INDEPENDENT AUDITORS' REPORT

To the 401(k) Oversight Committee
England, Thims & Miller, Inc. 401(k) Plan
Jacksonville, Florida

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the England, Thims & Miller, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2021 and 2020, and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing the audits in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ENGLAND, THIMS & MILLER, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED DECEMBER 31, 2021

1. DESCRIPTION OF THE PLAN:

The following description of the England, Thims & Miller, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan, which was established on January 1, 1993, is a 401(k) defined contribution plan covering all employees of England, Thims & Miller, Inc. (the Plan Sponsor, Employer, or Company) and its subsidiary, ETM Surveying & Mapping, Inc.. The Plan provides for participant contributions through voluntary salary reduction in accordance with section 401(k) of the Internal Revenue Code of 1986. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

On January 4, 2021, Empower Retirement (Empower) completed the acquisition of Massachusetts Mutual Life Insurance Company's (MassMutual) retirement plan business. Upon completion of the acquisition, Empower became the record keeper of the Plan, and maintained and administered the Plan's investment assets for the benefit of participants, and the Plan trustee remained Reliance Trust Company (Reliance).

Effective December 15, 2021, the Plan moved from a contract with Empower to a contract with Voya Retirement Insurance and Annuity Company (Voya); all assets were transferred to Voya and Voya assumed record keeping duties, maintaining and administering the Plan's investment assets and transactions. Voya Institutional Trust Company (VITC) is performing trustee duties.

Eligibility

Prior to April 2021, employees of the Plan Sponsor and its subsidiary who had completed 90 days of service were eligible to participate in the Plan at the beginning of the next month. As of April 1, 2021, employees of the Plan Sponsor and its subsidiary are eligible to participate in the Plan on the date of hire.

Contributions

Participants may contribute up to 100% of their salary on a before-tax basis via salary deferrals or on an after-tax basis via Roth deferrals, up to the allowable limits specified in the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the year are eligible to make catch-up contributions. Under the terms of the Plan, the Plan Sponsor and its subsidiary may make matching contributions at its discretion, elected annually. The Plan Sponsor and its subsidiary made discretionary matching contributions equal to 50% of the first 6% of each participant's elective deferrals, up to 3% of the participant's salary.

ENGLAND, THIMS & MILLER, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2021

1. DESCRIPTION OF THE PLAN (CONTINUED):

Participant Accounts

Each participant's account is credited with the participant's contributions, Employer matching contributions, and an allocation of Plan earnings and losses. Allocations of earnings and losses are based upon the participant's earnings from participant-directed investment account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

A participant is vested at all times in his or her contributions and related earnings. Vesting in the Plan Sponsor matching contribution and related earnings is based on length of service. A participant must work at least 1,000 hours during a calendar year to accrue a year of credited service. Participants vest at a rate of 20% for each year of credited service starting with two years of credited service. All eligible participants are fully vested after six years of credited service.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 (less the highest outstanding loan balance in their account over the previous twelve months) or 50% of their vested account balance. A participant may have only one loan outstanding at any given time, with terms not to exceed five years, unless for the purchase of a principal residence. The loans are secured by the balance in the participant's account and bear a reasonable interest rate. Principal and interest is paid ratably through equal payroll deductions on at least a quarterly basis.

Payment of Benefits

On termination of service due to death, disability, or retirement, the Plan sets forth the elections available to the participant or the participant's beneficiary to receive the vested interest of the participant's account as a lump sum distribution or in a series of substantially equal installments. The Plan also permits withdrawals due to circumstances of financial hardship, in accordance with provisions specified in the Plan document. Participants are allowed to make in-service withdrawals from their fully vested account balances upon reaching the age of 59½.

Forfeited Accounts

At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$19,234 and \$22,248, respectively. These accounts will be used to reduce future Plan Sponsor contributions. For the year ended December 31, 2021, Plan Sponsor contributions were reduced by \$19,225 from forfeited non-vested accounts.

ENGLAND, THIMS & MILLER, INC. 401(K) PLAN

**NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2021**

1. DESCRIPTION OF THE PLAN (CONTINUED):

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service (IRS) are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2020 excess contributions to the applicable participants prior to March 15, 2021.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Basis of Accounting

The financial statements of the Plan are prepared under the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value, with the exception of fully benefit-responsive investment contracts. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's investment committee determines the Plan's valuation policies utilizing information provided by the investment advisors, trustees, and insurance company. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

ENGLAND, THIMS & MILLER, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2021

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED):

Expenses of the Plan

The Plan's expenses are paid either by the Plan or the Company, as provided by the Plan document. Expenses that are paid directly by the Company are excluded from these financial statements. Fees related to participant directed transactions are charged to the participant's account and are included in administrative expenses. In addition, certain investment related expenses are included in net appreciation of fair value of investments presented in the accompanying statement of changes in net assets available for benefits.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Subsequent Events

The Plan's management has evaluated subsequent events for adjustment to or disclosure in the Plan's financial statements through October 24, 2022, the date the financial statements were available to be issued. No recordable or disclosable events occurred through this date.

3. GUARANTEED INTEREST ACCOUNT:

The Plan previously held a fully benefit-responsive guaranteed interest account with MassMutual totaling \$-0- and \$4,842,762 at December 31, 2021 and 2020, respectively. Fully benefit-responsive investment contracts, such as those previously held in the MassMutual guaranteed interest account, are reported at contract value. Contract value (generally equal to historical cost plus accrued interest) is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by MassMutual, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The guaranteed interest rate was 1.85% as of 2020. The guaranteed interest rate was determined every six months.

3. GUARANTEED INTEREST ACCOUNT (CONTINUED):

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: i) the Plan Sponsor provides effective communication to MassMutual that the agreement will be fully or partially terminated as of a date selected by the Plan Sponsor, which will be no earlier than thirty (30) days after the investor provides effective communication to MassMutual, ii) the Internal Revenue Service determines that the Plan no longer meets the requirements of Code section 401(a), 403(a), 414(d), 414(e) or any other applicable Code provision, iii) there is a termination or partial termination of the Plan, iv) the Plan Sponsor breaches a provision of the agreement, or v) MassMutual provides effective communication to the Plan Sponsor that the agreement will be terminated as of a date at least ninety (90) days after MassMutual provides effective communication to the Plan Sponsor. The Plan terminated this agreement with the move to Voya and based on tenure with MassMutual, there were no events which modified liquidation of the guaranteed interest account outside of contract value.

4. GUARANTEED INVESTMENT CONTRACT:

The Plan holds a traditional guaranteed investment contract with Voya totaling \$4,666,570 and \$-0- at December 31, 2021 and 2020, respectively. The Voya Fixed Account is a fully benefit-responsive guaranteed investment contract. Investment contracts held by a defined contribution plan are required to be reported at contract value. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Contributions under this contract are maintained in a general account that is credited with earnings on the underlying investment and charged for participant withdrawals and administrative expenses. The contract is included in the financial statements at contract value as reported to the Plan by Voya. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all, or a portion, of their investment at contract value. There are no reserves against contract value for credit risk.

There are no unfunded commitments or redemptions applicable to the guaranteed investment contract. Under the terms of the guaranteed investment contract, the Employer must provide a minimum of 90 days notice to Voya prior to termination of the contract.

5. FAIR VALUE MEASUREMENTS:

The Plan accounts for all financial assets and liabilities at fair value in the financial statements on a recurring basis. The fair value framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

5. FAIR VALUE MEASUREMENTS (CONTINUED):

Common collective trusts – Valued at the NAV of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. As of December 31, 2021 and 2020, there were no unfunded commitments. Participant transactions (purchases and sales) may occur daily. Advance written notice of five business days is required for any withdrawal that will exceed \$1,000,000 and advance written notice of 30 days is required to terminate the trusts.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value, as of December 31, 2021:

<u>Description</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 33,622,054	\$ ---	\$ ---	\$ 33,622,054
Total investments in the fair value hierarchy	\$ 33,622,054	\$ ---	\$ ---	33,622,054
Common collective trusts*				8,478,840
Total investments, at fair value				\$ 42,100,894

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value, as of December 31, 2020:

<u>Description</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 28,535,393	\$ ---	\$ ---	\$ 28,535,393
Total investments in the fair value hierarchy	\$ 28,535,393	\$ ---	\$ ---	28,535,393
Common collective trusts*				7,001,483
Total investments, at fair value				\$ 35,536,876

*Certain investments that are measured at fair value using the NAV per share (or its equivalent) as a practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

6. CERTIFIED INVESTMENTS:

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, for the period January 1, 2021 through December 14, 2021, Reliance, the trustee, and for the period December 15, 2021 through December 31, 2021, VITC, the trustee, have certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate at December 31:

	<u>2021</u>	<u>2020</u>
Common collective trusts	\$ 8,478,840	\$ 7,001,483
Mutual funds	33,622,054	28,535,393
Guaranteed investment contract	4,666,570	---
Guaranteed interest contract	---	4,842,762
Notes receivable from participants	---	477,198
	<u>2021</u>	
Net appreciation in fair value	\$ 5,081,458	
Dividend income	747,930	
Interest income on notes receivable from participants	16,650	

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information with the related information included in the financial statements and supplemental schedule.

7. PLAN TERMINATION:

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the Plan Sponsor may direct benefits to be distributed to participants as soon as practicable, or the trust created by the Plan may be continued and benefits distributed to participants as if the Plan had not terminated. Additionally, all participants would become fully vested in Employer matching contributions and related earnings in the event of a Plan termination.

8. RISKS AND UNCERTAINTIES:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

9. TAX STATUS:

The IRS issued an opinion letter dated June 30, 2020, indicating that the Non-Standardized Pre-Approved Profit Sharing Plan with CODA is designed in accordance with applicable sections of the IRC. The plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

10. TRANSACTIONS WITH PARTIES-IN-INTEREST:

As described in Note 2, the Plan paid certain expenses related to Plan operations and investment activity to various service providers. These transactions are considered parties-in-interest under ERISA.

The Plan issues notes to participants, which are secured by the balances in the participants' accounts. These transactions qualify as party-in-interest transactions.

11. CONCENTRATIONS:

One investment comprised 21% of net assets available for benefits as of December 31, 2021. Two investments comprised 35% of net assets available for benefits as of December 31, 2020.

12. RECONCILIATION TO FORM 5500:

The following is a reconciliation of the net assets available for benefits per the financial statements to the Form 5500 as of December 31, 2021:
