INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Hochiki America Corporation 401(k) Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Hochiki America Corporation 401(k) Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is

derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 4, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

The signature is written in a cursive, handwritten style. It reads "Singer Lewak" followed by "LLP" in a slightly more formal, but still handwritten, font.

401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the Hochiki America Corporation 401(k) Retirement Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

On January 1, 1990, Hochiki America Corporation (“Employer”) established the Plan as a defined-contribution and profit sharing retirement plan qualifying under Section 401(k) of the Internal Revenue Code (“IRC”) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Eligibility

All employees of the Employer, with certain exceptions, who have completed one month of service and are at least 21 years of age, may participate in the Plan.

Participant Contributions

The Plan has an automatic deferral feature to simplify the administrative requirements for making salary deferrals. All employees who become eligible to make salary deferrals, who had not made a salary deferral election (including an election not to defer), will automatically have 4% of their compensation withheld which will be deposited into the Plan as a salary deferral. Starting the second full Plan year after a participant is automatically enrolled in the Plan, the participant’s tax-deferred contribution rate is automatically increased by 1% annually, up to a maximum of 15%. This occurs on the first day of each Plan year. Participant may elect to opt out of the automatic feature.

Participants may elect to contribute up to 100% of eligible compensation or, as limited by Section 402(g) of the IRC, \$19,500 in 2021. Eligible employees may also roll over distributions from eligible retirement plans pursuant to the terms of the Plan.

The Plan provides that participants who are projected to be age 50 or older by the end of the calendar year are eligible to also make a catch-up contribution of up to \$6,500 in 2021.

Employer Contributions

The Company may also voluntarily make matching contributions in an amount equal to 25% of a participant’s elective deferrals subject to a maximum of 4% of a participant’s eligible compensation contributed to the Plan. The Company made matching contributions of \$53,303 for the year ended December 31, 2021. The Company, at its discretion, may make discretionary profit-sharing contributions; no additional contributions were made for the year ended December 31, 2021.

Participant Accounts

Each participant’s account is credited with the participant’s contributions, Company matching and discretionary profit-sharing contributions and allocations of investment earnings and/or losses. Allocations are based on participant earnings or account balances as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

NOTES TO FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Investment Options

Participants direct the investment of their contributions and any employer contributions into various investment options offered by the Plan. The Plan currently offers mutual funds and one money market fund as investment options. Participants may change their investment options at any time.

Vesting

Participants in the Plan are fully vested in their contributions, including rollovers, and the actual earnings on these contributions. Participants become vested in the Company's matching contributions and related investment earnings/appreciation or depreciation based on years of service. Company matching contributions and related earnings/appreciation or depreciation shall be vested in accordance with the following schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
One	33%
Two	67%
Over three	100%

Forfeitures

Upon termination of employment, the non-vested portion of the participant's account will be forfeited. Forfeitures retained in the Plan are used for the reduction of Plan administrative expenses or future employer contributions. For the year ended December 31, 2021, no forfeitures were used for the payment of administrative fees or reduction of employer contributions. At December 31, 2021 and 2020, forfeited amounts totaled \$8,711 and \$7,513, respectively.

Notes Receivable from Participants

Loans are available in the Plan. The minimum loan amount is \$1,000. The maximum amount is the lesser of \$50,000 (reduced by the highest outstanding loan balance in the account during the prior twelve-month period) or one-half of the participant's vested account balance. The interest rate used will be based commensurate with local prevailing rates as determined by the Plan Administrator. The participant is allowed three loans outstanding at a time. Loan payments are made through payroll deductions; the Administrator may permit up to a five-year payment term. Each loan is secured by the balance in the participant's account.

Outstanding notes receivable at December 31, 2021 and 2020 carry interest rates ranging from 4.25% to 6.50% and mature through 2026.

HOCHIKI AMERICA CORPORATION
401(k) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Payment of Benefits

Withdrawals are permissible upon participant's reaching age 59½, termination of employment, death, disability, retirement or certain financial hardships. Vested benefits due to the participant or, in the event of death, to the participant's beneficiaries, in most events will generally be distributed in a lump sum payment, installments or can be rolled over into another qualified retirement plan. The Plan allows for the automatic distribution of vested benefits of \$1,000 or less; if vested benefits are between \$1,000 and \$5,000, the funds will be rolled over into an IRA selected by the Plan Administrator. Withdrawals made by terminating participants are based upon the vested balance in their individual accounts at the time of termination and are recorded in the year of distribution.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate, discontinue making contributions to, amend, or modify the Plan at any time. In the event of a termination of the Plan, all participants will become fully vested in their accounts and the Company will arrange for distribution of all participants' accounts to the participants in accordance with the Plan.

Excess Contributions Payable

The Plan, as required by the IRC, performs annual tests comparing participant data for highly compensated participants with data for non-highly compensated participants to ensure that highly compensated participants are not disproportionately favored by the Plan. If the Plan initially fails the tests, it will refund the excess contributions in the amount necessary to pass the tests. Excess contributions for 2021 and 2020 amounted to \$3,147 and \$24,056, respectively, and were refunded in the following year. These amounts have been recorded as excess contributions payable to participants in the Statements of Net Assets Available for Benefits.

NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Plan's financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

HOCHIKI AMERICA CORPORATION
401(k) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES (Continued)

Risk and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the risk associated with certain investment securities, it is at least reasonably possible that changes in market values, interest rates or other factors in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

In March 2020, the COVID-19 outbreak was declared a pandemic by the World Health Organization. The COVID-19 pandemic has also led to extreme volatility in financial markets and has affected and may continue to affect Plan assets. While the potential economic impact brought by, and the duration of COVID-19 may be difficult to assess or predict, a widespread pandemic could result in significant disruption of global financial markets. The extent to which COVID-19 impacts the financial markets will depend on future developments that are highly uncertain and cannot be predicted.

Valuation of Investments and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the gains and losses on investments bought and sold, as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants represent participant loans that are to be recorded at their unpaid principal balance plus any accrued interest. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document.

Payment of Benefits

Benefit payments to participants are recorded when paid.

CARES Act

The Coronavirus Aid Relief, and Economic Security Act ("CARES Act") was signed into law on March 27, 2020. The CARES Act, among other things, includes several relief provisions available to tax-qualified retirement plans and their participants. The Plan adopted certain provisions which included: allowing qualified participants to request penalty-free distributions up to an aggregate limit of \$100,000; a waiver of required minimum distribution rules for 2020 and permitting suspension of loan payments due through December 31, 2020. The Plan adopted the CARES Act with no material impact to the Plan.

NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES (Continued)

Administrative Expenses

The Company pays for certain administrative expenses, with the exception of transaction-based fees and asset management fees charged to participants through the various funds.

NOTE 3 – INFORMATION CERTIFIED BY THE TRUSTEE

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the United States Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity Management Trust Company, the trustee of the Plan as of December 31, 2021 and 2020, and for the year ended December 31, 2021, has certified that the following information included in the financial statements and supplemental schedule is complete and accurate:

	December 31,	
	2021	2020
Investments, at fair value:		
Interest-bearing cash	\$ 116,970	\$ 101,387
Mutual funds	5,221,850	4,884,447
Notes receivable from participants	182,796	118,614

The trustee of the Plan also certified to the completeness and accuracy of \$417,490 of net appreciation in fair value of investments, \$296,685 of interest and dividend income, and \$6,227 of interest income on notes receivable from participants related to the aforementioned assets for the year ended December 31, 2021.

NOTE 4 – FAIR VALUE MEASUREMENTS

The fair value measurements standard establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

HOCHIKI AMERICA CORPORATION
401(k) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)

The three levels of the fair value valuation hierarchy under the standard are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following are descriptions of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2021 and 2020.

Interest-bearing cash: Valued at the carrying value, which approximates fair value due to the short-term nature of such investments.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

HOCHIKI AMERICA CORPORATION

401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020:

Investments at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Interest-bearing cash	\$ 116,970	\$ -	\$ -	\$ 116,970
Mutual funds	5,221,850	-	-	5,221,850
Total assets in fair value hierarchy	\$ 5,338,820	\$ -	\$ -	\$ 5,338,820

Investments at Fair Value as of December 31, 2020				
	Level 1	Level 2	Level 3	Total
Interest-bearing cash	\$ 101,387	\$ -	\$ -	\$ 101,387
Mutual funds	4,884,447	-	-	4,884,447
Total assets in fair value hierarchy	\$ 4,985,834	\$ -	\$ -	\$ 4,985,834

NOTE 5 – RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments and notes receivable from participants and the related interest income are managed and held by Fidelity Management Trust Company, trustee, or its affiliates. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

NOTE 6 – INCOME TAX STATUS

The Plan as a volume submitter defined-contribution plan, received its latest determination letter on June 30, 2020 in which the Internal Revenue Service ("IRS") stated that the Plan, as then designed, was compliant with the applicable requirements of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes that the Plan is currently designed, and being operated, in compliance with the applicable requirements of the IRC.

NOTES TO FINANCIAL STATEMENTS

NOTE 6 – INCOME TAX STATUS (Continued)

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that, more likely than not, would not be sustained upon examination by the IRS. The Plan's management has not identified any uncertain tax positions that would require recognition of a liability or asset or disclosure as of December 31, 2021 and 2020. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2021 and 2020 to Form 5500:

	<u>2021</u>	<u>2020</u>
Net assets available for benefits per the financial statements	\$ 5,518,469	\$ 5,080,392
Excess contributions payable to participants	<u>3,147</u>	<u>24,056</u>
Net assets available for benefits per Form 5500	<u>\$ 5,521,616</u>	<u>\$ 5,104,448</u>

The following is a reconciliation of the affected components of the changes in net assets available for benefits per the financial statements to Form 5500 for the year ended December 31, 2021:

Net increase in net assets per financial statements	\$ 438,077
Adjustment for current and prior year excess contributions payable to participants	<u>(20,909)</u>
Net income per Form 5500	<u>\$ 417,168</u>

NOTE 8 – SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 14, 2022, the date on which the financial statements were available to be issued.
