Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of **Incite 401(k) Plan (the Plan)**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of November 30, 2021, and the related statement of changes in net assets available for benefits for the period January 1, 2021 to November 30, 2021, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of November 30, 2021, and for the period January 1, 2021 to November 30, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

Opinion on the 2021 Financial Statements (*Continued*)

- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Plan Merger

As further discussed in Note 1, the Plan merged with and into the AON Pooled Employer Plan effective December 1, 2021. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with

Auditor's Responsibilities for the Audit of the 2021 Financial Statements (*Continued*)

GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstance, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 5, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Incite 401(k) Plan

Notes to Financial Statements November 30, 2021 and December 31, 2020

NOTE 1: DESCRIPTION OF PLAN

The following description of Incite 401(K) Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan, which was established January 1, 2008 and restated in its entirety effective January 1, 2015, is a defined contribution plan maintained for the benefit of eligible employees of Incite Rehab, LLC (the Employer, Plan Sponsor and Plan Administrator) and certain other affiliated companies. Collectively, Incite Rehab, LLC and its affiliated companies are hereinafter referred to as "the Employers." Generally, an employee is eligible to participate in the Plan on the later of the first day of the month following the date of hire or attaining age twenty-one.

On November 4, 2021, the Company adopted the Aon Pooled Employer Plan (Aon PEP) as a participating employer and on behalf of the affiliates of the Company. Effective December 1, 2021, the Plan merged with and into the AON Pooled Employer Plan (the AON PEP). As of that date, all participants in the Plan immediately prior to that date became participants in the Aon PEP and the account balances of the Plan's participants were transferred into the Aon PEP. In addition, the Plan was amended so that all Aon PEP eligible employees would no longer be eligible to participate in the Plan effective as of close of business on November 30, 2021.

The Plan is subject to the provisions of the Employee Retirement Income Security Act (ERISA).

Prior to December 1, 2021, the Employer utilized the services of John Hancock, a third-party administrator, to process investment transactions and maintain participant account balances. John Hancock was also the Plan's asset custodian and investment manager. John Hancock received fees for performing investment management, recordkeeping, compliance and other administrative services related to the Plan, a portion of which were paid by the Plan and a portion of which were paid by the Plan Sponsor. Also, the Employer had an agreement with Pension Plan Administration, LLC to assist them with compliance monitoring, regulatory filing, participant recordkeeping and Plan reporting. Fees paid by the Plan to John Hancock and Pension Plan Administration, LLC for administrative services totaled approximately \$47,000 for the period ended November 30, 2021, and are reported as administrative expenses on the statement of changes in net assets available for benefits.

Certain duties related to administration of the Plan are performed by employees of the Plan Sponsor; however, the Plan Sponsor does not charge the Plan for the estimated cost of such services.

The Plan is administered by the Plan Sponsor's Board of Directors (Board). They have overall responsibility for the operations and administration of the Plan. The Board determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Notes to Financial Statements November 30, 2021 and December 31, 2020

NOTE 1: DESCRIPTION OF PLAN (Continued)

Contributions

Participants may contribute up to 100% of annual compensation, as defined in the Plan agreement, not to exceed limitations imposed by the Internal Revenue Service (IRS). Participants may also make rollovers into the Plan, consisting of amounts distributed from other qualified defined benefit or defined contribution plans. In addition, the Employer may make a discretionary matching contribution equal to a uniform percentage or dollar amount of employee elective deferrals. Employer contributions are also subject to limitations imposed by the IRS.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Employer's matching contributions and allocations of Plan earnings, net of certain administrative expenses. Allocations are generally based on participant account balances, as specified in the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are fully vested at all times in their own contributions plus earnings thereon. Vesting is based on years of service as defined in the Plan agreement. A participant is one hundred percent vested in Employer contributions upon retirement, permanent disability or death. If a participant terminates employment for any other reason, he or she will vest in contributions made by the Employer, plus earnings thereon, according to the following schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5 or more	100%

Investment Options

Participants may direct the investment of their accounts among the various investment options offered under the Plan's group annuity contract with John Hancock Life Insurance Company, including a variety of pooled separate accounts structured for different levels of risk tolerance and time horizons. Participants may change their investment options at any time.

Notes Receivable from Participants

Participants may borrow from their accounts up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms may range from one to five years except when loan proceeds are used for the purchase of the borrower's primary residence, in which case the loan may be extended at the discretion of the Plan Administrator. The loans are secured by the participant's account and bear interest at a rate equal to the USA Today prime rate at the time the funds are borrowed. Principal and interest are paid through payroll deductions.

Incite 401(k) Plan

Notes to Financial Statements November 30, 2021 and December 31, 2020

NOTE 1: DESCRIPTION OF PLAN (Continued)

Forfeitures

The non-vested portion of a participant's account to which the participant is not entitled upon termination is deemed a forfeiture. As allowed under the Plan agreement, forfeitures are used to pay administrative expenses or reduce any employer contributions. At December 31, 2020, forfeited non-vested accounts totaling approximately \$3,900 were available to be used to pay administrative expenses or reduce employer contributions. During the period ended November 30, 2021, there were no forfeitures used to pay administrative expenses or reduce employer contributions. Forfeited non-vested accounts as of November 30, 2021, were transferred to the AON PEP effective December 1, 2021 as part of the Plan merger.

Payment of Benefits

Upon termination of service due to death, disability or retirement, a participant (or designated beneficiary) may elect to receive an amount equal to the value accumulated in his or her account in either a lump-sum amount or in periodic installments over a period to be selected by the participant (or beneficiary) from several options under the Plan. For terminations of service due to other reasons, a participant may receive the value accumulated in his or her account as a lump-sum distribution or, if the account balance exceeds \$5,000 on the date of termination, may leave the account under the Plan until the participant reaches normal retirement age or dies.

Hardship Withdrawals

In case of immediate and heavy financial hardship, a participant may withdraw all or a portion of the participant's vested account balance. A withdrawal shall be deemed for purposes of an immediate and heavy financial hardship if the withdrawal is necessary for certain eligible expenses, such as medical care, the purchase of a principal residence for the participant, payment of tuition and related education fees for the next twelve months of post-secondary education, payments necessary to prevent eviction of the participant from his or her principal residence or to avoid foreclosure on said residence, payments for funeral or burial expenses or expenses to repair damage to the participant's principal residence.

Termination of the Plan

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become fully vested in their accounts.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly fashion between market participants at the

measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the custodian. See Note 4 for further discussion on the determination of fair value amounts.

Purchases and sales of investments are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes realized and unrealized gains and losses on investments bought and sold, as well as those held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. They are stated net of an allowance for loan losses totaling \$24,544, which was equal to loans in default as of December 31, 2020. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when incurred.

Payments of Benefits

Benefits are recorded when paid. There are no amounts allocated to withdrawing participants that have not been paid at November 30, 2021 and December 31, 2020.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

NOTE 3: INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIAN

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, all information pertaining to the Plan's investments and related investment activity reflected in the financial statements was certified by John Hancock Life Insurance Company, the custodian, as of November 30, 2021 and December 31, 2020, and for the period January 1, 2021 to November 30, 2021. NOTE 4: FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access at the measurement date.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

NOTE 4: FAIR VALUE MEASUREMENTS (Continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 30, 2020:

Pooled Separate Accounts

The pooled separate accounts are valued at net asset value (NAV) of units held. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liability. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2020. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement:

	<u>Fair Value</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Investments measured at net asset value ^(a)				
	\$ 6,384,464	\$ -	\$ -	\$ -
	<u>\$ 6,384,464</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ -</u>

^(a) In accordance with ASC Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Fair Value of Investments that Calculate Net Asset Value

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2020, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan:

NOTE 5: TAX STATUS

Effective January 1, 2015, the Plan executed an adoption agreement for the Hyden, Miron & Foster, PLLC Defined Contribution Prototype Plan (the Prototype). As an adopter of the Prototype, the Plan is not subject to tax under present income tax law.

The Prototype obtained its latest opinion letter on March 31, 2014, in which the IRS stated that the Prototype, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since the date of the opinion letter; however the Plan Administrator believes that the Plan is currently designed and being operated in compliance with applicable requirements of the Internal Revenue Code.

Accounting standards require the Plan Sponsor to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Sponsor has analyzed the tax positions taken by the Plan and has concluded that as of November 30, 2021 and December 31, 2020, there are no uncertain positions taken or expected to be taken that would require the recognition of a liability or disclosure in the financial statements. The Plan may be subject to audit by the IRS; however there are currently no audits for any tax periods in progress.

NOTE 6: RISKS AND UNCERTAINTIES

The pooled separate accounts in which the Plan's assets are invested are comprised of investment securities, which are exposed to various risks such as interest rate, market and credit risks. Certain investment options may invest in foreign securities. There are certain additional risks involved when investing in foreign securities that are not present with investments in domestic securities. These risks may involve foreign currency exchange rate fluctuations, adverse political and economic developments and the possible prevention of currency exchange due to foreign governmental laws or restrictions. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the Plan's financial statements.

NOTE 7: RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

Certain other amounts reported in the Plan's annual Form 5500 for net assets available for benefits differ from the amounts reported in the accompanying financial statements. These differences are due to different presentation of investment classifications on the Form 5500 and on the financial statements.
