To the Trustees
National Electric Coil, Inc. Non-Union 401(k) Profit Sharing Plan
Columbus, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of the National Electric Coil, Inc. Non-Union 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the National Electric Coil, Inc. Non-Union 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in the notes to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis of Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the National Electric Coil, Inc. Non-Union 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about National Electric Coil, Inc. Non-Union 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibility for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of National Electric Coil, Inc. Non-Union 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about National Electric Coil, Inc. Non-Union 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedules Required by ERISA

The supplemental schedules of assets held at year end are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the National Electric Coil, Inc. Non-Union 401(k) Profit Sharing Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 8, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

DESCRIPTION OF PLAN

The following brief description of the National Electric Coil, Inc. Non-Union 401(k) Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information.

General

The Plan is a defined contribution retirement plan sponsored by National Electric Coil, Inc. (the Plan Sponsor). The Plan covers substantially all non-union employees of National Electric Coil, Inc. and National Electric Coil, LP and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility

An employee shall be eligible to participate in the Plan on the first day of the first month or the first day of the seventh month (if employed) after the employee completes six months of service.

Contributions

To participate in the Plan, an eligible employee must enter into a contribution agreement with the employer authorizing the employer to deduct and withhold from such employee's compensation a specified amount, or percentage thereof, ranging from 1% to 25%, and to contribute such amount to the employee's account in the Plan. The Plan allows for Roth 401(k) deferrals. Such deferrals are contributions made from the after-tax income of the participant and are accounted for separately under the Plan.

The Plan Sponsor makes discretionary matching contributions in an amount not to exceed 20% of each participant's first 10% of compensation contributed as elective deferrals for the Plan year. The Plan Sponsor may also make discretionary profit sharing contributions based on eligible participant compensation. The amount of the profit sharing contribution is based on a percentage that is approved by the Board of Directors of the Plan Sponsor. Participants direct these contributions among a choice of investment options.

In accordance with Section 401(k) of the Internal Revenue Code, all amounts withheld from compensation and contributed to a participant's account, up to the maximum allowed, shall be excluded from gross income of the participant for federal income tax purposes (with the exception of Roth deferrals).

Investment Options

Upon enrollment in the Plan, a participant may direct contributions in any of the investment options noted below. Participants may change their investment options at any time.

DESCRIPTION OF PLAN - Continued

Vesting

Participants are immediately vested in their elective deferrals and actual earnings thereon. Participants shall have a vested percentage in employer contributions in accordance with the following schedule:

20%	after 1 year of service
40%	after 2 years of service
60%	after 3 years of service
80%	after 4 years of service
100%	after 5 years of service

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Plan Sponsor's contribution, (b) Plan earnings, and (c) an allocation of administrative expenses. Allocations are based on participants' compensation or account balances, as provided in the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their account balance. Loan term may not be greater than five years unless the loan qualifies as a home loan. The loans are secured by the balance in the participant's account and bear interest at local prevailing rates as determined by the Plan administrator. For the years ended December 31, 2021 and 2020, the interest rate for loans was 1% above the prime rate at the time of issuance. Principal and interest is paid ratably through regular payroll deductions.

Payment of Benefits

Upon termination, participants may receive the vested portion of their account as a distribution in the form of a lump sum payment or elect to remain a non-contributing participant in the Plan. A participant's account shall be payable to him or her, or in the event of death, to a beneficiary, upon the earlier of disability, termination of employment or retirement date. Retirement date is upon attainment of age 65 or age 55 with at least five years of service. Hardship withdrawals may be made for an immediate and heavy financial need of the participant as defined in the Plan agreement.

Plan Amendments or Terminations

The Plan Sponsor reserves the right at any time to amend or terminate the Plan, provided that no such amendment or termination shall have the effect of giving the Plan Sponsor any right, or of reducing the rights of any participant, in the funds then held by the custodian. No amendment to the Plan shall have the effect of eliminating or reducing a retirement benefit or eliminating an optional form of benefit with respect to benefits attributable to service before the amendment.

Administrative Fees and Expenses

The Plan Sponsor absorbs or reimburses the Plan for the majority of administrative fees and expenses. Fees recorded in the statement of net assets available for benefits represent those paid through forfeitures.

Forfeitures

Forfeitures are used to offset future employer matching contributions or to offset administrative fees. During the years ended December 31, 2021 and 2020, \$6,792 and \$7,226, respectively, were added to the forfeitures account. During the years ended December 31, 2021 and 2020, \$13,352 and \$0 respectively, was used to offset fees and employer contributions. The balance of unallocated forfeitures at December 31, 2021 and 2020 was \$12,498 and \$19,060, respectively.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Plan prepares its financial statements using the accrual basis of accounting. Following are the significant accounting policies followed by the Plan:

Basis of Accounting

The accompanying financial statements are prepared in conformity with accounting principles generally accepted in the United States of America and those common to employee benefit plans.

Contributions

Contributions are recorded as earned on the accrual basis when withheld from the participant's earnings and when contributions are allocated by the Plan Sponsor.

Payment of Benefits

Benefits are recorded when paid.

Investment Valuation and Income Recognition

Investments are recorded at fair value based upon quoted market prices at year end. Income from investments is recorded as earned on the accrual basis of accounting. Cost of investments is determined using the average cost basis and is used when determining realized gains and losses upon disposition.

The value of the common collective trusts are based on net asset value per share (NAV), as reported in the trust's audited financial statements. The NAV is determined by the underlying investments held by the trust less its liabilities and is made available to the Plan daily. It is the basis for current transactions (purchases and sales). Were the Plan to initiate a full redemption of the common collective trusts, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations at the then current NAV will be carried out in an orderly business manner. The common collective trust has a daily redemption frequency, a redemption notice period of one year and no unfunded commitments.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are valued at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Interest income related to the notes receivable for the years ended December 31, 2021 and 2020 was \$2,054 and \$2,774, respectively, and is recorded with dividend and interest income in the statements of changes in net assets available for benefits. Related fees are charged to the related participant accounts. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

Income Taxes

The Plan is exempt from income taxes as a profit sharing plan under Internal Revenue Service Code Section 401(a). Accordingly, no provision for income taxes has been presented in the accompanying financial statements.

The Plan complies with Accounting Standards Codification (ASC) 740-10 related to uncertain tax positions. The standard prescribes a recognition threshold and a measurement attribute for the financial statement recognition and measurement of a tax position taken or expected to be taken on a tax return. Plan administration is not aware of any tax positions taken by the Plan on its tax returns that they consider to be uncertain. The Plan is no longer subject to examination by federal and state taxing authorities prior to 2018.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

Use of Estimates

The preparation of the financial statements in conformity with generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Although these estimates are based on the Plan administrator's knowledge of current events and actions it may undertake in the future, they may ultimately differ from actual results.

Risks and Uncertainties

The Plan provides for various investment options. Investment securities are exposed to various risks, such as interest rate and market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes would materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Recent Accounting Standards

In June 2016, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2016-13, *Financial Instruments – Credit Losses*. The ASU revises the measurement of credit losses for financial assets from an incurred loss to an expected loss methodology. These expected credit losses for financial assets held are to be based on historical experience, current conditions, and reasonable and supportable forecasts. The ASU is effective for the years beginning after December 15, 2020. The Plan is currently evaluating the impact the adoption will have on its financial statements.

Other accounting standards that have been issued or proposed by the FASB or other standard-setting bodies are not expected to have a material impact on the Plan's significant accounting policies, net assets available for benefits, or changes in net assets available for benefits.

PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are shares of mutual funds managed by the Plan's investment advisor, as is customary in retirement plans. FasCore, LLC serves as third party administrator and BHM CPA Group serves as the Plan's auditors. As a result, transactions with these parties qualify as party-in-interest transactions.

Certain administrative functions are performed by officers or employees of the Plan Sponsor. No such officer or employee received compensation from the Plan. Certain administrative expenses of the Plan are paid directly by the Plan Sponsor and are not charged to the Plan.

REPORTABLE TRANSACTIONS

The Plan's assets are participant-directed, and thus, the schedule of reportable transactions and certain cost information is not required.

DELINQUENT CONTRIBUTIONS

As disclosed in the accompanying supplemental schedule, certain employee deferrals were not remitted to the Plan within the timeframe required by the DOL. With the assistance of the Plan's advisors, the Company has determined the amount of related lost earnings and has remitted those amounts to participants' accounts subsequent to year end.

INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fifth Third Bank, the custodian of the Plan, has certified as to the completeness and accuracy of:

Investments reflected on the accompanying statements of net assets available for benefits as of December 31, 2021 and 2020.

Net appreciation/depreciation in fair value of investments, dividends, and interest, reflected on the accompanying statements of changes in net assets available for benefits for the years ended December 31, 2021 and 2020.

Investments reflected on the schedule of assets (held at end of year).

INCOME TAX STATUS

In its most recent determination letter, dated January 31, 2006, the Internal Revenue Service informed the Plan administrator and the Plan Sponsor that the Plan and related trust are designed in accordance with the applicable sections of the Internal Revenue Code. The Plan administrator is not aware of any provision, action or event that has occurred that might affect the Plan's qualified status.

FAIR VALUE MEASUREMENTS

The Plan complies with ASC 820, *Fair Value Measurements and Disclosures*, to account for and report fair value. ASC 820 provides a single definition of fair value, a framework for measuring fair value and expanded disclosures concerning fair value. It also defines fair value as the price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date.

Fair value of certain assets and liabilities are determined based on the fair value hierarchy established in the standard, which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. Observable inputs are inputs that reflect the assumptions market participants would use in pricing the asset or liability developed based on the best information available in the circumstances.

The standard describes three levels within its hierarchy that may be used to measure fair value which are:

Level 1

Values are based on unadjusted quoted prices in active markets for identical assets or liabilities.

Level 2

Values are based on quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3

Values are generated from unobservable inputs that are supported by little or no market activity and that are a significant component of the fair value of the assets or liabilities. These unobservable inputs would reflect management's estimates of assumptions that market participants would use in pricing related assets or liabilities. Valuation techniques might include the use of pricing models, discounted cash flow models or similar techniques.

A financial asset or liability's classification within the hierarchy is determined based on the lowest level input that is significant to the fair value measurement. The assessment of the significance of a particular input to the fair value measurement requires judgment, and may affect the classification of fair value assets and liabilities within the fair value hierarchy levels.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan administrator believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The Plan's policy is to recognize transfers between levels of the fair value hierarchy as of the actual date of the event of change in circumstances that caused the transfer. There were no transfers between levels of the fair value hierarchy during 2021 and 2020.

NON-UNION 401(K) PROFIT SHARING PLAN**

NOTES TO FINANCIAL STATEMENTS - Continued

December 31, 2021 and 2020

FAIR VALUE MEASUREMENTS - Continued

The following table presents the Plan's fair value hierarchy for those assets and liabilities measured at fair value on a recurring basis as of December 31, 2021 and 2020:

	<u>Fair Value</u>	<u>Fair Value Measurements Using:</u>		
		<u>Level (1)</u>	<u>Level (2)</u>	<u>Level (3)</u>
December 31, 2021				
Mutual funds	<u>\$ 11,415,138</u>	<u>\$ 11,415,138</u>	<u>\$ -</u>	<u>\$ -</u>
December 31, 2020				
Mutual funds	<u>\$ 12,160,398</u>	<u>\$ 12,160,398</u>	<u>\$ -</u>	<u>\$ -</u>

The fair value of mutual funds and target date funds are publicly traded and are valued at their trading price at year end. As a result, they are considered Level 1.

In accordance with ASU 2015-07, certain investments that are measured at fair value using the NAV practical expedient have not been classified in the fair value hierarchy. The common collective trust is excluded from the fair value table since it is reported at NAV.

SUBSEQUENT EVENTS

In February 2022 military conflict began in eastern Europe. This region of the world is home to some of the largest producers of agronomy products and is one of the leading grain producers globally. Disruptions in these markets are driving inflation on food on global level. The duration of this conflict and its lasting effects are currently unknown. Governmental actions taken globally as a result of the COVID-19 pandemic and the conflict in eastern Europe have led to supply chain delays, rising inflation, rising interest rates, and significant market declines. Although governmental actions related to COVID-19 have largely eased it is unknown whether a new variant could cause new restrictions. The Plan cannot reasonably estimate the impact of COVID-19 and the conflict in eastern Europe on their activities for fiscal year ending December 31, 2022.

Subsequent events were evaluated through October 18, 2022, which is the date the financial statements were available to be issued.
