INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of
Diabetic Care RX LLC dba Patient Care America 401k Profit Sharing
Pompano Beach, Florida 33064

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Diabetic Care RX LLC dba Patient Care America 401K Profit Sharing (Patient Care America 401K Profit Sharing), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements

Management, having determined it is permissible in the circumstances, has elected to have the audit of Patient Care America 401K Profit Sharing's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note E to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Patient Care America 401K Profit Sharing and to meet our ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Patient Care America 401K Profit Sharing's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted accounting standards, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Patient Care America 401K Profit Sharing's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment there are conditions or events, considered in the aggregate, that raise substantial doubt about Patient Care America 401K Profit Sharing's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matter that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule of Assets (Held at Year End) as of December 31, 2021 is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of
Diabetic Care RX LLC dba Patient Care America 401k Profit Sharing
Pompano Beach, Florida 33064

We were engaged to audit the accompanying statement of net assets available for benefits of Diabetic Care RX LLC dba Patient Care America 401k Profit Sharing as of December 31, 2020, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of this financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on the 2020 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note E, which was certified by Reliance Trust Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of December 31, 2020, that the information provided to the plan administrator by the trustee is complete and accurate.

**To the Trustees of
Patient Care America 401k Profit Sharing**

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statement. Accordingly, we do not express an opinion on the 2020 financial statement.

Report on Form and Content in Compliance With DOL Rules and Regulations for 2020 Financial Statement

The form and content of the information included in the 2020 financial statement, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTE A – DESCRIPTION OF PLAN

The following description of the Diabetic Care RX LLC dba Patient Care America 401k Profit Sharing (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of the Diabetic Care RX LLC dba Patient Care America ('the Company') who are age twenty-one or older and have completed two months of service. The plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions

For 2021, participants could contribute up to \$19,500. Participants who reach age 50 during the calendar year may contribute an additional \$6,500, for a total of \$26,000 for 2021 of their pretax annual compensation as defined by the Plan. Upon a participant being eligible to participate in the Plan, the participant is automatically enrolled with an automatic deferral of 6% unless the participant opts out. The Company will match 100% on the first 1% of participant's contributions, plus 50% of each participant's contributions between 1% and 6%. Finally, the Company may elect to make either a matching contribution at year end (not related to the Qualified Automatic Contribution Arrangement) or make a nonelective contribution to the Plan, both of which are not required.

Employer matching contributions for the year ended December 31, 2021 amounted to \$272,558.

Participant Accounts

Each participant's account is credited with the participant's contribution and an allocation of (a) the Company's matching contributions, (b) the Company's profit-sharing contribution, (c) Plan earnings and losses, and (d) charged with an allocation of any administrative expenses paid by the Plan. Allocations are based on account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions and the employer matching contributions, plus actual earnings thereon. All participants who terminate due to death, disability, or attainment of Normal Retirement Age are 100% vested in their total account balance. If the participant leaves the company for any other reason, they will be vested in their nonelective contributions according to the following schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2 years	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 years and after	100%

NOTE A – DESCRIPTION OF PLAN – CONTINUED

Investment Options

Upon enrollment in the Plan, a participant may direct the Trustee on how to invest any portion of his or her elective deferrals, rollover contributions and Employer contributions. Participants may change their investment elections at any time at the option level. Participant investment options at December 31, 2021 and 2020 include funds with a variety of mutual funds, bonds, other fixed income securities, stocks and foreign common stocks.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Upon a new loan, the \$50,000 in the preceding sentence is reduced by the highest outstanding loan balance under the Plan during the previous one-year period. Loans must be repaid within 5 years or up to 30 years for loans used to purchase a primary residence. The loans are secured by the balance in the participant's account and bear interest at the rate in effect in the month the loan is effective. The rate is the prime rate as published by The Wall Street Journal on the 14th day of each month, plus 2%. Principal and interest is paid ratably through bi-weekly payroll deductions.

Payment of Benefits

Upon termination of service due to death, disability, or retirement, a participant with a vested balance that exceeds \$5,000 may elect to receive an amount equal to the value of the participant's vested interest in their account, in either a lump-sum amount, or in installments if the participant's vested account exceeds \$5,000. If the vested balance is under \$5,000, the Company can cash out the participant's entire vested account balance in the Plan. For termination of service due to other reasons, a participant may receive the value of his or her vested account as a lump-sum distribution. In addition, Hardship distributions are allowed under the Plan.

Forfeited Accounts

At December 31, 2021 and 2020, forfeited non vested accounts. These accounts will be used to reduce future administrative expenses or employer contributions. During 2021, no forfeited funds were used to pay administrative expenses or to reduce employer contributions.

NOTE B - SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting.

Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from these estimates.

NOTE B - SUMMARY OF ACCOUNTING POLICIES - CONTINUED

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note C for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a deemed distribution payment is recorded. If the participant resumes payment under the Plan in a later year, the loan is re-instated with an offset to deemed distributions for the amount previously deemed a distribution.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Expenses

Administration expenses are recorded when paid. Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from the financial statements.

Date of Management's Review

Management has evaluated subsequent events through October 13, 2022, which is the date the financial statements were available to be issued.

NOTE C – FAIR VALUE MEASUREMENTS

ASC Topic 820 *Fair Value Measurements and Disclosures* establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The three levels of the fair value hierarchy under ASC 820 are described below:

- Level 1: Inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority.
- Level 2: Inputs consist of observable inputs other than quoted prices for identical assets (Level 1).

NOTES TO FINANCIAL STATEMENTS

December 31, 2021

NOTE C – FAIR VALUE MEASUREMENTS – CONTINUED

- Level 3: Inputs are unobservable and have the lowest priority

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs are not available. Level 3 inputs are only used when Level 1 or Level 2 inputs are not available. There are no Plan assets requiring the use of Level 2 or 3 inputs for the periods presented.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual Funds: Also known as registered investment companies which, are valued at quoted market prices on the last business day of the Plan year.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

During the years ended December 31, 2021 and 2020, there were no transfers of financial instruments into or out of Level 1 or 2. The Plan had no Level 2 or 3 measurements during the year ending December 31, 2021.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets accounted for at fair value on a recurring basis as of December 31, 2021 and 2020.

	Fair Value Measurements as of December 31, 2021	
	Level 1	Total

* In accordance with Accounting Standards Codification Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented on the statement of net assets available for benefits.

NOTE D – RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

The Plan's investments are held and administered by APP, LLC. These transactions qualify as party-in interest transactions. Administrative expenses incurred by the Plan amounted to \$3,697 for the year ending December 31, 2021.

Diabetic Care RX LLC dba Patient Care America is the Plan Administrator and Sponsor of Diabetic Care RX LLC dba Patient Care America 401K Profit Sharing. These transactions qualify as party-in-interest transactions. Certain key personnel are also considered parties-in-interest due to ownership and administrative rights over the Plan.

NOTE E – INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, net appreciation (depreciation) in fair market value of investments, interest and dividends for the year ended December 31, 2021 were obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Reliance Trust Company (the trustee of the Plan) for 2021 and 2020, respectively.

NOTE F – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the plan to discontinue its contributions at any time and to terminate the plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts. Any unallocated assets held by the Plan should be allocated to participant accounts and distributed in such a manner as the Company may determine.

NOTE G – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

For the year ending December 31, 2021 and 2020, there were no reconciling items between the financial statements and Schedule H of the Form 5500.

NOTE H – INCOME TAX STATUS

The Internal Revenue Service (“IRS”) has determined and informed the Company by a letter dated July 8, 2014, that the Plan and the related trust are designed in accordance with applicable sections of the Internal Revenue Code (“IRC”). Although the Plan has been amended since receiving the determination letter, the Plan Administrator and the Plan’s tax counsel believe that the Plan is designed and is currently being operated in compliance with applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principle generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The plan is subject to routine audits by authorities; however, there are currently no audits for any tax periods in progress.

NOTE I – RISKS AND UNCERTAINTIES

The Plan invests in various investment funds. Investment funds are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment funds, it is at least reasonably possible that changes in the values of investment funds will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the statement of net assets available for benefits.
