INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator,
PAI Holdings, LLC 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of PAI Holdings, LLC 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statements of changes in net assets available for benefits for the year ended December 31, 2021 and for the period from December 1, 2020 (inception) to December 31, 2020, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2021 and 2020, and for the year ended December 31, 2021 and for the period from December 1, 2020 (inception) to December 31, 2020, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules, schedule H, part IV, line 4i – schedule of assets (held at end of year) as of December 31, 2021 and 2020 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**PAI Holdings, LLC 401(k) Plan
Notes to Financial Statements
December 31, 2021 and 2020**

1. DESCRIPTION OF PLAN

The following brief description of PAI Holdings, LLC 401(k) Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan document and summary plan description for a more complete description of the Plan’s provisions.

General

The Plan was established on December 1, 2020 for the purposes of providing eligible employees of PAI Holdings, LLC dba Pharmaceutical Associates, Inc. (the “Company” or “Sponsor”) and their beneficiaries funds for retirement. The Plan is a participant directed defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

The Plan was established in conjunction with the Sponsor’s decision to terminate the Platinum 401(k) Retirement Savings Plan FBO Pharmaceutical Associates, Inc. (“Platinum Plan”), with participants receiving credit for service time under the Platinum Plan. On December 1, 2020, in conjunction with the establishment of the Plan and the termination of the Platinum Plan, the Plan received a transfer of assets from the Platinum Plan totaling \$12,712,082.

Eligibility

Employees of the Sponsor, who are not covered under a collective bargaining agreement, are eligible to contribute to the Plan upon attainment of 21 years of age and are eligible to receive employer contributions upon attainment of 21 years of age and 6 months of service with the Sponsor. The entry date into the Plan is the first day of the month coinciding with or following the date the employee satisfies the eligibility requirements.

Employee Contributions

Participating employees may contribute up to 90% of eligible compensation, not to exceed \$19,500 for 2021 and 2020. Any participant, age 50 or older, is eligible to make an additional “catch-up” contribution, as determined by the Internal Revenue Code, which was not to exceed \$6,500 for 2021 or 2020. Under the Plan, participants are also eligible to make after tax Roth elective contributions. Participants direct the investment of their contributions into one or more investment options offered by the Plan. A participant has the option to suspend contributions or increase or decrease their level of participation in the Plan at any point in time. Eligible employees may also directly roll over amounts from another qualified plan or IRA into the Plan.

Employer Contributions

Effective January 1, 2021, the Plan elected safe-harbor status and, therefore, an annual employer non-elective contribution of 100% of employee deferrals which do not exceed 4% of eligible compensation, as defined in the Plan document, is required. For the year ended December 31, 2021, the Company made safe harbor matching contributions totaling \$765,453.

The Company has the option to contribute a discretionary matching contribution equal to a uniform percentage of employee elective deferrals as defined in the Plan. For the year ended December 31, 2021 and for the period from December 1, 2020 (inception) to December 31, 2020, the Company made discretionary matching contributions totaling \$1,876 and \$58,457, respectively.

Participant Accounts

Individual accounts are established for each participant. The Plan is invested in a variety of registered investment companies and a common collective trust fund. Each participant's account is credited with the participant's pre-tax and Roth contributions, employer discretionary matching and non-elective contributions and the proportionate share of dividends, interest and investment gains since the preceding valuation date. Allocations are based on participant earnings or account balances as defined in the Plan document. The participant's account is reduced by withdrawals, losses on investment, and certain administrative fees. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

A participant is, at all times, fully vested in his/her account.

Notes Receivable from Participants

Participants have the option to borrow, from their fund accounts, a minimum of \$1,000 and up to a maximum of the lesser of \$50,000 or 50% of their vested account balance. Participants are limited to one outstanding loan at any given time and interest is determined based on the prime rate, as published in *The Wall Street Journal*, plus one percentage point.

The loans are secured by the balance of the participant's account. Loan terms generally ranged from 1 to 5 years unless utilized for the purchase of a primary residence. Principal and interest are paid ratably through payroll deductions.

At both December 31, 2021 and 2020, the interest rates ranged from 4.25% to 6.50%. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document.

Distributions and Withdrawals

Prior to age 59 $\frac{1}{2}$, distributions and withdrawals are not permitted from the Plan except in the instances of hardship, death, disability or termination of employment. After attaining age 59 $\frac{1}{2}$, participants have the option to elect to withdraw an amount equal to any whole percentage not to exceed 100% of the participant's vested account for any reason. In the event of termination of employment, a participant has the option to receive, as a lump-sum distribution, the value of their vested account balance as adjusted for earnings or losses thereon. Normal retirement age has been designated as 65. Distributions under the Plan are made in lump sums, direct transfers or annuities.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures, including contingencies. Accordingly, actual results may differ from those estimates.

Valuation of Investments and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for further discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the period.

Excess Contributions Payable

Amounts payable to certain participants for contributions in excess of amounts allowed by the Internal Revenue Service ("IRS") are recorded as a liability with a corresponding reduction to contributions.

Payment of Benefits

Benefits are recorded when paid.

Administrative Services

Certain administrative fees are charged against participant accounts by the Custodian including loan fees, withdrawal fees and member requested service fees. All other significant administrative costs are absorbed by the Company and are excluded from these financial statements. In addition, certain investment related transaction and administrative fees have been reflected as an offset of net investment income and are not readily determinable.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance, plus any accrued, but unpaid, interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. Delinquent participant loans are reclassified as distributions based upon the terms of the plan documents.

3. INFORMATION CERTIFIED BY CUSTODIAN (UNAUDITED)

No auditing procedures were performed by the independent public accountants as permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA with respect to information certified as complete and accurate by Reliance Trust Company (the "Custodian"), except for comparing such information with the related information included in the financial statements. Based on information provided and certified by the Custodian, there are no fixed income obligations, leases or debt instruments in default or deemed uncollectible as defined by ERISA, for the year ended December 31, 2021 or for the period from December 1, 2020 (inception) to December 31, 2020.

4. FAIR VALUE MEASUREMENTS

The Financial Accounting Standards Board ("FASB") established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 - Unobservable inputs that are supported by little or no market activity and that are financial instruments whose values are determined using pricing models, discounted cash flow methodologies or similar techniques, as well as instruments for which the determination of fair value requires significant judgment or estimation.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for the Plan's assets measured at fair value. There have been no changes in the methodologies used for the periods presented in these financial statements.

Registered Investment Companies: The investments held by registered investment companies consist of shares of mutual funds and are valued on the last business day of the year based on published market values in active markets.

PAI Holdings, LLC 401(k) Plan
Notes to Financial Statements
December 31, 2021 and 2020

Common Collective Trust: Contract value of the common collective trust represents contributions made under the contract, plus earnings, less Plan withdrawals and administrative expenses. Net asset value of the underlying funds is reported by the investment advisor using the audited financial statements of the collective trust at year-end.

The investment in the common collective trust is valued utilizing the net asset valuation (“NAV”) as a practical expedient to estimate fair value. The use of NAV is deemed appropriate as the common collective trust does not have a finite life, unfunded commitments relating to the types of investment or significant restrictions on redemptions. The practical expedient is used for valuation, unless it is probable that the Plan will sell a portion of the investment at an amount different from the net asset valuation.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period.

The following table sets forth, by level, within the fair value hierarchy, the Plan’s assets, and fair value as of December 31:

	2021			
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 14,367,474	\$ -	\$ -	\$ 14,367,474
Investments measured at net asset value (a)				1,497,773
Investments at fair value				<u>\$ 15,865,247</u>
	2020			
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 12,023,235	\$ -	\$ -	\$ 12,023,235
Investments measured at net asset value (a)				830,530
Investments at fair value				<u>\$ 12,853,765</u>

(a) In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Investments Measured Using the NAV per Share Practical Expedient

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2021 and 2020. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

<u>December 31, 2021</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (if Currently Eligible)</u>	<u>Redemption Notice Period</u>

Common collective trust	\$ 830,530	N/A	Daily	None

5. TAX STATUS

The Plan has adopted an Automatic Data Processing (“ADP”) non-standardized defined contribution pre-approved plan. The IRS informed ADP by an advisory opinion letter dated October 6, 2020 that the form of the pre-approved plan adopted by the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (“IRC”). The Plan is required to operate in conformity with the applicable provisions of the IRC to maintain its tax-qualified status. The Plan has been amended since receiving the opinion letter. However, the Sponsor believes the Plan is being operated in compliance with the applicable requirements of the IRC, and therefore, believes the Plan is qualified and the related trust is tax-exempt.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability, or asset, if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS or the DOL. The Sponsor has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Furthermore, there are no tax related interest or penalties included in the financial statements presented.

6. PARTY-IN-INTEREST TRANSACTIONS

Fees paid by the Plan to ADP Inc., the administrator of the Plan, for investment management services amounted to \$10,446 and \$430 for the year ended December 31, 2021 and for the period from December 1, 2020 (inception) to December 31, 2020, respectively. Additionally, the Plan issues loans to participants, which are secured by the participants’ account balances. These transactions qualify as exempt party-in-interest transactions.

7. PLAN TERMINATION

Although it has not expressed any intention to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of the IRC. In the event of Plan termination, participants will become 100% vested in their accounts.

8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

9. RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The financial statements utilize the accrual basis of accounting, whereas Form 5500 is reported on the cash basis of accounting.

The following is a reconciliation of amounts per the financial statements to Schedule H of Form 5500 at December 31:

	<u>2021</u>	<u>2020</u>
Net assets available for benefits per the financial statements	\$ 16,285,819	\$ 13,207,239

Net assets available for benefits per Schedule H of Form 5500	<u>\$ 16,285,819</u>	<u>\$ 13,218,556</u>

The following is a reconciliation of the net change in net assets available for benefits per the financial statements to Schedule H of Form 5500 for the year ended December 31 and the period from December 1, 2020 (inception) to December 31, 2020:

	<u>2021</u>	<u>2020</u>
Net change in net assets available for benefits per the financial statements	\$ 3,078,580	\$ 495,157
Less: 2020 excess contributions payable distributed in 2021	<u>(11,317)</u>	<u>11,317</u>
Net change in net assets available for benefits per Schedule H of Form 5500	<u>\$ 3,067,263</u>	<u>\$ 506,474</u>

10. SUBSEQUENT EVENTS

Subsequent events were evaluated through October 16, 2022, which is the date the financial statements were available to be issued. Based on this evaluation, the Plan has determined that no subsequent events have occurred that require disclosure in the financial statements:
