INDEPENDENT AUDITORS' REPORT

Board of Directors
Securian Multiple Employer Plan FBO DJJE Holdings, LLC

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Securian Multiple Employer Plan FBO DJJE Holdings, LLC (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 21, 2021, and the related statement of changes in net assets available for benefits for the period from January 1, 2021 to December 21, 2021, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 21, 2021 and for the period from January 1, 2021 to December 21, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

An Independently Owned Member, RSM US Alliance

RSM US Alliance member firms are separate and independent businesses and legal entities that are responsible for their own acts and omissions, and each are separate and independent from RSM US LLP. RSM US LLP is the U.S. member firm of RSM International, a global network of independent audit, tax, and consulting firms. Members of RSM US Alliance have access to RSM International resources through RSM US LLP but are not member firms of RSM International.

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter - Plan Merger

As discussed in Note 9 to the financial statements, the Plan was merged into the Securian Pooled Employer Plan and Trust (Securian Plan). As a result, plan assets were transferred to the control of the Securian Plan on December 21, 2021. Our opinion has not been modified with respect to this matter.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Period) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all

material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

2020 Financial Statements

We performed a compilation engagement with respect to the statement of net assets available for benefits as of December 31, 2020 and our report thereon, dated October 13, 2022, stated we did not audit or review that financial statement and, accordingly, express no opinion or other form of assurance on it.

NOTES TO FINANCIAL STATEMENTS
December 21, 2021

1 - Description of the Plan

The following description of the Securian Multiple Employer Plan FBO DJJE Holdings, LLC (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan organized under Section 401(k) of the Internal Revenue Code, covering substantially all full-time and part-time employees of DJJE Holdings, LLC dba The Place for Children with Autism (the Company). Employees are eligible to join the Plan once they have completed three months of service and have attained age 18 years. The Plan excludes employees covered by a collective bargaining agreement unless such collective bargaining agreement provides for participation in the Plan by such employee, non-resident aliens who do not receive earned income from sources within the United States, and an individual whose employment status has not been recognized by the completion of Internal Revenue Service Form W-4 and who is not treated as a common law employee of the employer. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Directors is responsible for oversight of the Plan. Management of the Plan determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Plan's Board of Directors.

Contributions

Each year, participants may contribute a percentage of their annual compensation, as defined by the Plan. Participants may elect to have their salary deferrals as pre-tax contributions, or on an after-tax basis as a Roth deferral. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Company may make a matching contribution equal to a percentage of elective deferral contributions. During 2021, the Company made a matching contribution equal to 50% of the first 6% of base compensation that a participant contributed to the Plan. The Company may also make a discretionary annual contribution to the Plan. Matching and discretionary contributions are participant-directed. Contributions are subject to certain IRS limitations.

Participant Accounts

Each participant's account is credited with the participant's contribution, an allocation of the Company's matching and discretionary contributions, if applicable, and Plan earnings and is charged for any withdrawals or distributions made by the participant and the participant's share of administrative fees and expenses paid out of the Plan, if any. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

SECURIAN MULTIPLE EMPLOYER PLAN
FBO DJJE HOLDINGS, LLC
NOTES TO FINANCIAL STATEMENTS
(Continued)

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of service. A participant is 50% vested after 1 year of service and 100% vested after 2 years of service.

Notes Receivable from Participants

Participants may borrow from their vested fund accounts up to a maximum of \$ 50,000 or 50 percent of their account balance, whichever is less. A participant may not request a loan for less than \$ 1,000. Participants may have only one loan outstanding at any given time. The loans are secured by the vested interest in the participant's account and bear interest at an interest rate equal to 1% above the prime rate. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

The Plan provides for payment of benefits upon death, disability, retirement, or termination of employment. Upon termination of service, a participant will be entitled to receive the vested portion of his or her account. A terminated participant may elect to receive either a lump sum amount or delay payment until normal retirement date.

Participants who have obtained the age of 59½ may elect to receive an in-service lump sum distribution of all or any portion of their account balances to the extent such accounts are fully vested.

Certain participants may make withdrawals prior to termination of employment. Hardship withdrawals are available to Plan participants, as defined by the Plan Adoption Agreement and permitted by the Internal Revenue Code.

Administrative Expenses

Certain Plan administrative expenses are paid out of the Plan as a reduction in each participant's account. The Company provides administrative services and pays certain administrative expenses on behalf of the Plan. As the Plan does not reimburse the Company for the costs of such services, they are not included in these financial statements. Expenses relating to specific participant transactions (i.e., loan setup, distribution request, etc.) are charged directly against the appropriate participant's account. Certain investment related expenses are included in net appreciation in fair value of investments.

Forfeitures

At December 21, 2021 and December 31, 2020, there were no forfeited nonvested accounts. Forfeitures are used to reduce the Company's administrative fees of the Plan or employer contributions or could be reallocated among participants as an additional discretionary employer contribution. During 2021, employer contributions were reduced by \$ 279 from forfeited nonvested accounts.

2 - Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition

The Plan's investments are recorded at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the investment advisor and the custodian. See Note 4 for discussion of fair value measurements and Note 6 for contract value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and December 31, 2020. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Subsequent Events

Subsequent events have been evaluated by management of the Plan through the date of the independent auditors' report, which is the date the financial statements were available to be issued.

3 - Information Certified and Provided by Custodian

The following is a summary of the Plan's information as of December 21, 2021 and for the period from January 1, 2021 to December 21, 2021, included throughout the Plan's financial statements and supplemental schedule, that was prepared by or derived from information provided by Minnesota Life Insurance Company (Minnesota Life), the custodian, and furnished to the Plan Administrator. The Plan Administrator has obtained a certification from the custodian that information provided to the Plan Administrator by the custodian related to the following accounts is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and supplemental schedule related to the following certified accounts. Minnesota Life certified to the completeness and accuracy of \$ 35,862 of net appreciation in fair value of investments, \$ 28 of interest and dividends, and \$ 457 of loan interest related to the aforementioned plan assets for the period from January 1, 2021 to December 21, 2021.

4 - Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
Level 2	<p>Inputs to the valuation methodology include</p> <ul style="list-style-type: none"> • Quoted prices for similar assets or liabilities in active markets; • Quoted prices for identical or similar assets or liabilities in inactive markets; • Inputs other than quoted prices that are observable for the asset or liability; • Inputs that are derived principally from or corroborated by observable market data by correlation or other means. <p>If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.</p>
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

SECURIAN MULTIPLE EMPLOYER PLAN
FBO DJJE HOLDINGS, LLC
NOTES TO FINANCIAL STATEMENTS
(Continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 21, 2021 and December 31, 2020.

Pooled separate accounts: Valued at market value less operating expenses accrued and not deducted. All pooled separate accounts are valued daily and the Plan's separate account market value at any given date is equal to the Plan's units of participation multiplied by the unit value which is net asset value (NAV). There are no restrictions on redemptions, and there are no unfunded commitments.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 21, 2021 and December 31, 2020:

Assets at Fair Value as of December 21, 2021 (Audited)

Level 1	Level 2	Level 3	Total
---------	---------	---------	-------

There were no assets held by the Plan at December 21, 2021.

Assets at Fair Value as of December 31, 2020 (Compiled)

	Level 1	Level 2	Level 3	Total
Total assets in the fair value hierarchy	\$ -	\$ -	\$ -	\$ -
Investments measured at net asset value ^(a)	-	-	-	203,038
Total assets at fair value	<u>\$ -</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 203,038</u>

- ^(a) In accordance with Subtopic 820-10, certain investments that are measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

5 - Investments Measured Using the Net Asset Value Per Share Practical Expedient

The following table summarizes investments measured at fair value based on net asset value (NAV) per share practical expedient as of December 21, 2021 and December 31, 2020:

Investment	Fair Value December 21, 2021 (Audited)	Fair Value December 31, 2020 (Compiled)	Commitment	Frequency	Notice Period
Pooled separate accounts:					
General bond	\$ -	\$ 4,329	None	Daily	None
U.S. stock	-	159,829	None	Daily	None
International stock	-	38,880	None	Daily	None
Total pooled separate accounts	<u>\$ -</u>	<u>\$ 203,038</u>			
Total assets at fair value	<u><u>\$ -</u></u>	<u><u>\$ 203,038</u></u>			

6 - Group Annuity Contract with Insurance Company

The Plan had a fully benefit-responsive guaranteed investment contract with Minnesota Life Insurance Company (Minnesota Life) totaling \$ 0 for 2021 and \$ 5,456 for 2020. Minnesota Life maintained the contributions in the general account. The account was credited with earnings on the underlying investments and was charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer was contractually obligated to repay the principal and a specified interest rate that was guaranteed to the Plan. The crediting rate was based on a formula established by the contract issuer. The crediting rate is reviewed on a quarterly basis for resetting. For the period ended December 21, 2021 the crediting rate was .45% and for the year ended December 31, 2020 was 0.25%. The guaranteed investment contract did not permit Minnesota Life to terminate the agreement prior to the scheduled maturity date.

This contract met the fully benefit-responsive investment contract criteria and therefore was reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Minnesota Life, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger

SECURIAN MULTIPLE EMPLOYER PLAN
FBO DJJE HOLDINGS, LLC
NOTES TO FINANCIAL STATEMENTS
(Continued)

with another plan), (2) changes to the Plan's prohibition on competing investment options or deletions of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the Trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, (4) a material amendment to the agreement without the consent of the issuer.

7 - Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of contributions made by the participants per the financial statements for the period from January 1, 2021 to December 21, 2021 to the Form 5500:

Contributions paid by participants per the financial statements	\$ 139,509
Add: Plan test corrections recorded as corrective distributions rather than return of participant contributions	<u>14,282</u>
Contributions paid by participants per Form 5500	<u><u>\$ 153,791</u></u>

The following is a reconciliation of corrective distributions per the financial statements for the period from January 1, 2021 to December 21, 2021 to the Form 5500:

Corrective distributions to participants per the financial statements	\$ -
Add: Plan test corrections recorded as corrective distributions rather than return of participant contributions	<u>14,282</u>
Corrective distributions to participants per Form 5500	<u><u>\$ 14,282</u></u>

8 - Related Party Transactions

Certain Plan investments were shares of pooled separate accounts and a group annuity contract managed by Minnesota Life. Minnesota Life was the custodian as defined by the Plan and, therefore, these transactions qualified as party-in-interest transactions. Some investment management and administrative fees were paid by the Company. Fees paid by the Plan for the period from January 1, 2021 to December 21, 2021 were \$ 3,330.

NOTES TO FINANCIAL STATEMENTS
(Continued)

9 - Plan Merger

The Plan was merged into Securian Pooled Employer Plan and Trust (Securian Plan). As a result, net assets of \$ 455,595 were transferred to the control of the Securian Plan on December 21, 2021. The merger does not impact participant benefits as the benefit provisions were incorporated into the Securian Plan.

10 - Tax Status

The plan provider applied for a determination letter from the IRS as to the Plan's qualified status, but the Plan was merged into the Securian Plan prior to receiving the letter. Although the Plan did not receive the determination letter, the Plan Administrator and the Plan's Tax Counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Internal Revenue Code (IRC).

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

11 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
