Report to the Plan Administrator and Trustees

To the Plan Administrator and Trustees
Hidden Eyes, LLC 401(k) Profit Sharing Plan & Trust
Sarasota, Florida

This letter is intended to inform the Plan Administrator and Trustees of the Hidden Eyes, LLC 401(k) Profit Sharing Plan & Trust (the Plan) about significant matters related to the conduct of the annual audit so that it can appropriately discharge its oversight responsibility, and that we comply with our professional responsibilities to the Trustees.

In addition to our report on your financial statements, we have provided a communication of material weaknesses dated October 14, 2022, for the audit year ended December 31, 2021.

Generally accepted auditing standards (AU-C 260, *The Auditor's Communication with Those Charged with Governance*) require the auditor to promote effective two-way communication between the auditor and those charged with governance. Consistent with this requirement, the following summarizes our responsibilities regarding the financial statement audit as well as observations arising from our audit that are significant and relevant to your responsibility to oversee the financial reporting process.

Our Responsibilities with regard to the Financial Statement Audit

Our responsibilities under auditing standards generally accepted in the United States of America have been described to you in our arrangement letter signed June 15, 2022. Our audit of the financial statements does not relieve management or those charged with governance of their responsibilities, which are also described in that letter.

Overview of the Planned Scope and Timing of the Financial Statement Audit

We have issued a separate communication regarding the planned scope and timing of our audit and have discussed with you our identification of, and planned audit response to, significant risks of material misstatement.

Accounting Policies and Practices

Adoption of, or Change in, Accounting Policies

Management has the ultimate responsibility for the appropriateness of the accounting policies used by the Plan. The Plan did not adopt any significant new accounting policies, nor have there been any changes in existing significant accounting policies during the current period.

Significant or Unusual Transactions

We did not identify any significant or unusual transactions or significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

Management Judgments and Accounting Estimates

Management's judgment and accounting estimates are an integral part of the preparation of the financial statements. The process used by management encompasses their knowledge and experience about past and current events and certain assumptions about future events. We did not identify any significant accounting estimates in the financial statements.

Basis of Accounting

The financial statements were prepared on assumption that the Plan will continue as a going concern.

Audit Adjustments

There were two audit adjustments made to the original trial balance presented to us to begin our audit. The first adjustment for \$21,297 was made to record participant contributions receivable for the last pay period in 2021. The second adjustment for \$17,927, representing the prior year participant contribution receivable, was made to agree net assets available for benefits to prior year audited numbers.

There were no reclassifying journal entries made to the original trial balance presented to us to begin our audit.

Uncorrected Misstatements

We are not aware of any uncorrected misstatements other than misstatements that are clearly trivial.

Other Information in Documents Containing Audited Financial Statements

Our responsibility for other information in documents containing the Plan's audited financial statements is to read the information and consider whether its content or manner of its presentation is materially inconsistent with the financial information covered by our auditor's report or whether it contains a material misstatement of fact. We read the Plan's Form 5500 filing for consistency with information in the financial statements. We have provided our comments to management. We are not aware of other documents that contain the audited financial statements.

Supplemental Schedule

With respect to the supplemental schedule accompanying the financial statements, we made certain inquiries of management and evaluated the form, content and methods of preparing the information to determine that the information complies with the United States Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the method of preparing it had not changed from the prior period, and the information is appropriate and complete in relation to the financial statements as a whole. We compared and reconciled the supplemental information to the underlying accounting records used to prepare the financial statements, or to the financial statements themselves.

Disagreements with Management

We encountered no disagreements with management over the application of significant accounting principles, the basis for management's judgments on any significant matters, the scope of the audit or significant disclosures to be included in the financial statements.

Consultations with Other Accountants

We are not aware of any consultations management had with other accountants about accounting or auditing matters pertaining to the financial statements. We understand that the Plan utilizes a different firm for tax consulting matters.

Significant Issues Discussed with Management

No significant issues arising from the audit were discussed with or the subject of correspondence with management.

Significant Difficulties Encountered in Performing the Audit

We did not encounter any significant difficulties in dealing with management during the audit.

Certain Written Communications between Management and Our Firm

Copies of certain written communications between our firm and the management of the Plan, including the representation letter to be provided to us by management, are attached.

Closing

We will be pleased to respond to any questions you have about the foregoing. We appreciate the opportunity to continue to be of service to the Hidden Eyes, LLC 401(k) Profit Sharing Plan & Trust.

This report is intended solely for the information and use of the Plan Administrator and management and is not intended to be, and should not be, used by anyone other than these specified parties.

Communication of Material Weaknesses

To the Plan Administrator
Hidden Eyes, LLC 401(k) Profit Sharing Plan & Trust
Sarasota, Florida

In planning and performing our audit of the financial statements of the Hidden Eyes, LLC 401(k) Profit Sharing Plan & Trust (the Plan) as of and for the year ended December 31, 2021, we considered relevant plan provisions and the Plan's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the Plan's compliance with those provisions or on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the Plan's compliance with plan provisions or on the effectiveness of the Plan's internal control.

Instances where the Plan is not operating in accordance with plan provisions may be indicative of a deficiency in internal control. A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A deficiency in design exists when (a) a control necessary to meet the control objective is missing, or (b) an existing control is not properly designed so that, even if the control operates as designed, the control objective would not be met. A deficiency in operation exists when a properly designed control does not operate as designed or when the person performing the control does not possess the necessary authority or competence to perform the control effectively.

A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis.

Our consideration of relevant plan provisions and internal control was for the limited purpose described in the first paragraph and was not designed to identify all instances that the Plan is not operating in accordance with the Plan's provisions or deficiencies in internal control that might be material weaknesses or significant deficiencies. Therefore, instances that the Plan is not operating in accordance with plan provisions or deficiencies in internal control, including material weaknesses or significant deficiencies, may exist that were not identified. Given these limitations, we did not identify any deficiencies in internal control that might be a material weakness.

This communication is intended solely for the information and use of the Plan Administrator and management, and is not intended to be, and should not be, used by anyone other than these specified parties.

Management Letter

Hidden Eyes, LLC 401(k) Profit Sharing Plan & Trust

Management Letter

To the Plan Administrator
Hidden Eyes, LLC 401(k) Profit Sharing Plan & Trust

This letter includes comments and suggestions with respect to matters that came to our attention in connection with our audit of the financial statements of the Hidden Eyes, LLC 401(k) Profit Sharing Plan & Trust (the Plan) as of and for the year ended December 31, 2021. These items are offered as constructive suggestions to be considered part of the ongoing process of modifying and improving the Plan's practices and procedures.

Current Year Comments

2021-01: Loan Limitations

We noted during our audit that there was a participant with more than one loan outstanding. Per the terms of the Plan documents, participants are limited to only one loan outstanding at any given time. We recommend that the Plan Sponsor work with its third-party administrator to resolve the non-compliance issue.

2021-02: Employee Contribution Made in Error

During the audit, we noted a single instance where a small employer contribution was made to a participant in error. We recommend that the Plan Sponsor review payroll and remittance rosters after every payroll run to ensure that contributions remitted to the Plan's custodian are complete and accurate.

Prior Year Comments

2019-01: Retirement Plan Committee

We noted during our audit that there was no formal Retirement Plan Committee or separate minutes kept of any discussion related to the Plan and Plan investments. We understand that an advisor from the Plan's TPA is available to discuss investment options as needed but does not provide a formal Plan overview to management. We would suggest that periodically the advisor meet with the Retirement Plan Committee and the trustees of the Plan to address the adequacy of the investment choices. These meetings and the related decisions should be documented as official minutes of the trustees of the Plan.

Status: Per discussion with management, this recommendation has not been addressed due to operational changes related to the COVID-19 pandemic, but they plan on forming a Retirement Plan Committee in 2022. Comment still applicable.

We wish to thank the Plan's staff for their assistance during our audit.

This communication is intended solely for the information and use of the Plan Administrator and management, and is not intended to be, and should not be, used by anyone other than these specified parties.

1990 Main Street, Suite 801
Sarasota, FL 34236

This representation letter is provided in connection with your audit of the financial statements of the Hidden Eyes, LLC 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2021 and 2020; the related statement of changes in net assets available for benefits for the year then ended December 31, 2021; and the related notes to the financial statements.

We elected to have the audit of the plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. We acknowledge that the audit did not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier, that is regulated, supervised and subject to periodically examination by a state or federal agency, a qualified institution, that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. We have determined that an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances. We have also determined that the investment information is prepared and certified by a qualified institution as described by 29 CFR 2520.103-8, that the certification meets the requirements in 29 CFR 2520.103-5 and that the certified information is appropriately measured, presented and disclosed in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

The purpose of an ERISA Section 103(a)(3)(C) audit is to express an opinion on whether the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with U.S. GAAP and that the assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the certified investment information.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement.

We confirm, to the best of our knowledge and belief, that as of the date of this letter, the following representations made to you during your audit.

Independent Auditor's Report

To the Plan Administrator and Trustees
Hidden Eyes, LLC 401(k) Profit Sharing Plan & Trust
Sarasota, Florida

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Hidden Eyes, LLC 401(k) Profit Sharing Plan & Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at Year End) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 6, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

I. Description of the Plan

The following description of Hidden Eyes, LLC 401(k) Profit Sharing Plan & Trust (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution 401(k) plan of Hidden Eyes, LLC (the Company), whose purpose is to enable eligible employees to save for retirement, as well as providing certain benefits in the event of death, disability or other termination of employment. The Plan was established effective January 1, 2010 and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility

The Plan covers all employees of Hidden Eyes, LLC (the Company) who have completed three months of service and have attained twenty-one years of age.

Participant Accounts

Each participant's account is credited with the participant's contribution, the employer's discretionary profit sharing or discretionary matching contribution, the employer's matching contributions and an allocation of the Plan earnings. Allocations of the Plan earnings are based on participants' account balances.

Contributions

Salary deferral contributions are made to the Plan by participating employees through payroll deductions in amounts authorized by the employees. Participants may contribute up to the limits of the Internal Revenue Service (IRS) of \$19,500 of pre-tax annual compensation for 2021. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions. For 2021, the annual catch-up contribution limit was \$6,500.

On May 15, 2020, the Plan was amended to remove the safe harbor election and updated the match to reflect a discretionary match at year-end.

Vesting

Participants are immediately vested in their salary deferral contributions, rollover contributions, and earnings thereon. Participants are vested 100% in employer discretionary profit-sharing contributions. Vesting for discretionary matching contributions and earnings thereon are based on years of service, as defined in the Plan, as follows:

Completed Years of Service	Vested Percentage
Less than 2	0%
More than 2	100%

If, while an employee, the participant dies, becomes disabled, or reaches normal retirement age of 65 before the two-year vesting period, the participant's account will be 100% vested.

I. Description of the Plan (Continued)

Investment Options

Upon enrollment in the Plan, participants direct the investment of their contributions and allocate contributions to the investment options available under the Plan. Employer contributions are allocated according to the participant's allocations. The percentage of contributions allocated to each of the investment options is at the discretion of the participant.

Participants may change their investment options at any time online or via telephone, which allows a participant to access their account using a personal identification number.

Administrative Expenses

Fees paid by the Plan totaled \$57,434 for the year ended December 31, 2021.

Forfeited Accounts

The forfeitures for the non-vested portion of the Company matching contributions can be used to pay Plan administrative expenses or reduce the Company's matching contributions. For the 2021 Plan year, the Company used the entire ending balance of forfeitures to pay Plan administrative expenses. At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$52,742 and \$0, respectively.

Benefits Paid to Participants

If a participant ceases to be employed by the Company for any reason, other than death or total and permanent disability, prior to satisfying the age and service requirements for normal retirement, the terminated participant may elect, with the consent of his or her spouse, to receive in a lump-sum payment any vested amounts plus the earnings thereon. Employees must work at least 1,000 hours in order to be credited with one year of service for vesting purposes. If the participant's vested account balance is \$5,000 or less, the Plan Administrator will direct the Trustee to distribute as a lump-sum payment upon termination.

Hardship Distributions

Hardship distributions are permitted by the Plan at the discretion of the Company for allowable expenditures from participants' pre-tax deferrals.

Notes Receivable from Participants

The Plan does allow for loans to be taken out by participants if certain criteria are met. A participant may borrow a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 95% of one-half of their vested account balance. Creditworthiness is considered and all loans must be adequately secured, generally by the vested interest in the Plan. A promissory note must be signed along with a loan pledge. Interest rates on outstanding loans from participants range from 4.25% and 6.50% as of December 31, 2021.

Principal and interest are paid through payroll deductions. Loans that are outstanding at the occurrence of a distributable event will become due in their entirety. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document. No allowance has been established for uncollectable loans from participants as of December 31, 2021 and 2020. The Plan uses the direct write-off method and declares a deemed distribution in the year in which the participant is in default.

1. Description of the Plan (Continued)

Notes Receivable from Participants (Continued)

Under the optional provisions outlined in the CARES Act, loan repayments due between March 27, 2020 and December 31, 2020 may be delayed for a period of one year. This deferment period is disregarded for purposes of determining the term of the loan. The Plan Sponsor elected to adopt the optional loan provisions outlined by the CARES Act during the 2020 Plan year.

Plan Termination

The Company anticipates that the Plan will continue without interruption but reserves the right to terminate the Plan. In the event of Plan termination, the participants will become 100% vested in their accounts and the net assets of the Plan will be distributed to the participants and beneficiaries of the Plan.

2. Summary of Significant Accounting Policies

Financial Statements

The Plan's financial statements and notes are representations of the Company's management, who is responsible for their integrity and objectivity. The accounting policies conform to accounting principles generally accepted in the United States of America and have been consistently applied in the preparation of the financial statements.

Basis of Accounting

The accompanying financial statements are presented on the accrual basis of accounting.

Use of Estimates and Assumptions

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect reported amounts of assets, liabilities, revenues and expenses and the disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Fair Value Measurement

The Company adopted the Fair Value Measurements and Disclosures Topic of the FASB Accounting Standards Codification for fair value measurements of financial assets and financial liabilities that are recognized or disclosed at fair value in the financial statements on a recurring basis. The Fair Value Measurements and Disclosures Topic established a single authoritative definition of fair value, sets a framework for measuring fair value and requires additional disclosures about fair value measurement. The financial statements reflect the adoption of the Fair Value Measurements and Disclosures Topic.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value based on quoted market prices as reported on the last business day of the year. Purchases and sales of investments are recorded on the trade date. Income from investments in units of participation is recorded as earned and reinvested in the accounts. Income earned from investments and gains or losses on disposal of investments are recorded using the accrual method. Dividend income is recognized when earned.

Net Appreciation in the Fair Value of Investments

The Plan presents, in the Statement of Changes in Net Assets Available for Benefits, the net appreciation in the fair value of its investments. This amount consists of realized gains and losses and unrealized appreciation and depreciation of those investments.

2. Summary of Significant Accounting Policies (Continued)

Financial Instruments Not Measured at Fair Value

The Plan's financial instruments that are not measured at fair value on the recurring basis but are recorded at amounts that approximate fair value due to their liquid or short-term nature include interest-bearing cash and participant contributions receivable.

Benefits Paid to Participants

Benefits are recorded when paid.

3. Financial Information Certified by Mid Atlantic Trust Company

The Plan Administrator has obtained certification from the custodian that information provided to the Plan Administrator by the custodian related to the following investments is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditor not to perform any auditing procedures with respect to information that appears throughout the financial statements and supplemental schedule related to the following investments.

The following is a summary of the asset information as of December 31, 2021, included throughout the Plan's financial statements and supplemental schedule that was prepared by or derived from information provided by the custodian and furnished to the Plan Administrator.

	<u>2021</u>	<u>2020</u>
Interest-bearing cash	\$ 118,679	\$ 50,918
Mutual funds	\$ 3,312,681	\$ 3,046,891

The custodian also certified to the completeness and accuracy of net appreciation in fair value of mutual funds of \$125,430, dividend income from mutual funds of \$296,854, interest income related to interest-bearing cash of \$7, and interest income related to the notes receivable from participants of \$4,122 for the year ended December 31, 2021.

4. Fair Value Measurements

The Fair Value Measurements and Disclosures Topic of the FASB Accounting Standards Codification provides enhanced guidance for using fair value to measure assets and liabilities and clarifies the principle that fair value should be based on the assumptions market participants would use when pricing the assets or liabilities and establishes a hierarchy that prioritizes the information used to develop those assumptions. The hierarchy gives the highest priority to unadjusted quoted prices in active markets (Level 1 measurements) and lowest priority to unobservable inputs (Level 3 measurements).

The three levels for measuring the fair value are based on the reliability of inputs and are as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Hidden Eyes, LLC 401(k) Profit Sharing Plan & Trust

Notes to Financial Statements (Continued)

December 31, 2021

4. Fair Value Measurements (Continued)

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quote prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value for the years ended December 31, 2021, and 2020.

Mutual funds: Shares are generally valued at Net Asset Value Per Share (NAVPS) based upon net asset value of underlying portfolio securities and are published on a national exchange valued at the end of each day.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The Plan's assets are set forth within the fair value hierarchy at December 31, 2021 as follows:

Description	December 31, 2021	Level 1	Level 2	Level 3
Mutual funds	\$ 3,312,681	\$ 3,312,681	\$ -	\$ -

5. Tax Status

Effective January 1, 2010, the Plan has adopted a standardized form of a prototype plan. The prototype plan has received an opinion letter from the Internal Revenue Service as to the prototype plan's qualified status. The Plan Administrator believes the Plan is currently designed and is being operated in compliance with the applicable requirements of the Code. The Plan Administrator and Trustee will make any changes deemed necessary to ensure that the Plan is granted tax-exempt status. Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax position taken by the Plan and has concluded that as of December 31, 2021, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan is subject to income tax examinations for the 2018 through 2021 plan years.

6. Risks and Uncertainties

The Plan invests in investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.
