Independent Auditors' Report

The Plan Administrator and Participants of the
Joint Commission on Accreditation of Healthcare Organizations
Deferred Salary Profit-Sharing Thrift Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Joint Commission on Accreditation of Healthcare Organizations Deferred Salary Profit-Sharing Thrift Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with U.S. generally accepted accounting principles.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. generally accepted accounting principles, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statement section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. generally accepted accounting principles.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. generally accepted accounting principles.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of schedule H, line 4i – schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and is derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 29, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Independent Auditors' Report

The Plan Administrator and Participants of the
Joint Commission on Accreditation of Healthcare Organizations
Deferred Salary Profit-Sharing Thrift Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Joint Commission on Accreditation of Healthcare Organizations Deferred Salary Profit-Sharing Thrift Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with U.S. generally accepted accounting principles.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. generally accepted accounting principles, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statement section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. generally accepted accounting principles.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. generally accepted accounting principles.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of schedule H, line 4i – schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and is derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 29, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

PROFIT SHARING THRIFT PLAN**

Notes to Financial Statements

December 31, 2021 and 2020

(1) Plan Description

The Joint Commission on Accreditation of Healthcare Organizations Deferred Salary Profit-Sharing Thrift Plan (the Plan), established on January 1, 1985, as amended, is a defined contribution plan, which provides retirement benefits to employees of The Joint Commission on Accreditation of Healthcare Organizations and its affiliates (collectively, The Joint Commission). Participants should refer to the plan document for a complete description of the Plan.

(a) General

The Plan was established by The Joint Commission under the provisions of Section 401(a) of the Internal Revenue Code (IRC), which describes a qualified deferred arrangement in Section 401(k) of the IRC, for the benefit of the eligible employees of The Joint Commission. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

(b) Administration

The Plan is administered by a committee appointed by The Joint Commission. Vanguard Fiduciary Trust Company (the Trustee) is the Trustee of the Plan.

(c) Participation and Vesting

Each employee is eligible to become a Plan participant if he or she is an employee of The Joint Commission and any other affiliated organization that adopts the Plan for its employees. If he or she is eligible, then he or she may become a participant as of the first payroll of any month after he or she has attained age 21 and is in an employee status that is expected to work at a level of 1,000 hours or more per year. If he or she is eligible to participate but has not yet attained age 21 or is not expected to work at a level of 1,000 hours or more per year, participation will be delayed until the first of the month following the attainment of both sets of enrollment criteria. Participants are immediately fully vested in both their contributions and employer matching contributions and the earnings thereon.

(d) Contributions

Each participant in the Plan may contribute between 1% and 50% of his or her eligible compensation (referred to as salary deferral) up to the Internal Revenue Service (IRS) limits. After one year of service, the first 6% of a participant's compensation, which is contributed as a salary deferral, is eligible for a matching contribution of 50% by The Joint Commission. The Joint Commission suspended its matching contribution effective June 1 through December 31, 2020 and the 2020 year-end "true-up" matching contribution only from the period January 1, 2020 through May 31, 2020. The Joint Commission reinstated its matching contribution beginning with the January 22, 2021 paycheck. Additionally, participants age 50 and older are allowed to make catch-up contributions up to the IRS limits. Certain participants may contribute certain rollover distributions, as allowed by the IRC, into their accounts.

HEALTHCARE ORGANIZATIONS DEFERRED SALARY
PROFIT SHARING THRIFT PLAN**

Notes to Financial Statements

December 31, 2021 and 2020

(e) Participant Accounts

Individual accounts are maintained for each of the Plan's participants to reflect the participant's contributions and related employer matching contributions, and Plan earnings. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

(f) Payment of Benefits

Upon termination of service due to death, disability, or retirement, a participant may elect to receive all of his or her account balance. Payment can be made in the form of a lump-sum or installment payment.

(g) Withdrawals

Any participant who has attained age 59½ may elect to withdraw all or a portion of his or her participant account. In addition, prior to reaching age 59½, a participant may, for reasons of hardship (as defined in the Plan), withdraw a specified portion of his or her participant account.

(h) Notes Receivable from Participants

Notes receivable from participants (loans) are measured at unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

Any participant may take loans on his or her account, limited to three outstanding per participant at any given time and a maximum of the lesser of \$50,000 or 50% of that account balance. Loans are secured by the participant's account balances and are repayable through payroll deductions. Loan repayment terms are generally within 5 years, but can have periods up to 10 years if the loan is used to purchase a principal residence. Interest rates are set at one point above the prime rate.

If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

(2) Significant Accounting Policies

(a) Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

(b) Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires plan management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein; and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

(c) Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Because of the level of risk associated with certain

**JOINT COMMISSION ON ACCREDITATION OF
HEALTHCARE ORGANIZATIONS DEFERRED SALARY
PROFIT SHARING THRIFT PLAN**

Notes to Financial Statements

December 31, 2021 and 2020

investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

(d) Investment Valuation and Income Recognition

The Plan's investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value as that is the relevant measurement attribute. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See note 3 for discussion on fully benefit-responsive investment contracts and note 9 for fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

(e) Administrative Expenses

Each participant who has a balance of \$5,000 or more in their account within the Plan is charged a fixed annual fee of \$98 through October 2021 and \$60 thereafter. The Joint Commission pays the administrative fee for participants who have a balance under \$5,000. All other expenses incurred in the administration of the Plan are paid by the Plan, including those related to the investment contract, as disclosed in note 3.

(f) Payment of Benefits

Benefits are recorded upon distribution.

(3) Fully Benefit-Responsive Investment Contract

The Plan entered into a fully benefit-responsive investment contract in the Vanguard Retirement Savings Trust. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Vanguard Retirement Savings Trust is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

As described in note 2(d), because the Vanguard Retirement Savings Trust is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to this investment. Contract value, as reported to the Plan by the Trustee, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value, subject to certain conditions. The plan administrator does not believe that there are any conditions that would limit the Plan's ability to transact at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate for each individual contract in the fund is based on a formula agreed upon with the issuer. Such interest rates are reviewed on a quarterly basis for resetting.

**JOINT COMMISSION ON ACCREDITATION OF
HEALTHCARE ORGANIZATIONS DEFERRED SALARY
PROFIT SHARING THRIFT PLAN**

Notes to Financial Statements

December 31, 2021 and 2020

Vanguard Retirement Savings Trust may not terminate the agreement prior to the scheduled maturity date.

Contract value of fully benefit-responsive investment contracts is comprised of the following contract types:

	<u>2021</u>	<u>2020</u>
Synthetic investment contracts	\$ 18,481,017	20,128,832
Traditional investment contracts	650,185	594,522
Short-term investment contracts	<u>571,375</u>	<u>509,591</u>
Total investment contracts	<u>\$ 19,702,577</u>	<u>21,232,945</u>

(4) Tax Status

The Plan, as amended, is intended to be qualified under Section 401(a) of the IRC, and exempt from federal income taxes under Section 501(a). In the Plan's latest determination letter dated November 13, 2017, the IRS stated that the Plan, as then designed, was in compliance with the requirements of the IRC. The Plan has been amended since receiving the determination letter. However, the plan administrator believes that the Plan is currently designed and being operated in compliance with applicable rules and regulations of the IRC, that the Plan is qualified, and that the related trust continues to be tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has undertaken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(5) Information Certified by the Trustee

Certain information related to investments and notes receivable from participants disclosed in the financial statements and ERISA-required supplemental schedule, including investments, notes receivable from participants held as of December 31, 2021 and 2020, and net appreciation of investments, interest, and dividends for the year ended December 31, 2021 and 2020 was obtained and derived from information supplied to the plan administrator and certified as complete and accurate by Vanguard Fiduciary Trust Company (the Trustee).

(6) Related Party and Party-in-Interest Transactions

Certain plan investments are managed by the Trustee and its subsidiary, Vanguard Group, and, therefore, transactions involving these funds are considered party-in-interest transactions.

(7) Plan Termination

Although it has not expressed any intent to do so, The Joint Commission has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA.

Notes to Financial Statements

December 31, 2021 and 2020

(8) Reconciliation of Financial Statements to the Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500:

	<u>2021</u>	<u>2020</u>
Net assets available for benefits per the financial statements	\$ 262,436,754	236,191,465
Less loans considered distributions per the Form 5500 but not considered in default per the Plan's provisions in previous years	<u>(26,211)</u>	<u>(26,211)</u>
Net assets available for benefits per the Form 5500	<u>\$ 262,410,543</u>	<u>236,165,254</u>

(9) Fair Value Measurements

The Plan provides the fair value disclosure requirements under U.S. generally accepted accounting principles, which requires use of a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value into three broad levels: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access (Level 1); Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active or inactive markets, inputs other than quoted prices that are observable for the asset or liability, and inputs that are derived principally from or corroborated by observable market data by correlation or other means (Level 2); Inputs to the valuation methodology are unobservable and significant to the fair value measurement (Level 3).

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds are carried at fair value, based upon quoted market prices on nationally recognized securities exchanges (Level 1).

Common and collective trust funds that are readily marketable are determined by obtaining quoted prices on nationally recognized securities exchanges (Level 1).

Mutual funds and common					
collective trust funds	\$	240,444,269	—	—	240,444,269

Total investments	\$	212,937,220	—	—	212,937,220

(10) Subsequent Event

The Joint Commission has performed an evaluation of subsequent events through October 12, 2022, which is the date the Plan's financial statements were issued, and determined that no events had occurred that would require adjustment to or disclosure within the financial statements, except as otherwise disclosed in the notes to the financial statements.
