INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of Anixter, Inc. and the
Trustee of the Anixter Inc. Employees Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of the Anixter Inc. Employee Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from Great-West Trust Company, LLC, the trustee of the Plan and a qualified institution, as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

mitchelltitus.com

- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued or are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but it is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material, if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution.

In our report dated September 13, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Notes to the Financial Statements
Years ended December 31, 2021 and 2020

Note 1. Description of Plan

The following description of the Anixter Inc. Employee Savings Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan, established January 1, 1994, is a defined-contribution plan covering all non-union domestic employees of Anixter Inc. (the “Employer”), including part time employees. Employees who are covered under a collective bargaining agreement are not eligible to participate in the Plan unless the agreement specifically provides for participation. Participants are eligible to enroll in the Plan on their date of hire. Participants who do not opt out during the 60 day period beginning on their date of hire are automatically enrolled in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended.

All non-union employees hired after June 1, 2004 and before July 1, 2015, earn a benefit under a Personal Retirement Account (cash account balance); see Note 9 for more information.

In September 2014, Anixter Inc. acquired 100% of the outstanding capital stock of Tri-Northern Acquisition Holdings, Inc. (“Tri-Ed”). The Company authorized and approved Tri-Ed employees to participate in the Plan as of July 1, 2015. In August 2015, the Tri-Ed Distribution 401(k) Plan was merged into the Plan.

In the second quarter of 2017, Anixter Inc. amended the Plan where the Employer shall make a Personal Retirement Contribution to the Plan on behalf of each active participant who is first hired or rehired on or after July 1, 2015 or is employed by an Employer that is not a participating employer in the Anixter Inc. Pension Plan. The amount of each active participant’s Personal Retirement Contribution shall be an amount determined by

Anixter Inc. Employee Savings Plan

Notes to the Financial Statements (continued)

multiplying the Participant's salary for the Plan year by either; (1) two percent if such Participant's years of Service as of August 1 of the Plan year is fewer than five, or (2) two and one-half percent if such participant's years of service as of August 1 of the Plan year is five or greater. This Personal Retirement Contribution is in lieu of employees being eligible for the Anixter Inc. Pension Plan.

On December 31, 2021, the Plan was merged with and into the Wesco Distribution, Inc. Retirement Savings Plan (WDI Retirement Plan). Following the Plan merger, benefit payments will be provided under the WDI Retirement Plan and the Plan's interest of \$731,583,261 in the Anixter Inc. Employee Savings Plan Master Trust was transferred to the Wesco Distribution, Inc. Retirement Savings Plan Master Trust.

Contributions

Non-highly-compensated participants, as defined in the Plan agreement, may elect to contribute up to 50% of pre-tax compensation, up to limits established by the Internal Revenue Service (IRS). Highly-compensated participants may contribute up to 15% of pre-tax compensation, as defined by the Plan, limited to IRS maximum amounts. Subject to IRS limitations, the Employer will make a matching contribution equal to 50% of the before-tax contributions made by the participant, on behalf of a participant that does not exceed 5% of a participant's compensation. See Note 9 for more information on additional Employer contributions through the Personal Retirement Account.

The Plan permits catch-up contributions for participants aged 50 (or who are projected to be age 50 or older by the end of the calendar year) and who are making deferral contributions in the Plan, up to the IRS limit. Also, participants may contribute into the Plan amounts representing distributions from other qualified defined benefit or contribution plans in the form of rollover contributions.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of the Employer's contributions and Plan earnings and losses. Forfeited balances of terminated participants' nonvested accounts are used to reduce future Employer

Anixter Inc. Employee Savings Plan

Notes to the Financial Statements (continued)

contributions. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Vesting

Participants are immediately vested in their contributions, plus actual earnings thereon. Vesting in the Employer's contribution portion of their accounts, plus actual earnings thereon, is based on two years of continuous service. Participants are 100% vested after two years of credited service or upon death, disability, or attaining age 65 while still an employee.

Investment Options

Upon enrollment in the Plan, a participant may direct Employer and participant contributions, in 1% increments, in one or a combination of the investment options offered by the Plan. Participants may change their investment options daily, subject to restrictions imposed by the trustee or its affiliated funds, related to excessive trading.

Anixter Inc. Employee Savings Plan
Notes to the Financial Statements (continued)

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$500 up to a maximum of the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with prevailing rates, as determined by the record-keeper; the interest rate ranges from 3.25% to 5.50%. Principal and interest are paid ratably through regular payroll deductions. Loan repayment periods range from one to five years, in whole-year increments, and maturing in 2022 through 2025.

Payment of Benefits

On termination of service, death, disability, or retirement, a participant or beneficiary may receive a lump-sum amount equal to the vested value of their account.

Forfeited Accounts

Forfeitures by non-vested participants are used generally to reduce future employer contributions. The forfeited non-vested accounts for plan years 2021 and 2020 totaled \$762,277 and \$741,343, respectively. Forfeitures used to offset employer contributions reduced the balance at December 31, 2021 to \$0.

Note 2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investments Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the valuation policies utilizing information provided by the trustee and investment adviser. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on the trade date. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. The net appreciation/(depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes Receivable from Participants

Participant loans receivable are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2021.

Anixter Inc. Employee Savings Plan

Notes to the Financial Statements (continued)

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

The Employer pays substantially all administrative expenses and these amounts are excluded from the financial statements. Investment related expenses, such as management fees and operating expenses are charged to the Plan's investments. Consequently, these expenses are reflected as a reduction of investment returns.

Recently Adopted Accounting Pronouncements

In August 2018, the Financial Accounting Standards Board issued the Accounting Standards Update (“ASU”) No. 2018-13, “Disclosure Framework - Changes to the Disclosure Requirements for Fair Value Measurement.” This ASU removes the requirements to disclose the amount of and reasons for transfers between Level 1 and Level 2 of the fair value hierarchy, the policy for timing of level transfers, and the valuation processes for Level 3 fair value measurements. This ASU requires entities that calculate NAV to disclose the timing of liquidation of an investee’s assets and the date when redemption restrictions might lapse, only if the timing was communicated to the entity or publicly announced, and disclose information on measurement uncertainty as of the reporting date. In addition, this ASU will require entities to present the changes in unrealized gains and losses for recurring Level 3 fair value measurements, as well as the range and weighted average of significant unobservable inputs used to develop Level 3 fair value measurements, based on materiality. The amendments in this ASU are effective for fiscal years beginning after December 15, 2019. All amendments, with the exception of the disclosures on changes in unrealized gains and losses, Level 3 unobservable inputs and measurement uncertainty information, will be applied retrospectively. Early adoption is permitted. The Plan sponsor adopted this ASU during 2020. The standard did not have any significant impact on the presentation of the Plan's fair value measurement disclosures.

Note 3. Fair Value Measurements

The Plan follows the guidance issued under the Fair Value Measurements and Disclosures topic of the FASB ASC, which provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under the guidance are described as follows:

- Level 1 - inputs to the valuation are unadjusted quoted prices in active markets for identical assets or liabilities for which the Plan has the ability to access as of the reporting date.
- Level 2 - valuation inputs include quoted prices for similar assets or liabilities in active markets, quoted prices for identical assets, or inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- Level 3 - valuation inputs are unobservable inputs, such as internally-developed pricing models for the asset due to little or no market activity for the asset.

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. The valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds (registered investment company securities) are valued at the daily closing price as reported by the fund. The mutual funds held by the Plan are primarily open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net assets value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded and have been categorized as Level 1.

Note 4. Information Certified by the Trustee

The Plan administrator has elected the method of reporting permitted by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Accordingly, as permitted under such election, the Plan administrator has obtained a certification from the trustee that the following data included in the accompanying financial statements and schedules are complete and accurate:

- Investments, as shown in the statements of net assets available for Plan benefits as of December 31, 2021 and 2020.
- Notes receivable from participants, as shown in the statements of net assets available for Plan benefits as of December 31, 2021 and 2020.
- Investment income/(loss), as shown in the statements of changes in net assets available for Plan benefits for the years ended December 31, 2021 and 2020.
- The schedule of assets held at end of year as of December 31, 2021.

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and schedules.

Note 5. Related Party Transactions

Certain Plan investments are shares of mutual funds managed by Fidelity Management Trust Company. Fidelity Management Trust Company is the custodian, record-keeper, and trustee as defined by the Plan. Also, the Plan assets include notes receivable from participants. These transactions qualify as party-in-interest transactions that are exempt from the prohibited transaction rules of ERISA.

Note 6. Plan Termination

Although they have not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the

Anixter Inc. Employee Savings Plan

Notes to Financial Statements (continued)

provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note 7. Income Tax Status

The Plan has received a determination letter from the IRS dated March 13, 2017, stating that the Plan is qualified under Section 401(a) of the Internal Revenue Code (IRC) and, therefore, the related trust is exempt from taxation. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require the Plan management to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing authorities; however, there are currently no audits for any tax periods in progress.

Note 8. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of the net assets available for benefits and the changes in assets available for benefits per the financial statements and the Form 5500.

	Year ended December 31, 2021
Assets available for benefits per the financial statements	\$ —
Deemed distributions at end of year*	—
Net Assets available for benefits per the Form 5500	<u>\$ —</u>
	Year ended December 31, 2021
Changes in assets available for benefits per the financial statements	\$ (650,882,734)
Deemed distributions at beginning of year*	271,212
Deemed distributions at end of year*	—
Changes in net assets available for benefits per the Form 5500	<u>\$ (650,611,522)</u>

* Deemed distributions represent a portion of participant loans in default or non-payment status as of year end. This amount is included in the current value of the participant loans reported in the Statement of Net Assets Available for Benefits, but excluded from the current value reported on the Form 5500.

Note 9. Personal Retirement Accounts

All non-union employees who earn a benefit under a Personal Retirement Account (cash balance account) in the Anixter Inc. Pension Plan receive a separate contribution to the Plan in a Personal Retirement Enhancement Account, regardless of whether the employee elects to make 401(k) deferrals to the Plan. Anixter makes such contribution to the Enhancement Account in January of each year for participants who are still employed, based on the balance in the employee's Personal Retirement Account in the Pension Plan at the beginning of the prior year. The contribution is based on the 10-year Treasury securities rate as of the last business day of December before the Personal Retirement Account is valued. The Enhancement Account contribution is invested consistent with the participants' investment elections in the Plan.

Anixter Inc. Employee Savings Plan
Notes to the Financial Statements (continued)

For non-Plan participants, the Enhancement Account contribution is invested in the Fidelity Freedom Fund consistent with the projected year of retirement at age 65. As with other accounts, participants may change these investment elections at any time.

Note 10. Risk and Uncertainties

The Plan invests in various mutual fund securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statement of Assets Available for Benefits.

Note 11. Subsequent Events

The Employer has evaluated these annual financial statements for disclosure of subsequent events through October 17, 2022, the date on which the financial statements were available to be issued, and has identified no material subsequent events.
