Independent Auditor's Report

The Plan Administrator
Jenoptik North America 401(k) Plan
Jupiter, Florida

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Jenoptik North America 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from qualified institutions as of December 31, 2021 and 2020, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by qualified institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (U.S. GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021 and Schedule H, Line 4a - Schedule of Delinquent Participant Contributions for the year ended December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The certified investment information in the supplemental schedules agrees to, or are derived from, in all material respects, the information prepared and certified by qualified institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

1. Description of the Plan

The following description of the Jenoptik North America 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan was adopted effective January 1, 2004 and was amended and restated effective January 1, 2021. The Plan is sponsored by Jenoptik North America, Inc. (the Company or Plan Administrator). The Plan is a contributory defined contribution plan covering all eligible employees of the Company and its subsidiaries including JENOPTIK Automotive North America, LLC, JENOPTIK Optical Systems, LLC, Traffipax, LLC, and JENOPTIK Advanced Systems, LLC. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

In January 2021, the Plan changed the trustee from Capital Bank and Trust (the Former Trustee) to Reliance Trust Company (the Trustee). The Plan also changed the recordkeeper from America Funds to ADP Retirement Services at that time. The Company has given Reliance Trust Company the authority to hold the assets of the Plan and to invest, control, and disburse all the assets of the Plan in accordance with the Plan agreement.

Eligibility

Under the terms of the Plan agreement, substantially all employees of the Company except for union employees and non-resident aliens, are able to participate in the Plan, if they have completed three months of service and are age 21 or older. Once eligible, participants may enter the Plan on the first day of each month and are immediately eligible for all contribution types. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan.

Contributions

Each year, participants may contribute up to 90% of their compensation, as defined by the Plan agreement, subject to Internal Revenue Service (IRS) limits. Participants who have attained age 50 before the end of the Plan year are eligible to make catchup contributions subject to IRS limits. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

The Plan also allows for Roth contributions.

Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant.

Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company may make matching contributions to all contributing participants. During the years ended December 31, 2021 and 2020, the Company contributed an amount equal to 50% of a participant's contributions up to 6% of participant's annual compensation.

Jenoptik North America 401(k) Plan

Notes to Financial Statements

Discretionary non-elective contributions (profit-sharing contributions) may be made at the discretion of the Company. There were no profit-sharing contributions during the years ended December 31, 2021 and 2020.

Participant Accounts

Each participant's account is credited with the participant's contributions, the employer contributions, an allocation of net Plan earnings or losses, and administrative expenses. Allocations are based on participant earnings, account balances or specific participant transactions, as defined in the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their employee deferral contributions plus actual earnings thereon. Vesting in the employer's matching and discretionary non-elective contributions (profit sharing contributions) portion of their accounts is based on years of service in accordance with the following schedule:

Years of Service	Vesting Percentage (%)
1	20
2	40
3	60
4	80
5	100

An employee is considered to have completed one year of service for purposes of vesting upon the completion of 1,000 hours of service at any time during a Plan year. Additionally, participants will be 100% vested in discretionary non-elective contributions if the participant is employed on or after their normal retirement age, which is defined as 65 years of age or if their termination of employment is on account of their death, or if their termination of employment is as a result of becoming disabled.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 (reduced by the highest outstanding loan balance in the participant's account during the prior 12-month period) or 50% of their vested account balance. Participants may not exceed two loans outstanding at any given time. The loans are secured by the balance in the participant's account and bear interest at the prime rate plus 1%. Principal and interest is paid ratably through monthly payroll deductions over a period not to exceed five years, unless the loan is used to purchase a primary residence in which case the loan term may not exceed fifteen years. See CARES Act below for further provisions.

Payment of Benefits

Distributions from the Plan are available to participants or their beneficiaries at retirement, as a result of permanent disability, upon termination of employment, or death. Distributions may also

Jenoptik North America 401(k) Plan

Notes to Financial Statements

be made to participants upon attainment of age 59½ and due to financial hardship, as defined in the Plan agreement. See CARES Act below for further provisions.

Forfeited Accounts

Forfeitures arising from terminated participants with less than a fully vested interest in the Plan are used to pay administrative expense and used to reduce future Company contributions to the Plan. During the years ended December 31, 2021 and 2020, forfeitures credited to the Plan totaled \$83,338 and \$44,951, respectively. Forfeitures used by the Plan totaled \$76,788 and \$31,993 for the years ended December 31, 2021 and 2020, respectively. Forfeitures remaining in the Plan as of December 31, 2021 and 2020 were \$20,254 and \$24,139, respectively.

CARES Act

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) was enacted and signed into law. The CARES Act, among other things, includes several relief provisions available to tax-qualified retirement plans and their participants. Plan management has evaluated the relief provisions available to plan participants under the CARES Act and has implemented the following provisions:

- Special coronavirus distributions up to \$100,000.
- Increased the available loan amount as described in Note 1 to the lesser of \$100,000 or 100% of the participant's vested account balance.
- Extended the period for loan repayments, if applicable, up to one year.
- Suspended required minimum distributions for 2020.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Company determines the Plan's valuation policies utilizing information provided by the Trustee. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in the fair value

Jenoptik North America 401(k) Plan

Notes to Financial Statements

of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

The Plan will pay some or all Plan related expenses. The expenses charged to the Plan such as audit fees, investment management, and Plan administrative fees, may be charged pro-rata to each participant in relation to the size of each participant's account balance or may be charged equally to each participant. In addition, certain expenses are charged to some participant accounts based upon their use of a Plan feature or receipt of a plan distribution. Certain investment expenses which are charged within investments are presented net of the appreciation in fair value of investments. All other expenses of the Plan for the years ended December 31, 2021 and 2020 were paid by the Company and are excluded from these financial statements.

Subsequent Events

The Plan has evaluated subsequent events through October 17, 2022, the date the financial statements were available to be issued. As disclosed in Note 5, the Company has adopted a pre-approved defined contribution plan provided by ADP Retirement Services. To maintain the Plan's tax-qualified status, the Plan was amended and restated effective May 4, 2022, to reflect remedial amendments associated with ADP Retirement Services' requirement to restate pre-approved plan documents every six years.

There were no other subsequent events impacting the Plan which require recognition or disclosure in the financial statements.

3. Certified Investment Information

The Plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Reliance Trust Company, the Trustee, and Capital Bank and Trust, the Former Trustee, both qualified institutions, have certified that the following investment information included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate.

Jenoptik North America 401(k) Plan

Notes to Financial Statements

The following investment information included in the accompanying financial statements was certified by the Trustee:

- Investments and notes receivable from participants as shown in the Statements of Net Assets Available for Benefits as of December 31, 2021.
- Investment income and interest income on notes receivable from participants as shown in the Statements of Changes in Net Assets Available for Benefits for the year ended December 31, 2021.
- Investment information included in the Schedule of Assets (Held at End of Year) as of December 31, 2021, as shown on the ERISA-required supplemental schedule.

Additionally, the following investment information included in the accompanying financial statements was certified by the Former Trustee:

- Investments and notes receivable from participants as shown in the Statements of Net Assets Available for Benefits as of December 31, 2020.
- Investment income and interest income on notes receivable from participants as shown in the Statements of Changes in Net Assets Available for Benefits for the year ended December 31, 2020.

At the request of the Plan administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedule.

4. Fair Value Measurements

Accounting Standards Codification (ASC) 820, *Fair Value Measurement*, provides a fair value hierarchy that prioritizes inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Jenoptik North America 401(k) Plan

Notes to Financial Statements

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Money Market Fund - The money market fund invests in high-quality short-term securities. In accordance with rule 2a-7 under the 1940 Act, the money market fund is valued at amortized cost method, which approximates fair value. This method of valuation is designed to enable the money market fund to price its shares at \$1.00 per share, although each money market fund's share price may deviate from \$1.00 per share. The objective of this money market fund is to preserve capital, liquidity, and achieve the highest possible current income. The money market fund held by the Plan is deemed to be actively traded.

Mutual Funds - These assets are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective Investment Trust (CIT) - This asset is valued at the NAV of units of a collective trust fund. The NAV, as provided by the trustee of the fund, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. The CIT is a direct filing entity.

There are no unfunded commitments or redemption restrictions related to the CIT as of December 31, 2021.

The remainder of this page intentionally left blank.

Notes to Financial Statements

The following tables set forth by level, within the fair value hierarchy, the Plan's investment assets at fair value, as of December 31, 2021 and 2020.

December 31, 2021

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 32,562,830	\$ -	\$ -	\$ 32,562,830
Total Investments, at fair value	\$ 32,562,830	\$ -	\$ -	32,562,830
Investments at NAV ^(a)				1,554,401
Total Investments				\$ 34,117,231

December 31, 2020

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 28,665,204	\$ -	\$ -	\$ 28,665,204
Money market fund	1,487,441	-	-	1,487,441
Total Investments, at fair value	\$ 30,152,645	\$ -	\$ -	\$ 30,152,645

^(a) In accordance with ASC Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items present in the statements of net assets available for benefits.

5. Tax Status

The Plan uses a pre-approved defined contribution plan from ADP Retirement Services. ADP Retirement Services received an opinion letter from the IRS on October 6, 2020, which states that the pre-approved document, as then designed, satisfies the applicable provisions of the Internal Revenue Code (IRC). The Plan itself has not received a determination letter from the IRS. The Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no IRS examinations for any tax periods in progress.

6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of plan termination, participants' accounts would become fully vested and nonforfeitable.

Jenoptik North America 401(k) Plan

Notes to Financial Statements

7. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such change could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

8. Related Party and Party-in-Interest Transactions

ADP Retirement Services is the recordkeeper of the Plan. Participant loan and distribution processing fees are paid to ADP Retirement Services by participants. The Plan paid for third party administrator fees, investment advisory, and plan audit fees which qualify as party-in-interest transactions. The Plan also issues loans to participants which are secured by the vested balance of the participants' accounts. Certain management fees in the form of an expense ratio charged to each investment option are paid by the Plan and deducted from earnings on investments. These transactions are party-in-interest transactions, which are exempt from prohibited transaction rules.

9. Delinquent Participant Contributions

The Company determined that certain employee deferrals had not been remitted to the Plan within the required time period according to the Department of Labor regulations in the amount of \$22,827 during the year ended December 31, 2017. The Company is in the process of calculating the lost earnings for the year ended December 31, 2017 and will deposit such funds into the Plan during the year ended December 31, 2022. The Company is in the process of filing the Form 5330 with the IRS for untimely remittances for the Plan year ended December 31, 2017.

These non-exempt transactions do not affect the tax status opinion of the Plan and the Company intends to pay all potential fines imposed.
