Scope And Nature Of The ERISA Section 103(a)(3)(C) Audit For The 2021 Financial Statements

We have performed an audit of the financial statements of Pretium Packaging LLC 401(k) Savings and Investment Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion On The 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities For The Audit Of The 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis For Opinion On The 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities For The Audit Of The 2021 Financial Statements section of our report. We are required to be independent of the Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities Of Management For The 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities For The Audit Of The 2021 Financial Statements

Except as described in the Scope And Nature Of The ERISA Section 103(a)(3)(C) Audit For The 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required By ERISA

The supplemental schedule of Assets Held at End of Year as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report On The 2020 Financial Statements

We were engaged to audit the statement of net assets available for benefits of the Plan as of December 31, 2020, and the related statement of changes in net assets available for benefits for the year then ended. As permitted by 29 CFR 2520.103-8 of the Department Of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report, dated October 15, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department Of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

401(k) SAVINGS AND INVESTMENT PLAN

NOTES TO FINANCIAL STATEMENTS
December 31, 2021 And 2020

1. Description Of The Plan

The following description of Pretium Packaging LLC 401(k) Savings and Investment Plan (the Plan) provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan, with a 401(k) provision, covering all eligible employees of Pretium Packaging LLC (the Company or Plan Sponsor) who have completed one month of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. On October 16, 2020, all assets of the Olcott Plastics 401(k) Retirement Plan were merged into the Plan. These transfers have been reflected as a conversion in the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2020.

Contributions

Participants may contribute up to 100% of eligible compensation to the Plan, subject to the limits of the Internal Revenue Code (the IRC). Catch up contributions are also allowed for participants who have attained age 50 before the end of the year. The Plan allows for both pretax and Roth contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). Effective January 1, 2020, the Company makes a safe harbor matching contribution, on behalf of each participant, equal to 100% of salary deferrals up to the first 3% of the participant's compensation and 50% of salary deferrals for the following 2% of the participant's compensation. All contributions are subject to applicable limitations.

Vesting

Participants are immediately vested in their contributions and safe harbor matching contributions plus actual earnings (losses) thereon. Participants vest in the employer matching contributions based on years of continuous service, as defined in the Plan Document. Participants are partially vested after one year and are 100% vested after three years of service.

Forfeitures

Forfeitures are used to pay Plan expenses. Forfeitures used to pay Plan expenses amounted to \$835 for the year ended December 31, 2021. No forfeitures were used to pay Plan expenses during 2020. Forfeitures available to reduce future Plan expenses were \$85,570 and \$81,826 at December 31, 2021 and 2020, respectively.

PRETIUM PACKAGING LLC
401(k) SAVINGS AND INVESTMENT PLAN

Notes To Financial Statements (*Continued*)

Administration Of The Plan

Fidelity Management Trust Company (Fidelity) was the Plan's Trustee and record-keeper for 2021 and 2020.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Company's matching contributions and an allocation of the Plan's earnings (losses). The allocation of earnings (losses) is determined by the earnings (losses) of the participant's investment selection based on each participant's balance, as defined in the Plan Document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Payment Of Benefits

Upon termination of service due to death, disability, retirement, or any other reason, a participant may receive a lump-sum payment for the value of the participant's vested interest in his or her account. The Plan allows for hardship distributions from a participant's vested account balance subject to certain Plan provisions. Participants may also receive in-service distributions upon attainment of age 59 1/2.

The Plan also permitted participants to request up to \$100,000 in coronavirus related distributions, with repayment terms of up to three years, in accordance with the Coronavirus Aid, Relief, and Economic Security (CARES) Act enacted in March 2020. The ability to request coronavirus-related distributions under the CARES Act ceased as of December 31, 2020.

Notes Receivable From Participants

Participants may borrow from their fund accounts up to a maximum of \$50,000 or 50% of their vested account balance. Note terms range from one to five years (longer for the purchase of a primary residence), at a mutually agreed term between the participant and the Plan Administrator. The notes are secured by the vested balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan Administrator. Principal and interest are paid through payroll deductions.

PRETIUM PACKAGING LLC
401(k) SAVINGS AND INVESTMENT PLAN

Notes To Financial Statements (*Continued*)

Pursuant to the CARES Act, Plan participants could request a delay of note repayments for repayments that occurred between March 27, 2020 and December 31, 2020. If a delay was granted, the participant note was reamortized and included any interest accrued during the period of delay. The ability to request a delay in note repayments under the CARES Act ceased as of December 31, 2020. In addition, the limit on notes receivable was increased to \$100,000 or 100% of the participant's vested account balance. The increased loan limit was available for 180 days after the enactment of the CARES Act.

Returns Of Excess Participant Contributions

Amounts payable to participants for contributions in excess of amounts allowed by the IRC are recorded as a liability with a corresponding reduction to contributions.

Administrative Expenses

The Plan pays certain administrative expenses. Other expenses of the Plan are paid by the Plan Sponsor and are not included in the statement of changes in net assets available for benefits. Administrative expenses include recordkeeping fees, professional fees and trust fees.

2. Summary Of Significant Accounting Policies

Basis Of Accounting

The accompanying financial statements are presented on the accrual basis of accounting, except for benefit payments, which are recorded when paid.

Estimates And Assumptions

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions to and deductions from net assets during the reporting period. Actual results could differ from those estimates.

Valuation Of Investments And Income Recognition

The Plan's investments are stated at fair value, which is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for further discussion on fair value measurements.

PRETIUM PACKAGING LLC
401(k) SAVINGS AND INVESTMENT PLAN

Notes To Financial Statements (*Continued*)

Interest income is recorded as earned on the accrual basis. Purchases and sales of securities are recorded on a trade date basis. Dividends are recorded on the ex-dividend date.

Net appreciation (depreciation) represents the difference between the aggregate fair value of investments at year end and the values at the beginning of the year and includes any realized gains and losses in securities that were bought and sold during the year.

Notes Receivable From Participants

Notes receivable from participants are measured at the unpaid principal balance plus accrued but unpaid interest. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. Delinquent notes receivable are reclassified as distributions based upon the terms of the Plan Document. Interest income is recorded as earned on the accrual basis.

Payment Of Benefits

Benefits are recorded when paid.

Subsequent Events

Management evaluates subsequent events through the date the financial statements are available for issue, which is the date of the Independent Auditors' Report.

3. Investments

The following is a summary of the Plan's asset information as of December 31, 2021 and 2020, and for the years then ended, included throughout the Plan's financial statements and supplemental schedule that was prepared by or derived from information certified by Fidelity (the Trustee), and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the Trustee that the information provided to the Plan Administrator related to the following information is complete and accurate.

PRETIUM PACKAGING LLC
401(k) SAVINGS AND INVESTMENT PLAN

Notes To Financial Statements (*Continued*)

Accordingly, as permitted by CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information that appears throughout the financial statements and supplemental schedule related to the following assets as of December 31:

	<u>2021</u>	<u>2020</u>
Investments - At Fair Value		
Mutual funds	\$ 47,316,860	\$ 39,507,119
Collective investment trust	1,853,150	2,008,271
Brokerage securities	389,440	286,442
Notes receivable from participants	1,358,456	1,246,830

The Trustee also certified to the completeness and accuracy related the following investment income and interest income on notes receivable from participants for the years ended December 31:

	<u>2021</u>	<u>2020</u>
Net appreciation in fair value of investments	\$ 4,341,626	\$ 4,317,496
Interest and dividend income	1,179,021	884,051
Interest income on notes receivable from participants	76,838	62,764

4. Fair Value Measurements

The Plan utilizes an established framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy are described below:

- Level 1: Quoted market prices in active markets for identical assets or liabilities.
- Level 2: Observable market based inputs or unobservable inputs that are corroborated by market data.
- Level 3: Unobservable inputs reflecting the reporting entity's own assumptions or external inputs from inactive markets.

PRETIUM PACKAGING LLC
401(k) SAVINGS AND INVESTMENT PLAN

Notes To Financial Statements (*Continued*)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for investments measured at fair value:

Mutual Funds

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The self-directed mutual funds held by the Plan are deemed to be actively traded.

Collective Investment Trust

Valued at the NAV of units of the individual fund. The NAV, as provided by the trustee of the invested fund, is used as a practical expedient to estimate fair value and is calculated daily by the trustee. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Withdrawals from the common collective trust for benefit payments are made within 30 days after the request for distribution. The collective investment trust files an annual report on Form 5500 as a direct filing entity, and there are no capital commitments related to the collective investment trust.

Brokerage Securities

Brokerage securities are comprised of mutual funds, a money market fund, and common stocks. The mutual funds and money market fund held by the Plan are open-end investment funds that are registered with the Securities and Exchange Commission. These investment funds are required to publish their daily net asset value and transact at that price. The investment funds held by the Plan are deemed to be actively traded. The common stocks are valued at the closing price reported on the active market on which the individual securities are traded.

PRETIUM PACKAGING LLC
401(k) SAVINGS AND INVESTMENT PLAN

Notes To Financial Statements (*Continued*)

The methods described above may produce fair value calculations that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020.

	December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 47,316,860	\$ —	\$ —	\$ 47,316,860
Brokerage securities	389,440	—	—	389,440
Investment measured at net asset value (a)				1,853,150
Total investments at fair value				\$ 49,559,450

	December 31, 2020			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 39,507,119	\$ —	\$ —	\$ 39,507,119
Brokerage securities	286,442	—	—	286,442
Investment measured at net asset value (a)				2,008,271
Total investments at fair value				\$ 41,801,832

- (a) Certain investments that are measured at fair value using the net asset value per share (or its equivalent) as a practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statement of net assets available for benefits.

There have been no changes in the valuation methodologies used at December 31, 2021 or 2020.

5. Notes Receivable From Participants

Notes receivable from participants are secured by participants' vested account balances. The notes bear interest at rates ranging from 4.25% to 7.50% and are due at various dates through February 2044.

PRETIUM PACKAGING LLC
401(k) SAVINGS AND INVESTMENT PLAN

Notes To Financial Statements *(Continued)*

6. Plan Termination

Although it has not expressed intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

7. Income Tax Status

The Company uses a prototype plan document sponsored by Fidelity Management & Research, LLC (FMR). FMR received an opinion letter from the IRS, dated June 30, 2020, which states that the prototype document satisfies the applicable provisions of the IRC. The Plan itself has not received a determination letter from the IRS. However, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and with certain IRS guidance, which provides that, if certain conditions are met, an employer may rely on a favorable opinion letter issued to a prototype plan sponsor as if the employer had received a favorable determination letter.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8. Risks And Uncertainties

The Plan invests in various investment securities, which generally are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

PRETIUM PACKAGING LLC
401(k) SAVINGS AND INVESTMENT PLAN

Notes To Financial Statements (*Continued*)

9. Party In Interest Transactions

Certain participants have outstanding loans with the Plan as of December 31, 2021 and 2020. These transactions are considered party in interest transactions allowable under ERISA.

The Plan investments include mutual funds managed by Fidelity Investments, an affiliate of Fidelity as defined by the Plan and, therefore, qualify as party in interest transactions.

10. Reconciliation Of Financial Statements To Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500:

	<u>2021</u>	<u>2020</u>

Memo

To: IRS
From: Pretium Corporate Human Resources
Date: October 18, 2022
Re: 5500 Filing

Apologies for the late 5500 filing for the 2021 plan year. There was a miscommunication between our benefits broker (Mercer) and our Pretium HR Team in regard to who would be completing this. It was finally communicated that our broker was only filing the Welfare plans and not the 401k filings.

Respectfully,

Alex Chirco
