INDEPENDENT AUDITORS' REPORT

To the Plan Sponsor and Participants
401(k) Profit-Sharing Plan for Employees of
Southwestern Child Development Commission, Inc.

Scope and Nature of the ERISA Section 103(a)(3)(C)

We have performed audits of the accompanying financial statements of the 401(k) Profit-Sharing Plan for Employees of Southwestern Child Development Commission, Inc., an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of 401(k) Profit-Sharing Plan for Employees of Southwestern Child Development Commission, Inc.'s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2021 and 2020, and for the years then ended, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of 401(k) Profit-Sharing Plan for Employees of Southwestern Child Development Commission, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about 401(k) Profit-Sharing Plan for Employees of Southwestern Child Development Commission, Inc.'s ability to continue as a going concern for one year after the date the financial statements are available to be issued

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of 401(k) Profit-Sharing Plan for Employees of Southwestern Child Development Commission, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the 401(k) Profit-Sharing Plan for Employees of Southwestern Child Development Commission, Inc.'s ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

To the Plan Administrator and Participants
401(k) Profit-Sharing Plan for Employees of
Southwestern Child Development Commission, Inc.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements
December 31, 2021 and 2020

Note 1 - Description of Plan

The following description of the 401(k) Profit-Sharing Plan for Employees of Southwestern Child Development Commission, Inc. (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all full-time employees, except substitute teachers, of Southwestern Child Development Commission, Inc. (the Organization). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Participant Accounts

Each participant's account is credited with the participant's contributions, Organization's contributions, and any costs directly applicable to the participant (distribution and loan fees). Participant accounts are charged with an allocation of Plan earnings (losses) and any administrative expenses paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Contributions

Each year, participants may contribute up to 100% of pretax and after-tax annual compensation (subject to limits on elective deferrals and annual additions), as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans. Participants may transfer amounts from the Plan to another employer's 403(b) or 401(k) plan.

Upon completion of two years of service, participants become eligible for any discretionary contribution made for the Plan year. The Organization has the right to determine the amount of any discretionary employer base contribution made for a Plan Year. During the years ended December 31, 2021 and 2020, the Organization contributed 2% of eligible compensation. The contribution is allocated based on the employee's compensation, as defined in the Plan. The contributions are invested into the investment options elected by the participant. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various insurance annuity contracts as investment options for participants. Contributions are subject to certain statutory limitations.

Note 1 - Description of Plan (continued)

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon, amounts attributable to rollover contributions, and employer contributions. There are no forfeitures.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The notes are secured by the balance in the participant's account and bear interest at rates commensurate with local prevailing rates charged on similar loans. Repayments are to be paid over a period no longer than five years, unless the loan is used to acquire a principal residence. Principal and interest are paid ratably through payroll deductions. At December 31, 2021 and 2020, notes receivable from participants including accrued interest totaled \$49,988 and \$84,767, respectively.

Payment of Benefits

On termination of service at age 55 or older a participant may elect to receive either a lump-sum amount equal to the value of the participant's interest in his or her account, or in installments of an amount of at least \$100 to be withdrawn each month. For termination of service for other reasons, a participant may receive the value of the interest in his or her account as a lump-sum distribution.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of Estimates

The preparation of financial statements in accordance with U.S. GAAP requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Note 2 - Summary of Significant Accounting Policies (continued)

Investment Valuation and Income Recognition (continued)

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investment includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. If a participant does not make loan repayments, the loan balance is reduced, and the delinquent participant note receivable is recorded as deemed distributions based on the terms of the Plan document. Deemed distributions for the years ended December 31, 2021 and 2020, were \$4,686 and \$0, respectively, and are included in benefits paid to participants.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Organization and are therefore excluded from these financial statements. Administrative, recordkeeping, or trustee fees may be allocated on a pro-rata basis across all participant accounts. Fees related to the administration of notes receivable from participants and distributions are included in administrative expenses and charged directly to the participant's account. Investment related expenses are included in net appreciation in fair value of investments.

Note 3 - Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

The Plan applies U.S. GAAP authoritative guidance for fair value measurements and disclosures, which defines fair value, establishes a framework for measuring fair value, and requires certain disclosures about fair value measurements. The standard describes three levels of inputs to be used to measure fair value:

Note 3 - Fair Value Measurements (continued)

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data.

If an asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Assets and liabilities within the fair value hierarchy are based on the lowest (or least observable) input that is significant to the measurement. The Plan's assessment of the significance of an input requires judgement, which may affect the valuation and classification within the fair value hierarchy.

Following is a description of the valuation methodologies used for assets measured at fair value.

Pooled separate accounts: valued at the net asset value at the close of each business day, which is adjusted for dividends and separate account fees.

General account product: The Interest Accumulation fund managed by Mutual of America is an insurance company general account product. It supports all the policies and contract obligations of the insurance company including those that apply to the Interest Accumulation fund. Although the Interest Accumulation fund provides for a minimum guaranteed interest rate, the actual rate of interest credited during the time over which funds are invested is declared periodically and is subject to change. Withdrawals from the Interest Accumulation fund are permitted as specified in the contract and are not subject to any market value adjustment. Insurance contracts are subject to surrender charges upon liquidation.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value:

At December 31, 2021	Level 1	Level 2	Level 3	Total
Pooled separate accounts	\$ 2,461,643	\$	\$	\$ 2,461,643
General account product			334,795	334,795
Total investments	\$ 2,461,643	\$	\$ 334,795	\$ 2,796,438

Note 3 - Fair Value Measurements (continued)

At December 31, 2020	Level 1	Level 2	Level 3	Total
Pooled separate accounts	\$ 2,196,448	\$	\$	\$ 2,196,448
General account product			347,902	347,902
Total investments	\$ 2,196,448	\$	\$ 347,902	\$ 2,544,350

The following table sets forth a summary of changes in the fair value of the Plan's level 3 inputs for the year ended December 31, 2021.

Level 3 Investments	General Account Product
Balance, beginning of year	\$ 347,902
Earnings	3,438
Purchases	21,504
Sales	(37,817)
Expenses	(232)
Balance, end of year	\$ 334,795

Note 4 - Related-Party and Party-in-Interest Transactions

Section 3(14) of ERISA defines a party-in-interest to include, among others, fiduciaries or employees of the Plan, any person who provides services to the Plan, or an employer whose employees are covered by the Plan. Accordingly, loans to participants and transactions with investment funds managed and held by the custodian are considered party-in-interest transactions. For the years ended December 31, 2021 and 2020, fees paid by the Plan for investment management services amounted to \$1,027 and \$969, respectively. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

Note 5 - Plan Termination

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. Any unallocated assets of the Plan would be allocated to participant accounts and distributed by the Organization in accordance with Plan provisions.

Note 6 - Risks and Uncertainties

The Plan invests in various investment options. Investments are exposed to various risks such as interest rate, market, credit risks. Investments in pooled separate accounts are not federally insured, guaranteed, or endorsed by any other bank or other financial institution. Insurance fixed annuity contracts are insurance company general account products and are subject to the claim's paying ability of the insurance companies.

Note 6 - Risks and Uncertainties (continued)

Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 7 - Investment Information Certified by Plan's Custodian (cash basis)

The following is a summary of the information certified regarding the Plan as of December 31, 2021 and 2020, and for the years then ended, included in the Plan's financial statements and supplemental schedule that was derived from information provided by Mutual of America, the custodian of the Plan.

Net increase in net assets available for benefits per Form 5500	<u>\$ 221,823</u>

Note 9 - Tax Status and Uncertain Tax Positions

The underlying prototype non-standardized plan has received an opinion letter from the Internal Revenue Service (IRS) dated March 31, 2014, stating that the form of the Plan is qualified under Section 401 of the Internal Revenue Code (IRC), and therefore, the related trust is tax-exempt. The Organization has determined that it is eligible and has chosen to rely on the current IRS prototype plan opinion letter. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (asset) for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing authorities; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to December 31, 2018.

Note 10 - Subsequent Events

The Plan administrator has evaluated subsequent events through **REPORT DATE**, which is the date the financial statements were available to be issued.

From January 2022 through the audit report date, the Plan's investments experienced material declines in fair value. While recovery is uncertain and material adverse impacts could occur, the decline is expected to be temporary.
