We have performed an audit of the accompanying financial statements of LCE Employee Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of LCE Employee Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by Principal Trust Company, the trustees of the plan, that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified by the trustees in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of LCE Employee Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about LCE Employee Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of LCE Employee Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about LCE Employee Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of LCE Employee Savings Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 8, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS
LCE EMPLOYEE SAVINGS PLAN

NOTE 1 - DESCRIPTION OF PLAN

The following brief description of the LCE Employee Savings Plan ("Plan") is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information.

- A. "General". The Plan is a defined contribution plan covering all employees of Life Cycle Engineering, Inc. ("Company") and subsidiaries. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).
- B. "Contributions". Each participant may elect to deduct up to 100% of their compensation, subject to the maximum employee dollar deferral amount provided by the Internal Revenue Service for that calendar year, and have the Company transfer that amount to the Plan as an elective contribution on the participant's behalf. The Plan allows both tax deferred and nontax deferred (Roth) contributions from its participants. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Employer matching contributions are subject to the determination of the Company. For 2021, the Company approved matching contributions in amounts equal to fifty percent of the first 6% of total compensation that a participant contributes to the Plan. Additionally, qualified nonelective contributions may be made to satisfy top-heavy or other compliance matters.

A participant's compensation is automatically reduced by 3% and treated as the participant's salary reduction election if the participant has not previously elected to defer a different rate or if the participant has not elected to opt out of automatic enrollment.
- C. "Participant Accounts". Each participant's account is credited with the participant's contribution and an allocation of (a) the Company's contribution and (b) Plan earnings or losses, and charged with an allocation of administrative expenses. Allocations are based on participant deferred compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.
- D. "Vesting". Participants are immediately vested in their contributions, as well as employer matching contributions, plus actual earnings thereon.
- E. "Payment of Benefits". On termination of service, a participant's benefits are distributed in a lump sum payment as soon as administratively possible or within specific periods defined in the plan agreement. Mandatory cash out distributions are required for participant accounts not exceeding \$5,000. Distribution of a participant's account with a balance exceeding \$5,000 requires the participant's consent and, in certain situations, the consent of the participant's spouse.
- F. "Participant-Directed Investments". The Plan permits a participant to direct the investment of the participant's account in any of the Plan's investment options. All Plan investments were participant directed in 2021 and 2020.
- G. "Participant Loans". Participants may borrow from their fund accounts a minimum of \$1,000, up to a maximum equal to the lesser of 50% of their account balance or \$50,000, less the highest outstanding total loan balance during the previous 12-month period. The loans are secured by the balance in the participant's account and bear interest at the prime rate, plus 2%, a rate deemed commensurate with rates charged by persons in the business of lending money for loans which would be made under similar circumstances. Repayment terms of participant loans cannot exceed 5 years except where a loan is made for the purchase of a participant's principal residence, in which event the Administrator may set the loan term for a greater period of time. Principal and interest are to be paid ratably over the term of the loan with payments made each pay period.

NOTES TO FINANCIAL STATEMENTS
LCE EMPLOYEE SAVINGS PLAN

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The financial statements are prepared using the accrual method of accounting.

Notes Receivable from Participants – Loans to participants are reported at their unpaid principal balances. The loans are collateralized by the respective participant accounts and the note payments are withheld by the Company from the respective participant wages. In the event of default, foreclosure on the note and attachment of the security occurs when a distributable event occurs in the Plan, subject to the suspension of payments permitted by Internal Revenue Code 414(u)(4). The plan administrator evaluates the collectability of the loans based on the status of the note payments, the employment status of the participants, and the fair value of investment collateral. The plan administrator has determined that no allowance for uncollectible accounts was necessary as of December 31, 2021 and 2020.

Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority; Level 2 inputs consist of observable inputs other than quoted prices for identical assets; and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. Level 3 inputs are only used when Level 1 or Level 2 inputs are not available.

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year-end.

Level 2 Fair Value Measurements

No assets of the Plan were valued using Level 2 measurements.

Level 3 Fair Value Measurements

No assets of the Plan were valued using Level 3 measurements.

Net Asset Value

The investment in the common collective trust is valued as a practical expedient utilizing the net asset valuation as reported in the Wells Fargo Stable Value Fund C in its audited financial statements as of December 31, 2021 and 2020.

Income Recognition – Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest is recorded when received, which does not materially differ from the accrual method. Net appreciation/depreciation in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Expense Recognition – Benefits are recorded when paid.

LCE EMPLOYEE SAVINGS PLAN

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES - Continued

Use of Estimates – The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Subsequent Events – Management has evaluated subsequent events through October 18, 2022, the date the financial statements were available to be issued.

NOTE 3 - FAIR VALUE MEASUREMENTS

The following table presents fair value measurement information for certain financial instruments. The carrying values of receivables, cash, and accounts payable included in the accompanying statements of net assets available for benefits approximated fair value and are not included in the following table:

<u>December 31, 2021</u>	<u>Fair Value (Level 1)</u>	<u>Total</u>
Mutual funds	\$ 64,556,988	\$ 64,556,988
Total assets in the fair value hierarchy	64,556,988	64,556,988
Investments measured at net asset value		4,380,202
Investments at fair value	<u>\$ 64,556,988</u>	<u>\$ 68,937,190</u>
<u>December 31, 2020</u>	<u>Fair Value (Level 1)</u>	<u>Total</u>

The following table summarized investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2021, and 2020, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

NOTE 4 – INVESTMENTS CERTIFIED BY TRUSTEE

The following information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends for the year ended December 31, 2021, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Principal Trust Company for the period December 31, 2021 and 2020.

	2021	2020
Mutual funds at fair value	\$ 68,937,190	\$ 58,076,537
Participant loans	562,254	466,554
Common collective trust at net asset value	4,380,202	5,054,382
Investment income	8,314,031	

The investment income total of \$8,341,000 in the accompanying statement of changes in net assets available for benefits includes interest income of \$26,969 from participant loans.

NOTE 5 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE 6 - TAX STATUS

The Company has adopted the Volume Submitter Profit Sharing Plan and Trust, which is a prototype standardized profit-sharing plan with a Cash or Deferred Arrangement. This prototype plan was approved by the Internal Revenue Service (IRS). The IRS has advised that an adopter of a preapproved prototype plan does not have to file for a separate IRS determination letter provided the plan is adopted without changes to the basic plan document. Although the prototype plan has been amended, the Plan administrator and the Plan's trustees believe that the Plan is designed, and is currently being operated, in compliance with the requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

NOTE 7 - PARTY IN INTEREST TRANSACTIONS

The Plan has a number of service providers. Such parties are parties-in-interest under ERISA. Expenses totaling \$220,569 were incurred with these service providers during 2021.

NOTE 8 - RISKS AND UNCERTAINTIES

Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such change could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
