contributions to the Plan. As stated above, safe harbor matching contributions were reinstated on January 1, 2021.

The Employer may also make a discretionary matching contribution to the Plan. There were no discretionary contributions for the years ended December 31, 2021 and 2020.

Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions and Belnick, Inc.'s (the Company) matching contributions, as well as allocations of the Company's profit sharing contributions. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are always 100% invested in their employee contributions. Participants become 100% vested in the Employer's non-elective contributions and earnings when the participants reach normal retirement age. Prior to normal retirement age, the participants become vested in the Employer's non-elective contributions, earnings and forfeitures based on the following schedule:

Years of Credited Service	% Vested
Less than 1	0%
1, but less than 2	20%
2, but less than 3	40%
3, but less than 4	60%
4, but less than 5	80%
5 or more	100%

Note 1: DESCRIPTION OF THE PLAN (Continued)

Notes Receivable from Participants

For periods beginning prior to March 27, 2020 or after September 22, 2020, A participant is allowed to borrow up to the lesser of \$50,000 or 50% of the vested portion of his/her account balance, repayable within five years (unless the proceeds were used to purchase the participant's principal residence), bearing interest at a reasonable rate of interest (4.25% to 6.5%) as determined by the Plan Administrator. Section 2202(b)(1) of the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) provided that during the period beginning on March 27, 2020 and ending on September 22, 2020 (the "loan relief period"), the amount a participant may borrow increased to the lesser of \$100,000 or 100% of the vested portion of his/her account balance. The loans are secured by the balance in the participant's account. Principal and interest is paid ratably through scheduled payroll deductions. The loans are secured by the balance in the participant's account.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2020 excess contributions to the applicable participants before March 15, 2021.

Benefit Payments

The participant's vested portion of his/her account balance is available for distribution in the event of retirement, early retirement (age 55 and 5 years of service), death, disability or termination of employment, subject to the Plan's provisions. If the value of the participant's account is \$5,000 or less it is paid in a lump sum payment. If the value of the participant's account is greater than \$5,000, the participant could elect to receive the distribution in a lump-sum payment, substantially equal installments and partial withdrawals.

Plan management approved changes related to the CARES Act in 2020, permitting eligible participants to take coronavirus related distributions of up to \$100,000 without a 10% early withdrawal penalty in 2020 and suspend required minimum distributions for 2020. Approximately \$167,000 of coronavirus related distributions were made during the CARES Act period.

Investment Options

In accordance with the Plan's provisions, the Trustee provides investment options for the participant's accounts. The participant directs the Plan Administrator and the Trustee as to the investment or reinvestment of his/her account balance. Each option has different investment objectives and levels of risk. Participants may change their investment allocations and redirect their existing account balances on a daily basis.

Hardship Withdrawals

As permitted by the Internal Revenue Code (IRC), a participant may request a financial hardship withdrawal if they experience a severe financial hardship. The participant must meet the condition that they cannot relieve the amount of the need by stopping the elective contributions to the Plan. The financial hardship withdrawal may not exceed the amount of the financial hardship or the value of the vested portion of the participant's balance, whichever is less.

Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP). The Financial Accounting Standards Board (FASB) provides authoritative guidance regarding U.S. GAAP through the Accounting Standards Codification (ASC) and related Accounting Standards Updates (ASUs).

Use of Estimates

The preparation of U.S GAAP financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments generally are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for further discussion of fair value measurements.

The Plan permits its participants to direct the investment of their account balance under the Plan. The Plan Administrator offers the participants choices of various types of mutual funds managed by the Trustee.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. Delinquent notes receivable are recorded as distributions per the plan document.

Payment of Benefits

Distributions to participants are recorded when paid.

Administrative Expenses

Expenses attributable to the general Plan administration were paid by the Plan and allocated among the accounts of all participants, in proportion to their account balances, unless paid by the Employer. During the years ended December 31, 2021 and 2020, expenses of \$33,589 and \$30,019 were paid by the Plan and allocated to participant accounts.

Belnick Inc. Retirement Trust

Notes to Financial Statements

Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in value of investment securities will occur in the near term and that these changes could materially affect amounts reported in the Plan's financial statements.

Subsequent Events

Management has evaluated subsequent events through the date that the financial statements were available to be issued, October 17, 2022. See Note 10 for relevant disclosure. No subsequent events occurring after this date have been evaluated for inclusion in these financial statements.

Note 3: INFORMATION CERTIFIED BY THE TRUSTEE (UNAUDITED)

The Plan Administrator has elected the method of compliance, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. The following financial information included in the Plan's financial statements has been derived from information certified to be complete and accurate by the Trustee under such regulation:

- a) Total investments, at fair value, included in the statements of net assets available for benefits at December 31, 2021 and 2020.
- b) Total notes receivable from participants included in the statements of net assets available for benefits at December 31, 2021 and 2020.
- c) Investment income information included in the statement of changes in net assets available for benefits for the years ended December 31, 2021 and 2020.
- d) Interest income on notes receivable from participants' information included in the statement of changes in net assets available for benefits for the years ended December 31, 2021 and 2020.
- e) All amounts included in Note 4, *Fair Value Measurements (Unaudited)*.
- f) All information included in the supplemental schedule of assets (held at end of year) as of December 31, 2021.

Note 4: FAIR VALUE MEASUREMENTS (UNAUDITED)

Fair value is the exchange price that would be received for an asset or paid to transfer a liability (exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. There are three levels of inputs that may be used to measure fair values:

Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the entity has the ability to access as of the measurement date.

Level 2: Significant other observable inputs other than Level 1 prices, such as:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs, other than quoted prices, that are:
 - observable; or
 - can be corroborated by observable market data.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies at December 31, 2021 and 2020.

Cash held in money market mutual fund: Valued at NAV of \$1 as reported by the fund manager.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Note 4: FAIR VALUE MEASUREMENTS (UNAUDITED) (Continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

Description	Quoted Prices in Active Markets for Identical Assets Level 1	Significant Other Observable Inputs Level 2	Significant Unobservable Inputs Level 3	Total

Money market mutual fund	\$ 810,726	\$ -	\$ -	\$ 810,726
Mutual funds	6,775,301	-	-	6,775,301
Total investments at fair value	\$ 7,586,027	\$ -	\$ -	\$ 7,586,027

Note 5: TRUSTEE'S RESPONSIBILITY

The Plan is administered by the Plan Administrator. Authority for control, management and administration of the Plan is vested in the Plan Administrator. The Plan's Trustee is appointed by the Plan Administrator. As the Plan's fiduciary, the Trustee's responsibility is to maintain the Plan's assets. The trust fund established by the Trustee is the funding medium used for the accumulation and distribution of benefits.

Note 6: TAX STATUS

Belnick Inc. has adopted the ADP Prototype Non-Standardized 401(k) Profit Sharing Plan. The prototype plan received a favorable opinion letter from the IRS in March of 2008 stating that the form of the prototype plan is qualified under §401 of the IRC, and therefore, the related trust is tax exempt. The prototype plan has been amended subsequent to the receipt of the favorable opinion letter to comply with various law changes and to make certain operational changes. However, the Plan itself has not received a determination letter from the IRS. The Plan Administrator believes that the Plan is designed and being operated in compliance with the applicable requirements of the IRC and, therefore, the Plan was qualified and the related trust was tax-exempt at December 31, 2021 and 2020.

Belnick Inc. Retirement Trust

Notes to Financial Statements

Note 6: TAX STATUS (Continued)

Tax positions are recognized only if it is "more likely than not" that the tax position be sustained in a tax examination, with a tax examination being presumed to occur. The amount recognized is the largest amount that is greater than 50% likely of being realized on examination. For tax positions not meeting the "more likely than not" test, no tax position is recorded. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 7: PARTIES-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Reliance Trust. Reliance Trust is the Trustee and custodian for the Plan and, therefore, these transactions qualify as party-in-interest transactions.

Certain expenses of the Plan are paid directly by the Plan. In addition, certain services to the Plan by the Employer were performed at no charge.

Note 8: PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

Note 9: RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following table is a reconciliation of the net assets available for benefits as of December 31, 2021 and 2020, per the financial statements to Form 5500:

<i>December 31,</i>	2021	2020
Net assets available for benefits per the financial statements	\$ 9,035,387	\$ 7,728,384
Other	1,837	1,837
Net assets available for benefits per the Form 5500	\$ 9,033,550	\$ 7,726,547

Note 10: SUBSEQUENT EVENTS

Management of the Plan evaluated all events or transactions that occurred after December 31, 2021 through October 17, 2022, the date of the Plan's financial statements were available to be issued. The following item occurred:

Effective February 1, 2022, the Plan was amended to change the eligibility requirement from six months of service to three months of service and to allow eligible employees to enter the Plan the date the eligibility requirements are met
