## INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator  
Ethos Group 401(k) Plan  
Irving, Texas

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Ethos Group 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 Ethos Group 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2021, and for the year then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion on the 2021 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Ethos Group 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## **Responsibilities of Management for the 2021 Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Ethos Group 401(k) Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the 2021 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Ethos Group 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Ethos Group 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

#### **Other Matter - 2021 Supplemental Schedule Required by ERISA**

The supplemental schedule of assets (held at end of year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

#### **Auditor's Report on the 2020 Financial Statements**

We were engaged to audit the 2020 financial statements of Ethos Group 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated July 7, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Ethos Group 401(k) Plan  
Notes to Financial Statements  
December 31, 2021 and 2020

1. DESCRIPTION OF THE PLAN

The following description of the Ethos Group 401(k) Plan (the "Plan") provides only general information. Therefore, participants should refer to the Plan's prototype plan document and related adoption agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined-contribution plan established January 1, 2000, covering all eligible employees of Ethos Group and related employers, as defined in the plan document (collectively, the "Company" or "employer"). The Plan is designed to comply with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA) and the Internal Revenue Code (IRC).

Effective March 27, 2020, the Plan administratively adopted the provisions of the Coronavirus Aid, Relief, and Economic Security Act (CARES Act), related to participant loans and distributions. Qualifying participants impacted by COVID-19 were able to borrow up to \$100,000 or 100% of their vested account balance. Participants were able to take coronavirus-related distributions up to \$100,000 or 100% of their vested account balance. Ordinary income taxes may be paid over a three-year period. Participants were permitted to repay coronavirus related distributions over a three-year period. The Company has until December 31, 2025, to amend the Plan for changes allowed by the CARES Act. The Plan has not been formally amended to adopt these provisions as of December 31, 2021.

Plan administration

The Plan is administered by the Company. Certain officers of the Company have been appointed as members of the Fiduciary Committee of the Plan. Fidelity Management Trust Company ("Fidelity") serves as Trustee of the Plan and Fidelity Workplace Services LLC ("Recordkeeper") is the Plan's recordkeeper. Fidelity is responsible for the custody of the Plan's assets and for executing investment transactions. The Recordkeeper is responsible for maintaining participant account records and transactions.

Eligibility

Employees are eligible to become participants in the Plan once they have attained age 18. There is no service requirement for eligibility to participate in the Plan. Employees may enter the Plan immediately upon satisfaction of the eligibility requirements. All newly eligible employees are automatically enrolled in the Plan at an initial pre-tax deferral rate of 3%, 35 days after such employee's date of hire unless they affirmatively elect not to participate in the Plan.

1. DESCRIPTION OF THE PLAN (continued)

Contributions

Each year, participants may elect to contribute up to 100% of their compensation as defined in the Plan document, subject to the maximum dollar amount allowable under IRC limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions up to the IRC limits. In addition, a participant may also contribute amounts representing distributions from other qualified plans and certain individual retirement accounts.

Company contributions are discretionary. During 2021, the Company matched a dollar for dollar contribution up to \$2,000.

Investments

Participants may direct their contributions among a variety of investment options offered by the Plan. The Plan offers mutual funds and a money market fund as investment options.

Notes receivable from participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from one to five years, unless the loan is obtained to purchase a participant's principal residence, in which case, it cannot exceed 10 years. The loans are collateralized by the balance in the participant's account and accrue interest at a rate of prime plus 1%. A participant may not have more than two loans outstanding from their Plan account at any time. Loan principal and interest are paid through payroll deductions. At December 31, 2021, maturity dates on existing notes receivable from participants ranged from March 2021 through February 2030, and had interest rates ranging from 4.25% to 6.50%.

Participant accounts

Each participant's account is credited with the participant's contributions, Company contributions (if any), and allocations of Plan earnings or losses. Plan earnings or losses are allocated based on the participant's share of net earnings or losses of their respective elected investment options.

Vesting

Participants are immediately 100% vested in all participant and Company contributions plus actual earnings thereon.

1. DESCRIPTION OF THE PLAN (continued)

Payment of benefits

Upon termination of service, death, full and permanent disability, or retirement, a participant or beneficiary may elect a lump-sum payment equal to 100% of the value of his or her account or partial withdrawals as defined. Participants may request a distribution from their account in the event of financial hardship, as defined in the Plan document and subject to certain limitations and penalty. Also, participants may request in-service distributions from their vested Plan accounts at any time after having attained age 59 1/2.

If a participant is less than retirement age and has a vested account balance equal to or less than \$5,000, the balance will be rolled over to an individual retirement plan designated by the Plan administrator upon termination.

Administrative expenses

Administrative expenses are generally paid by the Company, but may, at the discretion of the plan administrator, be paid by the Plan. Transaction fees for certain participant initiated activity are charged to the specific account of the participant initiating any such transaction.

Forfeitures

To the extent that matching contributions relate to excess 401(k) deferrals, such contributions shall be subject to forfeiture even if they are otherwise vested. Amounts which are forfeited will be used first to reduce future Company contributions and then to pay Plan administrative expenses. At December 31, 2021 and 2020, forfeited accounts totaled \$63 and \$72 respectively. No forfeitures were used by the Company in 2021 to reduce Employer contributions.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting and financial statement presentation

The financial statements of the Plan are prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of estimates

The preparation of financial statements in conformity with U.S. GAAP requires plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the change therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Ethos Group 401(k) Plan  
Notes to Financial Statements  
December 31, 2021 and 2020

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that those changes could materially affect the Plan's financial statements and participants' account balances.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021.

Contributions

Participant contributions are recorded based on the date the contributions or repayments have been separated from a participant's pay by the Employer, which is the pay date.

Discretionary Company matching contributions, if any, are recorded in the year earned to coincide with the year in which the Company records the contributions in its general ledger. Rollover contributions from participants are recorded based on the date the contributions are received by the Trustee.

Investment valuation and income recognition

Investments of the Plan consist of mutual funds and are stated at fair value. Fair value of mutual funds is measured by the net asset value of shares held by the Plan at year-end as determined by open market prices.

Purchases and sales of investments are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of benefits

Benefits are recorded when paid.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Administrative expenses

Certain administrative expenses of the Plan were paid directly by the Plan Sponsor for the year ended December 31, 2021, and are not recorded by the Plan. Investment fees, which may vary according to the individual funds selected, are paid indirectly out of the assets of the Plan. Other administrative expenses paid by the Plan are recorded when due.

3. INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The plan administrator, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of ERISA. Accordingly, as permitted under such election, the Plan administrator has instructed the Plan's independent auditor not to perform any auditing procedures with respect to the following investment information, and related activity, certified by the Trustee, determined to be a qualified institution by the Plan administrator, as accurate and complete, except for comparing such information to corresponding information included in the Plan's financial statements and supplemental schedules.

The following is a summary of financial information certified by the Trustee as accurate and complete as of December 31, 2021, and 2020:

4. FAIR VALUE MEASUREMENTS

Accounting standards require that fair value be determined based on the price that would be received for an asset or paid to transfer a liability ("exit price") in the principal or most advantageous market, in an orderly transaction between market participants. Such fair value is a market-based measurement, not an entity-specific measurement. Accounting standards establish a three-level valuation hierarchy based upon observable inputs. The hierarchy gives the highest priority to level 1 measurements and the lowest priority to level 3 measurements. Observable inputs reflect market data obtained from independent sources, while unobservable inputs reflect the Plan's market assumptions.

The fair value hierarchy consists of three levels of inputs that may be used to measure fair value as follows:

- *Level 1* - Quoted prices (unadjusted) in active markets for identical assets or liabilities that the reporting entity has the ability to access at the measurement date.
- *Level 2* - Observable inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.
- *Level 3* - Unobservable inputs for the asset or liability.

In instances where the determination of fair value measurement is based on inputs from the different levels of the fair value hierarchy, the level in the fair value hierarchy within which the entire fair value measurement falls is based on the lowest level input that is significant to the fair value measurement in its entirety.

The methods used to value investments may produce a fair value calculation that may not be indicative of the net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Registered investment companies (mutual fund investments) are valued at the net asset value of shares held by the Plan at year-end which are quoted in an active market and are classified within level 1 of the valuation hierarchy.

As of December 31, 2021 and 2020, there were no restrictions on redemptions or unfunded commitments of any of the major types of assets.

4. FAIR VALUE MEASUREMENTS (continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets by type, at fair value as of December 31, 2021:

|              | <u>Level 1</u>       | <u>Level 2</u> | <u>Level 3</u> | <u>Fair Value</u>    |
|--------------|----------------------|----------------|----------------|----------------------|
| Mutual Funds | <u>\$ 34,868,109</u> | <u>\$ -</u>    | <u>\$ -</u>    | <u>\$ 34,868,109</u> |

The following table sets forth by level, within the fair value hierarchy, the Plan's assets by type, at fair value as of December 31, 2020:

|              | <u>Level 1</u>       | <u>Level 2</u> | <u>Level 3</u> | <u>Fair Value</u>    |
|--------------|----------------------|----------------|----------------|----------------------|
| Mutual Funds | <u>\$ 27,444,634</u> | <u>\$ -</u>    | <u>\$ -</u>    | <u>\$ 27,444,634</u> |

5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, the participants would become fully vested in their accounts.

6. TAX STATUS

The Plan is based on a volume submitter plan document sponsored by Fidelity Management & Research Co., an affiliate of the Trustee. Fidelity received an opinion letter from the IRS dated June 30, 2020 states that the volume submitter document satisfies the applicable requirements of the IRC and is acceptable for use by employers for the benefit of its employees. The Plan sponsor believes that the Plan, as amended, is currently designed and is being operated in accordance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

7. RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

ERISA defines parties-in-interest similarly to FASB ASC 850, Related Party Disclosures, except that ERISA's definition is broader and includes all entries and individuals that provide services to the Plan; however, these entities may not necessarily be related parties. We did not identify any related parties to the Plan that were not also considered to be parties-in-interest. The Plan did not enter into any material related party transactions during the Plan year related to compensation arrangements, expense allowances, or similar items.

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, and an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee associate or relatives of such persons.

Notes to Financial Statements  
December 31, 2021 and 2020

7. RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS  
(continued)

Certain fund level fees incurred by the funds in which the Plan invests for such services as investment management, shareholder services, and sub-transfer agency fees are paid through fund level revenue sharing arrangements. These fees reduce fund earnings thereby impacting Plan revenue applied to participants' accounts.

The Trustee retains as compensation for services provided to the Plan, any interest on amounts earned while certain transactions are pending. This applies to both contributions and distributions. Earnings are at institutional money market rates.

8. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 14, 2022, the date the financial statements were available to be issued.

Effective March 28, 2022, the Plan formally adopted and restated Fidelity's pre-approved profit sharing plan which received a favorable opinion letter from the IRS dated June 30, 2020. This letter stated that its profit sharing plan was designed in accordance with applicable sections of the IRC, and was acceptable for use by employers for the benefit of their employees. This restatement formally incorporated provisions required by the Bipartisan Budget Act of 2018.

No other subsequent events have occurred that would have a material impact on the presentation of the Plan's financial statements.
