## INDEPENDENT AUDITOR'S REPORT

To the Fiduciary Review Committee  
Gatorland 401(k) Retirement Plan  
Orlando, Florida

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements***

We have performed an audit of the financial statements of Gatorland 401(k) Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) Audit). As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2021 and for the year then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### ***Opinion on the 2021 Financial Statements***

In our opinion, based on our audit and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section:

- the amounts and disclosures in the accompanying 2021 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

- the information in the accompanying 2021 Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion on the 2021 Financial Statements***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) Audit opinion on the 2021 Financial Statements.

### ***Responsibilities of Management for the 2021 Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) Audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the 2021 Financial Statements***

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) Audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***Other Matters***

#### ***2021 Supplemental Schedule Required by ERISA***

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to

or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 Financial Statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 Financial Statements or to the 2021 Financial Statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

*Auditor's Report on the 2020 Financial Statements*

The 2020 Financial Statements of the Plan were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report dated October 8, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the 2020 Financial Statements and supplemental schedule, and (b) the form and content of the information included in the 2020 Financial Statements and supplemental schedule other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

## INDEPENDENT AUDITOR'S REPORT

To the Fiduciary Review Committee  
Gatorland 401(k) Retirement Plan  
Orlando, Florida

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements***

We have performed an audit of the financial statements of Gatorland 401(k) Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) Audit). As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2021 and for the year then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### ***Opinion on the 2021 Financial Statements***

In our opinion, based on our audit and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section:

- the amounts and disclosures in the accompanying 2021 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

- the information in the accompanying 2021 Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion on the 2021 Financial Statements***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) Audit opinion on the 2021 Financial Statements.

### ***Responsibilities of Management for the 2021 Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) Audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the 2021 Financial Statements***

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) Audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***Other Matters***

#### ***2021 Supplemental Schedule Required by ERISA***

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to

or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 Financial Statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 Financial Statements or to the 2021 Financial Statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

*Auditor's Report on the 2020 Financial Statements*

The 2020 Financial Statements of the Plan were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report dated October 8, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the 2020 Financial Statements and supplemental schedule, and (b) the form and content of the information included in the 2020 Financial Statements and supplemental schedule other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

# GATORLAND 401(k) RETIREMENT PLAN

## *Notes to Financial Statements*

### *December 31, 2021 and 2020*

---

#### Note 1 - Description of plan:

The following description of the Gatorland 401(k) Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

#### General

The Plan is a defined contribution plan covering substantially all employees of Godwin's Gatorland, Inc. (the Company) who have at least one year of service and have attained age 21. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

#### Contributions

Each year, participants may contribute from 1% to 100% of pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan has adopted a Safe Harbor provision resulting in the Company having fixed matching contributions of 100% of each participant's elective deferrals up to 4% of eligible compensation. The Company may also, at its discretion, elect to make a profit sharing contribution to the Plan. During the year ended December 31, 2021, no such contribution was made. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

#### Investment options

Participants direct the investment of their contributions into various investment options offered by the Plan. Participants may invest in various funds, each with different risk exposure and return potential. As of December 31, 2021, the Plan is invested in a group funding agreement consisting of pooled separate accounts primarily invested in mutual funds, common collective trust funds, and an insurance company general account primarily invested in investment grade fixed income securities.

#### Participant accounts

Each participant's account is credited with the participant's contributions, an allocation of the Company's matching contributions and Plan earnings, and is charged with an allocation of administrative expenses paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

### Note 1 - Description of plan - continued:

#### Vesting

Participants are immediately vested in their contributions, safe harbor matching contributions, and actual earnings thereon. Vesting in the Company non-safe harbor matching contributions (made before January 1, 2018), profit sharing contributions, and earnings thereon is based on years of continuous service.

Participants become vested in company matching and profit sharing contributions in accordance with the following schedule:

| <u>Completed<br/>Years of<br/>Service</u> | <u>Percentage<br/>Non-Safe<br/>Harbor<br/>Contributions<br/>Vested</u> |
|-------------------------------------------|------------------------------------------------------------------------|
| 1                                         | 25%                                                                    |
| 2                                         | 50%                                                                    |
| 3                                         | 75%                                                                    |
| 4                                         | 100%                                                                   |

Participants are immediately vested upon termination of the Plan, upon reaching the normal retirement age of 65, or upon disability or death while an employee of the Company.

#### Forfeitures

At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$3,396 and \$3,392, respectively. Forfeited non-vested accounts may be used to reduce administrative expenses or Company contributions. During the year ended December 31, 2021, there were no forfeitures used to pay administrative expenses or reduce Company contributions.

#### Payment of benefits

Upon termination of service due to death, disability, or retirement, a participant or their beneficiary, as applicable, may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump-sum amount or through installment payments. The Plan allows for in-service distributions if a participant reaches age 59½ and hardship distributions subject to Plan provisions.

### Note 1 - Description of plan - continued:

#### Payment of benefits - continued

For termination of service due to other reasons, and if the vested account balance exceeds \$5,000, a participant may elect to receive a lump-sum distribution, installment payments, or to remain in the Plan. If the vested account balance is less than \$5,000 but more than \$1,000, the plan administrator will distribute the participant's entire vested account balance, either as a lump-sum distribution or as a direct rollover to the individual's retirement account or to another company's tax qualified plan. If the vested account balance is less than \$1,000, the plan administrator will distribute the participant's entire vested account balance as a lump-sum distribution as soon as administratively feasible.

#### Notes receivable from participants

Participants may borrow from the Plan in any amount greater than \$1,000 up to 50% of the participant's vested account balance, not to exceed \$50,000. Note terms are for a period not exceeding five years unless for the purchase of a principal residence, in which case the note repayment period may not be longer. Notes are secured by the balance in the participant's account and bear interest at an agreed-upon percentage based on prevailing market rates. Principal and interest is paid ratably through payroll deductions. Participants are allowed one outstanding note receivable.

#### Administrative expenses

Certain expenses of maintaining the Plan, including audit fees, are paid directly by the Company and are excluded from these financial statements. The Company reserves the right to elect to pay, or have the Plan pay, administrative costs in the future. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

### Note 2 - Summary of significant accounting policies:

#### Basis of accounting

The financial statements of the Plan are prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

### Note 2 - Summary of significant accounting policies - continued:

#### Investment valuation and income recognition

Investments are reported at fair value, except as disclosed in Note 5. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Fiduciary Review Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians, and insurance company. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

#### Fully benefit-responsive investment contract

Notwithstanding the above, contract value is the relevant measurement attribute for investments in fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. Contract value represents the cost plus contributions made under the contracts plus interest at the contract rates less withdrawals and administrative expenses. This specifically affects the presentation of the amounts related to the Plan's participation in the insurance company general account (Note 5). Accordingly, the statements of net assets available for benefits present the contract value of the insurance company general account.

#### Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

#### Payment of benefits

Benefits are recorded when paid.

***December 31, 2021 and 2020***

### Note 2 - Summary of significant accounting policies - continued:

#### Use of estimates

The preparation of financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and the disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

#### Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate risk, market risk and credit risk. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the accompanying statements of net assets available for benefits.

#### Recent accounting pronouncements

In August 2018, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) No. 2018-13, *Fair Value Measurement (Topic 820) Disclosure Framework - Changes to the Disclosure Requirements for Fair Value Measurement* (ASU 2018-13). ASU 2018-13 changes the fair value measurement disclosure requirements of Accounting Standards Codification 820, *Fair Value Measurement* (ASC 820). Applicability of the provisions in ASU 2018-13 can depend on whether the reporting entity is a non-public entity. New disclosure requirements under ASU 2018-13 are applicable only to other than non-public entities and not applicable to this Plan. Eliminated and modified disclosure requirements under ASU 2018-13 impact the reporting of transfers between Level 1 and Level 2 assets (defined in Note 4), Level 3 asset disclosures, and disclosures about investments in certain entities valued at net asset value. ASU 2018-13 was effective for all entities for fiscal years beginning after December 15, 2019. Management adopted ASU 2018-13 effective January 1, 2020. Management does not believe the adoption of ASU 2018-13 had a material impact on the Plan's financial statements.

#### Recent legislative developments

In December 2019, Congress passed the SECURE Act which included numerous reforms to existing retirement law and allows plan sponsors to make certain immediate plan operational changes while delaying formal amendment of the plan document. The Plan Sponsor operationally adopted various provisions and will be timely amending the Plan accordingly.

### *December 31, 2021 and 2020*

#### Note 2 - Summary of significant accounting policies - continued:

In March 2020, Congress passed the CARES Act which included optional immediate changes to distribution and loan provisions while delaying formal amendment of the plan document. The Plan Sponsor operationally adopted various provisions and will be timely amending the Plan accordingly.

#### Effects of COVID - 19

In March 2020, the World Health Organization declared the novel coronavirus (COVID-19) outbreak a pandemic and the President of the United States declared it a national emergency. The COVID-19 pandemic remains subject to the development and severity of new variants. The extent of the impact of COVID-19 on the Plan and financial results will depend on future developments, including the duration and spread of the outbreak within the markets in which the Plan Sponsor operates, government actions and programs, and the related impact on consumer confidence and spending, all of which are highly uncertain.

#### Reclassifications

Certain amounts in the 2020 financial statements have been reclassified to conform to the presentation in the 2021 financial statements.

#### Subsequent events

The Plan has evaluated subsequent events through October 11, 2022, which is the date these financial statements were available to be issued. All subsequent events, if any, requiring recognition as of December 31, 2021, have been incorporated into these financial statements.

#### Note 3 - Investments and information certified by the trustee:

Voya Retirement Insurance and Annuity Company (Voya) holds the Plan's investment assets and executes investment transactions. Management has determined that Voya is a qualified institution and the information prepared and certified by Voya meets the requirements of ERISA Section 103(a)(3)(C). Certain information disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2021 and 2020, and net appreciation in fair value of investments, dividends and interest income, and interest income on notes receivable from participants for the year ended December 31, 2021, was obtained and derived from information supplied to the Plan Administrator and certified as complete and accurate by Voya.

### Note 4 - Fair value measurements:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB Accounting Standards Codification No. 820 are described as follows:

Level 1      Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2      Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3      Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets and liabilities measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

- Units of participation in pooled separate accounts are valued at the net asset value (NAV) provided by the fund's trustee as a practical expedient to estimate fair value. The NAV is based on the quoted market prices of the underlying investments held in the pooled separate accounts at year-end.

## Notes to Financial Statements - Continued

### December 31, 2021 and 2020

#### Note 4 - Fair value measurements - continued:

The methodologies described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methodologies are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables summarize investments measured at fair value based on net asset value (NAVs) per share as of December 31, 2021 and 2020.

| <u>December 31, 2021</u> | <u>Fair Value</u> | <u>Unfunded<br/>Commitments</u> | <u>Redemption<br/>Frequency<br/>(if currently eligible)</u> | <u>Redemption<br/>Notice<br/>Period</u> |

#### Note 5 - Group annuity contract with insurance company:

In 2016, the Plan entered into a traditional fully benefit-responsive guaranteed investment contract with Voya (insurance company). Voya maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 1%. The crediting rate is reviewed on a quarterly basis for resetting. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by

Note 5 - Group annuity contract with insurance company - continued:

Voya, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, and (4) a material amendment to the agreement without the consent of the issuer.

Note 6 - Related-party transactions:

Certain Plan investments are pooled separate accounts and an insurance company general account managed by an affiliate of the trustee of the Plan. Voya is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions and are exempt from the prohibited transaction rules. Fees incurred by the Plan for the investment management services are included in net appreciation.

The Plan's administrative expenses are paid in part by the Plan and in part by the Company, as provided by the Plan document. In addition, certain administrative functions are performed by employees of the Company. No such employee receives compensation from the Plan.

## *Notes to Financial Statements - Continued*

***December 31, 2021 and 2020***

Note 7 - Plan termination:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note 8 - Tax status:

The underlying non-standardized pre-approved plan has received an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020 stating that the form of the Plan is qualified under Section 401(a) of the Internal Revenue Code (IRC), and therefore, the related trust is tax-exempt. The plan administrator has determined that it is eligible to and has chosen to rely on the current IRS prototype plan opinion letter. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. The Plan Administrator believes the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 9 - Reconciliation of financial statements to Form 5500:

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 for the years ended December 31, 2021 and 2020:
