Pierre Fabre USA 401(K) Savings & Retirement Plan
Parsippany, New Jersey

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Pierre Fabre USA 401(K) Savings & Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note I to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying 2021 Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Pierre Fabre USA 401(K) Savings & Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Pierre Fabre USA 401(K) Savings & Retirement Plan's ability to continue as a going concern for one year after the date the 2021 Financial Statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The

risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

The supplemental schedule H, line 4a--schedule of delinquent contributions and schedule H, line 4i--schedule of assets (held at end of year), are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Pierre Fabre USA 401(K) Savings & Retirement Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 8, 2021, we indicated that (a) because of the significance of the information that we did not audit,

we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

PIERRE FABRE 401(K) SAVINGS & RETIREMENT PLAN

December 31, 2021

NOTE A--DESCRIPTION OF PLAN

The following description of the Pierre Fabre USA 401(K) Savings & Retirement Plan ("the Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan covering substantially all employees of Pierre Fabre USA, Inc. ("the Employer" and "Plan Administrator") and Pierre Fabre Pharmaceuticals, Inc., an affiliate. Employees are eligible to participate in the Plan on the first day of the month coinciding with or following their employment date. The Plan excludes employees that are covered by a collective bargaining agreement, are under 21 years of age, or are non-resident aliens without earned income as defined. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

Contributions: The Plan provides for employee elective pre-tax contributions, not to exceed the Federal statutory maximum, with an Employer discretionary matching provision. For the year ended December 31, 2021, the Employer elected to match 50 percent of participant's elective deferrals, up to a maximum of \$9,000 in Employer matching contributions. Effective January 1, 2022, the Plan also allows employee elective after-tax contributions, which are deducted from a participant's after tax earnings.

Participant Accounts: Each participant's account is credited with their contributions, any Employer's matching contributions, and their account's earnings or losses, net of an allocation of administration expenses. All investments are participant directed. Participants may change their investment options daily.

Vesting: Participants are immediately vested in their voluntary contributions and allocated earnings thereon. Employer contributions and earnings thereon vest on a vesting schedule of 0% for less than 2 years of service, 50% for 2 years but less than three years of service, and 100% for three or more years of service. A participant becomes fully vested after three years of credited service, or in the event of participant death, disability, or retirement.

Forfeitures: Forfeited amounts can be used to pay administrative expenses of the Plan and to reduce future Employer contributions to the Plan.

Notes Receivable from Participants: Participants may borrow from their vested accounts up to a maximum of \$50,000, or 50 percent of their vested account balances, whichever less. Loans are repaid through payroll deductions over periods of up to five years, unless the loan is for the purchase of a participant's primary residence, in which

NOTES TO FINANCIAL STATEMENTS--Continued

PIERRE FABRE USA 401(K) SAVINGS & RETIREMENT PLAN

NOTE A--DESCRIPTION OF PLAN--Continued

case, repayment may not extend beyond 30 years. The loans are secured by the balance in the participant's vested accounts and bear interest at the prime rate plus 1% as determined at the inception of the loan.

Withdrawals: A participant may withdraw his vested account balance plus earnings thereon in the case of a financial hardship. Withdrawals are taxable in the year received by the participant and may be subject to a penalty tax. Additionally, after reaching the age of 59½, a participant may request an in-service distribution from vested accounts.

Payment of Benefits: In the case of termination of service due to death, normal retirement (age 65), retirement due to permanent disability, or termination of employment, participants may elect to receive the value of their accumulated Plan benefits, in accordance with the provisions of the Plan, in lump-sum distributions or installment payments assuming the participant's vested account exceeds \$5,000. If the participant's vested account does not exceed \$5,000, then the vested account balance may only be distributed in a single lump-sum payment.

Administration: The Plan is administered by the Employer. All funds in the Plan are held by Ascensus Trust Company, the custodian of the Plan's assets ("the Custodian" or "Ascensus"). The Custodian invests participants' account balances as directed by the participants.

NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Plan follows the Financial Accounting Standards Board Accounting Standards Codification as its sole source of authoritative guidance. The financial statements of the Plan are prepared using the accrual basis of accounting.

The Plan's investments are stated at fair value, as further described in Note C. Investment securities, in general, are exposed to various risks, including credit, interest and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is possible that changes in values of investment securities will occur and that such changes could materially affect the amount reported in the Statements of Net Assets Available for Benefits.

Purchases and sales of securities are recorded on a trade-date basis. Investment income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date and interest income is recorded on the accrual basis. Net appreciation in the fair value of investments includes the Plan's gains and losses on investments sold as well as the change in unrealized gains/losses for investments held at the end of the year.

NOTES TO FINANCIAL STATEMENTS--Continued

PIERRE FABRE USA 401(K) SAVINGS & RETIREMENT PLAN

NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES--Continued

Notes receivable from participants are reported separately from Plan investments and measured at their unpaid principal balance.

Contributions are recorded on the accrual basis, which recognizes participants' contributions and Employer matching contributions at the time the participants' contributions are withheld from their wages.

Benefits are recorded when paid, with the exception of amounts refundable by the Plan to Participants for contributions made in excess of amounts allowed by the Internal Revenue Service.

Administrative expenses of the Plan are paid utilizing forfeitures or are allocable to the accounts of participants.

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions to and deductions from net assets during the reporting period. Actual results could differ from those estimates.

Subsequent events have been evaluated through October 12, 2022, which is the date the financial statements were available to be issued.

NOTE C--FAIR VALUE MEASUREMENTS

Current accounting guidance establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under the accounting guidance are described below:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets and liabilities in active markets that the Plan has the ability to access.
---------	--

NOTES TO FINANCIAL STATEMENTS--Continued

PIERRE FABRE USA 401(K) SAVINGS & RETIREMENT PLAN

NOTE C--FAIR VALUE MEASUREMENTS--Continued

Level 2 Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021:

Mutual funds: Valued at the quoted market price, which represents the net asset value of shares held by the Plan at year end.

Collective investment trusts: Valued based on quoted prices of securities underlying the collective investment trust.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTES TO FINANCIAL STATEMENTS--Continued

PIERRE FABRE USA 401(K) SAVINGS & RETIREMENT PLAN

NOTE C--FAIR VALUE MEASUREMENTS--Continued

The following tables sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

	Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total

NOTE D--TRANSACTIONS WITH PARTIES-IN-INTEREST

The Plan has an agreement with Ascensus to maintain the investments of the Plan and to provide administrative and participant recordkeeping services for the Plan. For the year ended December 31, 2021, contributions to the Plan of \$2,177,532 were deposited with Ascensus for investment, and participants in the Plan received distributions of \$3,096,787 from funds held by Ascensus. Additionally, for the year ended December 31, 2021, the Plan recorded \$68,396 in administrative expenses paid to service providers. At December 31, 2021 and 2020, the Plan had \$12,821,093 and \$11,907,560, respectively, of assets under Ascensus's custody.

NOTE E--TAX STATUS

The Plan is intended to satisfy the tax qualification requirements under Section 401(a) of the Internal Revenue Code; therefore, the trust funds of the Plan are intended to be exempt from federal income taxes. The amended Plan has not requested a favorable determination letter from the IRS since the prototype on which the Plan is based has been determined to be qualified under Section 401(a) of the Internal Revenue Code.

NOTE F--RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

For the year ended December 31, 2021, there were no significant differences between the financial statements and Internal Revenue Service Form 5500.

NOTE G--FORFEITED NON-VESTED ACCOUNTS

As of December 31, 2021 and 2020, investments included \$134,277 and \$121,833, respectively, in unused forfeitures, which were available to pay for administrative expenses or reduce future Employer contributions. During the year ended December 31, 2021, the forfeiture account was utilized in the amount of \$16,429 to pay administrative expenses.

NOTE H--PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants would become fully vested in their accounts.

NOTE I--SUMMARY OF INFORMATION CERTIFIED BY PLAN CUSTODIAN

The total fair value of the Plan's net assets was \$12,821,093 and \$11,907,560 at December 31, 2021 and 2020. With the exception of liabilities, the Plan's Custodian has supplied the Plan Administrator with a certification as to the completeness and accuracy of all information presented in the accompanying statements of net assets available for benefits as of December 31, 2021 and 2020, and in the statement of changes in net assets available for benefits for the year then ended, in regards to investment activity.
