INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of the
Iron Workers Local Union No. 92 Money Purchase Pension Plan
Birmingham, Alabama

Opinion

We have audited the financial statements of the **Iron Workers Local Union No. 92 Money Purchase Pension Plan**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and of plan's benefit obligations as of December 31, 2021 and 2020, and the related statements of changes in net assets available for benefits and of changes in plan's benefit obligations for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits and plan's benefit obligations of **Iron Workers Local Union No. 92 Money Purchase Pension Plan** as of December 31, 2021 and 2020, and the changes in its net assets available for benefits and plan's benefit obligations for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements Section of our report. We are required to be independent of **Iron Workers Local Union No. 92 Money Purchase Pension Plan** and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about **Iron Workers Local Union No. 92 Money Purchase Pension Plan's** ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **Iron Workers Local Union No. 92 Money Purchase Pension Plan's** internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about **Iron Workers Local Union No. 92 Money Purchase Pension Plan's** ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules for the years ended December 31, 2021 and 2020, together referred to as "supplemental information", are presented for the purpose of additional analyses and are not a required part of the financial statements, but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO THE FINANCIAL STATEMENTS
IRON WORKERS LOCAL UNION NO. 92
MONEY PURCHASE PENSION PLAN

DECEMBER 31, 2021

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the **Iron Workers Local Union No. 92 Money Purchase Pension Plan** provides only general information. Participants should refer to the Plan Document for a complete description of the Plan's provisions, copies of which may be obtained from the Plan sponsor.

1. **General** - The Plan was established January 1, 1983, as a result of a collective bargaining agreement between the Union and various employers to provide retirement benefits to eligible participants. The Plan is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The Plan is financed by employer contributions as specified in the collective bargaining agreement and earnings from investments. The Board of Trustees is responsible for all aspects of the administration and operation of the Plan.
2. **Contributions/Funding policy** - Each month, the employers of the participants make contributions to the Plan based on the collective bargaining agreement. The collective bargaining agreement currently provides for contributions of \$6.25 per hour worked by participants.
3. **Participant accounts** - On the valuation date, each participant's account is credited with the contributions made for that participant plus an allocation of investment income earned during the period minus an allocation of the Plan's operating expenses for the period. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
4. **Vesting** - An employee becomes eligible to participate in the Plan once they have completed 250 hours of service in a plan year. An employee becomes vested in their employer contributions over a period of time as their years of vested service increase. A year of service occurs in each plan year in which an employee works at least 1,000 hours of service. A year of service for vesting purposes is not earned in any year that the employee works less than 1,000 hours of service with an employer or employers.
