Independent Auditor's Report

To the Plan Sponsor
Kindering Center 403(b) Plan
Bellevue, Washington

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We were engaged to perform an audit of the financial statements of Kindering Center 403(b) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audit needs not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Disclaimer of Opinion on the 2021 Financial Statements

We do not express an opinion on the 2021 financial statements of the Plan. Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2021 financial statements.

Basis for Disclaimer of Opinion on the 2021 Financial Statements

Prior to January 1, 2009, records were maintained at a contract, not a plan level; sufficient accounting records and supporting documentation were not maintained or provided relating to certain annuity contracts and custodial accounts issued to current and former employees, and supporting documentation is not adequate to assure the completeness and accuracy of the amounts included in the financial statements. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the financial statements have been affected by these conditions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP), and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our responsibility is to conduct an audit of the Plan's financial statements in accordance with auditing standards generally accepted in the United States of America (GAAS) and to issue an auditor's report. However, because of the matter described in the *Basis for Disclaimer of Opinion on the 2021 Financial Statements* section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of the Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Because of the significance of the matter described in the *Basis for Disclaimer of Opinion on the 2021 Financial Statements* section of our report, it is inappropriate to and we do not express an opinion on the supplemental schedule referred to above.

Auditor's Report on the 2020 Financial Statements

We have audited the 2020 financial statements, and in our report dated August 17, 2021, we expressed a disclaimer of opinion on those 2020 financial statements because of the significant of the following matter: Prior to January 1, 2009, records were maintained at a contract, not a plan level; therefore, sufficient accounting records and supporting documentation were not maintained or provided relating to certain annuity contracts and custodial accounts issued to current and former employees, and supporting documentation is not adequate to assure the

Kindering Center 403(b) Plan

Notes to Financial Statements

1. Description of the Plan

The following description of the Kindering Center 403(b) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of Plan provisions.

General

The Plan is a defined contribution plan under section 403(b) of the Internal Revenue Code (IRC) established for the benefit of eligible employees of Kindering Center (the Center). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Custodian and Administrator of the Plan

The custodian and recordkeeper of the Plan is Newport Trust Company (Newport or custodian). The administrator of the Plan is the Center. The custodian holds all assets of the Plan in accordance with the service provider contract with the Center. The Center determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Eligibility

All employees, excluding union employees and nonresident aliens, who normally work 16 hours or more per week are eligible to participate in the Plan for purposes of making salary deferral contributions upon their date of hire. Eligible employees who complete two years of service with at least 700 hours worked per year and are employed on the last day of the Plan year are also eligible to receive discretionary matching contributions.

Vesting

Participants are fully vested in their accounts at all times.

Contributions

Participant Contributions - The Plan allows for both pre-tax deferrals and Roth contributions. Eligible employees may contribute from 1% to 100% of their eligible compensation to the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollovers from other qualified plans).

Employer Contributions - The Center may make a discretionary matching contribution to the Plan of 100% of the employee's elective deferral, up to 4% of the employee's eligible compensation. For the year ended December 31, 2021, the Center made discretionary matching contributions of \$304,818.

Contributions are subject to certain other limitations as part of the IRC.

Kindering Center 403(b) Plan

Notes to Financial Statements

Participant Accounts

Each participant's account is credited with the participant's contribution, the Center's discretionary matching contribution, allocations of Plan earnings and losses, and is charged with an allocation of administrative expenses. Allocations are based on participant eligible compensation, participant contributions, account balances or specific requested transactions, as defined. Participants direct the investment of their account balances into various investment options offered by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Payment of Benefits

Upon termination of service due to retirement (age 62), death, attainment of age 59½ or other reasons, participants or their designated beneficiaries may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or annual installments.

Participants whose vested account balance, excluding rollover contributions, is between \$1,000 and \$5,000 at the termination of service will automatically receive the value of the vested interest in his or her account as a lump-sum distribution. Participants whose vested account balance, excluding rollover contributions, is between \$1 and \$1,000 at the termination of service will have their balance automatically rolled over to an individual retirement account (IRA). Effective October 27, 2021, the Plan was amended to include rollover contributions in a participant's account when considering the participant's vested account balance. The Plan also allows for hardship withdrawals as long as the participant meets certain requirements as defined in the Plan.

2. Summary of Accounting Policies

Annual Reporting Requirements

Prior to January 1, 2009, the Plan's custodian-maintained records at a contract, not at a plan level. The Plan's custodian administratively decided not to maintain accounting records and supporting documentation at the participant or at plan level relating to certain annuity and custodial accounts issued to current and former employees prior to January 1, 2009, as it was not required by the IRS at that time. As such, the Plan's custodian has not been able to produce sufficient records and supporting documents relating to certain annuity and custodial accounts issued to current and former employees prior to January 1, 2009. As a result, the completeness and accuracy of the annuity and custodial accounts, related investment income, and distributions related to these accounts, if any, could not be determined.

Basis of Accounting

The Plan's financial statements are prepared on an accrual basis, pursuant to accounting principles generally accepted in the United States (GAAP).

Use of Estimates

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes

Kindering Center 403(b) Plan

Notes to Financial Statements

therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investments Valuation and Income Recognition

Investments are reported at fair value (see below). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Fair Value Measurements

Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, provides for a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

There have been no changes in the methodologies used at December 31, 2021 and 2020. The following is a description of the valuation methodologies used for assets measured at fair value:

Mutual Funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Notes to Financial Statements

The preceding method described may produce a fair value calculation which may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments measured at fair value:

<i>December 31, 2021</i>	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 14,027,605	\$ -	\$ -	\$ 14,027,605
Total Investments, at fair value	\$ 14,027,605	\$ -	\$ -	\$ 14,027,605

<i>December 31, 2020</i>	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 11,393,258	\$ -	\$ -	\$ 11,393,258
Total Investments, at fair value	\$ 11,393,258	\$ -	\$ -	\$ 11,393,258

Risks and Uncertainties

The Plan holds various investment securities. Investment securities, in general, are exposed to various risks, such as interest rate risk, credit risk and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements and participant account balances.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Center. Expenses that are paid by the Center are excluded from these financial statements. Fees related to participant-initiated transactions, including distribution fees, are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation in fair value of investments. Additionally, quarterly administrative trustee, and registered investment advisor (RIA) fees are included in the administrative expenses.

Subsequent Events

The Plan has evaluated subsequent events through the date these financial statements were available to be issued, which was October 17, 2022.

Notes to Financial Statements

3. Income Tax Status

The Plan uses a volume submitter plan document sponsored by Newport Group, Inc. (Newport Group). Newport Group received an opinion letter from the IRS, dated March 31, 2017, which states that the plan document, as then designed, satisfies the applicable provisions of the IRC. Although the Plan has been amended since the date of the opinion letter, Plan management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no IRS examinations for any tax periods in progress.

4. Certified Investment Information

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Newport, a qualified institution, has certified that the following investment information reflected in the accompanying 2021 financial statements and ERISA-required supplemental schedule is complete and accurate:

- Investments as shown in the statement of net assets available for benefits as of December 31, 2021.
- Net investment income as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2021.
- Investment information included in Note 2 and reflected on the schedule of assets (held at end of year) as of December 31, 2021, as shown on the ERISA-required supplemental schedule.

At the request of the Plan administrator, the Plan's independent auditor did not perform auditing procedures with respect to this certified information, except for comparing such information to the related information included in the financial statements and ERISA-required supplemental schedule.

5. Related Party and Party-In-Interest Transactions

Certain plan investments consist of investments managed or sponsored by Newport or their subsidiaries and affiliates. Participant distribution processing fees are paid to Newport by participants. The Plan pays for third-party administrator fees and investment advisory fees which qualify as party-in-interest transactions. Certain management fees in the form of an expense ratio charged to each investment option are paid by the Plan and deducted from earnings on investments. These transactions are party-in-interest transactions, which are exempt from prohibited transaction rules.

6. Plan Termination

Although it has not expressed any intent to do so, the Center has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA

and its related regulations. In the event of Plan termination, participants would remain 100% vested.
