INDEPENDENT AUDITORS' REPORT

September 21, 2022

To the Participants and Plan Administrator of the
Custom Home Health Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Custom Home Health Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Custom Home Health Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note E to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Custom Home Health Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Custom Home Health Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Custom Home Health Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Custom Home Health Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) and Schedule of Delinquent Participant Contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

September 21, 2022

To the Participants and Plan Administrator of the
Custom Home Health Inc. 401(k) Plan

Report on the Financial Statements

We were engaged to audit the accompanying Statement of Net Assets Available for Benefits of the Custom Home Health Inc. 401(k) Plan as of December 31, 2020, and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the 2020 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note E, which was certified by Principal Life Insurance Company, the Custodian of the Plan, except for comparing such information with the related information included in the financial statement. We have been informed by the Plan administrator that the Custodian holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the Custodian for the year ended December 31, 2020, that the information provided to the Plan administrator by the Custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statement. Accordingly, we do not express an opinion on the 2020 financial statement.

Report on Form and Content in Compliance With DOL Rules and Regulations for 2020 Financial Statement

The form and content of the information included in the 2020 financial statement, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Custom Home Health, Inc. 401(k) Plan

Notes to Financial Statements

December 31, 2021 and 2020

Note A - Description of Plan

The following description of the Custom Home Health, Inc. 401(k) Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan Document for a complete description of the Plan's provisions.

General

The Plan was established by Custom Home Health, Inc. (the "Company") to provide retirement benefits for eligible employees ("participants"). The Plan is a defined contribution, deferred compensation and 401(k) plan under Section 401(k) of the Internal Revenue Code. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Plan assets are participant-directed.

Contributions

All employees may elect to make tax deferred and/or ROTH contributions effective immediately upon meeting eligibility requirements. The maximum amount that a participant may elect to defer is 25% of his/her compensation, not to exceed \$19,500 for 2021, as prescribed by the Internal Revenue Code. Participants who are 50 and older are allowed to make up to \$6,500 in catch-up contributions for 2021. The Company, at its option, may make a discretionary or a nonelective contribution. Matching contributions for the years ended December 31, 2021 and 2020 were \$53,637 and \$51,140, respectively. No profit sharing contributions were made for the years ended December 31, 2021 and 2020.

Participant Accounts

Each participant's account is credited with the participant's contributions and his or her share of earnings and losses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account. The total employee tax deferred, ROTH and rollover contributions for the years ended December 31, 2021 and 2020 were \$553,144 and \$512,544 respectively.

Notes to Financial Statements

December 31, 2021 and 2020

Note A - Description of Plan - Continued

Vesting

All participant contributions to the Plan are fully vested when made. Vesting in employer matching and discretionary contributions is based on years of continuous service as follows:

<u>Number of Years of Service</u>	<u>Percentage Vested</u>
Less than 3	0%
3	100%

Forfeitures

In the event that a participant terminates service prior to becoming fully vested, the employer amount contributed and not vested is forfeited and can be used to either reduce the employer's future contributions or pay for Plan administrative expenses.

Investment Options

Upon enrollment in the Plan, a participant may direct employee and any employer contributions to any of the available investment options. Participants may change their investment selections in any combination of funds and transfer between funds on a daily basis. Participants may also change their deferral percentages online and may stop contributing to the Plan at any time.

Distributions

Distributions from the Plan are allowed upon retirement, disability, death, attainment of age 59 ½, termination of employment in accordance with the Plan document, or hardship. A hardship withdrawal must meet IRS requirements as specified in the Plan documents. Distributions from the Plan can be paid in one or more of the following methods:

- 1) One lump-sum payment in cash;
- 2) Payments over a certain period in monthly, quarterly, semi-annual or annual cash installments.

Notes Receivable from Participants

Participants loans are not allowed.

See independent auditors' report

Custom Home Health, Inc. 401(k) Plan

Notes to Financial Statements

December 31, 2021 and 2020

Note A - Description of Plan - Continued

Plan Administration

The Plan is administered by the Company and an outside service provider under the direction of the trustees. The outside service provider has been contracted to perform record keeping and custodian services. All funds in the Plan are held in trust and are directed by the participants to invest in various funds selected by the Plan.

Note B - Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Estimates

The preparation of the Plan's financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make significant estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements and the changes in net assets available for benefits during the reporting periods and, when applicable, disclosures of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan provides for various investment options. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Investments

The Plan has several investment options available and the funds are reviewed annually. Investments are valued at quoted market prices. The Plan presents, in the statement of changes in net assets available for benefits, the net appreciation or depreciation in the fair value of its investments which consists of the realized gains

or losses and the unrealized appreciation or depreciation on those investments.

Expenses

Certain administrative expenses like outside record keeper fees for the Plan are paid for by the Plan. The Plan incurred \$18,343 and \$13,892 in fees for the years ended December 31, 2021 and 2020, respectively. The Company pays the audit fee for the Plan as well as providing some administrative services for the Plan.

Note C - Termination of the Plan

While the Employer has not expressed any intent to discontinue the Plan, it has the right at any time to terminate the Plan in whole or in part. In the event the Employer discontinues the Plan, the net assets of the Plan will be allocated among the participants and beneficiaries of the Plan in accordance with the terms set forth in the Plan agreement. In the event of Plan termination, participants will become 100% vested in their accounts.

Note D - DOL Limited Scope

Under Statement on Auditing Standards (SAS) No. 136, *Forming an Opinion and Reporting on Financial Statements of Employee Benefit Plans*, the Plan qualifies for a Department of Labor (DOL) ERISA Section 103(a)(3)(C) audit for the year ended December 31, 2021. Under this standard certain investments held and certified by a qualified institution can be excluded from audit.

A DOL limited scope audit was conducted for the year ended December 31, 2020. As a result of these qualifications, audit procedures in relation to investments certified by the Custodian are significantly reduced as compared to a full scope audit.

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Note F - Fair Value Measurements - Continued

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobserved inputs (level 3 measurements). The fair value hierarchy under FASB ASC 820-10 consists of three broad levels:

Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets or liabilities in active markets. Level 2 inputs consist of observable inputs other than quoted prices for identical assets. Level 3 inputs have the lowest priority and are unobservable and significant to the fair value measurement. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments.

When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value.

Following is a description of the valuation methodologies used for assets measured at fair value.

Level 1 Fair Value Measurements

The fair value of investments in common/collective trusts and pooled separate accounts are based on quoted net asset values of the shares held by the Plan at year-end and are considered Level 1 inputs by the Plan.

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the year ended December 31, 2021 are reported in net appreciation in fair market value of investments.

Note G - Income Tax Status

The Plan has not obtained a tax determination letter from the Internal Revenue Service, however, the Plan administrator and Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code, and that the Plan is no longer subject to income tax examinations for years prior to December 31, 2018.

Therefore, expenses paid by the Company related to the administration of the Plan, transactions with participants, and investment transactions executed and held by the Custodian qualify as party-in-interest transactions, but are not prohibited transactions.

Note I – Delinquent Participant Contributions

During the year ended December 31, 2021, the Company had one late remittance relating to participant and employer contributions due to administrative error. The Company self-corrected and addressed this issue by calculating any participant lost earnings to make the participants whole with additional contributions.
