Report of Independent Auditor

To the Members of the 401(k) Committee
Makhteshim Agan of North America, Inc., 401(k) Profit Sharing Plan & Trust
Raleigh, North Carolina

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Makhteshim Agan of North America, Inc., 401(k) Profit Sharing Plan and Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

2021 Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule of Assets (Held at End of Year) – Form 5500, Schedule H, Part IV, Line 4i as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Makhteshim Agan of North America, Inc., 401(k) Profit Sharing Plan & Trust. As permitted by 29 CFR 2520.103-8 of DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 12, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO THE FINANCIAL STATEMENTS**

YEAR ENDED DECEMBER 31, 2021

Note 1—Description of Plan

The following description of Makhteshim Agan of North America, Inc., 401(k) Profit Sharing Plan & Trust (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General – The Plan is a defined contribution plan covering all eligible employees of Makhteshim Agan of North America, Inc. (the “Sponsor” or “Employer”). The Sponsor is a wholly-owned subsidiary of Makhteshim Agan Industries, Ltd. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Plan was established on January 1, 2007 and was last amended on August 1, 2021. Fidelity Management Trust Company (“Fidelity”) served as the Plan “Trustee” as of December 31, 2020, and for the period January 1, 2021 through August 3, 2021, and Reliance Trust Company (“Reliance”) served as the Plan “Trustee” as of December 31, 2021 and for the period August 4, 2021 through December 31, 2021.

Eligibility – All full-time employees who have attained 18 years of age are eligible for Plan benefits. An eligible employee shall become eligible to enroll on the first day of the month following the date which the employee meets the eligibility requirements.

Contributions – Eligible employees may have contributed up to 75% of their eligible compensation to the Plan, subject to certain limitations under the Internal Revenue Code (“IRC”). Effective August 1, 2021, the eligible employees may contribute up to 90% of their eligible compensation to the Plan. The Plan had a 2% automatic deferral election; therefore, if an eligible participant does not specifically designate that they do not want to participate, then 2% of their eligible compensation, as defined in the Plan, will be automatically deferred into the Plan. Effective August 1, 2021, the Plan increased its automatic deferral election to 3%. The Plan allows participants to contribute to the Plan through pre-tax elective deferrals or Roth elective deferrals. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Employees may rollover eligible amounts from other qualified plans. The Plan provides for safe harbor matching contributions equal to 100% of employees’ salary deferrals of the first 3% of eligible compensation, as defined by the Plan, and 50% of employees’ compensation deferrals between 3% and 5%. In addition to the safe harbor matching contribution, the Sponsor may make a discretionary profit sharing contribution to Plan participants who are employed on the last day of the Plan year and who have completed one or more years of service. There were no discretionary profit sharing contributions made to the Plan during the 2021 Plan year. All contributions are participant-directed.

Participant Accounts – Each participant’s account is credited with the participant’s contribution and allocations of (a) the Employer safe harbor matching contribution, (b) discretionary profit sharing contribution, if any, and (c) Plan earnings and charged with participant distributions and an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting – Participants are immediately vested in salary deferral amounts contributed to the Plan and balances rolled over into the Plan from other qualified plans. Participants are immediately vested in all safe harbor Employer matching contributions. Participants are 100% vested in discretionary profit sharing contributions after three years of continuous service.

Forfeitures – The Plan Sponsor may choose to use forfeitures of nonvested participant accounts to reduce administrative expenses of the Plan prior to reducing the Sponsor’s matching contribution as permitted by the Plan document. During the 2021 Plan year, forfeitures of \$11,382 were used to reduce matching contributions. Forfeited nonvested accounts as of December 31, 2021 and 2020 totaled \$20 and \$9,200, respectively.

NOTES TO THE FINANCIAL STATEMENTS**

YEAR ENDED DECEMBER 31, 2021

Note 1—Description of Plan (continued)

Benefits Paid to Participants – Upon death, disability, termination of employment, or attainment of age 59½, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in their account or installments as defined by the Plan. For participants who separate with account balances of more than \$1,000 but less than \$5,000, the Plan Sponsor may direct a participant's fund to an Individual Retirement Account established in the participant's name. Any participant vested account balances under \$1,000 will be paid out as a lump-sum distribution upon separation. Participants may also obtain a withdrawal by demonstrating financial hardship in accordance with the prescribed reasons dictated by the Internal Revenue Service ("IRS").

Notes Receivable from Participants – Participants are allowed to borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of the participant's vested account balance. Roth (after-tax) elective deferral balances are not eligible to be distributed to participants as loans. Loan repayment terms may not exceed five years, unless such loan is for the purchase of a participant's primary residence. A participant can have no more than two loans outstanding from the Plan at any time. The loans are secured by the balance in the participant's account and bear interest at the prime rate published on the first business day of the month of the loan application, plus 1% point. Interest rates on the outstanding loans were 4.25% to 6.50% at December 31, 2021, and mature through 2026. Principal and interest are paid ratably through payroll deductions.

Note 2—Summary of significant accounting policies

Basis of Accounting – The accompanying financial statements have been prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates – The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions which affect the reported amounts of assets and liabilities and changes therein, and the disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition – The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Fair Value Measurements – U.S. GAAP defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability, in an orderly transaction value hierarchy which requires an entity to maximize the use of observable inputs when measuring fair value.

401(k) PROFIT SHARING PLAN & TRUST
NOTES TO THE FINANCIAL STATEMENTS**

YEAR ENDED DECEMBER 31, 2021

Note 2—Summary of significant accounting policies (continued)

U.S. GAAP describes three levels of inputs that may be used to measure fair value as follows:

Level 1 – Inputs to the valuation methodology are quoted prices available in active markets for identical investments as of the reporting date;

Level 2 – Inputs to the valuation methodology are other than quoted prices in active markets, which are either directly or indirectly observable as of the reporting date, and fair value can be determined through the use of models or other valuation methodologies; and

Level 3 – Inputs to the valuation methodology are unobservable inputs in situations where there is little or no market activity for the asset or liability and the reporting entity makes estimates and assumptions related to the pricing of the asset or liability including assumptions regarding risk.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The following are descriptions of the valuation methodologies used for instruments measured at fair value, including the general classification of such instruments pursuant to the valuation hierarchy.

Mutual Funds – These investments are public investment vehicles valued using the net asset value (“NAV”) provided by the administrator of the fund. NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. NAV is a quoted price in an active market and classified within Level 1 of the valuation hierarchy.

Common / Collective Trust – This investment is a public investment vehicle valued using NAV provided by the administrator of the fund as a practical expedient. NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. NAV is not classified within the fair value hierarchy.

The Plan believes its valuation method is appropriate and consistent with other market participants; however, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Risks and Uncertainties – The Plan invests in various investment securities. Investment securities, in general, are subject to various risks such as interest rate, credit, and overall market volatility. Due to the levels of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant note receivable balance is reduced and a benefit payment is recorded as a defaulted distribution based upon the terms of the Plan document.

Payment of Benefits – Benefits are recorded as paid. As of December 31, 2021 and 2020, there were no benefit payments requested and not yet disbursed.

Administrative Expenses – The Plan pays for substantially all administrative expenses incurred by the Plan. Administrative expenses include professional fees related to the preparation of the Plan's tax returns, trustee, custodial, investment management, and recordkeeping fees. The Sponsor pays professional fees for the Plan's annual audit. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses.

Note 3—Information certified by the Qualified Institutions (unaudited)

The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity, a qualified institution of the Plan as of December 31, 2020 and for the period January 1, 2021 through August 3, 2021, and Reliance, a qualified institution of the Plan as of December 31, 2021 and for the period August 4, 2021 through December 31, 2021, have certified to the completeness and accuracy of the following items included in the accompanying financial statements and supplemental schedule:

- Investments, at fair value and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2021 and 2020.
- Net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants, as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2021.
- Schedule of Assets (Held at End of Year) – Form 5500, Schedule H, Part IV, Line 4i as of December 31, 2021.

The Plan's independent auditor did not perform auditing procedures with respect to the certified information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

Note 4—Fair value measurements

Below are the Plan's financial instruments carried at fair value on a recurring basis by the fair value hierarchy levels as of December 31:

- ^(a) In accordance with U.S. GAAP, certain investments that are measured at fair value using NAV per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented on the statements of net assets available for benefits.

**MAKHTESHIM AGAN OF NORTH AMERICA, INC.,
401(k) PROFIT SHARING PLAN & TRUST
NOTES TO THE FINANCIAL STATEMENTS**

YEAR ENDED DECEMBER 31, 2021

Note 4—Fair value measurements (continued)

The following tables summarize investments for which fair value is measured using NAV per share practical expedient as of December 31:

2021				
	Fair Value	Unfunded Commitments	Redemption Frequency (If Currently Applicable)	Redemption Notice Period
Common / collective trust	\$ 608,429	N/A	Daily	12 Months
2020				
	Fair Value	Unfunded Commitments	Redemption Frequency (If Currently Applicable)	Redemption Notice Period
Common / collective trust	\$ 332,193	N/A	Daily	12 Months

Note 5—Common / collective trust

The Plan invests in a stable value common / collective trust fund as an investment offering, Galliard Stable Return Fund (“Fund”). The Stable Value Fund is a common / collective trust fund with investments in contracts at fair value of the underlying investments, and then adjusted by the issuer to NAV. The Fund may invest in fixed interest insurance investment contracts, money market funds, corporate and government bonds, mortgage backed securities, bond funds, and other fixed income securities, which are intended to maintain a constant NAV. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at NAV. NAV represents contributions made to the Fund, plus earnings, less participant withdrawals. The risk of the common / collective trust and its net realizable value are dependent upon the financial stability of the issuing entity and its ability to fulfill the terms of the contract. There were no reserves established against net asset value for credit risk at December 31, 2021.

Current events, such as the premature termination of this investment choice by the Plan, or the termination of the Plan, would limit the Plan’s ability to transact at NAV with the Stable Value Fund. The Plan administrator believes the occurrence of an event that would limit the Plan’s ability to conduct transactions at NAV would be remote.

Note 6—Income tax status

The IRS has determined and informed the Plan prototype sponsor by a letter dated October 6, 2020, that the Plan and related trusts are designed in accordance with the applicable sections of the IRC. The Company has chosen to rely on the determination letter issued to the Plan prototype sponsor. Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and has no income subject to unrelated business income tax and, therefore, the Plan and related trust continue to be tax-exempt.

**MAKHTESHIM AGAN OF NORTH AMERICA, INC.,
401(k) PROFIT SHARING PLAN & TRUST
NOTES TO THE FINANCIAL STATEMENTS**

YEAR ENDED DECEMBER 31, 2021

Note 6—Income tax status (continued)

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Plan management has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to audit by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 7—Parties-in-interest transactions

Prior to August 1, 2021, Fidelity was the Plan Trustee and recordkeeper as defined by the Plan. Effective August 1, 2021, ADP, Inc. is the Plan recordkeeper as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Certain Plan investments are held in investments managed by Trustee. The Plan uses an investment advisor who provides investment advisory services to the Plan Sponsor and qualifies as a party-in-interest. Total fees paid by the Plan for the year ended December 31, 2021 totaled \$78,518 to these parties-in-interest.

Notes receivable from participants also qualify as party-in-interest transactions.

Note 8—Plan termination

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to terminate the Plan subject to the provisions of ERISA. Upon termination, all amounts credited to participant accounts become 100% vested.

Note 9—Reconciliation of the financial statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 as of December 31:
