Independent Auditor's Report

Trustees
Christian Louboutin LLC 401(k) Profit Sharing Plan & Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Christian Louboutin LLC 401(k) Profit Sharing Plan & Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedules of Schedule H, line 4a—schedules of delinquent participant contributions for the year ended December 31, 2021, and Schedules H, line 4i—schedules of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements, or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 15, 2021, we indicated that: (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Christian Louboutin LLC 401(k) Profit Sharing Plan & Trust

Notes to Financial Statements

Note 1. Description of Plan

The following description of the Christian Louboutin LLC 401(k) Profit Sharing Plan & Trust (the Plan) provides only general information. Participants should refer to the Plan document for a complete description of the Plan's provisions.

General: The Plan, which commenced in 2010, is a defined contribution plan covering all eligible employees of Christian Louboutin LLC and CL US Distribution Corp. (collectively, the Company or Plan Sponsor).

The Plan is intended to satisfy all the requirements for a qualified retirement plan under the appropriate provisions of the Internal Revenue Code (IRC) and similar state tax laws and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility: The Plan covers all employees of the Company, excluding union employees, nonresident aliens and temporary employees, who meet eligibility requirements. Employees who have attained the age of 21 and have one month of service are eligible to participate in the Plan with the entry date being the first day of the month following the date that the eligibility requirements are satisfied.

Contributions: Participants may make voluntary salary deferral contributions up to 100% of pretax annual compensation, as defined by the Plan, up to the maximum amount imposed by the Internal Revenue Service (IRS), which is \$19,500 for each year 2021 and 2020. Employees 50 years of age and older are allowed to contribute an additional \$6,500 to the Plan in each year 2021 and 2020. This limitation is an aggregate limit that applies to all deferrals made to the Plan and to any other salary deferral plan. All contributions are held in trust and invested by the Plan's trustees in accordance with the options selected by the participants (i.e., all investments are participant directed). All eligible participants who did not affirmatively elect a deferral contribution in the Plan, and did not opt out of the Plan, will be automatically enrolled in the Plan and will defer 4% of their compensation. All contributions are subject to the maximum amount allowable for federal income tax purposes. Roth after-tax employee contributions are also permitted under the Plan.

The Company may elect to make matching contributions to participants in the Plan based on a formula. Under the formula, the Company contributes a specified percentage of compensation amount on behalf of the participant based on the participant's elective deferrals and/or employee contributions eligible for a match. An employee must satisfy the eligibility requirements to participate in the Company's matching contributions. The Company made matching contributions based on 50% of the deferral percentages and up to a 4% ceiling of those participant chosen deferral rates (with the employer match capped at 2%).

Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Rollovers will be placed in a separate account called a participant's rollover account. Participants are always 100% vested in their participant's rollover account. There are no matching contributions on rollovers from other qualified plans.

Participant accounts: Each participant's account is credited with the participant's contribution and allocations of: (a) the Company's contribution and (b) Plan earnings. Allocations are based on participant earnings or account balances, as defined by the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment options: Upon enrollment in the Plan, participants must direct the amounts contributed to selected investments as made available and determined by the Plan Administrator. Participants may change their investment options or make fund transfers at any time throughout the year via direct phone or internet access.

Christian Louboutin LLC 401(k) Profit Sharing Plan & Trust

Notes to Financial Statements

Note 1. Description of Plan (Continued)

Vesting: Participants are vested immediately in their salary deferral contributions and rollover contributions plus actual earnings thereon. Each participant shall acquire a vested and non-forfeitable percentage in his or her account balance attributable to employer's matching contributions and their earnings per the schedule below. A participant is 100% vested after four years of credited service.

	Vested Percentage
Years of service:	
Less than one	0%
At least one, but less than two	25%
At least two, but less than three	50%
At least three, but less than four	75%
Four or more	100%

Payment of benefits: On termination of service due to death, disability or retirement, participants or their designated beneficiaries, in accordance with the Plan's provisions, may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or various installments as outlined in the Plan documents. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. Withdrawals under hardship circumstances are also permitted.

Forfeitures: Upon termination of service, any unvested interest of the employer contribution account will be forfeited. Forfeitures are used to reduce future employer contributions and Plan administrative expenses. For the years ended December 31, 2021 and 2020, the forfeited nonvested account totaled approximately \$55,400 and \$1,500, respectively. During the year ended December 31, 2021, forfeitures amounting to approximately \$61,600 were used to offset employer contributions and reduce Plan administrative expenses.

Notes receivable from participants: Participants may borrow from their fund accounts a minimum of \$1,000 to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. A participant may not have more than two notes outstanding at any time. The notes are collateralized by the balance in the participant's account and bear a reasonable fixed rate of interest (the prevailing prime rate plus 1% as determined on the date of the note), which was 4.50% at December 31, 2021. Principal and interest are paid ratably through biweekly or monthly payroll deductions. The maximum repayment terms are five years for general purposes notes and 30 years for principal residence notes. The amounts borrowed are transferred from the investment funds in which the participant's accounts are currently invested.

Note 2. Summary of Significant Accounting Policies

The accounting policies followed in the preparation of the financial statements of the Plan conform to accounting principles generally accepted in the United States of America (U.S. GAAP). The Plan's significant accounting policies are as follows:

Basis of accounting: The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting.

Use of estimates: The preparation of financial statements in conformity with U.S. GAAP requires the Plan's management to make estimates and assumptions that affect the reported amounts of net assets, liabilities and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of additions and deductions during the reporting period. Actual results could differ from those estimates.

Notes to Financial Statements

Note 2. Summary of Significant Accounting Policies (Continued)

Investment valuation and income recognition: The Plan's investment assets are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. If a participant ceases to make note repayments and the Plan Administrator deems the participant note to be in default, the participant note balance is reduced and a benefit payment is recorded.

Contributions: Contributions from Plan participants and the matching contributions from the Plan Sponsor are recorded in the year in which the participant contributions are withheld from amounts paid. All participant and employer contributions are participant-directed.

Payment of benefits: Benefits are recorded when paid.

Administrative costs: Administrative costs of the Plan are paid by the Plan or the Company.

Subsequent events: The Plan evaluates events occurring after the date of the financial statements to consider whether or not the impact of such events needs to be reflected and/or disclosed in the financial statements. Such evaluation is performed through the date the financial statements are available for issuance, which was October 24, 2022, for these financial statements.

Note 3. Investment Information Certified by Reliance Trust (Trustee)

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the trustee has certified as being complete and accurate, the investments held by them and notes receivable from participants on the statements of net assets available for benefits, the investment activity and interest income on notes receivable from participants reflected in the statement of changes in net assets available for benefits, and the investment information included in the supplemental schedule of the financial statements as of and for the years ended December 31, 2021 and 2020.

Christian Louboutin LLC 401(k) Profit Sharing Plan & Trust

Notes to Financial Statements

Note 3. Investment Information Certified by Reliance Trust (Trustee) (Continued)

Investments as certified by the trustee as of December 31, 2021 and 2020, are summarized below:

	December 31	
	2021	2020
Registered investment companies funds	\$ 13,342,031	\$ 10,551,333
Interest-bearing money market fund	91,617	173,745
Notes receivable from participants	235,860	245,246

The trustee has also certified to the completeness and accuracy of \$874,362 of net appreciation in fair value of investments, \$931,022 of dividends and \$9,428 of interest income on notes receivable from participants for the year ended December 31, 2021.

Note 4. Fair Value Measurements

Financial Accounting Standards Board Accounting Standards Codification 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. That framework for measuring fair value provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Notes to Financial Statements

Note 4. Fair Value Measurements (Continued)

Following is a description of the valuation methodology used for assets measured at fair value, including the general classification of such instruments pursuant to the valuation hierarchy.

Registered investment companies and money market fund: Valued at the daily closing price as reported by the fund. Shares of registered investment companies held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The registered investment companies held by the Plan are deemed to be actively traded.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

Description	Assets at Fair Value as of December 31, 2021			
	Total	Level 1	Level 2	Level 3
Registered investment companies funds	\$ 13,342,031	\$ 13,342,031	\$ -	\$ -
Interest-bearing money market fund	91,617	91,617	-	-
Total investments at fair value	<u>\$ 13,433,648</u>	<u>\$ 13,433,648</u>	<u>\$ -</u>	<u>\$ -</u>

Description	Assets at Fair Value as of December 31, 2020			
	Total	Level 1	Level 2	Level 3
Registered investment companies funds	\$ 10,551,333	\$ 10,551,333	\$ -	\$ -
Interest-bearing money market fund	173,745	173,745	-	-
Total investments at fair value	<u>\$ 10,725,078</u>	<u>\$ 10,725,078</u>	<u>\$ -</u>	<u>\$ -</u>

Note 5. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan document to amend any or all provisions of the Plan, as well as discontinue its contributions at any time, and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts, and the net assets of the Plan must be allocated among the participants and beneficiaries of the Plan in the order provided for by ERISA.

Note 6. Tax Status

The Plan has adopted a prototype plan of DST Retirement Solutions, LLC (subcontracted by T. Rowe Price Services, Inc.). DST Retirement Solutions, LLC requested that the IRS provide an opinion related to the acceptability of the prototype plan under Section 401 of the IRC, and received a favorable opinion dated June 1, 2015. The Plan has been amended since the adoption date. Plan management believes that the Plan is designed and is being operated in a manner that did not jeopardize this tax status.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan, and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the local, state and federal taxing authorities. The Plan Sponsor's management has evaluated the Plan's tax positions and concluded that the Plan had maintained its tax-exempt status and had taken no uncertain tax positions that require adjustments to the financial statements. Therefore, no provision or liability for income taxes has been included in the financial statements as of and for the years ended December 31, 2021 and 2020.

Christian Louboutin LLC 401(k) Profit Sharing Plan & Trust

Notes to Financial Statements

Note 7. Risks and Uncertainties

The Plan invests in various investment securities. These investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the values of the investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

Note 8. Exempt Party-in-Interest Transactions

Certain Plan investments are investment contracts with T. Rowe Price Services, Inc. T. Rowe Price Services, Inc. is the custodian as defined by the Plan and, therefore, these transactions qualify as permitted party-in-interest transactions, as defined by ERISA. Certain administrative expenses of the Plan are paid by the Plan Sponsor, and personnel and facilities of the Plan Sponsor have been used by the Plan at no additional charge to the Plan.

Note 9. Prohibited Transactions

During 2021, the Plan Sponsor inadvertently failed to deposit \$59,767 of participant contributions within the required timeframe as stated by the DOL Regulations. The Plan Sponsor will deposit lost earnings to correct this failure in 2022. The correction will be made from the Plan Sponsor's assets and not from assets of the Plan.
