Independent Auditors' Report

To the Plan Administrator
Johnstone Supply 401(k) Profit Sharing Plan
Cincinnati, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Johnstone Supply 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Johnstone Supply 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Independent Auditor's Report
(Continued)**

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Johnstone Supply 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Johnstone Supply 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Johnstone Supply 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

**Independent Auditor's Report
(Continued)**

Auditor's Responsibilities for the Audit of the 2021 Financial Statements (Continued)

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Johnstone Supply 401(k) Profit Sharing Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 30, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying financial statements of Johnstone Supply 401(k) Profit Sharing Plan (the "Plan") have been prepared on the accrual basis.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See note 3 for discussion of fair value measurements.

The Plan presents in the Statement of Changes in Net Assets Available for Benefits the net appreciation or depreciation in the fair value of its investments which consists of the realized gains or losses and the unrealized appreciation or depreciation on those investments bought and sold as well as held during the year.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Benefit Payments

Benefit payments are recorded when paid.

Related Party Transactions

Certain employees of the Company provide the Plan with certain accounting and administrative services for which no fees are charged.

Expenses

Certain expenses and costs of the Plan were paid by the Company and, accordingly, are not reflected in the Plan's financial statements. Certain investment related expenses are included in the net appreciation of fair value of investments.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles (GAAP) requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Subsequent Event Evaluation

Subsequent events were evaluated through October 14, 2022, which is the date the financial statements were available to be issued.

JOHNSTONE SUPPLY 401(K) PROFIT SHARING PLAN

Notes to Financial Statements (Continued)

NOTE 2 DESCRIPTION OF PLAN

The following description of the Johnstone Supply 401(k) Profit Sharing Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering employees of Controls Center, Inc. DBA Johnstone Supply (the "Company"). Those employees over the age of 18 are eligible for plan participation. Eligible employees enter the Plan the first day of the plan quarter coinciding with or following their eligibility date. Effective January 1, 2019, all employees hired after January 1, 2019 are automatically enrolled into the plan unless specifically opting out. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan was established by the Company effective January 1, 1984, and subsequently amended and restated in its entirety effective March 1, 2021.

Upon the acquisition of the A M Parts, Inc., the Plan was amended July 1, 2021 to allow immediate grandfathered participation in the Plan. The A M Parts, Inc. 401k Plan's assets were transferred to the Plan beginning December 15, 2021 and completed on January 14, 2022. One participant loan was included as part of the transfer and was distributed subsequent to year end.

Contributions

Each year, participants may elect to contribute a percentage of their pretax or post-tax annual compensation, as defined in the Plan. These contributions are not to exceed limitations established under Section 402(g) of the Internal Revenue Code of 1986, as amended (\$19,500 at December 31, 2021). The Plan permits catch-up elective deferrals for participants over 50 years of age subject to Internal Revenue Code limitations.

The Company makes matching contributions under a safe harbor match to the Plan each year. The safe harbor match is 100% of the first 3.50% of compensation. The Company made matching contributions of \$293,129 for 2021.

The Plan allows for the Company to make a discretionary matching contribution as well as a profit-sharing contribution based on a formula determined by the Company. The Company did not make a discretionary matching contribution or a profit-sharing contribution for 2021.

Rollover Contributions

Participants may roll over their taxable portion of funds previously held for their account in another qualified retirement plan to the Plan on a tax-free basis.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and, (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE 2 DESCRIPTION OF PLAN (CONTINUED)

Vesting

Participants become immediately vested at the time of participation in the Plan in their contributions as well as the safe harbor employer matching contributions, plus actual earnings thereon. Vesting in the Company's discretionary matching contributions and profit sharing contributions, plus actual earnings thereon, is based on years of continuous service. Participants become fully vested after two years of service.

Forfeitures can be used by the plan to reduce Plan expenses or matching contributions. The balance of unallocated forfeitures was \$558 and \$-0- at December 31, 2021 and 2020, respectively. During 2021, the Company used \$10,085 of forfeitures to offset matching contributions.

Payment of Benefits

Upon termination of service due to death, disability or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account.

In-service distributions are permissible from the Plan for participants that have attained the age of 59 1/2.

In conditions of "financial hardship", a participant may apply to the Plan administrator for approval to withdraw that portion of his or her 401(k) retirement account balance necessary to meet the financial hardship, subject to the limitations of the Plan and the Internal Revenue Code.

NOTE 3 FAIR VALUE MEASUREMENTS

Under applicable GAAP for fair value measurements and disclosures, a three-level hierarchy is established for fair value measurements based on transparency of valuation inputs as of the measurement date. The hierarchy is based on the lowest level of input that is significant to the fair value measurement.

The three levels are defined as follows:

Level 1 – Inputs are unadjusted quoted prices for identical assets in active markets.

Level 2 – Inputs are observable quoted prices for similar assets in active markets.

Level 3 – Inputs are unobservable and reflect management's best estimates of what market participants would use as fair value.

Pooled separate accounts: Fair values are determined by reference to quoted market prices and other relevant information generated by market transactions. Pooled separate accounts are categorized as using Level 1 inputs.

Common/collective trusts: Value based on the NAV of units of a collective trust published by the custodian.

Money market fund: Valued based on the net asset value of units of a money market fund as published by the trustee.

NOTE 4 PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the Plan termination, all amounts credited to participants' accounts will become fully vested and non-forfeitable.

NOTE 5 TAX STATUS

The Plan has adopted a volume submitter profit sharing plan, which received an opinion from the IRS dated October 06, 2020 which states that the plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the opinion letter, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provisions for income taxes have been included in the Plan's financial statements.

NOTE 6 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
