INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
First Resources 403(b) Plan
Sigourney, Iowa 52591

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of First Resources 403(b) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of First Resources 403(b) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of First Resources 403(b) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about First Resources 403(b) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of First Resources 403(b) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about First Resources 403(b) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of First Resources 403(b) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 20, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

FIRST RESOURCES 403(b) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 1 – DESCRIPTION OF PLAN

The following description of the First Resources 403(b) Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a participant directed defined contribution plan pursuant to a group annuity contract covering all eligible employees of First Resources Corporation. The Plan consists of investments in separate accounts and the insurance company general account. All employees are eligible for deferred contributions with eligibility for employer contributions after completing at least one month of service and are United States residents. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Directors of First Resources Corporation oversees governance of the Plan. The Board of Directors also determines the appropriateness of the Plans investment offerings and monitors investment performance.

Contributions

Each year, participants may contribute up to 100 percent of their pretax annual compensation, as defined in the Plan. This amount is limited to annual IRS maximum amounts. The Plan requires employer-matching contributions of 100 percent of the first three percent of the employees' compensation. Contributions are subject to certain statutory limitations. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. To be eligible for special catch-up contribution, you must have completed at least 15 years of service.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of (a) the Organization's contribution and, (b) Plan earnings (losses). Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Organization's contribution portion of their accounts is based on years of continuous service. A participant is 100 percent vested after four years of credited service. Employees hired prior to January 1, 2021, are also fully vested as of that date.

Plan Loans

Participants may borrow amounts directly from the Plan custodian. Plan loans may be requested by a participant, using their account as collateral for the Plan loan. A Plan loan is not treated as a distribution from the Plan and is not considered a Plan asset. Therefore, Plan loans are not reported on the statements of net assets available for benefits. A participant may apply for a Plan loan to be from his or her vested account balance in the Plan at a minimum of \$1,000 and not to exceed the lesser of \$50,000 or 50 percent of the participant's vested account balance in the Plan. Loans may be further limited by the funding vehicles.

At December 31, 2021 and 2020, there were \$1,367 held within participant accounts in the insurance company general account with Voya Retirement Insurance and Annuity Company ("Voya"). At December 31, 2021 and 2020, the interest rate of Plan loans was 6.75%.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)

Payment of Benefits

On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or periodic payments over a period of time not to exceed the life expectancy of the participant. Participants may also receive an in-service withdrawal after age 59½.

Forfeited Accounts

Forfeitures are non-vested amounts in the accounts of participants who terminate employment. Each year, if there are any forfeitures, they are used first to pay certain plan expenses. Any amount of forfeitures remaining will be used to reduce our future contribution to the plan.

At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$3,192 and \$815, respectively. These accounts will be used to reduce future employer contributions.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Date of Management's Review of Subsequent Events

Subsequent events were evaluated through July 8, 2022, which is the date the financial statements were available to be issued.

Basis of Accounting

The financial statements of the plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at estimated fair value using the net asset value per share (or equivalent) as a practical expedient, as reported by the trustee. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Separate accounts generate variable income, and the insurance company general account generates fixed income. Dividends are recorded on the ex-dividend date. Interest is recorded when earned. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year. A portion of the Plan's investments at Voya were transferred to Mutual of America Life Insurance Co. ("Mutual of America") effective October 31, 2020. At the end of the fiscal year in 2021, there was still a balance left in the Voya funds.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Payment of Benefits

Benefits are recorded when paid.

Operating Expenses

With the exception of administrative expenses listed on page 4, all expenses of maintaining the plan are paid by First Resources Corporation and therefore excluded from these financial statements.

NOTE 3 – TAX STATUS

Individually designed 403(b) plans are currently not required to submit plans to the Internal Revenue Service for determination. However, the Plan administrator believes that the Plan was originally designed to be in compliance with the requirements of the Internal Revenue Code (IRC) and the Plan administrator and the Plan's tax counsel believe that at the Plan's inception, it was in compliance with IRC requirements. Although the Plan has been amended, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe the Plan is qualified and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require the Plan administrator to evaluate tax positions taken by the Plan and recognized a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE 4 – INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEES

The following information included in the accompanying financial statements and supplemental schedule was obtained from the data that has been prepared and certified to as complete and accurate by the trustee:

<u>Voya Retirement Insurance and Annuity Company</u>	<u>2021</u>	<u>2020</u>
Separate accounts	\$ 11,752	\$ 9,841
Net appreciation in fair value of investments and interest	1,935	1,475
<u>Mutual of America Life Insurance Co.</u>	<u>2021</u>	<u>2020</u>
Separate accounts	\$ 2,150,926	\$ 1,531,038
Insurance company general account	225,636	302,758
Net appreciation in fair value of investments and interest	299,798	146,868

During the year ended December 31, 2020, the Plan changed trustees from Voya to Mutual of America. At December 31, 2021, the Plan still had a remaining balance of a Voya account that was not transferred over to Mutual of America.

NOTE 5 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

FIRST RESOURCES 403(b) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE 6 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and amounts reported in the statement of net assets available for benefits.

NOTE 7 – RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The following is a reconciliation of interest income and investment income per the financial statements for the year ended December 31, 2021 to total interest and net investment gain on Schedule H of Form 5500:

	<u>Interest</u>	<u>Net Appreciation Of Investments</u>
Balance per financial statements	\$ -	\$ 301,734
Interest shown on other	2,027	(2,027)
Other income from Voya plan	-	(1,935)
Balance per Schedule H of Form 5500	\$ <u>2,027</u>	\$ <u>297,772</u>

The following is a reconciliation of participant loans per the financial statements for the year ended December 31, 2021 to total participant loans on schedule H of Form 5500:

Balance per financial statements	\$ -
Add: Loan balances held as collateral included in investments in the audited financial statements	<u>1,367</u>
Balance per Schedule H of Form 5500	\$ <u>1,367</u>

NOTE 8 – RELATED PARTY TRANSACTIONS

Certain Plan investments are managed by Mutual of America and Voya. Mutual of America and Voya are the trustees as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by Mutual of America and Voya for services amounted to \$1,422 and \$24, respectively, for the year ended December 31, 2021.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 9 – OPEN TAX YEARS

The Plan's tax returns for the years ending December 31, 2021, 2020, 2019 and 2018 are subject to examination by the IRS, generally for 3 years after they filed.
