## Independent Auditors' Report

To the Participants and Plan Administrator of
Manhattan Beer Distributors Union Employees 401(k) Plan
Bronx, New York

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Manhattan Beer Distributors Union Employees 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits (modified cash basis) as of December 31, 2021, and the related statement of changes in net assets available for benefits (modified cash basis) for the year then ended, and the related notes to the financial statements

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting described in Note 2.

Baker Tilly US, LLP, trading as Baker Tilly, is a member of the global network of Baker Tilly International Ltd., the members of which are separate and independent legal entities. ©2020 Baker Tilly US, LLP

- the information in the 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion on the 2021 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Emphasis of Matter – Basis of Accounting**

We draw attention to Note 2 to the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

**Responsibilities of Management for the 2021 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with modified cash basis of accounting described in Note 2, and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of financial statements in the circumstances. Management is also responsible for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditors' Responsibilities for the Audit of the 2021 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that,

individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis described in Note 2.

**We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.**

**Other Matter - 2021 Supplemental Schedule Required by ERISA**

The supplemental schedule of assets held for investment purposes (modified cash basis) and schedule of delinquent participant contributions as of and for the year ended December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the

certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Other Matter - Auditors' Report on the 2020 Financial Statements**

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 11, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

## NOTES TO FINANCIAL STATEMENTS

### 1. GENERAL DESCRIPTION OF THE PLAN

The following description of the Manhattan Beer Distributors Union Employees 401(k) Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

**General -** The Plan was established by Manhattan Beer Distributors, LLC (the "Company" or the "Sponsor") effective January 1, 1998 and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended. All employees of the Company who are covered by a collective bargaining agreement, have attained the age of eighteen, and have completed sixty calendar days of employment are eligible to participate in the Plan. An employee may enter the Plan on January 1 or July 1 following the date he or she met the eligibility requirements.

**Contributions** Eligible participants may elect to defer up to 75% of their covered compensation subject to certain limitations and in addition, may make catch-up contributions in amounts pursuant to the Internal Revenue Code. In accordance with the collective bargaining agreement, the Company makes nonelective contributions on behalf of participants equal to 2% of each participant's compensation for individuals hired by the Company as of June 30, 1999 and 1% for individuals hired on or after July 1, 1999 and on or before August 31, 2000. For individuals hired after August 31, 2000, the Company is not required to make any contribution. Employer profit sharing contributions approximated $221,000 for the year ended December 31, 2021. Participants may make rollover contributions from an eligible retirement plan, as defined in the Plan.

**Participant accounts -** Each participant's funds are kept in their own separate accounts. Each participant's account is credited with the participant's contribution. Company profit sharing contributions are tracked separately for vesting purposes. Participants direct the investment of their accounts in one or more of the available funds. Net investment income or loss in each fund and administrative expenses paid by the Plan (see Note 7) are allocated to each participant's account in proportion to account balances, as defined. Forfeitures of terminated participants' nonvested Company contribution accounts may be used to pay plan administrative expenses or to reduce the Company's contributions. Forfeitures of approximately $9,000 were allocated to participants as additional contributions during the year ended December 31, 2021.

**Vesting -** Participants are immediately vested in their elective deferral contributions. Vesting in the Company's contributions in the participants' accounts is based on years of continuous service. A participant will be 100% vested in the Company's profit sharing contributions after six years of credited service or if employed by the Company upon reaching the age of 65. All active participants who receive nonelective contributions are 100% vested in those contributions, inasmuch as they have been employed since at least August 31, 2000.

**Payment of benefits -** On termination of service, a participant may elect to receive either a lump-sum payment or installment payments of the value of their vested percentage in their accounts subject to Plan provisions for balances over $5,000. Balances of less than $5,000 may only be paid in a lump-sum.

**Termination of plan -** While the Company has not expressed any intent to discontinue its contributions or terminate the Plan, it is free to do so at any time. In the event of complete discontinuance of Company

contributions or the termination of the Plan, each participant will become fully vested in all amounts credited to his or her individual participant accounts.

**Notes receivable from participants -** Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. The loans bear interest at a rate of 4.25% to 6.50%, which are commensurate with local prevailing rates as determined quarterly by the Plan Administrator. Principal and interest is paid ratably through regular payroll deductions. The period of repayment of any loan may not exceed 5 years, however if the loan is for the purchase of a principal residence the Plan Administrator may permit a longer repayment term. All loans are secured by the balance of the participant's account and participants can have a maximum of two outstanding loans.

**Plan updates -** The Setting Every Community Up for Retirement Enhancement Act (the "SECURE Act") became law on December 20, 2019, and became effective on January 1, 2020, bringing about certain changes to Internal Revenue Service regulations that allow retirees to delay taking required minimum distributions ("RMD's") until age 72, up from the previously required age of 70 1/2. As such, participants who turned 70 1/2 before December 31, 2019 would be required to be paid a RMD by April 1 of 2020 and any subsequent years, while a participant who turned 70 1/2 after December 31, 2019, would not be required to be paid an RMD until April 1 of the year after they reach the age of 72.

On April 7, 2020, the Plan's management opted to implement certain provisions of the Coronavirus Aid, Relief and Economic Security Act of 2020 (the "CARES Act"), more specifically those allowing qualified individuals to (i) take a penalty-free retirement account distribution of a maximum of $100,000 until December 30, 2020, (ii) borrow up to the lesser of $100,000 or 100% of the individual's vested balance between March 27, 2020 and September 22, 2020 and (iii) defer loan repayment for a period of one year for any repayments due between March 27, 2020 and December 31, 2020. The CARES Act also waived RMD requirements in 2020, including 2019 first year RMD's for individuals born before July 1, 1949, with an RMD payable no later than April 1, 2020. In accordance with the CARES Act, the Plan sponsor will formally amend plan documents with regard to these provisions on or before the last day of the first plan year beginning on or after January 1, 2022.

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

**Basis of accounting -** The Plan prepares its financial statements on the modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America ("GAAP"). The modified cash basis of accounting utilizes the cash basis of accounting while carrying investments at fair value and recording investment income or loss on the accrual basis. Consequently, contributions are recognized when received rather than when earned, and expenses are recognized when paid rather than when the obligation is incurred.

**Current economic conditions -** The Plan's investments are subject to changes in value from the impact of social and natural catastrophic events that are beyond its control, such as health epidemics, natural disasters and other catastrophes, which may materially and adversely affect their respective values. The Plan is currently monitoring the global pandemic of the coronavirus disease known as COVID-19 and is assessing the impact that it could have on the values of its investments, including a potential decline in

the fair value of investments due to the disruption of financial markets. Future developments with respect to COVID-19 remain highly uncertain and difficult to forecast. Accordingly, the Plan is unable to quantify the full impact of COVID-19 and it is at least reasonably possible that changes in the fair values of investments will materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits in the near term.

**Investment valuation and income recognition -** Investments are reported at fair value, except for the fully benefit-responsive investment contract which is reported at contract value (see Note 4). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the modified cash basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Notes receivable from participants -** Participant loans are classified as notes receivable from participants and are measured at their unpaid principal balance plus any accrued but unpaid interest. Notes receivable from participants are reported as investments on Form 5500. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document. Related fees are recorded as administrative expense and are expensed as incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020.

**Payment of benefits -** Benefits are recorded when paid.

**Estimates -** The preparation of financial statements in conformity with the modified cash basis of accounting requires management to make estimates and assumptions that affect the amounts reported in the financial statements and the accompanying notes. Actual results could differ from those estimates.

Significant estimates used in preparing these financial statements include assumptions used to estimate the fair value of investments.

**Subsequent events -** Management has evaluated events and transactions for potential recognition or disclosure through October 14, 2022, the date the financial statements were available to be issued.

## 3. FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, "Fair Value Measurement", establishes a framework for measuring fair value that provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are summarized as follows:

## NOTES TO FINANCIAL STATEMENTS

**Level 1 -** Valuations based on unadjusted quoted prices in active markets for identical assets or liabilities that the Plan can access. Since valuations are based on quoted prices that are readily and regularly available in an active market, valuation of these securities does not entail a significant degree of judgment. Level 1 investments of the Plan consist of registered investment companies (mutual funds) and a money market fund which are valued at the net asset value ("NAV") of shares held by the Plan at year end where NAV is publicly available.

**Level 2 -** Valuations based on quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in markets that are not active or inputs other than quoted prices that are observable, either directly or indirectly.

**Level 3 -** Valuations based on inputs that are unobservable and significant to the overall fair value measurement that reflect the assumptions that market participants would use.

In certain cases, the inputs used to measure fair value may fall into different levels of the fair value hierarchy. In such cases, for disclosure purposes, the level in the fair value hierarchy within which the fair value measurement falls in its entirety is determined by the lowest level input that is significant to the fair value measurement. Although the degree of judgment exercised by the Plan in determining fair value is greatest for investments categorized in Level 3, the inputs or methodology used for valuing investments are not necessarily an indication of the risk associated with those investments.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020:

| | Investments at Fair Value at December 31, 2021 | | | |
|---|---|---|---|---|
| | **Level 1** | **Level 2** | **Level 3** | **Total** |

(a) At December 31, 2021 and 2020, the Plan has an investment in the T. Rowe Price Stable Value Fund (the "Fund"). The Fund is primarily invested in guaranteed investment contracts and synthetic investment contracts. Participant-directed redemptions of the Fund have no restrictions; however, the Plan is required to provide a one year redemption notice to liquidate its entire share in the Fund. The Fund invests in fully benefit-responsive investment contracts. The Plan's investment in the Fund is not an investment in a fully benefit-responsive investment contract and is therefore measured and reported at fair value. The net asset value reported by the Fund is used by the Plan as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the Plan will sell the investment for an amount different from the reported net asset value. The ability to transact at net asset value may be limited in certain significant circumstances, specifically employer-initiated events such as plan termination, bankruptcy or reorganization, early retirement incentive programs or tax disqualifications.

## 4. INVESTMENTS

Effective November 15, 2021, T. Rowe Price Retirement Plan Services Inc. became the record keeper for the Plan and Reliance Trust Company ("Reliance") became the trustee and custodian of the Plan. Prior to November 15, 2021, Great West Trust Company, LLC and its related companies ("Great West") was the trustee, custodian, and record keeper. Accordingly, Reliance, the trustee at December 31, 2021 and for the period, November 15, 2021 to December 31, 2021 and Great West, the trustee at December 31, 2020 and for the period January 1, 2021 to November 14, 2021 have certified to the accuracy and completeness of the investments and notes receivable from participants, and related investment income and interest income on notes receivable from participants, as reported in the accompanying financial

statements and supplemental schedule as of December 31, 2021 and 2020 and for the year ended December 31, 2021.

At December 31, 2021 and 2020, the Plan has an investment in the Key Guaranteed Portfolio Fund (the "Fund") which is a general account product of Great West Life & Annuity Insurance Company. The Fund, which was formed for the purpose of allowing participating plan sponsors who maintain qualified defined contribution plans to invest in a group annuity contract, provides a fixed interest rate that is reset every quarter (never to be less than 0%) with consideration of various factors, including the earnings on the underlying assets of the Fund and prevailing market conditions. As previously disclosed (see Note 2), this contract meets the fully benefit-responsive investment contract criteria and is therefore reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Great West Life & Annuity Insurance Company guarantees the contract value of the Fund, which represents contributions, plus interest, less participant-initiated withdrawals or transfers. The ability to transact at contract value may be limited in certain significant circumstances, specifically employer initiated events such as plan termination, bankruptcy or reorganization, early retirement incentive programs or tax disqualifications. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

## 5. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits between that shown on the financial statements and on Form 5500:

| | December 31, 2021 | December 31, 2020 |
|---|---|---|
| Net assets available for benefits per the financial statements | $ 27,992,836 | $ 24,903,048 |
| Less - Adjustment from Fair Value to Contract Value (Common Collective Trust) | (1,086) | - |
| Net assets available for benefits per Form 5500 | $ 27,991,750 | $ 24,903,048 |

## 6. TAX STATUS

The Company has adopted a prototype plan which has received an opinion letter from the Internal Revenue Service stating that the prototype plan satisfies the applicable sections of the Internal Revenue Code. The Plan was subsequently amended to comply with recent legislation necessary to ensure continued tax favored treatment. The Plan's management believes that the Plan is designed and is

currently being operated in compliance with the applicable requirements of ERISA and the Internal Revenue Code and therefore fulfills the criteria for exemption from federal and state income tax.
GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. Such liability (asset) is not recognized under the modified cash basis of accounting, however the Plan's management has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021, there are no uncertain tax positions taken or expected to be taken by the Plan that would require disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

## 7. PARTY-IN-INTEREST TRANSACTIONS AND ADMINISTRATIVE EXPENSES

The Company pays certain administrative expenses of the Plan. Additionally, certain services are rendered to the Plan by the Company at no cost to the Plan. Effective November 15, 2021, T. Rowe Price Retirement Plan Services Inc. became the record keeper for the Plan and Reliance Trust Company ("Reliance") became the trustee and custodian of the Plan. Prior to November 15, 2021, Great West Trust Company, LLC and its related companies ("Great West") was the trustee, custodian and the record keeper for the Plan and also manage the Key Guaranteed Portfolio Fund (see Note 4). The charges by Reliance and Great West for its services and charges by the investment advisor for investment advisory fees are recorded as administrative expenses on the statement of changes in net assets available for benefits. Additionally, the Plan issues loans to participants which are secured by the participant's account balances. These transactions qualify as party-in-interest transactions.

## 8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. The Plan's exposure to a concentration of risk is limited by the diversification of investments across multiple investment fund options. Additionally, the investments within each investment fund option are further diversified into varied financial instruments. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

## 9. DELINQUENT PARTICIPANT CONTRIBUTIONS

The Company has failed to transmit participant contributions and loan repayments to the Plan within the time period described in the Code of Federal Regulations for numerous periods through June of 2020. Late payments result in a prohibited transaction inasmuch as a late remittance is deemed to create a loan to the Company. During 2021 and 2020 the Company corrected the prohibited transactions by making a contribution to the Plan to compensate for lost earnings resulting from the aforementioned late remittances. The amount of lost earnings was not material to the Plan's financial statements.
