Report of Independent Auditors

To the Administrator of Mother Parker's Tea & Coffee USA Ltd. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying 2021 financial statements of Mother Parker's Tea & Coffee USA Ltd. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The 2021 financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, including the related notes (collectively referred to as the 2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Other Matter – 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan, which comprise the statement of net assets available for benefits as of December 31, 2020, and the related statement of changes in net assets available for benefits for the year then ended. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 14, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements, other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

Schedule H, line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Mother Parker's Tea & Coffee USA Ltd. 401(k) Plan

Notes to Financial Statements

December 31, 2021 and 2020

(expressed in US dollars)

1 Description of Plan

The following description of Mother Parker's Tea & Coffee USA Ltd. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions. The Plan is sponsored and administered by Mother Parker's Tea & Coffee USA Ltd. (the Company).

General

The Plan is a defined contribution pension plan for non-union employees of the Company who have completed three months of service, are age 18 or older and are not non-residents. Eligible participants may enter the Plan on the first day of each quarter (January 1, April 1, July 1 or October 1). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

CARES Act

Effective March 27, 2020, the Plan adopted the distribution provision of the Coronavirus Aid, Relief and Economic Security (CARES) Act that was signed into law on March 27, 2020. A CARES Act distribution allows the Plan's participants to take a COVID-19 related distribution up to \$100,000 from the Plan beginning on or after January 1, 2020 and before December 31, 2020. Eligible employees are not required to repay this distribution, but the Plan allows for them to repay their Plan account within three years of the date they received their distribution.

Contributions

Participants may elect to contribute a percentage of pre-tax annual compensation, as defined in the Plan agreement. Participants direct the investment of their contributions into various investment options offered by the Plan. The Company matches 100% of the participants' contributions up to 3% of base salary and 50% of the next 2% of base salary, as defined in the Plan agreement. The matching Company contribution is invested consistent with participant investment choices.

Participant accounts

Each participant's account is credited with the participant's contributions, the Company's matching contributions, earnings or losses from the individual participant's self-directed investment and an allocation of administrative expenses. Allocations are based on the participant's earnings or account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting of Company matching contributions

Company matching contributions vest immediately once a participant earns one year of service (minimum 1,000 hours of service during a Plan year).

Mother Parker's Tea & Coffee USA Ltd. 401(k) Plan

Notes to Financial Statements

December 31, 2021 and 2020

(expressed in US dollars)

Vesting of Company profit-sharing contributions

At the Company's discretion, an employer profit-sharing contribution may be made, with vesting thereon based on years of continuous service, as defined below:

Less than 1 year	nil%
Greater than 1 year but less than 2 years	20%
Greater than 2 years but less than 3 years	40%
Greater than 3 years but less than 4 years	60%
Greater than 4 years but less than 5 years	80%
Greater than 5 years	100%

For the year ended December 31, 2021, the Company has not made any employer profit-sharing contributions to the Plan.

Participant loans

Participants may borrow from their accounts a minimum of \$1,000. Any new loans, when added to the outstanding balance of all other participant loans, will be limited to the lesser of:

- \$50,000, reduced by the excess, if any, of the highest outstanding balance of loans from the Plan during the one-year period ending on the day before the date of the new loan over the current outstanding balance of loans as at the date of the new loan; or
- one-half of the participant's vested interest in the Plan.

Participant loans bear interest at rates commensurate with prevailing local rates, as determined semi-annually by the Plan's administrator. The loans outstanding at December 31, 2021 bear interest at a rate of 4.25% to 6.50% (December 31, 2020 – 4.25% to 6.50%). Principal and interest are paid through regular payroll deductions or through transfers of the same amount to other 401(k) plans. Generally, the term of the loan cannot exceed five years. The maturities of the loans outstanding at December 31, 2021 range from less than one to five years remaining (December 31, 2020 – less than one to five years).

Payment of benefits

On death, disability, retirement or termination of employment, a participant may elect to receive a lump sum amount equal to the value of the participant's vested interest in their account or transfer the equivalent amount to another plan.

Forfeitures

Participants not fully vested in employer contributions upon termination of employment forfeit their non-vested balances when they incur a forfeiture break in service. A forfeiture will occur as of the earlier of (1) the last day of the Plan Year in which the former participant incurs five consecutive 1-Year breaks in service, or (2) the distribution of the entire vested portion of the participant's account. The forfeitures are retained in the Plan and are used to either pay administrative expenses or reduce future employer contributions payable under the Plan. During 2021, \$108.50 of assets was forfeited (2020 – \$nil) and \$108.98 of forfeited unallocated assets

was used to reduce employer contributions (2020 – \$nil). Unallocated forfeited non-vested accounts totaled \$10.15 as at December 31, 2021 (December 31, 2020 – \$10.63).

2 Summary of significant accounting policies

Basis of accounting

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (US GAAP) on the accrual basis of accounting and present the net assets available for benefits and changes in those net assets.

Use of estimates

The preparation of financial statements in conformity with US GAAP requires the Plan's administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein and the disclosure of contingent assets and liabilities. Actual results could differ from those estimates. The most significant estimate is the fair value of investments.

Investment valuation and income recognition

The Plan's investments are stated at fair value (note 4).

Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation/appreciation in the fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Participant loans are recorded at their amortized cost, which approximates fair value. All loans with delinquent payments are deemed to be benefits paid to participants.

Administrative expenses

Administrative expenses may be paid out of the Plan unless paid by the Company on behalf of the Plan. Such expenses shall include any expenses incidental to the functioning of the Plan's administrator, fees of account, counsel, investment management and other specialist costs. Certain of the Plan's administrative expenses are absorbed by the Company with no expectation of repayment.

3 Summary of information certified by trustees

The Plan's administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Reliance Trust Company has certified the following information as complete and accurate as at December 31, 2021 and 2020 and for the year ended December 31, 2021. The following information has been relied on in the preparation of the financial statements:

- investment balances at fair value, in the aggregate and by fund, as at December 31, 2021 and December 31, 2020 as reported on Schedule H;

- interest on loans receivable from participants, for the year ended December 31, 2021 and December 31, 2020;
- dividend income credited to the Plan, in the aggregate and by fund, for the year ended December 31, 2021;
- net change in the fair value of Plan investments, including gain or loss on sales by fund, in the aggregate and by fund, for the year ended December 31, 2021; and
- Schedule H, line 4i – Schedule of Assets (Held at End of Year).

5 Fair value measurements

Financial Accounting Standards Board, Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures (ASC 820), establishes a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

- Level 1 – inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 – inputs to the valuation methodology include:
 - quoted prices for similar assets or liabilities in active markets;
 - quoted prices for identical or similar assets or liabilities in inactive markets;
 - inputs other than quoted prices that are observable for the asset or liability; and

Mother Parker's Tea & Coffee USA Ltd. 401(k) Plan

Notes to Financial Statements

December 31, 2021 and 2020

(expressed in US dollars)

- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 – inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value as at December 31, 2021:

- Mutual funds – valued based on quoted market prices, which represent the net asset values (NAV) of units held by the Plan as at year-end and are classified as Level 2 within the hierarchy.
- Common collective trusts – valued using NAV as provided by the fund manager, as a practical expedient for fair value (and not included in the levelling table), and, therefore, excluded from the fair value hierarchy table per ASU 2015-07.

As there are no other investments, the fair value hierarchy table has not been included. There were no transfers between the Plan's Level 1 and Level 2 investments during the year.

6 Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, all affected participants' combined accounts shall become 100% vested and shall not thereafter be subject to forfeiture, and all unallocated amounts, including forfeitures, shall be allocated to the accounts of all participants.

7 Related party transactions

Fees paid by the Plan in 2021 for these investment management services amounted to \$88,623 (2020 – \$79,091).

Loans to participants as at December 31, 2021 were \$486,903 (2020 – \$538,273) and are also considered party-in-interest transactions. The Plan recognized interest income from its loans to participants of \$34,657 for the year ended December 31, 2021 (2020 – \$37,836).

8 Tax status

The Internal Revenue Service (IRS) has determined and informed the Company by a letter dated July 16, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has not been amended since receiving the determination letter. The Plan's administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes the Plan is qualified and the related trust is tax-exempt.

US GAAP requires Plan management to evaluate tax positions taken by the Plan and to recognize a tax liability (or asset) if the Company has taken an uncertain position that more likely than not would not be sustained on examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as at December 31, 2021 and December 31, 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan from 2018, 2019 and 2020 are subject to routine audits by taxing jurisdictions; there are currently no audits for any tax periods in progress.

Notes to Financial Statements

December 31, 2021 and 2020

(expressed in US dollars)

10 Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

In March 2020, the World Health Organization declared a global pandemic related to the coronavirus disease known as COVID-19. Global financial markets have experienced and may continue to experience significant volatility resulting from the spread of COVID-19. The extent of the impact of COVID-19 on the Plan's net assets available for benefits, contributions, benefit payments and withdrawals will depend on future developments, including the duration and continued spread of the outbreak.

11 Subsequent events

The Company evaluated subsequent events after the statement of net assets available for benefits date of December 31, 2021 through October 17, 2022, the date the financial statements were issued.

The Company did not identify any subsequent events requiring recognition or disclosure during this period.
