INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Participants of
Metropolitan Veterinary Hospital 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Metropolitan Veterinary Hospital 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits in liquidation as of December 31, 2021, and the related statement of changes in net assets available for benefits in liquidation for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Metropolitan Veterinary Hospital 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Metropolitan Veterinary Hospital 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Metropolitan Veterinary Hospital 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Metropolitan Veterinary Hospital 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Emphasis of Matter

As further discussed in Note 1 to the financial statements, the Plan Administrator of Metropolitan Veterinary Hospital 401(k) Plan, the Plan's sponsor, voted in 2021 to terminate the Plan. In accordance with accounting principles generally accepted in the United States of America, the Plan has changed its basis of accounting from the ongoing plan basis used in presenting the 2020 financial statements to the liquidation basis used in presenting the 2021 financial statements. Our opinion is not modified with respect to that matter.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental Schedule of Delinquent Participant Contributions and Schedule of Assets (Held at End of Year) as of December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Metropolitan Veterinary Hospital 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 14, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

METROPOLITAN VETERINARY HOSPITAL 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Metropolitan Veterinary Hospital 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan adopted on January 1, 2017, covering substantially all employees of the Metropolitan Veterinary Medical Group, group of companies (the "Companies" or "Employer"). The participating employers include Metropolitan Veterinary Medical Group, Inc., Ohio Veterinary Cardiology, LTD, Ohio Veterinary Surgery & Neurology, LLC and Akron Veterinary Internal Medicine/Oncology Practice. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security ("CARES") Act was enacted and signed into law. The CARES Act provides emergency economic relief in response to the COVID-19 pandemic. There are several key provisions of the CARES Act that affect retirement plans related to hardship distributions, participant loans, and required minimum distributions. The plan elected not to adopt the CARES Act in 2020.

Plan Termination: By action of the Plan trustee, the Company terminated the Plan effective December 31, 2021. Upon termination of the Plan, no further contributions were made to the Plan and all amounts credited to the participants' accounts became 100% vested. In accordance with the approved termination, participants were given the option to elect a lump sum payment or individual retirement account rollover. Liquidation of the Plan's assets was completed during 2022. There were no changes to the methods and assumptions used to measure assets and liabilities.

The following description of the Plan represents information prior to the Plan termination date. Subsequent to the termination date, many of the features and options of the Plan became unavailable to participants.

Administration: The Plan is administered by the Companies.

Eligibility: An employee must be at least 18 years of age and have completed one year of service with at least 1,000 hours of service during the year to be eligible to become a participant in the Plan. Employees whose employment is covered by a collective bargaining agreement, leased employees, and non-resident aliens are not eligible to participate in the Plan. Employees may enter the Plan on the first day of the first month and seventh month of the Plan Year following meeting the age and service requirements.

Contributions: Participants may elect to make voluntary pre-tax or after-tax (Roth) contributions, by means of a salary deferral agreement, of up to 100% of their compensation, subject to IRS limitations for the Plan year. Plan participants over the age of 50 are also permitted to make additional pre-tax and Roth catch-up contributions to a maximum of \$6,500 in 2021. The Plan does not permit rollover contributions from other qualified pre-tax or after-tax (Roth) retirement plans. Participants direct the investment of contributions into various investment options offered by the Plan.

The Companies may make discretionary safe harbor matching contributions to all participating employees. During 2021, the Companies elected to contribute discretionary safe harbor matching contributions equal to 100% of the first 4% of eligible participant' contributions to the Plan.

Participant accounts: Each participant's account is credited with the participant's contributions and an allocation of (a) the Company's contributions, if any, and (b) plan earnings, and is charged with an allocation of administrative expenses. Allocations are based on participant compensation or account balances as defined. The benefit to which a participant is entitled is the benefit that can be drawn from the participant's vested account.

Investment options: Upon enrollment in the Plan, a participant may direct contributions to any of the investment options available to them, which includes the option of a self-directed brokerage account through Ameritrade. As of December 31, 2021 and 2020, self-directed brokerage accounts are invested in money market funds.

Participant notes receivable: The Plan allows participants to obtain loans from the Plan. These loans are subject to the following general provisions: the maximum amount of loans outstanding is equal to the lesser of \$50,000 or 50% of the participant's account balance with a minimum of \$1,000, the term of any loan may not exceed five years unless the purpose of the loan is to purchase the participant's primary residence, the loans are secured by the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the plan administrator. Principal and interest are paid ratably through payroll deductions.

If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Vesting: Participants are immediately vested in their voluntary contributions, discretionary safe harbor matching contributions, plus actual earnings thereon.

Payment of benefits: Upon termination of service due to separation of service from the Company or disability, a participant will receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. Upon termination of service due to death, a participant's beneficiary(s) may elect to receive either the lump-sum amount equal to the value of the participant's vested interest in his or her account or payment in annual installments not to extend past the lives or life expectancies of the beneficiary(s). A terminated participant with an account balance of \$5,000 or less will receive an involuntary cash out distribution. The Plan permits in-service withdrawals for participants who have attained age 65. In the case of hardship, a participant may apply for a distribution equal to the participant's pre-tax or Roth contributions, as described in the Plan agreement.

Administrative expenses: All third-party administrative expenses are paid by the Plan, unless otherwise paid for by the Company. In 2021, the administrative expenses paid for by the Plan included asset-based investment advisory fees and recordkeeping fees which are included in the statement of changes in net assets available for benefits. Included in fee refund receivable are \$10,514 of previously paid fees that were incorrectly charged to the Plan by the service provider. These amounts are to be collected in 2022 and distributed to participants.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of presentation: The financial statements are prepared using the liquidation basis of accounting.

Use of estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Participant notes receivable: Participant notes receivable are recorded at their unpaid principal balance plus any accrued but unpaid interest.

Investment valuation and income recognition: Investments are reported at fair value using methodologies described in Note 3. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and trustee of the Plan.

Purchases and sales of investments, including gains or losses, are recorded on a trade-date basis. Interest income is recorded when earned, and dividends are recorded on the ex-dividend date. Capital gain distributions are included in dividend income. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Benefit payments: Benefit payments to participants are recorded when paid.

Administrative expenses: Expenses for the Plan's investment managers, administrators, attorneys, and auditors are paid by the Plan or the Company at the Company's discretion.

Subsequent events: In preparing these financial statements, management has evaluated events and transactions for potential recognition or disclosure through October 15, 2022, the date the financial statements were available to be issued.

NOTE 3 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy are described as follows:

Level 1 – inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – inputs to the valuation methodology include:

- a) Quoted prices for similar assets or liabilities in active markets;
- b) Quoted prices for identical or similar assets or liabilities in inactive markets;
- c) Inputs other than quoted prices that are observable for the asset or liability;
- d) Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

1. Mutual funds (registered investment companies): Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.
2. Money market fund: Valued at the daily closing price as reported by the fund. The money market fund is an open-end fund that is registered with the SEC. This fund is required to publish its daily net asset value (NAV) and to transact at that price. The money market fund is deemed to be actively traded. The money market fund seeks to preserve the value of the investment of \$1.00 per share.
3. Self-directed brokerage accounts: These accounts are invested in money market funds. The fair value of these investments are valued at quoted prices in markets that are not active by a combination of inputs, including but not limited to quotations from market makers in the underlying funds and other directly and indirectly observable inputs and are included in Level 2 in the table.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

	Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 3,469,549	\$ -	\$ -	\$ 3,469,549

Investments at fair value	<u>\$ 3,238,802</u>	<u>\$ 213,529</u>	<u>\$ -</u>	<u>\$ 3,452,331</u>

Assets at Fair Value as of December 31, 2020				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 2,288,329	\$ -	\$ -	\$ 2,288,329
Self-directed brokerage accounts	-	165,921	-	165,921
Investments at fair value	<u>\$ 2,288,329</u>	<u>\$ 165,921</u>	<u>\$ -</u>	<u>\$ 2,454,250</u>

There were no Level 3 assets and no transfers between Levels 1 and 2 in 2021 and 2020.

NOTE 4 – INCOME TAX STATUS

The trust established under the Plan, which holds the Plan's assets, is qualified pursuant to the appropriate section of the Internal Revenue Code, and accordingly, the trust's net investment income is exempt from income taxes. The Plan has adopted an Internal Revenue Service approved prototype plan. The prototype plan has received a favorable opinion letter from the IRS that it qualifies under IRS Code section 401(a), provided all terms of the plan are followed. The Plan has been amended since adopting the prototype plan. However, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code, and the related trust is tax exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

NOTE 5 – INFORMATION CERTIFIED BY CUSTODIAN

The following information included in the accompanying financial statements and supplemental schedules was obtained from data that has been prepared and certified as complete and accurate by Ascensus as agent for Ascensus Trust Company, the custodian of the Plan, as of December 31, 2021 and 2020, and for the year ended December 31, 2021:

	2021 (In Liquidation)	2020 (Ongoing)
Net assets available for benefits:		
Investments, at fair value	\$ 3,452,331	\$ 2,454,250
Participant notes receivable	<u>17,218</u>	<u>6,735</u>
	<u>\$ 3,469,549</u>	<u>\$ 2,460,985</u>
Additions to net assets - in liquidation:		
Net appreciation in fair value of investments	\$ 321,320	
Dividends and interest	49,809	
Interest income on participant notes receivable	370	

NOTE 6 – PARTY-IN-INTEREST TRANSACTIONS

The Plan issues loans to participants which are secured by the balances in the participants' accounts. These transactions qualify as party-in-interest transactions.

NOTE 7 – RISKS AND UNCERTAINTIES

The participants direct the Plan to invest in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect the amounts reported in the statements of net assets available for benefits.

NOTE 8 – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 at December 31, 2021:

	<u>2021</u>
Net assets available for benefits per the financial statements	\$3,480,063
Fee refund receivable	10,514
	<u> </u>
Net assets available for benefits per Schedule H of Form 5500	<u>\$3,469,551</u>

The following is a reconciliation of changes in net assets available for benefits per the financial statements for 2021 to Form 5500:

Net change per the financial statements	\$1,019,078
Fee refund receivable	<u>(10,514)</u>
	<u> </u>
Total income per Form 5500	<u><u>\$1,008,564</u></u>

The reconciling item for excess contributions payable is required due to the financial statements being prepared on the accrual basis of accounting and Form 5500 being prepared on the cash basis of accounting.
