INDEPENDENT AUDITOR'S REPORT

The Administrative Committee
National Indemnity Company Employee
Retirement and Savings Plan
Omaha, Nebraska

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of National Indemnity Company Retirement and Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedules of Delinquent Participant Contributions and Assets (Held at End of Year) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 30, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

1. Description of the Plan

The following description of the National Indemnity Company Employee Retirement and Savings Plan (the “Plan”) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan’s provisions.

General — The Plan, established January 1, 1968, as amended and restated, is a defined contribution retirement and savings plan maintained for participating entities and their eligible employees and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended.

Contributions — Each year, contributions up to 5% of compensation, as defined by the Plan, may be made by active participants, and such contributions are 100% matched by the participating employers. Additional contributions, not subject to employer matching contributions may be made by participants up to 65% of compensation, however, the maximum annual contribution by any participant shall not exceed the amount allowable under provisions of the Internal Revenue Code. Participants may also contribute amounts representing rollover distributions from other qualifying defined benefit or defined contribution plans.

Participant Accounts — Individual accounts are maintained for each Plan participant. Participant accounts are charged with an allocation of administrative expenses paid by the Plan. Each participant’s account is credited with the participant’s contribution, and allocations of (a) the employer’s contribution and (b) the Plan earnings, and charged with withdrawals and an allocation of the Plan losses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account. Plan participants may direct their contributions and employer matching contributions in any proportion within the twenty-one available investment funds.

Vesting — Employer contributions and earnings (losses) thereon to a participant’s account begin vesting after two years of service and are fully vested after six years of service or upon death, permanent disability or retirement at or after the normal retirement age, which is age 65. Non-vested employer contributions that are forfeited by participants are used to reduce subsequent employer contributions to the Plan. Employee contributions and earnings (losses) thereon are fully vested at all times.

Notes receivable from participants — Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant’s account. The loan interest rate is set at 1% above the current prime lending rate of Principal. Principal and interest are paid ratably through payroll deduction. Participants may not exceed two loans outstanding at any time.

EMPLOYEE RETIREMENT AND SAVINGS PLAN**

NOTES TO FINANCIAL STATEMENTS - CONTINUED

DECEMBER 31, 2021 AND 2020

1. Description of the Plan - Continued

The Plan was amended as of March 27, 2020 to allow each qualified individual with an outstanding loan from the Plan on or after March 27, 2020 and through December 31, 2020 to defer loan payments by one year if so chosen. Any subsequent repayments for any such loan will be appropriately adjusted to reflect the delay in the due date and any interest accruing during the delay.

Participating Entities — Participating employers as of December 31, 2021 and 2020 were: National Indemnity Company, Berkshire Hathaway Homestate Insurance Company, Northern States Agency, Inc., Berkshire Hathaway Inc., Resolute Management Inc., Ringwalt & Liesche Co., National Liability & Fire Insurance Company, Oak River Insurance Company, Blue Chip Stamps, Inc., Affordable Housing Partners, Inc and Farnam Management Services, LLC.

Payment of Benefits — On termination of service due to death, disability or retirement, benefit payments shall be made in lump sum or installments over a period of not more than the participant's life expectancy (or participant's and participant's beneficiary's life expectancies). Participants may withdraw their Plan contributions, vested employer contributions, earnings and rollover funds when their employment ends. In-service withdrawals may be made subject to Plan requirements.

The Plan was amended effective May 22, 2020 to allow participants to withdraw coronavirus-related distributions and was adopted from the Coronavirus Aid, Relief, and Economic Security Act (the "CARES Act"). Withdrawals related to the CARES Act may not exceed \$100,000 (limited by 100% of the participants available balance) and are not restricted by early withdrawal penalties regularly required by the Internal Revenue Code. All coronavirus-related distributions are available to all participants regardless of employment status through December 31, 2020.

In addition, for calendar year 2020, all required minimum distributions were waived.

Plan Termination — Although the National Indemnity Company Board of Directors has not indicated its intention to terminate the Plan, it may do so at any time. In the event of a full or partial termination of the Plan or upon a complete discontinuance of contributions to the Plan, all employer contributed amounts credited to the accounts of participants shall be fully vested and non-forfeitable and the Plan assets shall be distributed in accordance with provisions of the Plan and ERISA.

Forfeited Accounts — At December 31, 2021 forfeited non-vested accounts totaled \$921,519. There were no material forfeited non-vested accounts at December 31, 2020. These accounts are used to reduce future employer contributions. During 2021 and 2020, employer contributions were reduced by \$55,895 and \$687,033, respectively, from forfeited non-vested accounts.

2. Summary of Significant Accounting Policies

Basis of Accounting — The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates — The Plan Administrator uses estimates and assumptions in preparing financial statements in accordance with accounting principles generally accepted in the U.S.A. Estimates and assumptions affect the reported amounts of assets, liabilities, net asset additions and deductions, and related disclosures. The most significant estimate in the accompanying statements is the valuation of investments at fair value by the Plan custodian. Due to the inherent uncertainties in this process, it is likely that actual results, including the realization of fair value of the investments, will vary from the estimates.

Risks and Uncertainties — The Plan invests in investment securities, which are exposed to interest rate, market, and credit risks. It is therefore, at least reasonably possible that changes in fair value could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits. The Plan's investment in the Sequoia Fund, Inc. of \$103,757,680 and \$101,027,777 represents a significant concentration considering it is 22% and 24% of net assets available for benefits as of December 31, 2021 and 2020, respectively.

Investment Valuation and Income Recognition — The Plan's investments are stated at fair value, which is determined by quoted market prices. Shares of mutual funds are valued at the net asset value of shares held by the Plan at year-end. Purchases and sales of securities are recorded on the trade-date. Dividend income is recorded on the ex-dividend date.

Notes receivable from participants — Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. Delinquent participant loans are recorded as distributions on the basis of the terms of the Plan agreement.

Payment of Benefits — Benefits are recorded when paid.

Plan Expenses — All expenses of the Plan are paid by the participating entities of the Plan, except some investment fees. Revenue sharing fees and income are reported gross on the statement of changes in net assets available for benefits.

Subsequent Period — Management evaluated transactions and events occurring subsequent to December 31, 2021, and through October 11, 2022, the date the financial statements were available to be issued, to determine whether any events should be recognized or disclosed in these statements. There were no material transactions or events in the subsequent period requiring disclosure or recognition in the statements.

3. Investments

Investments disclosed in the financial statements and supplemental schedule at December 31, 2021 and 2020, and net appreciation in fair value of investments and dividends for the years then ended, were obtained or derived from information supplied by the Plan Administrator and certified as complete and accurate by Principal Trust Company and Wells Fargo Bank N.A. The following is a summary of the information certified:

	<u>2021</u>	<u>2020</u>
Investments, at fair value	\$ 479,108,942	424,550,424
Notes receivable from participants	2,691,270	**
Dividend income	5,767,757	2,252,447
Net appreciation in fair value of investments	70,450,143	56,258,315

** Notes receivable from participants were not certified as of December 31, 2020.

4. Fair Value Measurements

Financial Accounting Standards Board ("FASB") Codification Section 820, *Fair Value Measurements*, establishes a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1--Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2--Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specific (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3--Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

4. Fair Value Measurements - Continued

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 or 2020.

Mutual funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common and collective funds – Valued at the NAV of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

Assets at Fair Value as of December 31, 2021

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 374,742,152	--	--	\$ 374,742,152
Common and collective funds at net asset value (1)				<u>104,366,790</u>
Total assets at fair value				<u>\$ 479,108,942</u>

Assets at Fair Value as of December 31, 2020

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 336,261,424	--	--	\$ 336,261,424
Common and collective funds at net asset value (1)				<u>88,289,000</u>
Total assets at fair value				<u>\$ 424,550,424</u>

- (1) In accordance with ASC 820-10, certain investments that are measured at NAV (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to investments at fair value presented on the statement of net assets available for benefits.

4. Fair Value Measurements - Continued

Fair Value of Investments in Entities That Use NAV

The following table summarizes investments measured at fair value based on NAV per share:

<i>December 31, 2021</i>	<i>Fair Value</i>	<i>Unfunded Commitments</i>	<i>Redemption Frequency (if currently eligible)</i>	<i>Redemption Notice Period</i>
Common and collective index funds	\$ 104,366,790	n/a	Daily	n/a

<i>December 31, 2020</i>	<i>Fair Value</i>	<i>Unfunded Commitments</i>	<i>Redemption Frequency (if currently eligible)</i>	<i>Redemption Notice Period</i>
Common and collective index funds	\$ 88,289,000	n/a	Daily	n/a

5. Plan Administration

The Plan provides for the appointment by the participating entities of an Administrative Committee, which is responsible for the management, operation and administration of the Plan.

6. Income Tax Status

On March 31, 2014, the Internal Revenue Service stated that the prototype plan adopted by the Plan, as then designed, qualifies under Internal Revenue Code (IRC) Section 401. The Plan has not received a determination letter specific to the Plan itself; however, the Plan Administrator and the Plan's counsel believe the Plan is designed, and is currently being operated in compliance with, the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has concluded that as of December 31, 2021, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

7. Party-in-Interest Transactions

Certain Plan investments are shares of mutual funds and common / collective trust funds managed by Wells Fargo Bank, National Association. Prior to June 18, 2021 Wells Fargo Bank, National Association, was the Plan Trustee and, therefore, these Plan transactions qualify as party-in-interest transactions.

The Plan engages the services of Principal Trust Company, as Trustee of the Plan's assets (the "Trustee"), whose responsibilities include investing assets, paying benefits to participants under the direction of the Plan Committee, and performing the recordkeeping of the Plan.
