INDEPENDENT AUDITOR'S REPORT

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of **Herring Bank 401(k) Profit Sharing Plan** (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from Nationwide Trust Company, FSB as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by Nationwide Trust Company, FSB agrees to, or is derived from, in all material respects, the information prepared and certified by Nationwide Trust Company, FSB that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Part IV 4(i) - Schedule of Assets (Held at End of Year), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by Nationwide Trust Company, FSB agrees to, or is derived from, in all material respects, the information prepared and certified by Nationwide Trust Company, FSB that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by Nationwide Trust Company, FSB. In our report dated August 31, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

HERRING BANK
401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Herring Bank 401(k) Profit Sharing Plan (the Plan) is provided for general information purposes only. For more complete information, participants should refer to the most current Plan document.

General

The Plan is a defined contribution retirement plan, which provides for the participation of substantially all employees of Herring Bank and subsidiaries and other companies under controlled group rules (the Company) who have completed 6 months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended, and is intended to qualify under Section 401(k) of the Internal Revenue Code (IRC). Under the Plan, each participant has an account for his/her salary deferral contributions, any Company matching contributions and any Company discretionary contributions.

Nationwide Trust Company, FSB (Nationwide) serves as the Plan's investment custodian and is responsible for executing all investment transactions.

Contributions

Participants may make salary deferral contributions on a tax-deferred basis through payroll deductions from 1% up to 100% of their compensation (limited to certain amounts allowed under the IRC). Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Additionally, the Company makes matching contributions at 50% of employee contributions up to 5% of eligible compensation (as defined), which are applied to eligible participants who made salary deferral contributions to the Plan during the year. The Company may also make additional discretionary contributions. Participant and Company contributions are subject to the provisions of the IRC and related regulations.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of (a) Company matching and discretionary contributions, if any, and (b) Plan earnings, and is charged with an allocation of administrative expenses. Allocations are based on account balances or compensation, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participant Loans

The Plan allows participants to obtain loans from their accounts only upon demonstration of a hardship event. The total loan amount may not exceed the lesser of one half of the participant's vested interest in the Plan, \$50,000, or the amount of the demonstrated financial hardship. Participant loans are maintained and serviced by the Plan's custodian as assets of the Plan. Participants should refer to the separate loan policy of the Plan for further information. Principal and interest is paid ratably through payroll deductions. Interest rates are based on Prime rate plus 1.00%, which ranged from 4.25% to 6.50% on loans outstanding as of December 31, 2021.

NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE 1 - DESCRIPTION OF PLAN (continued)

Vesting

Participants are immediately vested in their salary deferral contributions plus actual earnings thereon. Participants become immediately 100% vested in employer matching contributions upon death or disability. Normal vesting in the Company's matching contribution, and any discretionary contribution plus actual earnings thereon is based on the following schedule:

<u>Years of service</u>	<u>Vesting percentage</u>
1 year	20%
2 years	40%
3 years	60%
4 years	80%
5 years	100%

Forfeited Accounts

At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$10,021 and \$1,840, respectively. Forfeited balances of terminated participants' nonvested accounts are first made available to reinstate the accounts of terminated employees that return to employment status and have their accounts reinstated, then may be used as a reduction of employer matching contributions the year the forfeitures occur. During the year, the Plan utilized \$0 of forfeitures to reduce employer matching contributions.

Payment of Benefits

On termination of service due to death, disability or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his/her account. Distributions may be deferred until the participant reaches the age of 70½ or retires. Current Plan provisions do allow for withdrawals by active employees for certain hardship occurrences as allowed under the Internal Revenue Code. During 2020, the Plan adopted provisions of the CARES act related to the coronavirus pandemic that allowed expanded access to distributions. The provisions expired as of December 31, 2020.

Investment Options

Upon enrollment, a participant may direct their contributions to any of the investments selected by the Company's 401(k) Committee or individually allocated annuity contracts. Participants have the option to change their investment allocations daily via phone or internet access to Nationwide.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

**HERRING BANK
401(k) PROFIT SHARING PLAN**

**NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020**

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and disclosures of contingent assets and liabilities at the date of the financial statements and the changes in net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments in mutual funds are valued based on quoted market prices, as determined by Nationwide. In accordance with stating investments at fair value, net unrealized appreciation or depreciation is reflected for the year on the Statement of Changes in Net Assets Available for Benefits. See Note 7 for disclosure of fair value measurements.

Gains or losses on investment transactions are recorded as the difference between proceeds received and the carrying value of the investments.

Purchases and sales of investments are recorded on a trade-date basis. Income from investments is recorded on the accrual basis. Investment dividends and interest received are reinvested in the corresponding accounts.

Allocated Annuity Contracts

The Plan allows participants to allocate a portion of their investments into allocated annuity contracts. During 2021, participants transferred \$0 of their account balances to individual allocated annuity contracts held by insurance companies. For the year ended December 31, 2021 and 2020, the contract values of these individual allocated annuity contracts were \$104,071 and \$97,614, respectively, and total estimated fair value of these individual allocated annuity contracts totaled \$93,196 and \$88,890 at December 31, 2021 and 2020, respectively. As allowed in the American Institute of Certified Public Accountants (AICPA) Audit and Accounting Guide for Employee Benefit Plans, these allocated contracts have been excluded from Plan assets in the accompanying financial statements.

Benefit Payments to Participants

Benefits are recorded when paid.

Administrative Expenses

The Plan pays investment management and recordkeeping fees from Plan assets. Third party investment management fees are elective by the participant and are charged directly to the participants' account. All other costs of the Plan are paid by the Plan's sponsor and are not reflected in these financial statements.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent loans are treated as distributions based upon the terms of the Plan document.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Subsequent Events

The Plan Administrator has evaluated subsequent events through October 14, 2022, the date the financial statements were available to be issued.

NOTE 3 - INFORMATION CERTIFIED BY NATIONWIDE TRUST COMPANY, FSB

The following is a summary of the Plan's investment information as of December 31, 2021 and 2020 included in the Plan's financial statements and supplemental schedule that was prepared by or derived from information provided by the custodian and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the custodian that the information provided to the Plan Administrator by the custodian related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following investments at fair value at December 31:

	<u>2021</u>	<u>2020</u>
Mutual funds, at fair value	\$ 6,593,717	5,761,518
Guaranteed investment account, at contract value	977,359	1,108,545
Notes receivable from participants	53,453	92,962

Nationwide also certified to the completeness and accuracy of \$345,860 of net appreciation in fair value of investments, \$487,923 of interest and dividends and \$3,307 of interest income on notes receivable from participants related to the aforementioned assets for the year ended December 31, 2021.

NOTE 4 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company reserves the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. If the Plan is terminated, participants will become 100% vested in their accounts and the Plan assets will be distributed in a manner approved by the Internal Revenue Service.

NOTE 5 - TAX STATUS

The Plan has not received a determination letter on their adoption of the Volume Submitter (VS) plan. In accordance with Revenue Procedure 2003-06, the Plan administrator has chosen to rely on the advisory letter, dated June 30, 2020, that has been issued to the VS plan. Once qualified, the Plan is required to operate in conformity with the Internal Revenue Code (the Code) to maintain its qualification. The Plan administrator believes the Plan is being operated in compliance with applicable requirements of the Code and, therefore, believes that the Plan is qualified and the related trust is tax exempt.

HERRING BANK
401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE 5 - TAX STATUS (continued)

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan. Management evaluated the Plan's tax positions and concluded that the Plan had maintained its tax-exempt status and has taken no uncertain tax positions that require recognition or disclosure in the financial statements. Therefore, no provision or liability for income taxes has been included in the financial statements. With few exceptions, the Plan is no longer subject to income tax examinations by the U.S. federal, state, or local tax authorities for years before 2018.

NOTE 6 - TRANSACTIONS WITH PARTIES- IN- INTEREST

At December 31, 2021 and 2020, the Plan held investments in guaranteed investment contracts and notes receivable from participants with a current value of \$1,030,812 and \$1,201,507, respectively, which are managed by Nationwide. Thus, transactions within these investment funds qualify as party-in-interest transactions as defined by ERISA.

Administrative fees incurred and paid by the Plan to the Plan's investment custodian and investment advisors aggregated to \$82,112 in 2021, which are considered party-in-interest transactions under ERISA.

NOTE 7 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under ASC 820 are described below:

- | | |
|---------|---|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. |
| Level 2 | <p>Inputs to the valuation methodology include:</p> <ul style="list-style-type: none">• Quoted prices for similar assets or liabilities in active markets;• Quoted prices for identical or similar assets or liabilities in inactive markets;• Inputs other than quoted prices that are observable for the asset or liability;• Inputs that are derived principally from or corroborated by observable market data by correlation or other means. <p>If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.</p> |
| Level 3 | Inputs to the valuation methodology are unobservable and significant to the fair value measurement. |

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

HERRING BANK
401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE 7 - FAIR VALUE MEASUREMENTS (continued)

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

In determining the appropriate levels, the Plan performs a detailed analysis of the assets that are subject to fair value measurement. The following table summarizes the financial investments measured at fair value on a recurring basis at December 31:

Assets at Fair Value 2021				
	Level 1	Level 2	Level 3	Totals
Mutual Funds	<u>\$ 6,593,717</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 6,593,717</u>
Total Investments at Fair Value	<u><u>\$ 6,593,717</u></u>	<u><u>\$ -</u></u>	<u><u>\$ -</u></u>	<u><u>\$ 6,593,717</u></u>

Assets at Fair Value 2020				
	Level 1	Level 2	Level 3	Totals
Mutual Funds	<u>\$ 5,761,518</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 5,761,518</u>
Total Investments at Fair Value	<u><u>\$ 5,761,518</u></u>	<u><u>\$ -</u></u>	<u><u>\$ -</u></u>	<u><u>\$ 5,761,518</u></u>

NOTE 8 - INVESTMENT CONTRACT WITH NATIONWIDE LIFE INSURANCE COMPANY, FSB

The Plan maintains a traditional fully benefit-responsive guaranteed investment contract with Nationwide Life Insurance Company (Nationwide) with an outstanding balance of \$977,359 and \$1,108,545 as of December 31, 2021 and 2020, respectively. Nationwide maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 0 percent. The crediting rate is reviewed on a quarterly basis for resetting.

HERRING BANK
401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

**NOTE 8 - INVESTMENT CONTRACT WITH NATIONWIDE LIFE INSURANCE COMPANY,
FSB (continued)**

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Nationwide, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options, (3) bankruptcy of the Plan sponsor or other Plan sponsor events that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator does not believe that the occurrence of any such event, which would limit the Plan's ability to transact at contract value with participants, is probable.

The Guaranteed Investment Contract with Nationwide Trust Company has no maturity date and continues until all assets have been distributed, or no further payments are due.

NOTE 9 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible those changes in the values of investment securities will occur in the near term and those changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

In December 2019, a novel strain of coronavirus (COVID-19) was reported in China. In January 2020, the World Health Organization declared COVID-19 to constitute a "Public Health Emergency of International Concern", which continues on as of the date of this report. The extent of the impact of COVID-19 on the Plan's and Sponsor's operational and financial performance will depend on future developments, including the duration and spread of the outbreak and related travel advisories and restrictions and the impact of COVID-19 on overall demand for services and products, all of which are highly uncertain and cannot be predicted.
