INDEPENDENT AUDITOR'S REPORT

To the Trustees and Plan Administrator
North Bend Medical Center 401(k) Plan
Coos Bay, Oregon

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of North Bend Medical Center 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of North Bend Medical Center 401(k) Plan and to meet our ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the 2021 financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the 2021 financial statements.

In preparing the 2021 financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about North Bend Medical Center 401(k) Plan's ability to continue as a going concern for one year after the date the 2021 financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we—

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of North Bend Medical Center 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about North Bend Medical Center 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedules, as listed in the table of contents as of and for the year ended December 31, 2021, are presented for purposes of additional analysis and are not a required part of the 2021 financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of North Bend Medical Center 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 14, 2021 we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NORTH BEND MEDICAL CENTER 401(k) PLAN NOTES TO FINANCIAL STATEMENTS

1. Plan Description

The following description of the North Bend Medical Center 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions. The Plan's most recent restatement was effective January 1, 2016. The Trustee Committee oversees the governance of the Plan.

General

The Plan is a defined-contribution plan sponsored by North Bend Medical Center, Inc. (the Company) and all participating members of the related controlled group. Eligible employees include those who are credited with at least 1,000 hours of service in a year and are 18 years or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants may contribute either pre-tax compensation or after-tax Roth deferrals upon attaining age 18 and completing one year of service. Participants may enter the Plan on the first day of the calendar quarter after meeting these requirements, or the first day of the month for those reaching these requirements during the fourth calendar quarter. The Plan includes an automatic enrollment provision that applies to any eligible employee with a Plan entry date on or after the effective date of the provision. The Company will automatically defer 2 percent of a participant's compensation on a pre-tax basis. There is no provision for an automatic increase. Participants may also contribute amounts as rollover contributions representing distributions from other qualified retirement plans. The Plan includes an opt-out election by any highly compensated employee upon first becoming eligible to enter the Plan. An election not to participate is irrevocable, and the participant may not thereafter revoke his or her election, or otherwise participate in the Plan in any respect. The Company makes a Safe Harbor matching contribution of 100 percent of the first 3 percent of the participant's compensation contributed as deferrals and 50 percent of the next 2 percent of the participant's compensation contributed as deferrals for the year.

The Company may also contribute discretionary profit-sharing contributions based on a formula that utilizes Social Security integration. For 2021 and 2020, the Company made profit-sharing contributions of 6.003 percent and 5.845 percent, respectively, of eligible compensation plus 5.40 percent of eligible compensation in excess of 80 percent of the Social Security taxable wage base in effect on the first day of the year.

Participant Accounts

Each participant's account is credited with the participant's contribution and an allocation of the Company contributions. Participant accounts are credited with Plan earnings allocated to the account and charged with Plan expenses allocated to the account. Participant investments are held in separate participant accounts.

Participants are able to direct the investments in their beneficial account within Plan guidelines. This may include individually directed accounts in the custody of the Plan's custodian in a Personal Choice Retirement Account (PCRA). The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

1. Plan Description, continued

Vesting and Forfeitures

For all eligible employees hired on or after January 1, 2018, discretionary profit-sharing contributions are subject to a three-year cliff vesting schedule. Employees hired prior to January 1, 2018, including those who leave service and are re-hired on or after January 1, 2018, are fully vested in their discretionary contributions at all times. Participant contributions and safe harbor matching contributions, and earnings thereon, are fully vested at all times for all participants. The non-vested portion of a participant's account shall be forfeited upon termination. Forfeitures may be used to pay reasonable Plan expenses. \$46,250 and \$-0- in forfeitures were used to pay Plan expenses during the years ended December 31, 2021 and 2020, respectively. There were forfeited balances of \$6,679 and \$35,045 at December 31, 2021 and 2020, respectively.

Payment of Benefits

On termination of service, a participant is eligible to receive payment of their vested Plan balance. A participant may elect to receive benefits directly or to have the payments distributed in the form of a rollover to another retirement account. Distributions may be made to an active employee for an economic hardship according to the terms of the Plan, subject to the Plan's rules. In-service distributions are permitted upon attainment of 60 years of age.

Under the Coronavirus Aid, Relief and Economic Security Act (the CARES Act), signed into law on March 27, 2020, qualifying participants affected by the COVID-19 coronavirus pandemic were eligible to take early withdrawals up to \$100,000, subject to special rules under the CARES Act.

Participant Loans

Participants are not permitted to borrow from their accounts under the Plan.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from these estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

NORTH BEND MEDICAL CENTER 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

2. Summary of Significant Accounting Policies, continued

Investment Valuation and Income Recognition, continued

Purchases and sales of securities are recorded on a trade-date basis. Interest and dividend income are recorded on the accrual basis. Net change in fair value of investments includes both realized and unrealized gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Substantially all expenses of administering the Plan are paid directly by the Plan, including audit fees, administration fees, and a charge by the Company to reimburse a portion of incurred Plan-related accounting costs. Any administrative expenses paid by the Company are excluded from these financial statements. Investment related expenses are included in net change in fair value of investments.

3. Information Certified by the Plan Custodian

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted by such election, Charles Schwab Trust Bank, acting as custodian for the Plan, had certified that the following data included in the accompanying financial statements and supplemental schedules is complete and accurate as of and for the years ended December 31:

	<u>2021</u>	<u>2020</u>

4. Fair Value Measurements

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There were no changes in the methodologies used at December 31, 2021 and 2020.

Registered investment companies (including investments held in PCRA accounts): Valued at the net asset value (NAV) of shares held by the Plan at year end. All mutual funds held by the Plan are open-end mutual funds that are registered with the SEC and are deemed to be actively traded and have a readily determinable fair value. These funds are required to publish their daily NAV and to transact at that price.

Common stocks (including investments held in PCRA accounts): Valued at the closing price reported on the active market on which the individual securities are traded.

Cash equivalents: Valued at the contract value of the cash equivalent fund, which approximates fair value.

NORTH BEND MEDICAL CENTER 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

4. Fair Value Measurements, continued

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 67,326,780	\$ -	\$ -	\$ 67,326,780
Cash equivalents	-	5,616,188	-	5,616,188
PCRA accounts	17,048,496	-	-	17,048,496
Total investments, at fair value	<u>\$ 84,375,276</u>	<u>\$ 5,616,188</u>	<u>\$ -</u>	<u>\$ 89,991,464</u>

Assets at Fair Value as of December 31, 2020				
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 59,341,357	\$ -	\$ -	\$ 59,341,357
Cash equivalents	-	5,195,350	-	5,195,350
PCRA accounts	14,492,002	-	-	14,492,002
Total investments, at fair value	<u>\$ 73,833,359</u>	<u>\$ 5,195,350</u>	<u>\$ -</u>	<u>\$ 79,028,709</u>

5. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of full or partial Plan termination, affected participants will be 100 percent vested in their accounts.

6. Related Party and Party in Interest Transactions

Certain Plan investments are shares of mutual funds managed by Charles Schwab Trust Bank, the custodian as defined by the Plan, and therefore these transactions qualify as party in interest transactions. Fees paid by the Plan and charged to participant accounts for custodian and recordkeeping services were \$21,545 and \$19,439 for the years ended December 31, 2021 and 2020, respectively.

Additionally, the Plan pays the Company a direct cost reimbursement for administrative and management services provided to the Plan by Company employees. This charge is calculated under a written arrangement. Total payments by the Plan under this arrangement were \$10,000 for the years ended December 31, 2021 and 2020.

These transactions are exempt from the prohibited transaction rules of ERISA.

NORTH BEND MEDICAL CENTER 401(k) PLAN NOTES TO FINANCIAL STATEMENTS

7. Tax Status

The Plan has been restated to a volume submitter profit sharing plan with CODA. Thorson Barnett & McDonald P.C., the sponsor of the volume submitter plan, has received an opinion letter from the Internal Revenue Service (IRS) dated March 31, 2014, that the adoption agreement and basic Plan document are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the opinion letter, the Plan Administrator and the Plan's tax counsel believe the Plan is designed and currently being operated in compliance with the applicable requirements of the IRC and therefore believe the Plan is qualified and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

8. Risks and Uncertainties

The Plan provides for various investment options. Investment securities are exposed to various risks, such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits and the statement of changes in net assets available for benefits.

9. Nonexempt Transactions

During the year ended December 31, 2021, participant contributions totaling \$54,740 were not remitted to the Plan within the appropriate time period by the Company. These transactions constitute prohibited transactions as defined by ERISA. The Company has taken the appropriate steps to correct the situation by reimbursing employees for lost earnings and interest, and has further implemented a procedure to ensure that all future remittances are made within the prescribed time period.

10. Reclassifications

Certain prior year amounts were reclassified to conform to current year presentation. These reclassifications had no effect on previously stated net assets available for benefits or changes in net assets available for benefits.

11. Subsequent Events

Management evaluates events and transactions that occur after the statement of net assets available for benefits date as potential subsequent events. Management has performed this evaluation through the date of the independent auditor's report.
