INDEPENDENT AUDITOR'S REPORT

To the Trustee and Plan Administrator
Southern Connecticut Vascular Center 401(k)
Profit Sharing Plan & Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Southern Connecticut Vascular Center 401(k) Profit Sharing Plan & Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Southern Connecticut Vascular Center 401(k) Profit Sharing Plan & Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Southern Connecticut Vascular Center 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Southern Connecticut Vascular Center 401(k) Profit Sharing Plan & Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Southern Connecticut Vascular Center 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedules of delinquent participant contributions for the year ended December 31, 2021 and assets held (at end of year) as of December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Southern Connecticut Vascular Center 401(k) Profit Sharing Plan & Trust. NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of Southern Connecticut Vascular Center 401(k) Profit Sharing Plan & Trust (the “Plan”) provides only general information. Participants should refer to the Plan document, and any amendments thereto, for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering substantially all employees of Southern Connecticut Vascular Center, LLC (the “Company”) who have completed three months of service and attained age 21. The Plan also covers employees of U.S. Vascular Management Group, LLC, an entity related to the Company through common ownership. Effective February 26, 2021 and June 4, 2021, the Plan also covers employees of Rhode Island Vascular Center, LLC and New York Vascular Group, PLLC, respectively, entities related to the Company through common ownership. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

The trustees of the Plan are responsible for oversight of the Plan and determine the appropriateness of the Plan’s investment offerings and monitor investment performance.

Contributions

Each year, participants may contribute, on a pre-tax basis, up to 100% of their compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover contributions).

The Company may make discretionary profit-sharing contributions at the determination of the Board of Directors. During the year ended December 31, 2021, the Company made a discretionary profit sharing contribution to the Plan that totaled \$853,843. In order to share in the discretionary profit sharing contributions, participants must be employed on the last day of the Plan year or have completed 500 hours of service during the Plan year. Prior to 2019, the Company made safe-harbor matching contributions.

Contributions are subject to certain limitations. Participants direct the investment of all contributions into various pooled separate accounts and a guaranteed investment contract held by Mutual Life Insurance Company. On December 31, 2020, Empower acquired the retirement business of Massachusetts Mutual Life Insurance Company (“MassMutual”). Following an initial transition period, Empower became the sole administrator of this business in 2021.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE 1 – DESCRIPTION OF THE PLAN (CONTINUED)

The Plan also permits participants to direct their contributions to purchase life insurance policies. As of December 31, 2021 and 2020, one participant holds a life insurance policy with MassMutual.

Participant Accounts

Each participant's account is credited with the participant's contributions, as well as allocations of the Company's discretionary profit sharing contributions and Plan earnings. Participant accounts are charged with an allocation of administrative expenses paid by the Plan. Allocations are based on participant earnings, account balances or specific participant directed transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are 100% immediately vested in their contributions and the Company's safe-harbor matching contributions, plus actual earnings thereon. Vesting in the discretionary profit sharing portion of their accounts is based on years of consecutive service. A participant is 100% vested after 6 years of credited service. An employee is considered to have completed one (1) year of service for purposes of vesting upon the completion of 1,000 hours of service at any time during a Plan year. A participant will be 100% vested in all of their account upon early retirement age, disability or death.

Payment of Benefits

Upon termination of service for any reason, a participant may elect to receive a lump-sum amount equal to the vested value of the participant's account. Participants with account balances less than \$5,000 will receive the vested interest in their account as a lump-sum distribution or as a rollover into an individual retirement account, depending on the balance in their account. Participants with a vested account balance greater than \$5,000 may defer payment of benefits until a later date.

The Plan also provides for in-service withdrawals by participants who have attained the age of 59½. In addition, in certain circumstances, participants may take hardship withdrawals, as defined in the Plan.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE 1 – DESCRIPTION OF THE PLAN (CONTINUED)

Forfeitures

Forfeited nonvested discretionary profit-sharing accounts may be used to reduce future employer contributions or to pay plan expenses. At December 31, 2021 and 2020 forfeited non-vested accounts totaled \$5,959 and \$646, respectively. These accounts will be used to reduce future contributions or to pay plan expenses. During the year ended December 31, 2021, Plan expenses totaling \$1,193 were paid from forfeited non-vested accounts.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Participants may only have one loan outstanding at any time. Loan terms range from one to five years or may extend up to ten years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate equal to the prime rate as of the issuance date of the loan. Principal and interest is paid ratably through monthly payroll deductions.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition

Investments are reported at fair value, except for the fully benefit-responsive investment contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements. Contract value is the relevant measure for the Plan's fully benefit-responsive investment contracts, because contract value is the amount Plan participants generally receive when executing transactions under the terms of the contract and Plan provisions

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2020 excess contributions to the applicable participants prior to March 15, 2021.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants and other participant directed transactions are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in the net appreciation in fair value of investments.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of the components of net assets available for benefits and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Risks and Uncertainties

The Plan provides for various investment options in a variety of investments. Investments are exposed to various risks, such as interest rate risk, financial market risk and credit risk. Due to the level of risk associated with these investments, coupled with the recent economic events, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Plan's financial statements.

NOTE 3 – CERTIFIED INVESTMENTS AND NOTES RECEIVABLE FROM PARTICIPANTS

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments held at December 31, 2021 and 2020, and net appreciation in fair value of investments and interest and dividends, for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate under power of attorney by Great-West Life & Annuity Insurance Company, an affiliate of Empower, on behalf of MassMutual.

Certain information related notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including notes receivable held at December 31, 2021, and interest income from notes for the year then ended, was obtained by management and agreed to or derived from information certified as complete and accurate by Great-West Trust Company, LLC, an affiliate of Empower.

Certain information related notes receivable from participants disclosed in the accompanying financial statements, including notes receivable held at December 31, 2020 was obtained by management and agreed to or derived from information certified as complete and accurate under power of attorney by Reliance Trust Company.

The life insurance policy held by MassMutual was not certified in 2021 and 2020. This investment was \$55,004 and \$85,514 as of December 31, 2021 and 2020, respectively and had a decrease in the cash surrender value of life insurance policy of \$30,510 for the year ended December 31, 2021.

DECEMBER 31, 2021 AND 2020

NOTE 4 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification 820, *Fair Value Measurement*, are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2021 and 2020.

SOUTHERN CONNECTICUT VASCULAR CENTER 401(K)
PROFIT SHARING PLAN & TRUST

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE 4 – FAIR VALUE MEASUREMENTS (CONTINUED)

Pooled Separate Accounts (PSA) - The fair values of participation units held in pooled separate accounts are based on the net asset values reported by the fund managers as of the financial statement dates and recent transaction prices, which are based on the performance of underlying assets. Each of the pooled separate accounts held by the Plan is a passively managed fund that invests in a single open-ended mutual fund. The underlying investment composition of the pooled separate accounts as of December 31, 2021 was approximately 51% target date retirement funds, 34% equity funds, 7% international equity funds, and 8% fixed income funds. The underlying investment composition of the pooled separate accounts as of December 31, 2020 was approximately 54% target date retirement funds, 31% equity funds, 7% international equity funds, and 8% fixed income funds. Each pooled separate account provides for daily redemptions by the Plan with no advance notice requirements, and has redemption prices that are determined by the fund's net asset value per unit.

Cash Surrender Value of Life Insurance Policy – Valued at the cash surrender value of the policy as reported by MassMutual, which approximates fair value. Management has determined that this cash surrender value represent the best available evidence of fair value because that is the amount that could be realized by the Plan under the contract as of the financial statement date.

Because of the limited activity in this contract, the determination that surrender value approximates fair value for the investment in the insurance policy is only reviewed annually for financial reporting purposes. In reviewing the reasonableness of this determination, management reviews the contracts with MassMutual for changes in the contract, current insurance contract, current economic conditions, credit rating of insurance company and similar factors that could impact their conclusion.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 4 – FAIR VALUE MEASUREMENTS (CONTINUED)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

Description	Total	Level 1	Level 2	Level 3
Assets at fair value as of December 31, 2021:

* Investments measured at fair value using net asset value per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in the hierarchy tables for such investments are intended to permit reconciliation of the fair value hierarchy to the investments at fair value line item presented in the statements of net assets available for benefits.

The table below presents a reconciliation of all investments measured at fair value on a recurring basis using significant unobservable inputs (Level 3) for the year ended December 31, 2021, including the reporting classifications for the applicable gains and losses included in the statement of changes in net assets available for benefits.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE 5 – GUARANTEED INVESTMENT CONTRACT

The Plan holds a fully benefit responsive investment contract with MassMutual that is reported at contract value, which is generally the amount a participant would receive if he or she would initiate a withdrawal or transfer from the contract under the provisions of the Plan. Contract value represents contributions made to the contract, plus earnings, less participant withdrawals and administrative expenses. Contract value of this contract was \$637,203 and \$559,815 at December 31, 2021 and 2020, respectively.

MassMutual maintains the contributions in a general account. MassMutual is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract is a traditional investment contract. The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than 1%. Such interest rates are reviewed on a semi-annual basis for resetting.

Certain events limit the ability of the Plan to transact at contract value with Principal. Such events include the following: (1) removal of a group of participants from plan coverage as a result of temporary absence; (2) change in position or other occurrence qualifying as a temporary break in service under the plan; (3) transfer or other change of position resulting in employment by an entity controlling, controlled by, or under other common control with the employer; or (4) cessation of an employment relationship resulting from a reorganization, merger, layoff or the sale or discontinuance of all or any part of the plan sponsor's business. Such events also include: (1) removal from the plan of one or more groups or classifications of participants; (2) partial or complete plan termination; or (3) plan disqualification. The plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with participants are probable of occurring.

NOTE 6 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provision of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

SOUTHERN CONNECTICUT VASCULAR CENTER 401(K)

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE 7 – TAX STATUS

The Company adopted a Volume Submitter Plan and Trust (the VS Plan) sponsored by a third-party administrator. The Internal Revenue Service issued an opinion letter dated March 31, 2014 indicating that the VS Plan, as then designed, was in compliance with applicable requirements of the Internal Revenue Code (the Code). The VS Plan's opinion letter is being relied on by the Plan. Plan management believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code, and therefore believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the taxing authorities. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan's last three tax years are open to examination by tax authorities.

NOTE 8 – RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Certain administrative functions are performed by officers and employees of the Company. No officer or employee receives compensation from the Plan for these services. The Plan holds certain units of pooled separate accounts, an unallocated investment contract, and a life insurance policy issued or managed by MassMutual, Great-West (formerly MassMutual Financial Group), or their affiliates. MassMutual was the third party administrator and, therefore, these transactions as well as the Plan's payment of fees to MassMutual, Great-West, or their affiliates qualify as party-in-interest transactions. Fees paid by the Plan to MassMutual, Great-West, or their affiliates totaled \$96,496 for the year ended December 31, 2021. In addition, notes receivable from participants are considered to be exempt party-in-interest transactions.

SOUTHERN CONNECTICUT VASCULAR CENTER 401(K)
PROFIT SHARING PLAN & TRUST

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE 9 – PROHIBITED TRANSACTIONS

During 2021 and 2020, the Company failed to remit to the Plan's trustee certain employee contributions and loan repayments totaling \$2,062 and \$73, respectively, within the period prescribed by Department of Labor regulations. Delays in remitting the contributions and loan repayments to the trustee were due to administrative errors. During 2021, the Company made contributions totaling approximately \$17 to the affected participants' accounts to compensate those participants for the potential lost income due to the 2020 delays. During 2022, the Company will make contributions to the affected participants' accounts to compensate those participants for the potential lost income due to the 2021 delays. The amount of the lost income for the 2021 delays has not yet been determined.

NOTE 10 – SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 14, 2022, the date the financial statements were available to be issued.

Effective January 1, 2022, the Plan was completely amended and restated under a new prototype plan. Under the new adoption agreement, participants now become 100% fully vested in discretionary profit sharing contributions after 3 years of service. All other basic plan provisions remain unchanged.
